YOU ARE REQUESTED NOT TO SEND US A PROXY**

INTRODUCTION

**General Information**

The Board of Directors (the “Board”) of Eastman Kodak Company, a New Jersey corporation (the “Company,” “we,” “us” or “our”), is furnishing this Information Statement to the holders of our common stock, par value \$0.01 per share (the “Common Stock”), in connection with a written consent in lieu of a special meeting (the “Written Consent”), dated as of November 7, 2016, executed by the holders (the “Voting Shareholders”) of approximately 51% of our outstanding shares of Common Stock. A copy of the Written Consent is attached as Annex A to this Information Statement.

The Written Consent approves certain actions (the “Actions”) taken by the Board relating to the issuance of the 5.50% Series A Convertible Preferred Stock of the Company (the “Series A Preferred Stock”). The Actions are more fully described in this Information Statement. The Certificate of Amendment to the Second Amended and Restated Certificate of Incorporation of the Company (the “Certificate of Designations”), which provides the terms of the Series A Preferred Stock, is attached hereto as Exhibit A to the Written Consent (Annex A to this Information Statement).

The Written Consent was in accordance with the New Jersey Business Corporations Act (the “NJBCA”), our Second Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”) and our Third Amended and Restated By-laws (the “Bylaws”), which permit any action which may be taken at a meeting of our shareholders to also be taken by the written consent of our shareholders. The Actions taken by the Written Consent required the approval of the holders of a majority of our outstanding shares of Common Stock.

This Information Statement is being furnished to all of our shareholders in accordance with Section 14 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the rules and regulations promulgated by the U.S. Securities and Exchange Commission (“SEC”) thereunder, and the requirements of the NJBCA, solely for the purpose of informing our shareholders of the Actions taken by the Written Consent before it becomes effective.

This information statement will be mailed on or about November 29, 2016 to shareholders of record as of November 7, 2016 (the “Record Date”). Pursuant to Rule 14c-2 of the Exchange Act, the Actions will become effective on or after December 19, 2016, which is 20 calendar days following the date we first mail this Information Statement to our shareholders.

The Board approved the issuance of the Series A Preferred Stock and related actions on October 26, 2016, and a pricing committee established by the Board (the “Pricing Committee”) approved certain terms of such issuance and related actions on November 6, 2016.

The Voting Shareholders approved the Actions by the Written Consent on November 7, 2016.

This Information Statement contains a summary of the material aspects of the actions relating to the issuance of the Series A Preferred Stock that were approved by the Board, the Pricing Committee and the Voting Shareholders.

## ABOUT THIS INFORMATION STATEMENT

### ***What is the Purpose of this Information Statement?***

This Information Statement is being furnished to you pursuant to the requirements of the Exchange Act and the NJBCA to notify you of certain corporate actions taken by the Voting Shareholders pursuant to the Written Consent. In order to eliminate the costs and management time involved in obtaining proxies and in order to effect the Actions as early as possible to accomplish the purposes herein described, the Board elected to seek the written consent of the Voting Shareholders in lieu of a special meeting. We are making this Information Statement available to you on or about November 29, 2016. The Company is not soliciting your proxy or consent and you are not being asked to take any action in connection with this Information Statement.

### ***Who is Entitled to Notice?***

Each holder of record of outstanding shares of Common Stock on the Record Date is entitled to notice of the actions to be taken pursuant to the Written Consent.

### ***Why Did the Company Seek Shareholder Approval?***

On October 26, 2016, the Board authorized the issuance and sale of up to \$210 million of Series A Preferred Stock (the "Issuance"). On November 7, 2016, the Company entered into a Series A Preferred Stock Purchase Agreement with Southeastern Asset Management, Inc. ("Southeastern") and certain investment funds managed by Southeastern (each such investment fund, a "Purchaser" and, collectively, the "Purchasers") for the purchase and sale of 2,000,000 shares of Series A Preferred Stock for a purchase price of \$200 million (the "Purchase Agreement"). As provided in the Certificate of Designations, and further described in this Information Statement, the Series A Preferred Stock is convertible into shares of Common Stock and additional shares of Common Stock are issuable under certain circumstances pursuant to the terms of the Series A Preferred Stock.

Because the Common Stock is listed on the New York Stock Exchange (the "NYSE"), we are subject to NYSE rules and regulations. Section 312.03 of the NYSE Listed Company Manual requires shareholder approval prior to the issuance of common stock, or securities convertible into or exercisable for common stock, in any transaction or series of transactions if (i) the common stock to be issued has, or will have upon issuance, voting power equal to or in excess of 20% of the voting power outstanding before the issuance of such stock or of securities convertible into or exercisable for common stock, or (ii) the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock or of securities convertible into or exercisable for common stock. In addition, Section 312.03(d) of the NYSE Listed Company Manual requires shareholder approval prior to the issuance of securities that will result in a change of control of the issuer.

Upon conversion of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock, such shares of Common Stock would exceed 20% of both the voting power and number of shares of Common Stock outstanding before the issuance of the Series A Preferred Stock. Accordingly, holders of more than a majority of our outstanding shares of Common Stock were asked to approve the conversion feature of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock in excess of 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before such issuance.

Moreover, the NYSE rules do not define a "change of control," so given the percentage of Common Stock that may be held by the Purchasers upon conversion of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock, holders of more than a majority of our outstanding shares of Common Stock were asked to approve any "change of control" of the Company, if and to the extent required pursuant to the NYSE rules.

Section 7-9(4) of the NJBCA provides that, if provided in the authorization of the issuance of convertible securities by the shareholders of a New Jersey corporation, a board of directors may increase the authorized but unissued capital stock of the corporation without additional shareholder approval. Accordingly, holders of more than a majority of our outstanding shares of Common Stock were asked to consider and approve authorizing the Board to increase the amount of authorized shares of Common Stock to such number as will be not more than sufficient, when added to the previously authorized but unissued shares of Common Stock, to satisfy the conversion privileges of the Series A Preferred Stock.

### ***What Actions were Approved by the Voting Shareholders?***

Pursuant to the Written Consent (attached hereto as Annex A), the following Actions were approved by the Voting Shareholders:

- In accordance with Section 312.03 of the NYSE Listed Company Manual (including, without limitation, Section 312.03(c) and, if and to the extent required, Section 312.03(d) thereof), the Voting Shareholders ratified, adopted, approved and confirmed the conversion feature of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock in excess of 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before such issuance.
- The Voting Shareholders authorized, empowered and directed the Company to take all such actions, to cause to be prepared and filed all such documents, to make all expenditures and to execute all instruments deemed by the officers of the Company to be necessary or desirable in carrying out and effectuating the issuance of the Series A Preferred Stock and the transactions contemplated thereby.
- In accordance with Section 7-9(4) of the NJBCA, the Voting Shareholders authorized the Board, without additional approval of the shareholders of the Company, to increase the amount of authorized shares of Common Stock to such number as will be not more than sufficient, when added to the previously authorized but unissued shares of Common Stock, to satisfy the conversion privileges of the Series A Preferred Stock.

### ***What Vote was Required to Approve the Actions?***

The affirmative vote of the holders of a majority of our outstanding shares of Common Stock on the Record Date was required to approve the Actions. As of the Record Date, the Company had 42,359,022 shares of Common Stock issued and outstanding. Each share of Common Stock entitles its holder to one vote on each matter submitted to our shareholders. Voting Shareholders holding approximately 51% of the total outstanding shares of Common Stock as of the Record Date have consented to the Actions. Because the Voting Shareholders, holding more than a majority of our outstanding shares of Common Stock as of the Record Date, consented to the Actions, no other shareholder votes, consents or actions will be required or obtained in connection with this Information Statement or the Actions.

### ***Is a Vote Required to Approve the Issuance of the Series A Preferred Stock up to 19.99% of the Voting Power of the Company or Number of Shares of Common Stock Outstanding Before such Issuance?***

No. No approval by the holders of Common Stock was required for the Issuance. The consummation of the purchase and sale of the shares of Series A Preferred Stock pursuant to the Purchase Agreement (the "Closing") occurred on November 15, 2016 (the "Closing Date"). The Certificate of Designations provides that prior to the requisite shareholder approval, the shares of Common Stock issuable pursuant to the terms of the Series A Preferred Stock is limited to 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before the issuance of the Series A Preferred Stock (the "Conversion Cap"). The Written Consent approves the issuance of Common Stock pursuant to the terms of the Series A Preferred Stock up to and above 20% of both the voting power and number of shares of Common Stock outstanding before the issuance of the Series A Preferred Stock.

### ***Do I have appraisal rights?***

No. None of the NJBCA, our Certificate of Incorporation or our Bylaws provides holders of Common Stock with dissenters' or appraisal rights in connection with the Actions described in this Information Statement.

### ***Will the Issuance of the Series A Preferred Stock be Dilutive to Existing Holders of Common Stock?***

The Issuance of the Series A Preferred Stock may be dilutive to existing holders of Common Stock. Based on the capitalization of the Company as of November 7, 2016, and the initial conversion rate of 5.7471 shares of Common Stock per share of Series A Preferred Stock, the conversion of the Series A Preferred Stock would result in the holders thereof owning approximately 21% of our outstanding Common Stock after giving effect to such conversion. This would amount to a dilution of approximately 21% to existing holders of Common Stock. Further, additional shares of Common Stock may be issuable pursuant to certain other features of the Series A Preferred Stock, with such issuances being further dilutive to existing holders of Common Stock. See "Possible Effects of the Issuance—Dilution" for additional information.

## BACKGROUND AND REASONS FOR THE ISSUANCE AND SHAREHOLDER APPROVAL

### *Background and Reasons for the Issuance*

The Board and the Company's management regularly evaluate the Company's liquidity and capital resources, including potential equity transactions. Southeastern contacted the Company on an unsolicited basis in August 2016. In late September 2016, our management and Southeastern began discussing the possibility of the purchase and sale of certain convertible preferred securities of the Company. On October 26, 2016, following discussions and negotiations with Southeastern regarding its possible purchase of certain convertible preferred securities of the Company and the details thereof, in consultation with the Company's legal and financial advisors and upon the recommendation of the Company's management, the Board authorized and approved the issuance of up to \$210 million of Series A Preferred Stock to the Purchasers.

Following the Board approval, the Company's management and Southeastern negotiated the final terms of the Series A Preferred Stock and the final terms of the sale of the Series A Preferred Stock to the Purchasers. On November 6, 2016, in consultation with the Company's legal and financial advisors and upon the recommendation of the Company's management, the Pricing Committee authorized and approved the issuance of \$200 million of Series A Preferred Stock to the Purchasers and the final terms of such transaction.

On November 7, 2016, the Company, Southeastern and the Purchasers entered into the Purchase Agreement pursuant to which the Company will sell to the Purchasers and the Purchasers will purchase from the Company, in the aggregate, 2,000,000 shares of Series A Preferred Stock for an aggregate purchase price of \$200 million. The related definitive documentation and the terms of the Series A Preferred Stock are described in further detail in this Information Statement. The consummation of the purchase and sale of the shares of Series A Preferred Stock pursuant to the Purchase Agreement (the Closing) occurred on November 15, 2016.

The Issuance is expected to strengthen the Company's capital structure and enhances its financial flexibility. The Company used the net proceeds from the Issuance, together with cash on hand, to prepay all of the outstanding term loans under the Senior Secured Second Lien Term Credit Agreement, dated as of September 3, 2013, by and among the Company, the lenders from time to time parties thereto, and Barclays Bank PLC, as administrative agent (the "Second Lien Credit Agreement"). This immediately reduced cash payable for interest, improving cash flow for the Company.

### *Reasons for Seeking Shareholder Approval*

Because the Common Stock is listed on the NYSE, we are subject to NYSE rules and regulations. Section 312.03 of the NYSE Listed Company Manual requires shareholder approval prior to the issuance of common stock, or securities convertible into or exercisable for common stock, in any transaction or series of transactions if (i) the common stock to be issued has, or will have upon issuance, voting power equal to or in excess of 20% of the voting power outstanding before the issuance of such stock or of securities convertible into or exercisable for common stock, or (ii) the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock or of securities convertible into or exercisable for common stock. In addition, Section 312.03(d) of the NYSE Listed Company Manual requires shareholder approval prior to the issuance of securities that will result in a change of control of the issuer.

Upon conversion of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock, such shares of Common Stock would exceed 20% of both the voting power and number of shares of Common Stock outstanding before the issuance of the Series A Preferred Stock. Accordingly, holders of more than a majority of our outstanding shares of Common Stock were asked to approve the conversion feature of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock in excess of 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before the issuance of the Series A Preferred Stock.

Moreover, the NYSE rules do not define a “change of control,” so given the percentage of Common Stock that may be held by the Purchasers upon conversion of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock, holders of more than a majority of our outstanding shares of Common Stock were asked to approve any “change of control” of the Company, if and to the extent required pursuant to the NYSE rules.

Section 7-9(4) of the NJBCA provides that, if provided in the authorization of the issuance of convertible securities by the shareholders of a New Jersey corporation, a board of directors may increase the authorized but unissued capital stock of the corporation without additional shareholder approval. Accordingly, holders of more than a majority of our outstanding shares of Common Stock were asked to consider and approve authorizing the Board to increase the amount of authorized shares of Common Stock to such number as will be not more than sufficient, when added to the previously authorized but unissued shares of Common Stock, to satisfy the conversion privileges of the Series A Preferred Stock.

No approval by the holders of Common Stock was required for the Issuance. The consummation of the purchase and sale of the shares of Series A Preferred Stock pursuant to the Purchase Agreement (the Closing) occurred on November 15, 2016. The Certificate of Designations provides that prior to the requisite shareholder approval, the shares of Common Stock issuable pursuant to the terms of the Series A Preferred Stock is limited to the Conversion Cap. The Written Consent approves the issuance of Common Stock pursuant to the terms of the Series A Preferred Stock up to and above 20% of both the voting power and number of shares of Common Stock outstanding before the issuance of the Series A Preferred Stock.

## DESCRIPTION OF THE TRANSACTION DOCUMENTS

The following is a summary of the material terms of the Purchase Agreement and the related Registration Rights Agreement, dated as of the Closing Date, by and among the Company, Southeastern and the Purchasers (the “Registration Rights Agreement”). While we believe this description covers the material terms of these agreements, we encourage you to read the Purchase Agreement and the Registration Rights Agreement. The Purchase Agreement was included as Exhibit 10.1 to the Current Report on Form 8-K filed by the Company on November 7, 2016, and the Registration Rights Agreement was included as Exhibit 4.1 to the Current Report on Form 8-K filed by the Company on November 16, 2016. For more information about accessing these Current Reports on Form 8-K and the other information we file with the SEC, please see “Where You Can Find More Information” below.

### **Purchase Agreement**

As described above, on November 7, 2016, the Company, Southeastern and the Purchasers entered into the Purchase Agreement, pursuant to which the Company sold to the Purchasers and the Purchasers purchased from the Company, in the aggregate, 2,000,000 shares of Series A Preferred Stock for an aggregate purchase price of \$200 million. The consummation of the purchase and sale of the shares of Series A Preferred Stock pursuant to the Purchase Agreement (the Closing) occurred on November 15, 2016.

### *Representations and Warranties*

In the Purchase Agreement, the Company made representations and warranties to the Purchasers relating to the Company, our business and the Issuance. The Purchasers also made representations and warranties to the Company regarding themselves, the sufficiency of their funds to consummate the transactions, and their compliance with securities laws. The representations and warranties made in the Purchase Agreement did not survive the Closing and the Purchase Agreement does not provide for indemnification relating to such representations and warranties.

### *Additional Agreements*

In the Purchase Agreement, the parties agreed to take certain actions, including making any necessary governmental filings, mailing this Information Statement to the holders of Common Stock as of the Record Date, and taking commercially reasonable actions as necessary to effect the Closing. Further, the Purchase Agreement provides that the Purchasers, beginning at the first annual meeting of shareholders of the Company following the Closing and for as long as the Purchasers hold any shares of Series A Preferred Stock, shall be entitled to nominate (collectively and not individually) for election at the Company’s annual meeting of shareholders a number of directors to the Board commensurate with their ownership percentage of Common Stock on an as-converted basis. Accordingly, it is expected that the Purchasers will be able to nominate two directors to the Board at the Company’s next annual meeting of shareholders, assuming the Purchasers retain ownership of their shares of Series A Preferred Stock. The Purchase Agreement also provides the Purchasers (collectively and not individually) the right to fill vacancies on the Board created by a designee of the Purchasers ceasing to serve on the Board. The nomination right of the Purchasers will be reduced by two nominees at any time that the holders of the Series A Preferred Stock have the right as a separate class to elect two directors. For additional information, see “Description of Issued Securities—Voting Rights.” The nomination and other rights regarding the Board granted to the Purchasers pursuant to the terms of the Purchase Agreement are not transferrable to any other person.

### *Registration Rights Agreement*

As contemplated by the Purchase Agreement, at the Closing, the Company, Southeastern and the Purchasers entered into the Registration Rights Agreement in substantially the form attached to the Purchase Agreement as Exhibit C. As described in further detail below, the Registration Rights Agreement provides that the Company will register under the Securities Act of 1933, as amended (the “Securities Act”) and take certain actions with respect to the offer and sale by the Purchasers of shares of Series A Preferred Stock purchased by the Purchasers and Common Stock issuable upon conversion of the Series A Preferred Stock and issuable pursuant to the terms of the Series A Preferred Stock.

### *Reimbursement of Expenses*

The Purchase Agreement provides that the Company will reimburse the Purchasers' external legal counsel for up to \$250,000 of their reasonable fees and expenses incurred in connection with the Issuance, and the Company has separately agreed to pay half of the fees of a financial consultant to Southeastern up to \$20,000. No other fees were paid by the Company to or on behalf of Southeastern or the Purchasers in connection with the transactions contemplated by the Purchase Agreement.

### **Registration Rights Agreement**

As noted above, at the Closing, the Company, Southeastern and the Purchasers entered into a Registration Rights Agreement, pursuant to which the Company will register under the Securities Act and take certain actions with respect to the offer and sale by the Purchasers of shares of Series A Preferred Stock purchased by the Purchasers and shares of Common Stock issuable upon conversion of the Series A Preferred Stock and issuable pursuant to the terms of the Series A Preferred Stock (the "registrable securities").

### *Shelf Registration and Takedowns*

Within 90 days after the Closing Date, the Company will prepare and file with the SEC a registration statement on Form S-3 providing for the resale of the registrable securities pursuant to an offering to be made on a continuous basis under Rule 415. Upon the written demand of the relevant Purchaser(s), the Company will facilitate a "takedown" of registrable securities off of the registration statement but the Purchaser(s) may not, individually or collectively, make more than four demands in the aggregate. Any demand for an underwritten offering of Series A Preferred Stock will have an aggregate market value (based on the most recent closing price of the Common Stock into which the Series A Preferred Stock is convertible at the time of the demand) of at least \$75 million.

### *Piggyback Rights*

The Purchasers are not entitled to piggyback registration rights.

### *Transferability of Registration Rights*

The Registration Rights Agreement is binding upon the parties thereto and their successors and will inure to the benefit of each Purchaser and its successors and permitted assigns. Neither party may assign the Registration Rights Agreement without the prior written consent of the other party.

### *Expenses of Registration*

The Company will bear all fees and expenses incident to the performance of the Registration Rights Agreement including all registration and filing fees and related expenses, as well as fees and expenses of persons retained by the Company to carry out its obligations under the Registration Rights Agreement (including independent public accountants). The Company will not bear any underwriters', brokers' and dealers' discounts and commissions, transfer taxes or other similar fees incurred by the Purchasers in connection with the sale of registrable securities.

### *Indemnification*

Subject to certain exceptions, the Company has agreed to indemnify each Purchaser, its officers, directors, employees and affiliates, and each person that controls such Purchaser and the officers, directors and employees of each such controlling party, against all losses, claims, damages, liabilities, costs and expenses arising out of or relating to any violation of securities laws or any untrue or alleged untrue statement of material fact, or any omission or alleged omission to state a material fact required to be stated, in any registration statement, except to the extent such untrue statements or omissions are based solely upon information regarding the relevant Purchaser(s) furnished in writing to the Company by such Purchaser(s) expressly for use therein.

## DESCRIPTION OF THE ISSUED SECURITIES

The following is a summary of the material terms and provisions of the Series A Preferred Stock as contained in the Certificate of Designations. While we believe this summary covers the material terms and provisions of the Series A Preferred Stock, we encourage you to read the Certificate of Designations, which is attached hereto as Exhibit A to the Written Consent (Annex A to this Information Statement) and was included as Exhibit 3.1 to the Current Report on Form 8-K filed by the Company on November 16, 2016. For more information about accessing this Current Report on Form 8-K and the other information we file with the SEC, please see “Where You Can Find More Information” below.

### Dividends

Holders of Series A Preferred Stock are entitled to receive cash dividends in an amount equal to the dividend rate of 5.50% of the liquidation preference of \$100.00 per share of Series A Preferred Stock (the “liquidation preference”). Dividends on the Series A Preferred Stock cumulate quarterly on January 15, April 15, July 15 and October 15 of each year, commencing January 15, 2017, and accumulate from the most recent date dividends were paid, and if no dividends have been paid, from the first date on which the Series A Preferred Stock is issued (the “original issue date”). Dividends on the Series A Preferred Stock will be paid in cash if the Company has funds legally available for payment and the Board, or an authorized committee thereof, declares a cash dividend payable.

Prior to the 5<sup>th</sup> anniversary of the original issue date (the “mandatory redemption date”), unless all accumulated and unpaid dividends on the Series A Preferred Stock have been paid in full or a sum for such amounts has been set aside for payment, the Company may not declare dividends on shares of Common Stock or any other shares of the Company’s stock ranking junior or equal to the Series A Preferred Stock and may not purchase, redeem or otherwise acquire such shares, subject to certain customary exceptions.

### Ranking

The Series A Preferred Stock ranks senior, as to payment of dividends and distributions of assets upon the liquidation, dissolution or winding up of Company, to the Company’s Common Stock and any shares of capital stock of the Company not expressly ranking senior to or *pari passu* with the Series A Preferred Stock, and junior to all shares of capital stock of the Company issued in the future, the terms of which expressly provide that such shares will rank senior to the Series A Preferred Stock.

### Voting Rights

Holders of Series A Preferred Stock are entitled to vote upon all matters upon which holders of Common Stock have the right to vote, and will be entitled to the number of votes equal to the number of full shares of Common Stock into which such shares of Series A Preferred Stock could be converted at the then applicable conversion rate, at the record date, such votes to be counted together with shares of Common Stock and not separately as a class, except that (i) for so long as any Series A Preferred Stock remains outstanding, the affirmative vote of holders of more than 66 2/3% of the outstanding shares of Series A Preferred Stock will be required to alter or amend the Certificate of Incorporation, the Certificate of Designations, or the Bylaws, if such amendment would alter the rights and preferences of the Series A Preferred Stock so as to adversely affect the holders thereof and (ii) whenever dividends on the Series A Preferred Stock are in arrears for six or more dividend periods, the holders of Series A Preferred Stock (voting with holders of all other classes of preferred stock of the Company whose voting rights are then exercisable) are entitled to vote for the election of two additional directors in the next annual meeting and all subsequent meetings until all accumulated dividends on such Series A Preferred Stock and other voting preferred stock have been paid or set aside. If and when all accumulated dividends have been paid on such Series A Preferred Stock and other voting preferred stock, such rights of such holders of Series A Preferred Stock and other voting preferred stock will immediately cease.

### Redemption

Subject to the NJBCA and unless no shares of the Series A Preferred Stock are outstanding, on the mandatory redemption date, the Company will redeem all shares of Series A Preferred Stock at a redemption price equal to the liquidation preference plus accrued and unpaid dividends to, but excluding, the redemption date.

## Conversion

### *Optional Conversion*

Each holder of Series A Preferred Stock will have the option at any time to convert any or all of such holder's shares of Series A Preferred Stock at an initial conversion rate of 5.7471 shares of fully paid and non-assessable shares of Common Stock (subject to adjustment as described in the "—Anti-Dilution Adjustments" below) per share of Series A Preferred Stock and a cash payment in lieu of any fractional shares of Common Stock. Prior to the effectiveness of the Actions, shares of Series A Preferred Stock are not convertible, in the aggregate, into more than 19.99% of the shares of Common Stock outstanding on the original issue date, but are freely convertible thereafter.

### *Mandatory Conversion*

The Company has the right at any time after the 2<sup>nd</sup> anniversary of the original issue date, to cause all outstanding shares of Series A Preferred Stock to be automatically converted into shares of Common Stock using the conversion rate then in effect, with cash payment in lieu of fractional shares, if the closing price per share of Common Stock equals or exceeds 125% of the conversion price using the conversion rate then in effect for at least 45 trading days in a period of 60 consecutive trading days with the last trading day of such 60 day period ending on the trading day immediately preceding the business day on which the Company issues a press release announcing the mandatory conversion. Upon a mandatory conversion, all rights of the holders of Series A Preferred Stock will terminate except for the right to receive the whole shares of Common Stock issuable upon conversion, cash payment in lieu of any fractional shares and a partial payment of any accrued and unpaid dividend. Standard notice provisions as set forth in the Certificate of Designations apply.

### *Conversion upon a Fundamental Change*

If (i) subject to certain exceptions, a person or a group beneficially owns more than 50% of the voting power of the Company (a "change of control"); (ii) the Company consummates any recapitalization, reclassification of Common Stock or any sale or transfer of all or substantially all of the consolidated assets of the Company and its subsidiaries; (iii) the Common Stock ceases to be listed on the NYSE, NASDAQ Global Select Market or the NASDAQ Global Market; or (iv) our shareholders approve any plan or proposal for the liquidation or dissolution of the Company (each of (i) through (iv), a "fundamental change") (provided that any transaction whereby at least 90% of the consideration to be received by holders of Common Stock consists of shares of common stock that are or will be listed on the NYSE, NASDAQ Global Select Market or the NASDAQ Global Market as a result of which the Series A Preferred Stock becomes convertible into such consideration will not be considered a fundamental change), the holders of Series A Preferred Stock will receive for each share of Series A Preferred Stock converted during a specified window either (a) a number of shares of Common Stock equal to the then-applicable conversion rate plus an additional number of shares of Common Stock as determined by reference to a make-whole premium chart specified in the Certificate of Designations or (b) a number of shares of Common Stock equal to the conversion rate increased to equal the sum of the liquidation preference of Series A Preferred Stock plus all accumulated and unpaid dividends to the settlement date of the conversion divided by the market value of the Common Stock (defined as the volume weighted average price of the Common Stock during the 15 consecutive trading day period ending on the date of such conversion); provided that the conversion rate used in clause (b) above will not exceed 10.3448 shares of Common Stock per share of Series A Preferred Stock. In addition to the shares of Common Stock received as described above, each converting holder will have the right to receive a cash payment of all accrued, accumulated and unpaid dividends on such shares of Series A Preferred Stock for all dividend periods prior to the dividend payment date immediately preceding such conversion date as long as the Company is then legally permitted to pay such dividends.

## Anti-Dilution Adjustments

The conversion rate of the Series A Preferred Stock is subject to certain anti-dilution adjustments. These anti-dilution adjustments, as described in the Certificate of Designations, will apply if:

- i. the Company exclusively issues shares of Common Stock as a dividend or distribution on all shares of Common Stock, or if the Company effects a share split or share combination;

- ii. the Company distributes to all or substantially all holders of Common Stock any rights or warrants entitling them to purchase or subscribe for shares of Common Stock at a price per share that is less than the average of the closing price per share of Common Stock over the 10 consecutive trading day period ending on the trading day immediately preceding the dividend ex-date as determined by the exchange or market that Common Stock trades on;
- iii. the Company makes distributions to all or substantially all holders of Common Stock consisting of its capital stock, evidence of indebtedness or other assets, excluding dividends or other distributions (including share splits), rights, options or warrants as to which an adjustment is effected in clause (i) or (ii) above or (vi) below and dividends or other distributions covered by (iv) below and subject to certain other exceptions;
- iv. the Company makes any cash dividends or distribution to all or substantially all holders of Common Stock;
- v. the liabilities relating to the remediation of environmental conditions at Eastman Business Park exceed \$99 million and the Company (1) is obligated to make a cash payment in accordance with the Amended and Restated Settlement Agreement, dated as of June 17, 2013 and amended and restated as of August 6, 2013 (and as may be further amended, restated, modified or supplemented from time to time), by and among the Company and the New York State Department of Environmental Conservation and the New York State Urban Development Corporation, or (2) establishes a reserve with respect to an obligation described in the preceding clause, and such cash payment or reserve is greater than or equal to \$5 million; and
- vi. the Company or any of its subsidiaries makes a payment in respect of a tender offer or exchange offer for Common Stock and the cash and other consideration payable under such tender offer or exchange offer exceeds the average closing price per share of Common Stock over 10 consecutive trading days commencing on the trading day immediately following the last day tenders and exchanges may be made.

In addition to the adjustments provided above, to the extent permitted by applicable law and subject to the applicable rules of the NYSE, the Company may (but is not required to) from time to time increase the conversion rate for a period of at least 20 business days or longer if the increase is irrevocable during such period and the Board determines that such increase would be in the Company's best interest.

### **Reorganization Events**

In the event of: (i) any recapitalization, reclassification or change of Common Stock; (ii) any consolidation, merger or combination involving the Company; (iii) any sale, lease or other transfer to a third party of the consolidated assets of the Company and the Company's subsidiaries substantially as an entirety; or (iv) any statutory share exchange, in each case, as a result of which Common Stock is converted into, or exchanged for, stock, other securities or other property (each, referred to as a "reorganization event"), each share of the Series A Preferred Stock outstanding immediately prior to such reorganization event will become convertible into the kind and amount of securities, cash and other property that a holder of a number of shares of Common Stock equal to the conversion rate per share of the Series A Preferred Stock prior to the reorganization event would have owned or been entitled to receive upon the reorganization event. Upon the occurrence of any reorganization event, holders of Series A Preferred Stock may elect to receive for each share of Series A Preferred Stock shares of Common Stock equal to the conversion rate increased to equal the liquidation preference plus all accumulated and unpaid dividends to the settlement date of the conversion divided by the market value of Common Stock; provided that the conversion rate used will not exceed 10.3448 shares of Common Stock per share of Series A Preferred Stock (subject to adjustment as described in "—Anti-Dilution Adjustments" above). In the event of a reorganization event where (i) the price per share of Common Stock that would have been received by a holder of Series A Preferred Stock upon a reorganization event (using the conversion rate prior to the reorganization event) is below \$14.50 and there is a change of control or (ii) when there is a fundamental change, the Company will have the right to require holders of the Series A Preferred Stock to convert each share of the Series A Preferred Stock outstanding immediately prior to such reorganization event into a number of shares of Common Stock equal to the conversion rate which will be increased to equal the sum of the liquidation preference plus all accumulated and unpaid dividends divided by the market value of Common Stock; provided that such conversion rate will not exceed 20.6897 shares of Common Stock per share of Series A Preferred Stock (subject to adjustment as described in "—Anti-Dilution Adjustments" above).

## POSSIBLE EFFECTS OF THE ISSUANCE

### Effect on Trading Price

The Issuance may have a positive or negative effect on the trading price of Common Stock.

In connection with the Issuance, we entered into the Registration Rights Agreement. The Registration Rights Agreement provides for customary registration rights, including shelf registration rights. These registration rights will facilitate the resale of shares of Series A Preferred Stock and Common Stock into the public market and, if the Purchasers convert and sell shares, increase the number of shares of Common Stock available for public trading. The potential that the Purchasers would resell the shares of Series A Preferred Stock or Common Stock on an as-converted basis could create a market overhang that could exert downward pressure on the trading price of the Common Stock.

However, as noted above, the Company used the net proceeds from the Issuance, together with cash on hand, to prepay all of the outstanding loans under the Company's Second Lien Credit Agreement. This immediately reduced cash payable for interest, improving cash flow for the Company, which may have a positive effect on the trading price of Common Stock.

### Dilution

The Series A Preferred Stock is convertible into shares of Common Stock (as described above under "Description of the Issued Securities—Conversion"). As a result of the conversion of any issued and outstanding Series A Preferred Stock, our existing shareholders will own a smaller percentage of our outstanding Common Stock. Based on the capitalization of the Company as of November 7, 2016, and the initial conversion rate of 5.7471 shares of Common Stock per share of Series A Preferred Stock, the conversion of all shares of Series A Preferred Stock would result in the holders thereof owning approximately 21% of our outstanding Common Stock after giving effect to such conversion. This would amount to a dilution of approximately 21% to existing holders of Common Stock. Further, additional shares of Common Stock may be issuable pursuant to certain other features of the Series A Preferred Stock, with such issuances being further dilutive to existing holders of Common Stock.

If Series A Preferred Stock is converted into Common Stock, holders of such converted Common Stock will be entitled to the same dividend and distribution rights as holders of the Common Stock currently authorized and outstanding. As such, another dilutive effect resulting from the conversion of any issued and outstanding shares of Series A Preferred Stock will be a dilution to dividends and distributions. For more information, see "Description of the Issued Securities" above.

### Concentration of Ownership in the Purchasers and Board Nominations

The Purchasers are entitled to vote upon all matters upon which holders of Common Stock have the right to vote and are entitled to the number of votes equal to the number of full shares of Common Stock into which such shares of Series A Preferred Stock could be converted at the then applicable conversion rate (subject to the Conversion Cap, if applicable). Accordingly, following the 20 calendar day period from the mailing of this Information Statement, the Purchasers will hold approximately 21% of the voting power of the Company on an as-converted basis. As a result, following the Issuance, the Purchasers may have the ability to influence future actions by the Company requiring shareholder approval.

Further, the Purchase Agreement provides that the Purchasers, beginning at the first annual meeting of shareholders of the Company following the Closing and for as long as the Purchasers hold any shares of Series A Preferred Stock, shall be entitled to nominate for election (collectively and not individually) at the Company's annual meeting of shareholders a number of directors to the Board commensurate with their ownership percentage of Common Stock on an as-converted basis. Accordingly, it is expected that the Purchasers will be able to nominate two directors to the Board at the Company's next annual meeting of shareholders, assuming the Purchasers retain ownership of their shares of Series A Preferred Stock. The Purchase Agreement also provides the Purchasers (collectively and not individually) the right to fill vacancies on the Board created by a designee of the Purchasers ceasing to serve on the Board. The nomination and other rights regarding the Board granted to the Purchasers pursuant to the terms of the Purchase Agreement are not transferrable to any other person. Also, whenever dividends on the Series A Preferred Stock are in arrears for six or more dividend periods, the holders of Series A Preferred Stock (voting with holders of all other classes of preferred stock of the Company whose voting rights are then exercisable) are entitled to vote for the election of two additional directors at the Company's next annual meeting and all subsequent meetings until all accumulated dividends on such Series A Preferred Stock and other voting preferred stock have been paid or set aside (during which time the number of directors that the Purchasers are entitled to nominate under the Purchase Agreement will be reduced by two). As a result, the potential presence of directors on the Board nominated by the Purchasers or elected by the holders of Series A Preferred Stock would enable the Purchasers or the holders of Series A Preferred Stock to influence the composition of the Board and, in turn, potentially influence and impact future actions taken by the Board.

### **Rights of Investors**

The rights and privileges associated with the Common Stock issued upon conversion of any issued and outstanding Series A Preferred Stock (and any additional shares of Common Stock that are issued pursuant to the terms of the Series A Preferred Stock) will be identical to the rights and privileges associated with the Common Stock held by our existing holders of Common Stock, including voting rights. Upon completion of any conversion, all rights with respect to any issued Series A Preferred Stock will terminate, and all shares of Series A Preferred Stock will be cancelled and no further dividends will accrue thereon.

### **Reservation of Common Stock for Issuance**

Holders of Common Stock will not realize any dilution in their ownership or voting rights solely as a result of the reservation of any shares of Common Stock for issuance upon conversion of the Series A Preferred Stock or for issuance of additional shares of Common Stock pursuant to certain other features of the Series A Preferred Stock or any increase in authorized shares of Common Stock due to the Issuance, but will experience dilution to the extent additional shares of Common Stock are issued in the future as described above.

Shares that may be acquired within 60 days are referred to in the footnotes to this table as “presently exercisable options,” “presently exercisable warrants” or restricted stock units (“RSUs”) that vest on a specific date. ## INTERESTS OF CERTAIN PERSONS

No directors or officers of the Company purchased any shares of Series A Preferred Stock in the transactions described in this Information Statement, nor do any directors or officers of the Company beneficially own any shares of Series A Preferred Stock.

In its resolutions approving the Issuance, the Board acknowledged that Jason New and Bill Parrett had declared a possible conflict of interest to the Board in connection with the Issuance because the proceeds of the sale of the shares of Series A Preferred Stock are anticipated to be used to repay certain debt obligations owed by the Company to an entity affiliated with such director. Such resolutions were intended to satisfy the condition set forth in Section 6-8(1)(b) of the NJBCA, which provides for the approval of a conflicted transaction by a majority of disinterested directors. The Board disclosed to the Voting Shareholders that Jason New and Bill Parrett had declared this possible conflict of interest in connection with the Issuance. As acknowledged in the Written Consent, the Voting Shareholders were aware of and considered this possible conflict prior to executing and delivering the Written Consent.

WHEREAS, the Board of Directors has declared advisable and approved certain transactions, whereby the Company would issue and sell up to \$210 million in aggregate liquidation preference of the Company's Series A Preferred Stock, no par value (the "Series A Preferred Stock"), which shall have a liquidation preference of \$100 per share (or such other amount as approved by the Pricing Committee) and shall be convertible into shares of Common Stock, in a private placement (the "Offering") exempt from registration under the Securities Act of 1933, as amended, and the Pricing Committee has approved the final terms of the Offering and the Series A Preferred Stock;

WHEREAS, the Certificate of Amendment to the Second Amended and Restated Certificate of Incorporation of the Company, attached hereto as Exhibit A (the "Certificate of Designations"), sets forth the terms of the Series A Preferred Stock;

WHEREAS, the Common Stock is listed on the New York Stock Exchange (the "NYSE") and the Company is subject to NYSE rules and regulations;

WHEREAS, Section 312.03(c) of the NYSE Listed Company Manual requires shareholder approval prior to the issuance of common stock, or securities convertible into or exercisable for common stock, in any transaction or series of transactions if (i) the common stock to be issued has, or will have upon issuance, voting power equal to or in excess of 20% of the voting power outstanding before the issuance of such stock or of securities convertible into or exercisable for common stock, or (ii) the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock or of securities convertible into or exercisable for common stock;

WHEREAS, Section 312.03(d) of the NYSE Listed Company Manual requires shareholder approval prior to an issuance that will result in a change of control of the issuer;

WHEREAS, Section 312.07 of the NYSE Listed Company Manual requires that where any matter requires shareholder approval, the minimum vote which will constitute shareholder approval for such purposes is defined as approval by a majority of votes cast on a proposal in a proxy bearing on the particular matter;

---

WHEREAS, as provided in the Certificate of Designations and in compliance with Section 312.03(c) of the NYSE Listed Company Manual, on an as converted basis and accounting for all of the additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock, the Series A Preferred Stock will represent, prior to the approval by holders of more than a majority of the shares of Common Stock, 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before such issuance;

WHEREAS, as provided in the Certificate of Designations and in compliance with Section 312.03(c) of the NYSE Listed Company Manual, upon approval by holders of more than a majority of the shares of Common Stock of the conversion feature of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock in excess of 19.99%, the Series A Preferred Stock will represent upon such approval, more than 20% of the voting power of the Company or number of shares of Common Stock outstanding before such issuance;

WHEREAS, in order to obtain the shareholder approval required by Section 312.03(c) of the NYSE Listed Company Manual and authorize the conversion of the Series A Preferred Stock into shares of Common Stock and any other feature of the Series A Preferred Stock providing for the issuance of shares of Common Stock in excess of 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before such issuance, the Board of Directors has submitted such conversion feature of the Series A Preferred Stock and any other feature of the Series A Preferred Stock providing for the issuance of shares of Common Stock for approval by the shareholders of the Company;

WHEREAS, the Board of Directors has disclosed to the undersigned that Jason New and Bill Parrett have declared a possible conflict of interest to the Board of Directors in connection with the Offering because the proceeds of the sale of the shares of Series A Preferred Stock are anticipated to be used to repay certain debt obligations owed by the Company to an entity affiliated with such directors;

WHEREAS, the Pricing Committee has set the Record Date as the record date for determining the shareholders entitled to vote on the approval of the conversion feature of the Series A Preferred Stock and any other feature of the Series A Preferred Stock providing for the issuance of shares of Common Stock (and all related matters and approvals);

WHEREAS, the undersigned desire to ratify, adopt, approve and confirm the conversion feature of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock in excess of 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before such issuance; and

WHEREAS, Section 7-9(4) of the NJBCA provides that if provided in the authorization of the issuance of convertible securities by the shareholders of a New Jersey corporation, the board of directors may increase the authorized but unissued capital stock of the corporation without additional shareholder approval.

**NOW, THEREFORE, IT IS:**

RESOLVED, that the undersigned, being, as of the Record Date, the holders of approximately 51% of all outstanding shares of Common Stock, in accordance with the Bylaws and the NJBCA, and in accordance with Section 312.03 of the NYSE Listed Company Manual (including, without limitation, Section 312.03(c) and, if and to the extent required, Section 312.03(d) of the NYSE Listed Company Manual), hereby ratify, adopt, approve and confirm the conversion feature of the Series A Preferred Stock and the issuance of all additional shares of Common Stock that are issuable pursuant to the terms of the Series A Preferred Stock in excess of 19.99% of the voting power of the Company or number of shares of Common Stock outstanding before such issuance.

FURTHER RESOLVED, that the Company is authorized, empowered and directed to take all such actions, to cause to be prepared and filed all such documents, to make all expenditures and to execute all instruments deemed by the officers of the Company to be necessary or desirable in carrying out and effectuating the foregoing resolution and the transactions contemplated thereby.

FURTHER RESOLVED, that in accordance with Section 7-9(4) of the NJBCA, the Board of Directors is authorized, without approval of the shareholders of the Company, to increase the amount of authorized shares of Common Stock to such number as will be not more than sufficient, when added to the previously authorized but unissued shares of Common Stock, to satisfy the conversion privileges of the Series A Preferred Stock.

Pursuant to Section 14A:5-6 of the New Jersey Business Corporation Act, the corporate actions referred to herein shall be effective upon the execution of this consent by a sufficient number of holders of the Common Stock authorized to vote and to take the actions set forth in this consent and upon the receipt of this written consent, the proper officer or officers of the Company are directed to promptly notify all non-consenting shareholders who would have been entitled to notice of a meeting to vote upon such action, of the action consented to and the effective date of such action.

CERTIFICATE OF AMENDMENT TO THE  
SECOND AMENDED AND RESTATED  
CERTIFICATE OF INCORPORATION  
OF  
EASTMAN KODAK COMPANY

(Pursuant to Section 14A:7-2(2) and (4) of the  
New Jersey Business Corporation Act)

---

Pursuant to the provisions of N.J.S.A. 14A:7-2(2) and (4), the undersigned corporation executes the following Certificate of Amendment to its Second Amended and Restated Certificate of Incorporation:

1. The name of the corporation is Eastman Kodak Company, a corporation organized and existing under the laws of the State of New Jersey (hereinafter called the "Company").

2. The following amendment to the Second Amended and Restated Certificate of Incorporation (the "Certificate"), was approved by the Company's Board of Directors (the "Board") as required by Section 14A:7-2 of the New Jersey Business Corporation Act at a meeting duly called and held on October 26, 2016.

3. The Board, in accordance with the Certificate, and Third Amended and Restated By-laws, as amended (the "By-laws"), and applicable law, at said meeting duly called, convened and held on October 26, 2016, authorized the issuance and sale by the Company of up to \$210 million in aggregate liquidation preference of shares of the Company's preferred stock, no par value per share ("Preferred Stock"), created a series of 5.50% Series A Convertible Preferred Stock of the Company designated as "5.50% Series A Convertible Preferred Stock", adopted resolutions establishing and empowering a Special Committee of the Board (the "Pricing Committee"), and established limits specifically prescribed by the Board within which the Pricing Committee may determine the final terms of the 5.50% Series A Convertible Preferred Stock. Pursuant to the authority conferred by the Board upon the Pricing Committee and the resolutions of the Board, the Pricing Committee, at a meeting called and held on November 6, 2016, fixed and determined the authorized number of shares of the series, the dividend rate of shares of the series, the designations, and certain other powers, preferences, and relative, participating, optional or other rights, and the qualifications, limitations and restrictions thereof, and amended the Certificate to add such terms to the end of Article III of the Certificate as follows:

5.50% Series A Convertible Preferred Stock:

Section 1. Designation and Amount. There is hereby created out of the authorized and unissued shares of preferred stock of the Company a series of preferred stock designated as "5.50% Series A Convertible Preferred Stock" (the "Series A Preferred Stock") and the number of shares constituting the Series A Preferred Stock shall be 2,000,000.

Section 2. Dividends and Distributions.

(A) Holders of shares of Series A Preferred Stock shall be entitled to receive, on each share of Series A Preferred Stock and with respect to each Dividend Period, cash dividends in an amount equal to the Dividend Rate multiplied by the Liquidation Preference per share of Series A Preferred Stock. Dividends on the Series A Preferred Stock shall cumulate quarterly on each Dividend Payment Date at the Dividend Rate, and shall accumulate from the most recent date as to which dividends shall have been paid or, if no dividends have been paid, from the Original Issue Date, whether or not in any Dividend Period(s) there have been funds legally available for the payment of such dividends. Dividends shall be payable to holders of record as they appear on the Company's stock register on the immediately preceding Dividend Record Date (if such dividend has been declared). Accumulations of dividends on shares of Series A Preferred Stock do not bear interest. Dividends payable on the Series A Preferred Stock for any period other than a full Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months and, for partial months, on the basis of the number of days actually elapsed in a 30-day month.

(B) The Company shall make each dividend payment on the Series A Preferred Stock in cash, with such cash dividends being paid only to the extent (i) the Company has funds legally available for payment and (ii) the Board, or an authorized committee thereof, declares such dividend payable.

(C) No dividend shall be declared or paid upon, or any sum set apart for the payment of dividends upon, any outstanding share of Series A Preferred Stock with respect to any Dividend Period unless all dividends for all preceding Dividend Periods have been declared and paid, or declared and a sufficient sum has been set apart for the payment of such dividend, upon all outstanding shares of Series A Preferred Stock.

(D) Prior to the fifth (5<sup>th</sup>) anniversary of the Original Issue Date, unless all accumulated and unpaid dividends on the Series A Preferred Stock for all past Dividend Periods shall have been paid in full, or a sum for such accumulated and unpaid dividends has been set apart for the payment of dividends upon the Series A Preferred Stock, the Company shall not:

(i) declare or pay any dividend or make any distribution of assets on any Junior Stock; or

(ii) redeem, purchase or otherwise acquire any shares of Junior Stock or pay or make any monies available for a sinking fund for such shares of Junior Stock, other than (1) upon conversion or exchange for other Junior Stock or (2) the purchase of fractional interests in shares of any Junior Stock pursuant to the conversion or exchange provisions of such shares of Junior Stock;

provided, however, that the foregoing limitations shall not apply to (x) redemptions, purchases or other acquisitions of shares of Junior Stock in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors, managers or consultants of, or to, the Company or any of its subsidiaries; (y) an exchange, redemption, reclassification or conversion of any class or series of Junior Stock for any class or series of Junior Stock that ranks equal or junior to the applicable Junior Stock; or (z) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks equal or junior to the applicable Junior Stock.

(E) Holders of shares of Series A Preferred Stock at the close of business on a Dividend Record Date will be entitled to receive the dividend payment on such shares on the corresponding Dividend Payment Date (if such dividend has been declared) notwithstanding the conversion of such shares following such Dividend Record Date or the Company's default in payment of the dividend due on such Dividend Payment Date. Holders of shares of Series A Preferred Stock will not be entitled to any dividend in excess of full cumulative dividends.

Section 3. Rank.

The Series A Preferred Stock will rank senior, as to payment of dividends and distributions of assets upon the liquidation, dissolution or winding up of Company, to the Company's Common Stock and any shares of capital stock of the Company not expressly ranking senior to or *pari passu* with the Series A Preferred Stock, and junior to all shares of capital stock of the Company issued in the future, the terms of which expressly provide that such shares will rank senior to the Series A Preferred Stock.

Section 4. Mandatory Redemption. Subject to the New Jersey Business Corporation Act, unless no shares of the Series A Preferred Stock are outstanding, on the fifth (5<sup>th</sup>) anniversary of the Original Issue Date, the Company shall redeem all shares of Series A Preferred Stock at a redemption price equal to the Liquidation Preference plus accrued and unpaid dividends to, but excluding the redemption date (the "Mandatory Redemption Price").

Section 5. Conversion.

(A) Each Holder of Series A Preferred Stock shall have the right at any time, at its option, to convert, subject to the terms and provisions of this Section 5, any or all of such Holder's shares of Series A Preferred Stock at an initial conversion rate of 5.7471 shares of fully paid and non-assessable shares of Common Stock (subject to adjustment as provided in this Section 5, the "Conversion Rate") per share of Series A Preferred Stock; provided, however, that prior to the receipt of Shareholder Approval (the period prior to such Shareholder Approval the "Approval Period") shares of Series A Preferred Stock shall not be convertible pursuant to this Section 5 in the aggregate into more than 19.99% of the shares of Common Stock outstanding on the Original Issue Date (subject to appropriate adjustment in the event of a stock split, stock dividend, combination or other similar recapitalization) (such limitation, the "Conversion Cap"). Shares of Series A Preferred Stock shall immediately and permanently cease to be subject to the Conversion Cap upon the receipt of Shareholder Approval. If on any day during the Approval Period, the holders of Series A Preferred Stock provide notice of an election to convert that would result in the Series A Preferred Stock converting into more than the Conversion Cap, the Company shall determine in its sole and absolute discretion which Holder(s) and how many shares of Series A Preferred Stock held by any such Holder(s) shall be allowed to convert solely to prevent conversion into more than the Conversion Cap. For the avoidance of doubt and notwithstanding anything in this Certificate of Amendment to the Second Amended and Restated Certificate of Incorporation of the Company (the "Certificate of Amendment") to the contrary, the Conversion Cap shall not in any way limit the amounts that may be added to the Liquidation Preference. Upon conversion of any share of Series A Preferred Stock, the Company shall deliver to the converting Holder, in respect of each share of Series A Preferred Stock being converted, a number of shares of Common Stock equal to the Conversion Rate, together with a cash payment in lieu of any fractional share of Common Stock in accordance with Section 13 and any dividend pursuant to Section 2(E), on the third Trading Day immediately following the relevant Conversion Date.

(B) Before any Holder shall be entitled to convert a share of Series A Preferred Stock as set forth above, such Holder shall (i) in the case of a beneficial interest in a Global Preferred Stock, comply with the procedures of the Depository in effect at that time and (ii) in the case of Certificated Preferred Stock (1) complete, manually sign and deliver an irrevocable notice to the office of the Transfer Agent as set forth in the Form of Notice of Conversion (or a facsimile thereof) substantially in the form of Exhibit B hereto (a "Notice of Conversion") and state in writing therein the number of shares of Series A Preferred Stock to be converted and the name or names (with addresses) in which such Holder wishes the certificate or certificates for any shares of Common Stock to be delivered to be registered, (2) surrender such shares of Series A Preferred Stock, at the office of the Transfer Agent and (3) if required, furnish appropriate endorsements and transfer documents. The Transfer Agent shall notify the Company of any conversion pursuant to this Section 5 on the Conversion Date for such conversion. The date on which a Holder complies with the procedures in this clause (B) is the "Conversion Date." If more than one share of Series A Preferred Stock shall be surrendered for conversion at one time by the same Holder, the number of shares of Common Stock to be delivered upon conversion of such shares of Series A Preferred Stock shall be computed on the basis of the aggregate number of shares of Series A Preferred Stock so surrendered.

(C) Immediately prior to the close of business on the Conversion Date with respect to a conversion, a converting Holder of Series A Preferred Stock shall be deemed to be the holder of record of the Common Stock issuable upon conversion of such Holder's Series A Preferred Stock notwithstanding that the share register of the Company shall then be closed or that certificates representing such Common Stock shall not then be actually delivered to such Holder. On the date of any conversion, all rights with respect to the shares of Series A Preferred Stock so converted, including the rights, if any, to receive notices, will terminate, excepting only the rights of holders thereof to (i) receive certificates for the number of whole shares of Common Stock into which such shares of Series A Preferred Stock have been converted (with a cash payment in lieu of any fractional share of Common Stock in accordance with Section 13); (ii) exercise the rights to which they are thereafter entitled as holders of the Common Stock; and (iii) receive any dividend payable notwithstanding the conversion.

(D) The Conversion Rate shall be adjusted, without duplication, upon the occurrence of any of the following events:

(i) If the Company exclusively issues shares of Common Stock as a dividend or distribution on all shares of its Common Stock, or if the Company effects a share split or share combination, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where,

$CR_0$  = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution, or immediately prior to the open of business on the Effective Date of such share split or share combination, as the case may be;

$CR_1$  = the Conversion Rate in effect immediately after the close of business on the Record Date for such dividend or distribution, or immediately after the open of business on the Effective Date of such share split or share combination, as the case may be;

$OS_0$  = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such dividend or distribution, or immediately prior to the open of business on the Effective Date of such share split or share combination, as the case may be; and

$OS_1$  = the number of shares of Common Stock outstanding immediately after giving effect to such dividend or distribution, or such share split or share combination, as the case may be.

Any adjustment made under this Section 5(D)(i) shall become effective immediately after the close of business on the Record Date for such dividend or distribution, or immediately after the open of business on the Effective Date for such share split or share combination, as the case may be. If any dividend or distribution of the type described in this Section 5(D)(i) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(ii) If the Company distributes to all or substantially all holders of its Common Stock any rights, options or warrants entitling them, for a period expiring not more than 45 days immediately following the announcement date of such distribution, to purchase or subscribe for shares of its Common Stock at a price per share that is less than the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date of such distribution, the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

$CR_0$  = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such distribution;

$CR_1$  = the Conversion Rate in effect immediately after the close of business on the Record Date for such distribution;

$OS_0$  = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such distribution;

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, divided by the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date of such distribution.

Any increase made under this Section 5(D)(ii) shall be made successively whenever any such rights, options or warrants are distributed and shall become effective immediately after the close of business on the Record Date for such distribution. To the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants, the Conversion Rate shall be readjusted, effective as of the date of such expiration, to the Conversion Rate that would then be in effect had the increase with respect to the distribution of such rights, options or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so distributed, the Conversion Rate shall be decreased, effective as of the date the Board determines not to make such distribution, to be the Conversion Rate that would then be in effect if such Record Date for such distribution had not occurred. If such rights, options or warrants are only exercisable upon the occurrence of certain triggering events, then the Conversion Rate shall not be adjusted until the triggering events occur.

For purposes of this Section 5(D)(ii), in determining whether any rights, options or warrants entitle the holders to subscribe for or purchase shares of Common Stock at less than such average of the Closing Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date of such distribution, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board.

(iii) If the Company makes distributions to all or substantially all holders of its Common Stock consisting of shares of its Capital Stock, evidence of indebtedness or other assets or properties, excluding:

(1) dividends or other distributions (including share splits), rights, options or warrants as to which an adjustment is effected in clause (i) or (ii) above or in clause (vi) below:

(2) dividends or other distributions covered by clause (iv) below:

(3) dividends or other distributions that constitute Exchange Property following a Reorganization Event:

(4) Spin-offs to which the provisions set forth below in this Section 5(D)(iii) shall apply,

the Conversion Rate shall be increased based on the following the formula:

$$CR_1 = CR_0 \times \frac{M}{M - F}$$

where:

$CR_0$  = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such distribution;

$CR_1$  = the Conversion Rate in effect immediately after the close of business on the Record Date for such distribution;

M = the average of the Closing Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date for such distribution; and

F = the fair market value, as determined by the Board, of the portion of those assets, securities, rights, warrants or options to be distributed in respect of each share of Common Stock immediately prior to the open of business on the Ex-Date for such distribution.

Any increase pursuant to this Section 5(D)(iii) shall become effective immediately after the close of business on the Record Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Board determines not to pay or make such distribution, to be the Conversion Rate that would then be in effect if such distribution had not been declared.

Notwithstanding the foregoing, if “F” (as defined above) is equal to or greater than “M” (as defined above), in lieu of the foregoing increase, each Holder of Preferred Stock shall receive, for each share of Series A Preferred Stock, at the same time and upon the same terms as holders of the Common Stock, the amount of cash that such Holder would have received as if such Holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such distribution.

With respect to an adjustment pursuant to this Section 5(D)(iii) where there has been a payment of a dividend or other distribution of the Common Stock in shares of capital stock of any class or series, or similar equity interest, of or relating to a subsidiary or other business unit, where such capital stock or similar equity interest is listed or quoted (or will be listed or quoted upon consummation of the spin-off) on a U.S. national securities exchange, which is referred to herein as a “**Spin-off**,” the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{F + MP}{MP}$$

where:

$CR_1$  = the Conversion Rate in effect immediately after the open of business on the effective date for the Spin-off;

$CR_0$  = the Conversion Rate in effect immediately prior to the open of business on the effective date for the Spin-off;

F = the average of the Closing Sale Prices of the capital stock or similar equity interest distributed to holders of Common Stock applicable to one share of Common Stock over the first 10 consecutive Trading Day period immediately following, and including, the effective date for the Spin-off (such period, the "Valuation Period"); and

MP = the average of the Closing Sale Prices of the Common Stock over the Valuation Period.

The adjustment to the Conversion Rate under the preceding paragraph of this Section 5(D)(iii) will become effective immediately after the open of business on the day after the last day of the Valuation Period. For purposes of determining the Conversion Rate in respect of any conversion during the 10 Trading Days commencing on the effective date for any Spin-off, references within the portion of this Section 5(D)(iii) related to Spin-offs to 10 consecutive Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the effective date for such Spin-off to, but excluding, the relevant Conversion Date.

(iv) If the Company makes any cash dividend or distribution to all or substantially all holders of its Common Stock, the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where,

$CR_0$  = the applicable Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend or other distribution;

$CR_1$  = the applicable Conversion Rate in effect immediately after the close of business on the Record Date for such dividend or other distribution;

$SP_0$  = the average of the Closing Sale Prices of the Company's Common Stock over the 10 consecutive Trading-Day period ending on, and including, the Trading Day immediately preceding the Ex-Date for such dividend or other distribution; and

C = the amount in cash per share the Company pays or distributes to holders of its Common Stock.

An adjustment on the Conversion Rate made pursuant to Section 5(D)(iv) shall become effective immediately after the close of business on the Record Date for the applicable dividend or other distribution. If any dividend or other distribution described in this Section 5(D)(iv) is declared but not so paid or made, the new Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect if such dividend or other distribution had not been declared.

If “C” as set forth above is equal to or greater than “SP<sub>0</sub>” as set forth above, in lieu of the foregoing adjustment, each holder of Series A Preferred Stock shall receive, at the same time and upon the same terms as holders of the Company’s Common Stock, the amount of cash that such holder would have received if such holder owned a number of shares of the Company’s Common Stock equal to the applicable Conversion Rate in effect immediately prior to the close of business on the Record Date for such cash dividend or other distribution.

(v) In the event that the liabilities relating to the remediation of Eastman Business Park (net of any tax set-off or deduction for the benefit of the Company and net of any insurance proceeds received by, or other reimbursement to, the Company in connection with such liabilities) exceed \$99 million and the Company (1) becomes obligated to make a cash payment as a result thereof in accordance with the terms of the Amended and Restated Settlement Agreement, dated as of June 17, 2013 and amended and restated as of August 6, 2013 (and as may be further amended, restated, modified or supplemented from time to time), by and among the Company and the New York State Department of Environmental Conservation and the New York State Urban Development Corporation, or (2) establishes a reserve with respect to an obligation described in the preceding clause (1), and only to the extent any such cash payment or reserve (net of any tax set-off or deduction for the benefit of the Company and net of any insurance proceeds received by, or other reimbursement to, the Company in connection with such cash payment or reserve) is greater than or equal to \$5.0 million (and, for the avoidance of doubt, any such cash payment or reserve of less than \$5.0 million shall be aggregated with any subsequent such cash payment(s) or reserve(s) in determining whether the amount paid or reserved by the Company exceeds or equals such \$5.0 million threshold) (such cash payment(s) or reserve(s), the “Environmental Excess Costs”), the Company shall, on the date (the “Reference Date”) when such Environmental Excess Costs are recognized on the Company’s financial statements prepared in accordance with the US GAAP, promptly give notice by mail or by publication (with subsequent prompt notice by mail) to the Holders of the Series A Preferred Stock (not later than three Business Days after the date of the press release) of an adjustment in the Conversion Rate, which shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where,

CR<sub>0</sub> = the Conversion Rate in effect immediately prior to the close of business on the Reference Date;

$CR_1$  = the Conversion Rate in effect immediately after the close of business on the Reference Date;

$SP_0$  = the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Reference Date; and

C = the Environmental Excess Costs divided by the number of outstanding shares of the Common Stock on the Reference Date.

Any increase pursuant to this Section 5(D)(v) shall become effective immediately after the close of business on the Reference Date. If any Environmental Excess Costs are subsequently eliminated due to a reversal of the associated environmental reserve (other than for payment of such reserve), the Conversion Rate shall be decreased, effective as of the date such reversal is reflected in the Company's financial statements prepared in accordance with the US GAAP (the "Reversion Date"), to be the Conversion Rate that would then be in effect if such excess had not occurred.

Notwithstanding the foregoing, if "C" (as defined above) is equal to or greater than "SP<sub>0</sub>" (as defined above), in lieu of the foregoing increase in Conversion Rate, the Liquidation Preference for each Holder of Preferred Stock shall increase by an amount per share equal to the Conversion Rate multiplied by "C", effective as of the Reference Date and ending on the Reversion Date.

(vi) If the Company or any of its subsidiaries makes a payment in respect of a tender offer or exchange offer for the Common Stock and the cash and value of any other consideration included in the payment per share of the Common Stock exceeds the average of the Closing Sale Price of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP_1 \times OS_1)}{OS_0 \times SP_1}$$

where,

$CR_0$  = the Conversion Rate in effect immediately prior to the close of business on the last Trading Day of the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

$CR_1$  = the Conversion Rate in effect immediately after the close of business on the last Trading Day of the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

AC = the aggregate value of all cash and any other consideration (as determined by the Board) paid or payable for shares of Common Stock purchased in such tender or exchange offer;

OS<sub>0</sub> = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

OS<sub>1</sub> = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer); and

SP<sub>1</sub> = the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.

The increase to the Conversion Rate under this Section 5(D)(vi) shall occur at the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; provided that, for purposes of determining the Conversion Rate, in respect of any conversion during the 10 Trading Days immediately following, and including, the Trading Day next succeeding the date that any such tender or exchange offer expires, references within this Section 5(D)(vi) to 10 consecutive Trading Days shall be deemed to be replaced with such lesser number of consecutive Trading Days as have elapsed between the date such tender or exchange offer expires and the relevant Conversion Date.

In the event that the Company or one of its subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender offer or exchange offer, but the Company or such subsidiary is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Rate shall be readjusted to be such Conversion Rate that would then be in effect if such tender offer or exchange offer had not been made. For the avoidance of doubt, this Section 5(D)(vi) shall not apply if the Company otherwise acquires shares of Common Stock, including, but not limited to, through an open market purchase in compliance with Rule 10b-18 promulgated under the Exchange Act or through an “accelerated share repurchase” on customary terms.

(vii) Prior to the receipt of Shareholder Approval, conversion of the Series A Preferred Stock is subject to the Conversion Cap pursuant to Section 5(A). Notwithstanding the foregoing, the Conversion Cap shall have no effect on any adjustment to the Conversion Rate pursuant to this Section 5.

(viii) All calculations and other determinations under this Section 5(D) shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000th) of a share. No adjustment to the Conversion Rate shall be made if it results in a

Conversion Price that is less than the par value (if any) of the Common Stock. The Company shall not take any action that would result in the Conversion Price being less than the par value (if any) of the Common Stock pursuant to this Certificate of Amendment and without giving effect to the previous sentence.

(ix) In addition to those adjustments required by clauses (i), (ii), (iii), (iv), (v) and (vi) of this Section 5(D), and to the extent permitted by applicable law and subject to the applicable rules of the New York Stock Exchange, the Company from time to time may (but is not required to) increase the Conversion Rate by any amount for a period of at least 20 Business Days or any longer period permitted or required by law if the increase is irrevocable during that period and the Board determines that such increase would be in the Company's best interest. In addition, the Company may (but is not required to) increase the Conversion Rate to avoid or diminish any income tax to holders of the Common Stock or rights to purchase Common Stock in connection with a dividend or distribution of shares (or rights to acquire shares) or similar event. Whenever the Conversion Rate is increased pursuant to any of the preceding two sentences, the Company shall mail to the Holder of each share of Series A Preferred Stock at its last address appearing on the stock register of the Company a notice of the increase at least 15 days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(E) If any applicable law requires the deduction or withholding of any tax from any payment or deemed dividend to a Holder on its Series A Preferred Stock or Common Stock, the Company or an applicable withholding agent may withhold on cash dividends, shares of Series A Preferred Stock or Common Stock or sale proceeds paid, subsequently paid or credited with respect to such Holder or such Holder's successors and assigns.

(F) The Company shall at all times reserve and keep available for issuance upon the conversion of the Series A Preferred Stock a number of its authorized but unissued shares of Common Stock equal to the aggregate Liquidation Preference divided by \$14.50 (subject to adjustment in the same manner as the Conversion Rate as provided in this Section 5), and shall take all action required to increase the authorized number of shares of Common Stock if at any time there shall be insufficient unissued shares of Common Stock to permit such reservation or to permit the conversion of all outstanding shares of Series A Preferred Stock (including any Additional Shares in connection with a Fundamental Change).

(G) The issuance or delivery of certificates for Common Stock upon the conversion of shares of Series A Preferred Stock shall be made without charge to the converting holder or recipient of shares of Series A Preferred Stock for such certificates or for any documentary, stamp or similar issue or transfer tax in respect of the issuance or delivery of such certificates or the securities represented thereby, and such certificates shall be issued or delivered in the respective names of, or in such names as may be directed by, the holders of the shares of Series A Preferred Stock converted; provided, however, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any such certificate in a name other than that of the holder of the shares of the relevant Series A Preferred Stock and the Company shall not be required to issue or deliver such certificate unless or until the Person or Persons requesting the issuance or delivery thereof shall have paid to the Company the amount of such tax or shall have established to the reasonable satisfaction of the Company that such tax has been paid.

(H) Notwithstanding Section 5(D)(ii), if the Company has a rights plan (including the distribution of rights pursuant thereto to all holders of the Common Stock) in effect while any shares of Series A Preferred Stock remain outstanding, Holders of Series A Preferred Stock will receive, upon conversion of Series A Preferred Stock, in addition to the Common Stock to which such Holder is entitled, a corresponding number of rights in accordance with the rights plan. If, prior to any conversion, such rights have separated from the shares of Common Stock in accordance with the provisions of the applicable rights plan so that Holders of Series A Preferred Stock would not be entitled to receive any rights in respect of the Common Stock delivered upon conversion of Series A Preferred Stock, the Conversion Rate will be adjusted at the time of separation as if the Company had distributed to all holders of its Common Stock, shares of Capital Stock covered by the separated rights, subject to readjustment in the event of the expiration, termination or redemption of such rights.

Section 6. Mandatory Conversion.

(A) At any time on or after the second (2<sup>nd</sup>) anniversary of the Original Issue Date, the Company shall have the right, at its option, to give notice of its election to cause all outstanding shares of Series A Preferred Stock to be automatically converted into that number of whole shares of Common Stock for each share of Series A Preferred Stock equal to the Conversion Rate in effect on the Mandatory Conversion Date, with cash in lieu of any fractional share pursuant to Section 13. The Company may exercise its right to cause a mandatory conversion pursuant to this Section 6 only if the Closing Sale Price of the Common Stock equals or exceeds 125% of the Conversion Price for at least 45 Trading Days (whether or not consecutive) in a period of 60 consecutive Trading Days, including the last Trading Day of such 60-day period, ending on, and including, the Trading Day immediately preceding the Business Day on which the Company issues a press release announcing the mandatory conversion as described in Section 6(B).

(B) To exercise the mandatory conversion right described in Section 6(A), the Company shall publish such information on the Company's website or through such other public medium as the Company may use at that time, prior to the open of business on the first Trading Day following any date on which the Company makes a conversion election pursuant to Section 6(A), announcing such a mandatory conversion. The Company shall also give notice by mail to the Holders of the Series A Preferred Stock (not later than three Business Days after the date of the press release) of the mandatory conversion announcing the Company's intention to convert the Series A Preferred Stock. The conversion date will be a date selected by the Company (the "Mandatory Conversion Date") and will be no later than 30 calendar days after the date on which the Company issues the press release described in this Section 6(B).

(C) In addition to any information required by applicable law or regulation, the press release and notice of a mandatory conversion described in Section 6(B) shall state, as appropriate: (i) the Mandatory Conversion Date; (ii) the number of shares of Common Stock to be issued upon conversion of each share of Series A Preferred Stock; and (iii) that dividends on the Series A Preferred Stock to be converted will cease to accrue on the Mandatory Conversion Date.

(D) On and after the Mandatory Conversion Date, dividends shall cease to accrue on the Series A Preferred Stock called for a mandatory conversion pursuant to this Section 6 and all rights of Holders of such Series A Preferred Stock shall terminate except for the right to receive the whole shares of Common Stock issuable upon conversion thereof with a cash payment in lieu of any fractional share of Common Stock in accordance with Section 13 and a partial payment of any accrued and unpaid dividend. The full amount of any dividend payment with respect to the Series A Preferred Stock called for a mandatory conversion pursuant to this Section 6 on a date during the period beginning at the close of business on any Dividend Record Date and ending on the close of business on the corresponding Dividend Payment Date shall be payable on such Dividend Payment Date to the record holder of such share at the close of business on such Dividend Record Date if such share has been converted after such Dividend Record Date and prior to such Dividend Payment Date. Except as provided above with respect to a mandatory conversion pursuant to this Section 6, no payment or adjustment shall be made upon conversion of Series A Preferred Stock for accumulated dividends or dividends with respect to the Common Stock issued upon such conversion thereof.

(E) The Company may not authorize, issue a press release or give notice of any mandatory conversion pursuant to this Section 6 unless, prior to giving the conversion notice, all accumulated dividends on the Series A Preferred Stock (whether or not declared) for periods ended prior to the date of such conversion notice shall have been paid.

#### Section 7. Conversion upon a Fundamental Change.

(A) Upon any conversion during the period (the "Fundamental Change Conversion Period") beginning on a Fundamental Change Effective Date and ending on the date that is 30 days after such Fundamental Change Effective Date (the "Expiration Date"), each holder of Series A Preferred Stock shall receive, for each share of Series A Preferred Stock converted, either (i) a number of shares of the Company's Common Stock equal to the then-applicable Conversion Rate, plus a number of Additional Shares, if any, or (ii) a number of shares of Common Stock equal to the Conversion Rate which will be increased to equal the sum of the Liquidation Preference plus all accumulated and unpaid dividends to, but excluding, the settlement date for such conversion divided by the Market Value of the Common Stock. Notwithstanding the foregoing, the Conversion Rate as adjusted as described in clause (A)(ii) will not exceed 10.3448 shares of Common Stock per share of Series A Preferred Stock (subject to adjustment in the same manner as the Conversion Rate as provided in Section 5).

(B) In addition to the number of shares of the Company's Common Stock issuable upon conversion of each share of Series A Preferred Stock on any Conversion Date during the Fundamental Change Conversion Period, each converting holder shall have the right to receive an amount equal to all accrued, accumulated and unpaid dividends on such converted shares of Series A Preferred Stock, whether or not declared prior to that date, for all prior Dividend Periods ending on or prior to the Dividend Payment Date immediately preceding the Conversion Date (other than previously declared dividends on the Series A Preferred Stock payable to holders of record as of a prior date), provided that the Company is then legally permitted to pay such dividends. The amount payable in respect of such dividends shall be paid in cash.

(C) The Company must give notice (a “Fundamental Change Notice”) of each Fundamental Change to all record holders of the Series A Preferred Stock by the later of 20 days prior to the anticipated Fundamental Change Effective Date (determined in good faith by the Board) and the first public disclosure by the Company of the anticipated Fundamental Change, if practicable, and otherwise by the earliest practicable date, of the anticipated Fundamental Change Effective Date. The Fundamental Change Notice shall be given by first-class mail to each record holder of shares of Series A Preferred Stock, at such holder’s address as the same appears on the books of the Company or the Transfer Agent. Each such Fundamental Change Notice shall state (i) the anticipated Fundamental Change Effective Date; (ii) the Expiration Date based on the anticipated Fundamental Change Effective Date; (iii) the name and address of the Transfer Agent; (iv) whether accumulated and unpaid dividends will be paid in cash, shares of the Company’s Common Stock or a combination thereof; and (v) the procedures that holders must follow to convert their shares of Series A Preferred Stock pursuant to this Section 7.

(D) On or before the Expiration Date, each holder of shares of Series A Preferred Stock wishing to exercise its conversion right pursuant to this Section 7 shall comply with the procedures set forth in Section 5(B), and on such date the shares of the Company’s Common Stock and the payment for unpaid dividends due to such holder (if applicable) shall be delivered to the Person whose name appears on the surrendered certificate or certificates as the owner thereof.

Section 8. Make-Whole Premium for Conversion upon a Fundamental Change.

(A) For Holders who elect to convert shares of Series A Preferred Stock pursuant to Section 7(A)(i) during the Fundamental Change Conversion Period, the additional number of shares of the Company’s Common Stock issuable for each share of Series A Preferred Stock so converted (the “Additional Shares” or the “Make-Whole Premium”), if any, is set forth below in this Section 8.

(B) The number of Additional Shares shall be determined by reference to the table below, based on the Fundamental Change Effective Date and the Fundamental Change Stock Price.

Fundamental Change Effective Date	Fundamental Change Stock Price											
	\$ 14.50	\$ 15.50	\$ 16.50	\$ 17.40	\$ 19.00	\$ 21.75	\$ 23.00	\$ 25.00	\$ 27.50	\$ 30.00	\$ 32.50	\$ 35.00

(C) The Fundamental Change Stock Prices set forth in the first row of the foregoing table shall be adjusted as of any date on which the Conversion Rate is adjusted. The adjusted Fundamental Change Stock Prices shall equal the Fundamental Change Stock Prices applicable immediately prior to such adjustment multiplied by a fraction, the numerator of which is the Conversion Rate immediately prior to the adjustment giving rise to the Fundamental Change Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted.

(D) The exact Fundamental Change Stock Price and Fundamental Change Effective Dates may not be set forth on the table, in which case:

(i) if the Fundamental Change Stock Price is between two Fundamental Change Stock Price amounts on the table or the Fundamental Change Effective Date is between two Fundamental Change Effective Dates on the table, the Make-Whole Premium shall be determined by straight-line interpolation between the Make-Whole Premium amounts set forth for the higher and lower Fundamental Change Stock Price amounts and the two dates, as applicable, based on a 365-day year;

(ii) if the Fundamental Change Stock Price is in excess of \$35.00 per share (subject to adjustment as described above), then no Additional Shares shall be added to the Conversion Rate; and

(iii) if the Fundamental Change Stock Price is less than \$14.50 per share (subject to adjustment as described above), then no Additional Shares shall be added to the Conversion Rate.

(E) The Company shall only be required to deliver the Make-Whole Premium with respect to shares of Series A Preferred Stock surrendered for conversion during any Fundamental Change Conversion Period.

#### Section 9. Reorganization Events.

(A) In the event of:

(i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination);

(ii) any consolidation, merger or combination involving the Company;

(iii) any sale, lease or other transfer to a third party of the consolidated assets of the Company and the Company's subsidiaries substantially as an entirety;  
or

(iv) any statutory share exchange,

in each case, as a result of which the Common Stock is converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof), each of which is herein referred to as a "Reorganization Event," each share of the Series A Preferred Stock outstanding immediately prior to such Reorganization Event will become convertible into the kind and amount of securities, cash and other property or assets that a holder (that was not the counterparty to the Reorganization Event or an affiliate of such other party) of a number of shares of Common Stock (calculated for this purpose without regard to the Conversion Cap) equal to the Conversion Rate per share of the Series A Preferred Stock prior to the Reorganization Event would have owned or been entitled to receive upon the Reorganization Event (the "Exchange Property").

(B) Upon any conversion during the period following a Reorganization Event and ending on the date that is 30 days after such Reorganization Event, each Holder of Series A Preferred Stock may elect to receive, for each share of Series A Preferred Stock converted, a number of shares of Common Stock equal to the Conversion Rate which will be increased to equal the sum of the Liquidation Preference plus all accumulated and unpaid dividends to, but excluding, the settlement date for such conversion divided by the Market Value of the Common Stock, provided that such Conversion Rate set forth in this clause (B) will not exceed 10.3448 shares of Common Stock per share of Series A Preferred Stock (subject to adjustment in the same manner as the Conversion Rate as provided in Section 5).

(C) In addition, in any Reorganization Event where (i) the Exchange Price (as defined in Section 16) is below \$14.50 and there is a Change of Control, or (ii) when there is a Fundamental Change, the Company will have the right to require Holders of the Series A Preferred Stock to convert each share of the Series A Preferred Stock outstanding immediately prior to such Reorganization Event into a number of shares of Common Stock equal to the Conversion Rate which will be increased to equal the sum of the Liquidation Preference plus all accumulated and unpaid dividends to, but excluding, the settlement date for such conversion divided by the Market Value of the Common Stock, provided that such Conversion Rate set forth in this clause (C) will not exceed 20.6897 shares of Common Stock per share of Series A Preferred Stock (subject to adjustment in the same manner as the Conversion Rate as provided in Section 5).

#### Section 10. Voting Rights.

(A) Holders shall be entitled to notice of any stockholder's meeting. In addition to any special voting rights provided by the New Jersey Business Corporation Act or by contract, Holders shall be entitled to vote upon all matters upon which holders of the Common Stock have the right to vote, and shall be entitled to the number of votes equal to the number of full shares of Common Stock into which such shares of Series A Preferred Stock could be converted at the then applicable Conversion Rate (subject to the Conversion Cap, if applicable), at the record date for the determination of the stockholders entitled to vote on such matters, or, if no such record date is established, at the date such vote is taken or any written consent of stockholders is solicited, such votes to be counted together with shares of Common Stock and not separately as a class, except as described below. To the extent the voting rights of Holders of the Series A Preferred Stock are limited by the Conversion Cap, the vote of all Holders of Series A Preferred Stock shall be reduced on a pro rata basis. For the avoidance of doubt, if the Shareholder Approval is obtained, then the Conversion Cap shall cease to apply.

(B) For so long any shares of Series A Preferred Stock remain outstanding, unless a greater percentage shall be required by law, the affirmative vote or consent of the Holders of more than 66 2/3% of the outstanding shares of Series A Preferred Stock, in person or by proxy, at an annual meeting of the Company's shareholders or at a special meeting called for such purpose, or by written consent in lieu of such meeting, shall be required to alter, repeal or amend, whether by merger, consolidation, combination, reclassification or otherwise, any provisions of the Second Amended and Restated Certificate of Incorporation, this Certificate of Amendment establishing the Series A Preferred Stock, or the Third Amended and Restated By-laws of the Company, as amended, if the amendment would amend, alter or affect the voting rights, dividend rights, preferences or special rights of the Series A Preferred Stock so as to adversely affect the Holders thereof, including, without limitation, the creation of, increase in the authorized number of, or issuance of, shares of any class or series of stock *pari passu* with or senior to the Series A Preferred Stock, or security convertible into such capital stock,

(C) Whenever dividends on any Series A Preferred Stock shall be in arrears for six or more consecutive or non-consecutive Dividend Periods (a “Preferred Dividend Default”), the Holders (voting together as a class with the holders of all other classes or series of voting preferred stock whose voting rights are then exercisable (the “Voting Preferred Stock”)) shall be entitled to vote for the election of a total of two additional directors of the Company (the “Preferred Directors”) at the next annual meeting of stockholders and at each subsequent meeting, until all dividends accumulated on such Series A Preferred Stock and Voting Preferred Stock for the past Dividend Periods and the then current Dividend Period shall have been fully paid or declared and a sum sufficient for the payment thereof set aside for payment. In such case, the entire Board shall be increased by two directors. Notwithstanding the foregoing, if, prior to the election of any additional directors in the manner set forth herein, all accumulated dividends are paid on the Series A Preferred Stock and Voting Preferred Stock, no such additional directors shall be so elected. If and when all accumulated dividends shall have been paid on such Series A Preferred Stock and Voting Preferred Stock, the right of the holders of such securities to elect the Preferred Directors shall immediately cease (subject to revesting in the event of each and every Preferred Dividend Default), and the term of office of each Preferred Director so elected shall immediately terminate and the entire Board shall be reduced accordingly. So long as a Preferred Dividend Default shall continue, any vacancy in the office of a Preferred Director may be filled by written consent of the Preferred Director remaining in office, or if none remains in office, by a vote of the holders of record of a majority of the outstanding Series A Preferred Stock and Voting Preferred Stock (voting as a single class).

(D) Except as set forth in this Section 10, Holders have no special voting rights and their consent shall not be required for taking any corporate action.

Section 11. [Reserved].

Section 12. Information Rights.

(A) The Company shall provide Holders with, within 15 days after it has filed the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may prescribe) that it may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act (other than confidential filings, documents subject to confidential treatment and correspondence with the Commission) (“Public Company Reports”).

(B) The Company's obligation set forth in Section 12(A) to provide Holders with copies of Public Company Reports shall be satisfied if the Company files such Public Company Reports with the SEC on EDGAR or otherwise makes such reports publicly available on its website.

(C) To the extent the Company is not required to file Public Company Reports with the SEC, the Company shall, for so long as any shares of the Series A Preferred Stock are outstanding, furnish to Holders, upon their written request (and subject to such Holders entering into customary confidentiality agreements with the Company, consistent with any such agreements entered into generally by shareholders of the Company receiving such information, prior to receiving such information), quarterly reports and annual reports of the Company, which shall be similar in scope to a Form 10-Q and Form 10-K, respectively. In this circumstance, the Company shall furnish to Holders such information as soon as reasonably practicable after such information has been prepared by the Company.

Section 13. No Fractional Shares. No fractional shares of Common Stock or securities representing fractional shares of Common Stock shall be delivered upon conversion, whether voluntary or mandatory, of the Series A Preferred Stock. Instead, the Company will make a cash payment to each Holder that would otherwise be entitled to a fractional share based on the Closing Sale Price of the Common Stock on the relevant Conversion Date.

Section 14. Certificates.

(A) *Form and Dating*. The certificates representing the Series A Preferred Stock and the Transfer Agent's certificate of authentication shall be substantially in the form set forth in Exhibit A. The Series A Preferred Stock certificate may have notations, legends or endorsements required by law or stock exchange rules; provided that any such notation, legend or endorsement is in a form acceptable to the Company. Each Series A Preferred Stock certificate shall be dated the date of its authentication.

(i) Global Preferred Stock. The Series A Preferred Stock shall be issued initially in the form of one or more fully registered global certificates with the global securities legend substantially in the form of Exhibit A hereto (the "Global Preferred Stock"), which shall be deposited on behalf of the purchasers represented thereby with the Transfer Agent, as custodian for DTC (or with such other custodian as DTC may direct), and registered in the name of Cede & Co. or other nominee of DTC, duly executed by the Company and authenticated by the Transfer Agent as hereinafter provided. The number of shares of Series A Preferred Stock represented by Global Preferred Stock may from time to time be increased or decreased by adjustments made on the records of the Transfer Agent and DTC or its nominee as hereinafter provided. All shares of Common Stock issued in respect of shares of Series A Preferred Stock on any Conversion Date shall be freely transferable without restriction under the Securities Act (other than by the Company's Affiliates), and such shares shall be eligible for receipt in global form through the facilities of DTC.

(ii) Book-Entry Provisions. In the event Global Preferred Stock is deposited with or on behalf of DTC, the Company shall execute and the Transfer Agent shall authenticate and deliver initially one or more Global Preferred Stock certificates that (a) shall be registered in the name of Cede & Co. as nominee for DTC as depository for such Global Preferred Stock or the nominee of DTC and (b) shall be delivered by the Transfer Agent to DTC or pursuant to DTC's instructions or held by the Transfer Agent as custodian for DTC. Members of, or participants in, DTC ("Agent Members") shall have no rights under this Certificate of Amendment with respect to any Global Preferred Stock held on their behalf by DTC or by the Transfer Agent as the custodian of DTC or under such Global Preferred Stock, and DTC may be treated by the Company, the Transfer Agent and any agent of the Company or the Transfer Agent as the absolute owner of such Global Preferred Stock for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Transfer Agent or any agent of the Company or the Transfer Agent from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices of DTC governing the exercise of the rights of a holder of a beneficial interest in any Global Preferred Stock.

(iii) Certificated Preferred Stock. Except as provided in this Section 14(A) or in Section 14(C), owners of beneficial interests in Global Preferred Stock will not be entitled to receive physical delivery of Series A Preferred Stock in fully registered certificated form ("Certificated Preferred Stock").

(B) *Execution and Authentication*. The Chief Executive Officer or the President or a Vice President and the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary of the Company shall sign the Series A Preferred Stock certificate for the Company by manual or facsimile signature.

If an Officer whose signature is on a Series A Preferred Stock certificate no longer holds that office at the time the Transfer Agent authenticates the Series A Preferred Stock certificate, the Series A Preferred Stock certificate shall be valid nevertheless.

A Series A Preferred Stock certificate shall not be valid until an authorized signatory of the Transfer Agent manually signs the certificate of authentication on the Series A Preferred Stock certificate. The signature shall be conclusive evidence that the Series A Preferred Stock certificate has been authenticated under this Certificate of Amendment.

The Transfer Agent shall authenticate and deliver certificates for up to 2,000,000 shares of Series A Preferred Stock for original issue upon a written order of the Company signed by two Officers of the Company. Such order shall specify the number of shares of Series A Preferred Stock to be authenticated and the Original Issue Date of the Series A Preferred Stock is to be authenticated.

The Transfer Agent may appoint an authenticating agent reasonably acceptable to the Company to authenticate the certificates for the Series A Preferred Stock. Unless limited by the terms of such appointment, an authenticating agent may authenticate certificates for the Series A Preferred Stock whenever the Transfer Agent may do so. Each reference in this Certificate of Amendment to authentication by the Transfer Agent includes authentication by such agent. An authenticating agent has the same rights as the Transfer Agent or agent for service of notices and demands.

(C) *Transfer and Exchange.*

(i) Transfer and Exchange of Certificated Preferred Stock. When Certificated Preferred Stock is presented to the Transfer Agent with a request to register the transfer of such Certificated Preferred Stock or to exchange such Certificated Preferred Stock for an equal number of shares of Certificated Preferred Stock, the Transfer Agent shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided that the Certificated Preferred Stock surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Transfer Agent, duly executed by the Holder thereof or its attorney duly authorized in writing.

(ii) Restrictions on Transfer of Certificated Preferred Stock for a Beneficial Interest in Global Preferred Stock. Certificated Preferred Stock may not be exchanged for a beneficial interest in Global Preferred Stock except upon satisfaction of the requirements set forth below. Upon receipt by the Transfer Agent of Certificated Preferred Stock, duly endorsed or accompanied by appropriate instruments of transfer, in form reasonably satisfactory to the Company and the Transfer Agent, together with written instructions directing the Transfer Agent to make, or to direct DTC to make, an adjustment on its books and records with respect to such Global Preferred Stock to reflect an increase in the number of shares of Series A Preferred Stock represented by the Global Preferred Stock, then the Transfer Agent shall cancel such Certificated Preferred Stock and cause, or direct DTC to cause, in accordance with the standing instructions and procedures existing between DTC and the Transfer Agent, the number of shares of Series A Preferred Stock represented by the Global Preferred Stock to be increased accordingly. If no Global Preferred Stock is then outstanding, the Company shall issue and the Transfer Agent shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Preferred Stock representing the appropriate number of shares.

(iii) Transfer and Exchange of Global Preferred Stock. The transfer and exchange of Global Preferred Stock or beneficial interests therein shall be effected through DTC, in accordance with this Certificate of Amendment (including applicable restrictions on transfer set forth herein, if any) and the procedures of DTC therefor.

(iv) Transfer of a Beneficial Interest in Global Preferred Stock for Certificated Preferred Stock.

(1) If at any time:

(A) DTC notifies the Company that DTC is unwilling or unable to continue as depository for the Global Preferred Stock and a successor depository for the Global Preferred Stock is not appointed by the Company within 90 days after delivery of such notice; or

(B) DTC ceases to be a clearing agency registered under the Exchange Act and a successor depository for the Global Preferred Stock is not appointed by the Company within 90 days,

then the Company shall execute, and the Transfer Agent, upon receipt of a written order of the Company signed by two Officers of the Company requesting the authentication and delivery of Certificated Preferred Stock to the Persons designated by the Company, shall authenticate and deliver Certificated Preferred Stock equal to the number of shares of Series A Preferred Stock represented by the Global Preferred Stock, in exchange for such Global Preferred Stock. Subject to the foregoing, the beneficial interests in a Global Preferred Stock shall not be exchangeable for Certificated Preferred Stock.

(2) Certificated Preferred Stock issued in exchange for a beneficial interest in a Global Preferred Stock pursuant to this Section 14(C)(iv) shall be registered in such names and in such authorized denominations as DTC, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Transfer Agent. The Transfer Agent shall deliver such Certificated Preferred Stock to the Persons in whose names such Series A Preferred Stock are so registered in accordance with the instructions of DTC.

(v) Restrictions on Transfer of Global Preferred Stock. Notwithstanding any other provisions of this Certificate of Amendment (other than the provisions set forth in Section 14(C)(iv)), Global Preferred Stock may not be transferred as a whole except by DTC to a nominee of DTC or by a nominee of DTC to DTC or another nominee of DTC or by DTC or any such nominee to a successor depository or a nominee of such successor depository.

(vi) Cancellation or Adjustment of Global Preferred Stock. At such time as all beneficial interests in Global Preferred Stock have either been exchanged for Certificated Preferred Stock, converted or canceled, such Global Preferred Stock shall be returned to DTC for cancellation or retained and canceled by the Transfer Agent. At any time prior to such cancellation, if any beneficial interest in Global Preferred Stock is exchanged for Certificated Preferred Stock, converted or canceled, the number of shares of Series A Preferred Stock represented by such Global Preferred Stock shall be reduced and an adjustment shall be made on the books and records of the Transfer Agent with respect to such Global Preferred Stock, by the Transfer Agent or DTC, to reflect such reduction.

(vii) Obligations with Respect to Transfers and Exchanges of Series A Preferred Stock.

(1) To permit registrations of transfers and exchanges, the Company shall execute and the Transfer Agent shall authenticate Certificated Preferred Stock and Global Preferred Stock as required pursuant to the provisions of this Section 14(C).

(2) All Certificated Preferred Stock and Global Preferred Stock issued upon any registration of transfer or exchange of Certificated Preferred Stock or Global Preferred Stock shall be the valid Capital Stock of the Company, entitled to the same benefits under this Certificate of Amendment as the Certificated Preferred Stock or Global Preferred Stock surrendered upon such registration of transfer or exchange.

(3) Prior to due presentment for registration of transfer of any shares of Series A Preferred Stock, the Transfer Agent and the Company may deem and treat the Person in whose name such shares of Series A Preferred Stock are registered as the absolute owner of such Series A Preferred Stock and neither the Transfer Agent nor the Company shall be affected by notice to the contrary.

(4) No service charge shall be made to a Holder for any registration of transfer or exchange upon surrender of any Series A Preferred Stock certificate or Common Stock certificate at the office of the Transfer Agent maintained for that purpose. However, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Series A Preferred Stock certificates or Common Stock certificates, except as provided in Section 5(G).

(viii) No Obligation of the Transfer Agent.

(1) The Transfer Agent or the Company shall have no responsibility or obligation to any beneficial owner of Global Preferred Stock, a member of or a participant in, DTC or any other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Series A Preferred Stock or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice or the payment of any amount, under or with respect to such Global Preferred Stock. All notices and communications to be given to the Holders and all payments to be made to Holders under the Series A Preferred Stock shall be given or made only to the Holders (which shall be DTC or its nominee in the case of the Global Preferred Stock). The rights of beneficial owners in any Global Preferred Stock shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Transfer Agent may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

(2) The Transfer Agent or the Company shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Certificate of Amendment or under applicable law with respect to any transfer of any interest in any Series A Preferred Stock (including any transfers between or among DTC participants, members or beneficial owners in any Global Preferred Stock) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Certificate of Amendment, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(D) *Replacement Certificates.* If any of the Certificated Preferred Stock certificates shall be mutilated, lost, stolen or destroyed, the Company shall issue, in exchange and in substitution for and upon cancellation of the mutilated Certificated Preferred Stock certificate, or in lieu of and substitution for the Certificated Preferred Stock certificate lost, stolen or destroyed, a new Certificated Preferred Stock certificate of like tenor and representing an equivalent number of shares of Series A Preferred Stock, but only upon receipt of evidence of such loss, theft or destruction of such Certificated Preferred Stock certificate and indemnity, if requested, satisfactory to the Company and the Transfer Agent.

(E) *Temporary Certificates.* Until definitive Certificated Preferred Stock certificates are ready for delivery, the Company may prepare and the Transfer Agent shall authenticate temporary Certificated Preferred Stock certificates. Any temporary Certificated Preferred Stock certificates shall be substantially in the form of definitive Preferred Stock certificates but may have variations that the Company considers appropriate for temporary Certificated Preferred Stock certificates. Without unreasonable delay, the Company shall prepare and the Transfer Agent shall authenticate definitive Certificated Preferred Stock certificates and deliver them in exchange for temporary Certificated Preferred Stock certificates.

(F) *Cancellation.* In the event the Company shall purchase or otherwise acquire Certificated Preferred Stock, the same shall thereupon be delivered to the Transfer Agent for cancellation.

(i) At such time as all beneficial interests in Global Preferred Stock have either been exchanged for Certificated Preferred Stock, converted, repurchased or canceled, such Global Preferred Stock shall thereupon be delivered to the Transfer Agent for cancellation.

(ii) The Transfer Agent and no one else shall cancel and destroy all Certificated Preferred Stock certificates surrendered for transfer, exchange, replacement or cancellation and deliver a certificate of such destruction to the Company unless the Company directs the Transfer Agent to deliver canceled Certificated Preferred Stock certificates to the Company. The Company may not issue new Certificated Preferred Stock certificates to replace Certificated Preferred Stock certificates to the extent they evidence Series A Preferred Stock which the Company has purchased or otherwise acquired.

(G) *Legends.* All certificates or other instruments representing shares of Series A Preferred Stock or Common Stock issuable upon conversion thereof will bear a legend in substantially the following form (excluding in the case of any such Series A Preferred Stock or such Common Stock for which a registration statement covering the resale of such Series A Preferred Stock or such Common Stock has been declared effective by the SEC and that has been disposed of pursuant to such effective registration statement; or sold under circumstances in which all of the applicable conditions of Rule 144 (or any similar provisions then in force) under the Securities Act are met):

THIS SECURITY IS ALSO SUBJECT TO ADDITIONAL RESTRICTIONS ON TRANSFER AS SET FORTH IN A REGISTRATION RIGHTS AGREEMENT, AS AMENDED FROM TIME TO TIME, COPIES OF WHICH MAY BE OBTAINED UPON REQUEST FROM EASTMAN KODAK COMPANY OR ANY SUCCESSOR THERETO, AND THIS SECURITY MAY NOT BE VOTED OR OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE THEREWITH. THIS SECURITY MAY BE TRANSFERRED IN ACCORDANCE WITH RULE 144A UNDER THE SECURITIES ACT WITHOUT THE DELIVERY OF AN OPINION OF COUNSEL.

Section 15. Other Provisions.
