**EASTMAN KODAK COMPANY
NOTES TO FINANCIAL STATEMENTS (Unaudited)**

NOTE 1: BASIS OF PRESENTATION AND RECENT ACCOUNTING PRONOUNCEMENTS

BASIS OF PRESENTATION

The consolidated interim financial statements are unaudited, and certain information and footnote disclosures related thereto normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") have been omitted in accordance with the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. In the opinion of management, the accompanying unaudited consolidated interim financial statements reflect all adjustments (consisting of normal recurring adjustments) necessary for a fair statement of the results of operations, financial position and cash flows of Eastman Kodak Company and all companies directly or indirectly controlled, either through majority ownership or otherwise ("Kodak" or the "Company"). The results of operations for the interim periods are not necessarily indicative of the results for the entire fiscal year. These consolidated interim statements should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2024 (the "2024 Form 10-K").

RECLASSIFICATIONS

Certain amounts from previous periods have been reclassified to conform to the current period classification of paid-in-kind interest expense in the Consolidated Statement of Cash Flows.

GOING CONCERN

As disclosed in the Company's quarterly report on Form 10-Q for the quarter ended June 30, 2025, Kodak had debt coming due within twelve months and its plans to adequately fund its debt obligations at that time were not solely within the Company's control and therefore were not deemed "probable" under U.S. GAAP.

As of the date of issuance of these consolidated interim financial statements, the Company has extended the maturity dates of the Term Loans (defined below) and the L/C Facility Agreement (defined below). In addition, as of the date of issuance of these consolidated interim financial statements, Kodak has settled approximately \$2.1 billion of pension obligations under the Kodak Retirement Income Plan ("KRIP") and will transfer the remaining liabilities of approximately \$15 million for missing participants to the Pension Benefit Guaranty Corporation ("PBGC") by the end of November 2025. Upon completing the transfer of these remaining liabilities to the PBGC, all pension obligations under KRIP will be fully settled and the excess pension assets will be distributed to the Company and the Kodak Cash Balance Plan, given the authority of the Plan Sponsor (Kodak) to distribute such assets. Refer to Note 19, "Subsequent Events" for additional information on the amendments for the Term Loans and L/C Facility Agreement as well as the settlement of KRIP's pension obligations.

Based on the actions completed by management, the Company will receive sufficient proceeds from the reversion of cash from KRIP to the Company in December 2025 to adequately fund the Company's debt obligations required to be paid from such proceeds or otherwise maturing within twelve months as of the filing of this Form 10-Q. Therefore, the prior conditions that raised substantial doubt about Kodak's ability to continue as a going concern, as disclosed in the Form 10-Q for the quarter ended June 30, 2025, have been resolved.

RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

No accounting pronouncements were recently adopted by Kodak.

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In December 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures. ASU 2023-09 requires disclosure of additional categories of information about federal, state and foreign income taxes in the rate reconciliation table and more details about the reconciling items in some categories if items meet a quantitative threshold. The ASU requires entities to disclose income taxes paid, net of refunds, disaggregated by federal (national), state and foreign taxes for annual periods and to disaggregate the information by jurisdiction based on a quantitative threshold. The guidance makes several other changes to the disclosure requirements. The ASU is required to be applied prospectively, with the option to apply it retrospectively. The ASU is effective for Kodak for the fiscal year ending December 31, 2025, and the required disclosures will be included in Kodak's Form 10-K for the year ending December 31, 2025. As

the requirements of this ASU relate to disclosure only, the adoption of this ASU will not have a material impact on Kodak's consolidated financial statements.

In November 2024, the FASB issued ASU 2024-03, Income Statement – Reporting Comprehensive Income – Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses. ASU 2024-03 requires public business entities to disclose specified information about certain costs and expenses, including but not limited to purchases of inventory, employee compensation, depreciation, and intangible asset amortization, in a tabular format within the notes to their financial statements, as well as provide additional disclosures related to certain other specified expenses. The ASU may be applied on either a prospective or retrospective basis and is effective for annual reporting periods beginning after December 15, 2026 (January 1, 2027 for Kodak) and interim reporting periods beginning after December 15, 2027 (January 1, 2028 for Kodak). As the requirements of this ASU relate to disclosure only, the adoption of this ASU will not have a material impact on Kodak's consolidated financial statements.

In September 2025, the FASB issued ASU 2025-06, Intangibles—Goodwill and Other— Internal-Use Software (Subtopic 350-40): Targeted Improvements to the Accounting for Internal-Use Software. ASU 2025-06 modernizes the accounting for internal-use software to reflect the evolution of software development to using an incremental and iterative development method. Accordingly, the ASU removes all references in Subtopic 350-40 to prescriptive and sequential software development phases (or "project stages"), and requires an entity to start capitalizing software costs when both (1) management has authorized and committed to funding the software project and (2) it is probable that the project will be completed and the software will be used to perform the function intended. The ASU may be applied using either a prospective, retrospective, or modified transition approach, and is effective for annual reporting periods beginning after December 15, 2027 and interim reporting periods within such annual reporting periods (January 1, 2028 for Kodak). The Company is currently evaluating the impact of this ASU.

NOTE 2: CASH, CASH EQUIVALENTS AND RESTRICTED CASH

The following table provides a reconciliation of cash, cash equivalents and restricted cash reported within the Consolidated Statement of Financial Position that sums to the total of such amounts shown in the Consolidated Statement of Cash Flows:

(in millions)	September 30, 2025	December 31, 2024

Restricted cash reported in Other current assets on the Consolidated Statement of Financial Position primarily represented amounts that support hedging activities as of September 30, 2025 and December 31, 2024.

Restricted cash included \$25 million and \$29 million as of September 30, 2025 and December 31, 2024, respectively, representing the cash collateral required to be posted by the Company under the Amended and Restated L/C Facility Agreement, defined below. In addition, restricted cash as of September 30, 2025 and December 31, 2024 included \$61 million and \$55 million, respectively, primarily representing cash collateral supporting the Company's undiscounted actuarial workers' compensation obligations with the New York State Workers' Compensation Board ("NYS WCB"). Restricted cash also included \$7 million and \$6 million of security posted related to Brazilian legal contingencies as of September 30, 2025 and December 31, 2024, respectively.

NOTE 4: DEBT AND CREDIT FACILITIES

Term Loan Credit Agreement

On February 26, 2021, the Company and certain of its subsidiaries (the "Subsidiary Guarantors") entered into a Credit Agreement (the "Original Term Loan Credit Agreement") with certain funds affiliated with Kennedy Lewis Investment Management LLC ("KLIM") as lenders (the "Original Term Loan Lenders") and Alter Domus (US) LLC, as administrative agent (the "Term Loan Agent"). Pursuant to the Original Term Loan Credit Agreement, the Original Term Loan Lenders provided the Company with (i) an initial term loan in the amount of \$225 million, which was drawn in full on the same date, and (ii) a commitment to provide delayed draw term loans in an aggregate principal amount of up to \$50 million on or before February 26, 2023 (collectively, the "Original Term Loans"). The delayed draw term loans were drawn in full on June 15, 2022. The maturity date of the Original Term Loans was February 26, 2026, and the Original Term Loans were non-amortizing.

On June 30, 2023, the Company and the Subsidiary Guarantors entered into an amendment (the "Term Loan Amendment") to the Original Term Loan Credit Agreement (the Original Term Loan Credit Agreement, as amended and restated the "Amended and Restated Term Loan Credit Agreement"), with certain funds affiliated with KLIM as lenders (the "Term Loan Lenders") and the Term Loan Agent. Subject to the terms and conditions of the Term Loan Amendment, the Term Loan Lenders provided the Company with a commitment to provide term loans in an aggregate principal amount of \$450 million (the "Term Loans").

On July 21, 2023, the Amended and Restated Term Loan Credit Agreement became effective and the Company completed its borrowing of the Term Loans. The Company received net proceeds of \$435 million from the Term Loans which were used to (i) refinance the obligations under the Original Term Loan Credit Agreement, (ii) repay in full and terminate the commitments under the Company's asset-based revolving credit facility made available pursuant to amendment No. 5 to the Amended and Restated Credit Agreement (the "2023 Amended ABL Credit Agreement") with the lenders party thereto, Bank of America, N.A., as administrative agent and collateral agent, (iii) repay in full the Company's outstanding 5.0% unsecured convertible promissory notes due May 28, 2026 (the "Convertible Notes") held by the Original Term Loan Lenders, (iv) pay certain fees and expenses related to the foregoing and the Amended and Restated L/C Facility Agreement (as defined below), (v) provide cash collateral in respect of the Amended and Restated L/C Facility Agreement, as described below, or other collateral obligations, and (vi) for general corporate purposes and working capital needs of the Company and its subsidiaries (a net amount of \$29 million).

The Term Loan Amendment also amended and restated the Original Term Loan Credit Agreement to, among other things, (i) extend the maturity date to the earlier of August 15, 2028 or the date that is 91 days prior to the maturity date or mandatory redemption date of any of the Company's then-outstanding Series B Preferred Stock or Series C Preferred Stock ("Convertible Securities") or any extensions or refinancings of any of the foregoing, (ii) make certain other changes to the terms of the Original Term Loan Credit Agreement and (iii) make certain other changes to the terms of the Guarantee and Collateral Agreement, dated as of February 26, 2021, among the Company, the Subsidiary Guarantors and the Term Loan Agent.

The Term Loans bear interest at a rate of 7.5% per annum payable in cash (the "Cash Interest Payment") and 5.0% per annum payable "in-kind" ("PIK") or in cash at the Company's option, for an aggregate interest rate of 12.5% per annum. Obligations under the Amended and Restated Term Loan Credit Agreement are secured by a first priority lien on substantially all assets of the Company and the Subsidiary Guarantors (subject to certain exceptions) not constituting L/C Cash Collateral, as defined below (collectively, the "Term Loan Priority Collateral"), and a second priority lien on the L/C Cash Collateral.

The Amended and Restated Term Loan Credit Agreement continues to limit, among other things, the ability of the Company and its Restricted Subsidiaries (as defined in the Amended and Restated Term Loan Credit Agreement) to (i) incur indebtedness, (ii) incur or create liens, (iii) dispose of assets, (iv) make restricted payments and (v) make investments. The Amended and Restated Term Loan Credit Agreement contains customary affirmative covenants, including delivery of certain of the Company's financial statements, and customary event of default provisions, including a cross-default provision that would give rise to an event of default if there is a default under or acceleration of "Material Indebtedness" other than intercompany indebtedness. Material Indebtedness includes obligations having a principal amount of at least \$20 million (increasing to \$25 million if the Term Loans are paid down to \$200 million, which is referred to as the "Deleveraging Milestone Date"). The Amended and Restated Term Loan Credit Agreement does not include a financial maintenance covenant or any subjective acceleration clauses.

On February 26, 2025, the Company and the Subsidiary Guarantors entered into the First Amendment to the Amended and Restated Term Loan Credit Agreement (the "February 2025 Term Loan Credit Agreement Amendment") with the Term Loan Lenders and the Term Loan Agent to modify the maturity date of the Term Loans to the earlier of August 15, 2028 or May 22, 2026, the date that is

five days prior to the maturity date or mandatory redemption date of any of the Company's then-outstanding Convertible Securities or any extensions or refinancings of any of the foregoing.

On May 7, 2025, the Company and the Subsidiary Guarantors entered into the Second Amendment to the Amended and Restated Term Loan Credit Agreement (the "May 2025 Term Loan Credit Agreement Amendment"). The May 2025 Term Loan Credit Agreement Amendment provides the Company the option to pay the Cash Interest Payment entirely in PIK for the next six quarterly interest payments. In addition, the May 2025 Term Loan Credit Agreement Amendment revises the mandatory prepayment provisions under the Amended and Restated Term Loan Credit Agreement requiring Kodak to use 100% of the net cash proceeds from certain transactions to prepay Term Loans until the amount of the Term Loans is reduced to \$200 million and, thereafter, to use 50% of the net cash proceeds to prepay Term Loans until the amount of the Term Loans is reduced to \$100 million, in each case plus a 1% prepayment fee. The Company elected to pay the Cash Interest Payment for the second and third quarters of 2025 entirely in PIK.

On November 4, 2025, the Company and the Subsidiary Guarantors entered into the Third Amendment to the Amended and Restated Credit Agreement with the Term Loan Lenders and the Term Loan Agent which, among other things, modified the maturity date of the Term Loans. Refer to Note 19, "Subsequent Events" for additional information.

Letter of Credit Facility Agreement

On February 26, 2021, the Company and the Subsidiary Guarantors entered into a Letter of Credit Facility Agreement (the "L/C Facility Agreement") among the Company, the Subsidiary Guarantors, the lenders party thereto (the "L/C Lenders"), Bank of America, N.A., as agent, and Bank of America, N.A., as issuing bank. Pursuant to the L/C Facility Agreement, the L/C Lenders committed to issue letters of credit on the Company's behalf in an aggregate amount of up to \$50 million, provided that the Company posts cash collateral in an amount greater than or equal to 103% of the aggregate amount of letters of credit issued and outstanding at any given time (the "L/C Cash Collateral").

On March 14, 2023, the Company entered into an amendment to the L/C Facility Agreement (the "2023 Amended L/C Facility Agreement") to, among other things: (i) extend the maturity date of the L/C Facility Agreement from February 26, 2024 to the earliest of June 12, 2024, the termination of the 2023 Amended ABL Credit Agreement, as applicable, or the date that is 91 days prior to the earliest scheduled maturity date or mandatory redemption date of any of the Company's Term Loans, Convertible Notes, Series B Preferred Stock, Series C Preferred Stock or any refinancing of any of the foregoing and (ii) require the Company to maintain daily Minimum Liquidity of \$50 million, subject to certain cure rights, and to maintaining a quarterly Minimum Liquidity of \$80 million. Each of the capitalized but undefined terms used in the context of describing the 2023 Amended L/C Facility Agreement has the meaning ascribed to such term in the 2023 Amended L/C Facility Agreement.

The 2023 Amended L/C Facility Agreement required the Company to maintain Excess Availability above the greater of 12.5% of lender commitments or \$11.25 million. If Excess Availability fell below the greater of 12.5% of lender commitments or \$11.25 million, a Fixed Charge Coverage Ratio Trigger Event would have occurred under the 2023 Amended L/C Facility Agreement. During any Fixed Charge Coverage Ratio Trigger Event, the Company would have been required to maintain a Fixed Charge Coverage Ratio of greater than or equal to 1.0 to 1.0. Since Excess Availability was greater than 12.5% of lender commitments or \$11.25 million throughout the term of the 2023 Amended L/C Facility Agreement, Kodak was not required to have a minimum Fixed Charge Coverage Ratio of greater than or equal to 1.0 to 1.0.

On June 30, 2023, the Company and the Subsidiary Guarantors entered into an amendment (the "June 2023 L/C Facility Amendment") to the 2023 Amended L/C Facility Agreement (as amended and restated by the June 2023 L/C Facility Amendment, the "Amended and Restated L/C Facility Agreement"), with Bank of America, N.A., as L/C Lender, L/C Agent and Issuing Bank. The June 2023 L/C Facility Amendment became effective on July 21, 2023.

Under the terms and conditions of the June 2023 L/C Facility Amendment, the L/C Lender increased the commitment to issue letters of credit on the Company's behalf from an aggregate amount of up to \$50 million, to an aggregate amount of up to \$100 million (the "L/C Facility Commitments"), until August 30, 2023; provided that, at all times, the Company posted cash collateral in an amount greater than or equal to 104% of the aggregate amount of letters of credit issued and outstanding at any given time (the "L/C Cash Collateral").

Upon the termination of the 2023 Amended ABL Credit Agreement on July 21, 2023, the letters of credit totaling \$58 million issued under the 2023 Amended ABL Credit Agreement were transferred to the Amended and Restated L/C Facility Agreement. The Company used \$59 million of the net proceeds from the Term Loans to cash collateralize the letters of credit transferred to the L/C Facility. In August 2023, the Company used \$68 million of the funds in the L/C Cash Collateral account to cash collateralize the

Company's undiscounted actuarial workers' compensation obligations directly with the NYS WCB, reducing the issued letters of credit to \$31 million, and elected to reduce the L/C Facility Commitments to \$50 million effective August 15, 2023.

The June 2023 L/C Facility Amendment also amended and restated the 2023 Amended L/C Facility Agreement to, among other things, (i) extended the maturity date to the earliest of (x) the fifth anniversary of the Restatement Date (as defined therein), (y) the date that is 90 days prior to the maturity of the Amended and Restated Term Loan Credit Agreement, as such date may be extended pursuant to the terms thereof (or the maturity date of any refinancing thereof), or (z) the date that is 90 days prior to the earliest scheduled maturity date or mandatory redemption date of any of the Company's then-outstanding Convertible Securities or any refinancings of any of the foregoing, (ii) eliminated the existing cash maintenance requirements, and (iii) made certain other changes to the terms of the 2023 Amended L/C Facility Agreement.

Approximately \$24 million and \$27 million letters of credit were issued under the Amended and Restated L/C Facility Agreement as of September 30, 2025 and December 31, 2024, respectively. The balance on deposit in the L/C Cash Collateral account as of September 30, 2025 and December 31, 2024 was approximately \$25 million and \$29 million, respectively.

The Company's obligations under the Amended and Restated L/C Facility Agreement are guaranteed by the Subsidiary Guarantors and are secured by (i) a first priority lien on the L/C Cash Collateral and (ii) a second priority lien on certain Term Loan Priority Collateral of the Company and U.S. subsidiary guarantors.

The Amended and Restated L/C Facility Agreement contains certain affirmative and negative covenants similar to the affirmative and negative covenants contained in the Amended and Restated Term Loan Credit Agreement. The Amended and Restated L/C Facility Agreement does not include a minimum liquidity or financial maintenance covenant.

The Company will pay an unused line fee of 37.5-50 basis points per annum, depending on whether the unused portion of the maximum commitments is less than or equal to 50% or greater than 50% of such commitments, respectively. The Company will pay a letter of credit fee of 3.75% per annum on issued and outstanding letters of credit, in addition to a fronting fee of 25 basis points on such letters of credit. Amounts drawn under any letter of credit will be reimbursed from the L/C Cash Collateral. If not so reimbursed, and not otherwise repaid by the Company to the L/C Lender, such amounts will accrue interest, to be paid monthly, at a floating Base Rate (as defined in the Amended and Restated L/C Facility Agreement) plus 2.75% per annum until repaid.

On February 26, 2025, the Company and the Subsidiary Guarantors entered into an amendment to the Amended and Restated L/C Facility Agreement (the "2025 L/C Facility Agreement Amendment") with the L/C Lenders and Bank of America, N.A. to modify the maturity date of the facility to the earliest of (x) the fifth anniversary of the Restatement Date, (y) May 12, 2026, the date that is 10 days prior to the maturity of the Amended and Restated Term Loan Credit Agreement, as such date may be extended pursuant to the terms thereof, or (z) May 13, 2026, the date that is 15 days prior to the earliest scheduled maturity date or mandatory redemption date of any of the Company's then-outstanding Convertible Securities. Upon a Permitted Refinancing (as defined therein) of any of the foregoing, the springing maturity date will be 30 days prior to the maturity date or redemption date of the refinancing.

On November 4, 2025, the Company and the Subsidiary Guarantors entered into Amendment No. 4 to the L/C Facility Agreement with the L/C Lenders and Bank of America, N.A. which, among other things, modified the maturity date of the facility. Refer to Note 19, "Subsequent Events" for additional information.

NOTE 5: REDEEMABLE, CONVERTIBLE PREFERRED STOCK

Redeemable convertible preferred stock was as follows:

(in millions)	September 30, 2025	December 31, 2024
Series B preferred stock	\$ 99	\$ 98
Series C preferred stock	—	120
Total	\$ 99	\$ 218

Series B Preferred Stock

On February 26, 2021 the Company agreed to exchange one million shares of Series A Preferred Stock held by Southeastern Asset Management, Inc. ("Southeastern") and Longleaf Partners Small-Cap Fund, C2W Partners Master Fund Limited and Deseret Mutual Pension Trust, which were investment funds managed by Southeastern at the time (such investment funds, collectively, the "Purchasers"), for shares of the Company's newly created 4.0% Series B Convertible Preferred Stock, no par value (the "Series B Preferred Stock"), on a one-for-one basis plus accrued and unpaid dividends. The fair value of the Series B Preferred Stock at the time of issuance approximated \$95 million. The Company has classified the Series B Preferred Stock as temporary equity in the Consolidated Statement of Financial Position. If any shares of Series B Preferred Stock have not been converted prior to May 28, 2026, the Company is required to redeem such shares at \$100 per share plus the amount of accrued and unpaid dividends.

Dividend and Other Rights

The Series B Preferred Stock has a liquidation preference of \$100 per share, and the holders of Series B Preferred Stock are entitled to cumulative dividends payable quarterly in cash at a rate of 4.0% per annum. Until the second quarter of 2025, all dividends owed on the Series B Preferred Stock were declared and paid when due. No quarterly cash dividends were declared in the second and third quarters of 2025. If dividends on any Series B Preferred Stock are in arrears for six or more consecutive or non-consecutive dividend periods, the holders of the Series B Preferred Stock will be entitled to nominate one director at the next annual shareholder meeting and all subsequent shareholder meetings until all accumulated dividends on such Series B Preferred Stock have been paid or set aside.

Conversion Features

Each share of Series B Preferred Stock is convertible, at the option of each holder at any time, into shares of Common Stock at the initial conversion rate of 9.5238 shares of Common Stock for each share of Series B Preferred Stock (equivalent to an initial conversion price of \$10.50 per share of Common Stock). The initial conversion rate and the corresponding conversion price are subject to certain customary anti-dilution adjustments. If a holder elects to convert any shares of Series B Preferred Stock during a specified period in connection with a fundamental change (as defined in the Series B Certificate of Designations), such holder can elect to have the conversion rate adjusted and can elect to receive a cash payment in lieu of shares for a portion of the shares. Such holder will also be entitled to a payment in respect of accumulated dividends. In addition, the Company will have the right to require holders to convert any shares of Series B Preferred Stock in connection with certain reorganization events in which case the conversion rate will be adjusted, subject to certain limitations.

The Company will have the right to cause the mandatory conversion of the Series B Preferred Stock into shares of Common Stock at any time after the initial issuance of the Series B Preferred Stock if the closing price of the Common Stock has equaled or exceeded \$14.50 (subject to adjustment in the same manner as the conversion price) for 45 trading days within a period of 60 consecutive trading days.

Embedded Conversion Features

The Company concluded that the Series B Preferred Stock is more akin to a debt-type instrument and that the economic characteristics and risks of the conversion option upon a fundamental change by the holder is not considered clearly and closely related to the Series B Preferred Stock. Accordingly, this embedded conversion feature was bifurcated from the Series B Preferred Stock and separately accounted for as a derivative. The Company allocated \$1 million of the net proceeds received to the derivative liability based on the aggregate fair value of the embedded conversion features on the dates of issuance which reduced the original carrying value of the Series B Preferred Stock.

The conversion option upon a fundamental change embedded derivative value at issuance was calculated as the difference between the total value of the Series B Preferred Stock and the sum of the net present value of the cash flows if the Series B Preferred Stock is redeemed on its redemption date and the values of other embedded derivatives. Other than events which alter the likelihood of a fundamental change, the value of the conversion option upon a fundamental change embedded derivative reflects the value as of the issuance date, amortized for the passage of time. The derivative amortization is reported in Other charges (income), net in the Consolidated Statement of Operations.

The carrying value of the Series B Preferred Stock embedded derivative as of both September 30, 2025 and December 31, 2024 was a liability of less than \$1 million and is included in Other current liabilities at September 30, 2025 and in Other long-term liabilities at December 31, 2024 in the accompanying Consolidated Statement of Financial Position.

The carrying value of the Series B Preferred Stock is being accreted to the mandatory redemption amount using the effective interest method to Additional paid in capital in the Consolidated Statement of Financial Position as a deemed dividend from the date of issuance through the mandatory redemption date, May 28, 2026.

Series C Preferred Stock

On February 26, 2021, the Company and GO EK Ventures IV, LLC (the "Investor") entered into a Series C Preferred Stock Purchase Agreement (the "Purchase Agreement") pursuant to which the Company agreed to sell to the Investor, and the Investor agreed to purchase from the Company, an aggregate of 1,000,000 shares of the Company's newly created 5.0% Series C Convertible Preferred Stock, no par value per share (the "Series C Preferred Stock"), for a purchase price of \$100 per share, representing \$100 million of gross proceeds to the Company. The Investor is a fund managed by Grand Oaks Capital. The Company classified the Series C Preferred Stock as temporary equity in the Consolidated Statement of Financial Position. If any shares of Series C Preferred Stock had not been converted prior to May 28, 2026, the Company would have been required to redeem such shares at \$100 per share plus the amount of accrued and unpaid dividends thereon; provided that the holders of the Series C Preferred Stock had the right to extend such redemption date by up to two years.

Conversion Features

Each share of Series C Preferred Stock was convertible, at the option of each holder at any time, into shares of Common Stock at the initial conversion price of \$10 per share of Common Stock. The initial conversion price and the corresponding conversion rate were subject to certain customary anti-dilution adjustments and to proportional increase in the event the liquidation preference of the Series C Preferred Stock was automatically increased. If a holder elected to convert any shares of Series C Preferred Stock during a specified period in connection with a fundamental change (as defined in the Series C Certificate of Designations), such holder could have elected to have the conversion rate adjusted and could have elected to receive a cash payment in lieu of shares for a portion of the shares of Common Stock. Such holder would have also been entitled to a payment in respect of accumulated dividends and a payment based on the present value of all required remaining dividend payments through May 28, 2026, the mandatory redemption date. Such additional payments would have been payable at the Company's option in cash or in additional shares of Common Stock. In addition, the Company had the right to require holders to convert any shares of Series C Preferred Stock in connection with certain reorganization events in which case the conversion rate would have been adjusted, subject to certain limitations.

The Company had the right to cause the mandatory conversion of the Series C Preferred Stock into shares of Common Stock (i) at any time after February 26, 2023 if the closing price of the Common Stock had equaled or exceeded 200% of the then-effective conversion price for 45 trading days within a period of 60 consecutive trading days, or (ii) at any time after February 26, 2024 if the closing price of the Common Stock had equaled or exceeded 150% of the then-effective conversion price for 45 trading days within a period of 60 consecutive trading days.

Dividend and Other Rights

The Series C Preferred Stock had a liquidation preference of \$100 per share, and the holders of Series C Preferred Stock were entitled to cumulative dividends payable quarterly "in-kind" in the form of additional shares of Series C Preferred Stock at a rate of 5.0% per annum. All dividends owed on the Series C Preferred Stock had been declared and additional Series C shares were issued when due. Holders of the Series C Preferred Stock were also entitled to participate in any dividends paid on the Common Stock (other than stock dividends) on an as-converted basis, with such dividends on any shares of the Series C Preferred Stock being payable upon conversion of such shares of Series C Preferred Stock to Common Stock.

Embedded Conversion Features

The Company concluded that the Series C Preferred Stock was more akin to a debt-type instrument and that the economic characteristics and risks of the conversion option upon a fundamental change by the holder was not considered clearly and closely related to the Series C Preferred Stock. Accordingly, this embedded conversion feature was bifurcated from the Series C Preferred Stock and separately accounted for as a derivative. The Company allocated \$2 million of the net proceeds received to the derivative liability based on the aggregate fair value of the embedded conversion features on the dates of issuance which reduced the original carrying value of the Series C Preferred Stock.

The conversion option upon a fundamental change embedded derivative value at issuance was calculated as the difference between the total value of the Series C Preferred Stock and the sum of the net present value of the cash flows if the Series C Preferred Stock had been redeemed on its redemption date and the values of other embedded derivatives. Other than events which alter the likelihood of a fundamental change, the value of the conversion option upon a fundamental change embedded derivative reflected the value as of the issuance date, amortized for the passage of time. The derivative amortization had been reported in Other charges (income), net in the Consolidated Statement of Operations. At the time of the Series C Preferred Stock Exchange, (as defined below), the remaining liability of less than \$1 million was written off.

The carrying value of the Series C Preferred Stock embedded derivative both at the time of the Series C Preferred Stock Exchange and as of December 31, 2024, was a liability of less than \$1 million and was included in Other long-term liabilities in the accompanying Consolidated Statement of Financial Position.

The carrying value of the Series C Preferred Stock was being accreted to the mandatory redemption amount using the effective interest method to Additional paid in capital in the Consolidated Statement of Financial Position as a deemed dividend from the date of issuance through the mandatory redemption date, May 28, 2026.

Series C Preferred Stock Exchange

On August 8, 2025, the Company and the Investor entered into a Series C Preferred Stock Exchange Agreement (the "Series C Exchange Agreement") pursuant to which the Investor agreed to exchange (the "Series C Preferred Stock Exchange") 1,241,871 shares of the Company's Series C Preferred Stock, held by the Investor (such shares, the "Series C Exchange Shares"), which represented all of the outstanding shares of the Company's Series C Preferred Stock, for a number of shares of the Company's common stock equal to the aggregate liquidation preference of the Series C Exchange Shares of \$124,187,100 plus any accrued and unpaid dividends thereon, at an exchange rate of \$8.25 per share.

The Series C Preferred Stock Exchange was consummated on August 8, 2025 (the "Exchange Date"), in connection with which the Company issued 15,103,163 shares of Common Stock to the Investor in exchange for the Series C Exchange Shares and the accrued and unpaid dividends thereon in accordance with the terms of the Series C Exchange Agreement. The carrying value of the Series C Preferred Stock as of the Exchange Date approximated \$123 million. The fair value of the common stock issued approximated \$106 million, which exceeded the fair value of common stock issuable pursuant to the conversion terms of the Purchase Agreement by \$19 million. This amount was recorded as a deemed dividend to Additional paid in capital in the Consolidated Statement of Financial Position. Following the completion of the exchange, the Company's obligations with respect to the Series C Preferred Stock were fully discharged.

As a result of the Series C Preferred Stock Exchange the Investor's voting power increased from 12.9% as of December 31, 2024 to 15.7% following the Series C Preferred Stock Exchange. In addition, in connection with the Series C Preferred Stock Exchange the Investor was granted the right to nominate one member for election to the Company's Board for so long as it holds at least 10% of the outstanding shares of common stock of the Company. In connection with the Series C Preferred Stock Exchange, the Company entered into an Amended and Restated Registration Rights Agreement that provides customary registration rights with respect to the shares of common stock issued in the Series C Preferred Stock Exchange.

Income recognized for sales-type lease arrangements for the three and nine months ended September 30, 2024 was less than \$1 million and \$1 million, respectively.

NOTE 7: COMMITMENTS AND CONTINGENCIES

As of September 30, 2025, the Company had outstanding letters of credit of \$24 million issued under the Amended and Restated L/C Facility Agreement as well as bank guarantees and letters of credit of \$2 million, surety bonds in the amount of \$47 million, and restricted cash of \$103 million, primarily related to cash collateral supporting the Company's undiscounted actuarial workers' compensation obligations with the NYS WCB, cash collateral to ensure payment of possible casualty and workers' compensation claims, cash collateral supporting the outstanding letters of credit under the Amended and Restated L/C Facility Agreement, to ensure payment of possible legal contingencies, hedging activities, environmental liabilities, rental payments and to support various customs, tax and trade activities. The restricted cash is recorded in Current assets and Restricted cash in the Consolidated Statement of Financial Position.

Kodak's Brazilian operations are involved in various litigation matters in Brazil and have received or been the subject of numerous governmental assessments related to indirect and other taxes in various stages of litigation, as well as civil litigation and disputes associated with former employees and contract labor. The tax matters, which comprise the majority of the litigation matters, are primarily related to federal and state value-added taxes and income taxes. Kodak's Brazilian operations are disputing these matters and intend to vigorously defend its position. Kodak routinely assesses all these matters as to the probability of ultimately incurring a liability in its Brazilian operations and records its best estimate of the ultimate loss in situations where it assesses the likelihood of loss as probable. As of September 30, 2025, Kodak's Brazilian operations maintained accruals of approximately \$5 million for claims aggregating approximately \$93 million inclusive of interest and penalties where appropriate. The unreserved portion of the indirect taxes, civil litigation and disputes involving former employees and contract labor claims, inclusive of any related interest and penalties, for which there was at least a reasonable possibility that a loss may be incurred, amounted to approximately \$6 million.

In connection with assessments in Brazil, local regulations may require Kodak's Brazilian operations to post security for a portion of the amounts in dispute. As of September 30, 2025, Kodak's Brazilian operations have posted security composed of \$7 million of pledged cash reported within Restricted cash in the Consolidated Statement of Financial Position and liens on certain Brazilian assets with a net book value of approximately \$39 million. Generally, any encumbrances on the Brazilian assets would be removed to the extent the matter is resolved in favor of Kodak's Brazilian operations. The matter securing the lien on the non-cash assets was resolved in favor of Kodak's Brazilian operations on March 12, 2024. On September 29, 2025, the Notary Register Office confirmed the cancellation of the lien on Brazilian non-cash assets. Recognition of the enrollment by the IRS is in process and Kodak expects the process to be completed within the next several months.

In addition, Kodak is involved in various lawsuits, claims, investigations, remediations and proceedings, including, from time to time, commercial, customs, employment, environmental, tort and health and safety matters, which are being handled and defended in the ordinary course of business. Kodak is also subject, from time to time, to various assertions, claims, proceedings and requests for indemnification concerning intellectual property, including patent infringement suits involving technologies that are incorporated in a broad spectrum of Kodak's products such as the on-going patent infringement claims brought by FUJIFILM Corporation against Eastman Kodak Company (in the US) and its German subsidiaries (in Germany) alleging that certain of Kodak's SONORA process free plates infringe four of its patents in each jurisdiction. These matters are in various stages of investigation and litigation and are being vigorously defended. Based on information currently available, Kodak does not believe that it is probable that the outcomes in these various matters, individually or collectively, will have a material adverse effect on its financial condition or results of operations. Litigation is inherently unpredictable, and judgments could be rendered or settlements entered that could adversely affect Kodak's

operating results or cash flows in a particular period. Kodak routinely assesses all of its litigation and threatened litigation as to the probability of ultimately incurring a liability and records its best estimate of the ultimate loss in situations where it assesses the likelihood of loss as probable.

NOTE 8: GUARANTEES

In accordance with the terms of a settlement agreement concerning certain of the Company's historical environmental liabilities at Eastman Business Park, a more than 1,200-acre technology center and industrial complex in Rochester, New York, in the event the historical liabilities exceed \$99 million, the Company will become liable for 50% of the portion above \$99 million with no limitation to the maximum potential future payments. There is no liability recorded for this guarantee.

Extended Warranty Arrangements

Kodak offers its customers extended warranty arrangements that are generally one year but may range from three months to six years after the original warranty period. The change in Kodak's deferred revenue balance in relation to these extended warranty and maintenance arrangements from December 31, 2024 to September 30, 2025, which is reflected in Other current liabilities in the accompanying Consolidated Statement of Financial Position, was as follows:

(in millions)		
Deferred revenue on extended warranties as of December 31, 2024	\$	12

Recognition of extended warranty and maintenance arrangement revenue		(40)

Contract Balances

The timing of revenue recognition, billings and cash collections results in billed trade receivables, unbilled receivables (contract assets), and customer advances and deposits (contract liabilities) in the Consolidated Statement of Financial Position. The contract assets are transferred to trade receivables when the rights to consideration become unconditional. The amount recorded for contract assets at both September 30, 2025 and December 31, 2024 was \$5 million, and was reported in Other current assets in the Consolidated Statement of Financial Position. The contract liabilities primarily relate to brand licensing agreements, prepaid service contracts or upfront payments for certain equipment purchases. The amount recorded for contract liabilities in the Consolidated Statement of Financial Position at September 30, 2025 and December 31, 2024 was \$98 million and \$92 million, respectively, of which \$45 million and \$35 million, respectively, was reported in Other current liabilities and \$53 million and \$57 million, respectively, was reported in Other long-term liabilities.

Revenue recognized for the three and nine months ended September 30, 2025 and 2024 that was included in the contract liability balance at the beginning of the period was \$9 million and \$26 million, respectively, in 2025 and \$9 million and \$29 million, respectively, in 2024 and primarily represented revenue from prepaid service contracts and equipment sales. Contract liabilities as of September 30, 2025 included \$21 million and \$32 million of cash payments received during the three and nine months ended September 30, 2025, respectively. Contract liabilities as of September 30, 2024 included \$17 million and \$24 million of cash payments received during the three and nine months ended September 30, 2024, respectively.

Kodak does not disclose the value of unsatisfied performance obligations for contracts with an original expected length of one year or less or for which revenue is recognized at the amount to which Kodak has the right to invoice for services performed.

Performance obligations with an original expected length of greater than one year generally consist of deferred service contracts, operating leases and licensing arrangements. As of September 30, 2025, there was approximately \$86 million of unrecognized revenue from unsatisfied performance obligations. Approximately 5% of the revenue from unsatisfied performance obligations is expected to be recognized in the remainder of 2025, 15% in each of 2026, 2027 and 2028 and 50% thereafter.

⁽¹⁾ During the second quarter of 2025, Kodak recorded an impairment charge of \$17 million related to its investment in Wildcat Discovery Technologies, Inc. ("Wildcat") due to the strategic options and alternatives being contemplated by Wildcat as a result of the current economic environment. The fair value of Kodak's investment in Wildcat was estimated using a probability weighted assessment of the various options being considered under a combination of market and income approaches (Level 3). With respect to an observable transaction for a similar investment that occurred in October 2025, Kodak recorded an additional impairment charge of \$4 million related to its investment in Wildcat during the third quarter of 2025. The fair value of Kodak's investment in Wildcat was estimated using a market approach (Level 3). The carrying value of Kodak's investment in Wildcat as of September 30, 2025 approximated \$4 million.

NOTE 12: INCOME TAXES

Kodak's income tax provision and effective tax rate were as follows:

(dollars in millions)	Three Months Ended September 30,		Nine Months Ended September 30,	
	2025	2024	2025	2024
Earnings (loss) from operations before income taxes	\$ 16	\$ 21	\$ (13)	\$ 83

Provision (benefit) for income taxes at U.S. statutory tax rate	3	4	(3)	17
Difference between tax at effective vs. statutory rate	\$ —	\$ (1)	\$ 10	\$ (10)

For the three and nine months ended September 30, 2025, the difference between Kodak's effective tax rate and the U.S. statutory rate of 21.0% was primarily attributable to: (1) the jurisdictional mix of earnings (2) the movement of valuation allowances associated with changes in net deferred tax assets from current earnings and losses and (3) a provision associated with foreign withholding taxes on undistributed earnings.

For the three and nine months ended September 30, 2024, the difference between Kodak's effective tax rate and the U.S. statutory rate of 21.0% was primarily attributable to: (1) the impact related to existing valuation allowances associated with changes in net

deferred tax assets from current earnings and losses, (2) the results from operations in jurisdictions outside the U.S., (3) a provision associated with foreign withholding taxes on undistributed earnings and (4) changes in audit reserves.

In December 2021, the Organisation for Economic Cooperation and Development (“OECD”) introduced Base Erosion and Profit Shifting (“BEPS”) Pillar 2 rules that impose a global minimum tax rate of 15%. Many participating countries enacted changes which took effect in 2024. Following the review of the relevant tax law changes introduced through Pillar 2 implementation, Kodak determined that these new regulations did not have a material impact to its tax provision for the three and nine months ended September 30, 2025 and 2024.

On July 4, 2025, the One Big Beautiful Bill Act (“OBBBA”) was enacted in the U.S. The OBBBA includes significant provisions, such as the permanent extension of certain expiring provisions of the Tax Cuts and Jobs Act, modifications to the international tax framework and the restoration of favorable tax treatment for certain business provisions. The legislation has multiple effective dates, with certain provisions effective in 2025 and others implemented through 2027. The OBBBA did not have a material impact on Kodak’s financial statements for the three and nine months ended September 30, 2025, and Kodak is still assessing the potential impact on future periods.

NOTE 13: RETIREMENT PLANS AND OTHER POSTRETIREMENT BENEFITS

Total net pension (income) expense	\$ (14)	\$ —	\$ (38)	\$ 1	\$ (42)	\$ —	\$ (113)	\$ 3

⁽¹⁾ The special termination benefits were incurred as a result of Kodak’s restructuring actions and have been included in Restructuring costs and other in the Consolidated Statement of Operations for that period.

⁽²⁾ The settlement gain was the result of lump sum payments from KRIP and the transfer to the insurer of all obligations and responsibilities associated with an existing annuitized obligation.

On January 21, 2025, the Board of Directors of Kodak approved the termination of the Kodak Retirement Income Plan (“KRIP”), effective March 31, 2025, and no further benefits were accrued under KRIP following this date. In addition, the Board of Directors approved a defined benefit retirement plan (the “Kodak Cash Balance Plan”) as a replacement for KRIP which became effective on March 1, 2025 for new hires and on April 1, 2025 for current employees. The benefits under the Kodak Cash Balance Plan are substantially the same as those under the cash balance feature of KRIP.

During the three months ended March 31, 2025, Kodak concluded that it was probable that the criteria for settlement accounting for KRIP would be met in 2025 as the projected cost of all settlements would exceed the sum of the service cost and interest cost components of net periodic pension cost for the year. As a result, Kodak applied settlement accounting and remeasured KRIP for each quarterly period in 2025.

The March 31, 2025 remeasurement resulted in a net actuarial loss of \$68 million, comprised of an actuarial loss of \$90 million related to KRIP's projected benefit obligation ("PBO") partially offset by an asset actuarial gain of \$22 million. The PBO actuarial loss of \$90 million was due in part to a decrease in discount rates, partially offset by a reduction in the 30-year Treasury rate (total net impact of \$22 million). The discount rate assumption used in the March 31, 2025 remeasurement was 5.26% compared to 5.45% used at December 31, 2024, and the 30-year Treasury rate used in the March 31, 2025 remeasurement was 4.59% compared to 4.75% used at December 31, 2024. The remaining actuarial loss of \$68 million was due to assumption changes related to measuring the plan on a termination basis, including assumed premiums for purchasing annuities to settle obligations and the timing of lump sum payments. The expected rate of return on plan assets assumption used in the March 31, 2025 remeasurement was unchanged from the rate used at December 31, 2024 (5.20%). The asset actuarial gain of \$22 million was driven by actual asset returns being higher than expected returns. The impacts from settlement accounting during the first quarter of 2025 were immaterial.

The June 30, 2025 remeasurement resulted in a net actuarial loss of \$16 million, comprised of an actuarial loss associated with asset returns of \$56 million, partially offset by an actuarial gain associated with the PBO of \$40 million. The asset actuarial loss was driven by the adverse effect of higher long-term interest rates on the plan's bond portfolio. The PBO actuarial gain was driven by favorable mortality and other demographic experience of \$48 million, partially offset by a loss of \$8 million due to lower discount rates. The discount rate assumption used in the June 30, 2025 remeasurement was 5.20% and the expected rate of return on plan assets assumption was unchanged from the rate used at December 31, 2024 (5.20%). The impacts from settlement accounting during the second quarter of 2025 were immaterial.

The September 30, 2025 remeasurement resulted in a net actuarial gain of \$96 million, comprised of an actuarial gain associated with asset returns of \$20 million, and an actuarial gain associated with the PBO of \$76 million. The asset actuarial gain was driven by the positive effect of lower long-term interest rates on the plan's bond portfolio. The PBO actuarial gain was driven by favorable changes in the termination assumptions of \$104 million related to finalization of the purchase of an annuity contract and the timing of lump sum payments, partially offset by a loss of \$21 million due to lower discount rates and \$7 million due to demographic experience. The discount rate assumption used in the September 30, 2025 remeasurement was 5.03% and the expected rate of return on plan assets assumption was reduced from the rate used at December 31, 2024 to 3.80% to reflect the plan's current asset class allocation. The impacts from settlement accounting during the third quarter of 2025 resulted in a settlement gain of \$1 million.

Refer to Note 19, "Subsequent Events" for additional information on the KRIP termination.

NOTE 14: EARNINGS PER SHARE

Basic earnings per share are calculated using the weighted-average number of shares of common stock outstanding during the period. Diluted earnings per share calculations include any dilutive effect of potential common shares. In periods with a net loss available to common shareholders, diluted earnings per share are calculated using weighted-average basic shares for that period, as utilizing diluted shares would be anti-dilutive to loss per share.

A reconciliation of the amounts used to calculate basic and diluted (loss) earnings per share for the three and nine months ended September 30, 2025 and 2024 follows:

(in millions)	Three Months Ended September 30,		Nine Months Ended September 30,

(in millions of shares)	Three Months Ended September 30,		Nine Months Ended September 30,

Series B Preferred Stock	—	9.5	—	9.5
Weighted average shares — diluted	<u>89.8</u>	<u>92.7</u>	<u>83.8</u>	<u>92.1</u>

As a result of the net loss available to common shareholders for the three and nine months ended September 30, 2025, Kodak calculated diluted earnings per share using weighted-average basic shares outstanding. If Kodak had reported earnings available to common shareholders for the three months ended September 30, 2025, the calculation of diluted earnings per share would have included the assumed vesting of 1.5 million unvested restricted stock units and the assumed exercise of 1.7 million stock options. For the nine months ended September 30, 2025, the calculation of diluted earnings per share would have included the assumed vesting of 1.6 million unvested restricted stock units and the assumed exercise of 1.7 million stock options.

The computation of diluted earnings per share for the three and nine months ended September 30, 2025 excluded the impact of (1) the assumed conversion of 1.0 million shares of Series B Preferred Stock and (2) the assumed exercise of 1.7 million outstanding employee stock options because the effects would have been anti-dilutive.

The computation of diluted earnings per share for the three and nine months ended September 30, 2024 excluded the impact of (1) the assumed conversion of 1.2 million shares of Series C Preferred Stock and (2) the assumed exercise of 2.6 million outstanding employee stock options because the effects would have been anti-dilutive.

NOTE 15: SHAREHOLDERS' EQUITY

The Company has 560 million shares of authorized stock, consisting of: (i) 500 million shares of common stock, par value \$0.01 per share and (ii) 60 million shares of preferred stock, no par value, issuable in one or more series.

Common Stock

As of September 30, 2025 and December 31, 2024, there were 96.4 million and 80.5 million shares of common stock outstanding, respectively.

At-The-Market ("ATM") Equity Offering Program

The Company intends to use the net proceeds from the sale of the shares for general corporate purposes.

Sales of the shares, if any, will be made at prevailing market prices at the time of sale, or as otherwise agreed with BofA. BofA will receive a commission from the Company that will not exceed, but may be lower than, 3% of the gross sales price of all shares sold under the Sales Agreement.

During the third quarter of 2025, the Company sold 200,000 shares pursuant to the Sales Agreement for net proceeds of approximately \$1 million.

Preferred Stock

Following the completion of the exchange, the Company had no outstanding shares of Series C Preferred Stock and the Company's obligations with respect to the Series C Preferred Stock were fully discharged.

Series C Preferred stock issued and outstanding as of December 31, 2024 consisted of 1.2 million shares.

Treasury Stock

Treasury stock consisted of approximately 1.5 million and 1.3 million shares as of September 30, 2025 and December 31, 2024, respectively.

NOTE 17: SEGMENT INFORMATION

Kodak has three reportable segments: Print, Advanced Materials and Chemicals and Brand. Kodak's reportable segments are based on a combination of factors that the chief operating decision maker ("CODM") uses to evaluate and manage the business operations, including but not limited to, Kodak's organizational structure, customer base, markets, products and services and related technologies. Kodak does not aggregate operating segments. A description of Kodak's reportable segments follows.

Print: The Print segment is comprised of four lines of business: the Prepress Solutions business, the PROSPER business, the Software business and the Electrophotographic Printing Solutions business.

Advanced Materials and Chemicals: The Advanced Materials and Chemicals segment is comprised of four lines of business: the Industrial Film and Chemicals business, the Motion Picture business, the Advanced Materials and Functional Printing business and the IP Licensing and Analytical Services business.

Brand: The Brand segment contains the brand licensing business.

The balance of Kodak's continuing operations, which do not meet the criteria of a reportable segment, are reported in All Other revenues and All Other Operational EBITDA, and primarily represent the operations of the Eastman Business Park.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies in Note 1 included in the 2024 Form 10-K. There are no intersegment sales between the segments.

Kodak's CODM is the Executive Chairman and Chief Executive Officer. Kodak's segment measure of profit and loss is an adjusted earnings before interest, taxes, depreciation and amortization ("Operational EBITDA"). Operational EBITDA represents the earnings (loss) from operations excluding the provision for income taxes; non-service cost components of pension and other postemployment benefits ("OPEB") income; depreciation and amortization expense; restructuring costs and other; stock-based compensation expense; consulting and other costs; interest expense; other operating income, net and other (charges) income, net.

The CODM uses Operational EBITDA in assessing segment performance and deciding how to allocate resources for each segment predominantly through the annual budget and forecasting process. The CODM evaluates Operational EBITDA budget-to-actual variances, changes in Operational EBITDA from prior periods and when comparing the results of each segment with one another.

Segment financial information is shown below. Asset information by reportable segment is not disclosed below as this information is not regularly provided to or used by the CODM in assessing performance and allocating resources.

Kodak decreased employee benefit reserves by approximately \$1 million in the three months ended September 30, 2025 due to a decrease in workers' compensation reserves driven by changes in discount rates. The decrease in reserves in the three months ended September 30, 2025 impacted gross profit by approximately \$1 million. There was no change in employee benefit reserves for the nine months ended September 30, 2025.

Kodak increased employee benefit reserves by approximately \$2 million and \$1 million in the three and nine months ended September 30, 2024, respectively. The increase in employee benefits reserves in the three months ended September 30, 2024 was primarily due to an increase in workers' compensation reserves driven by changes in discount rates. The increase in reserves in the three months ended September 30, 2024 impacted gross profit and selling, general and administrative expenses ("SG&A") by approximately \$1 million each. The increase in reserves in the nine months ended September 30, 2024 did not have a significant impact on gross profit, R&D or SG&A.

Amortization and depreciation expense by segment are not included in the segment measure of profit and loss but are regularly provided to the CODM.

NOTE 18: FINANCIAL INSTRUMENTS

Kodak, as a result of its global operating and financing activities, is exposed to changes in foreign currency exchange rates and interest rates, which may adversely affect its results of operations and financial position. Kodak manages such exposures, in part, with derivative financial instruments. Foreign currency forward contracts are used to mitigate currency risk related to foreign currency denominated assets and liabilities, as well as forecasted foreign currency denominated intercompany assets.

Kodak's exposure to changes in interest rates results from its investing and borrowing activities used to meet its liquidity needs. Kodak does not utilize financial instruments for trading or other speculative purposes.

Kodak's foreign currency forward contracts are not designated as hedges and are marked to market through net earnings (loss) at the same time that the exposed assets and liabilities are re-measured through net earnings (loss) (both in Other charges (income), net in the Consolidated Statement of Operations). The notional amount of such contracts open at September 30, 2025 and December 31, 2024 was approximately \$221 million and \$251 million, respectively. The majority of the contracts of this type held by Kodak as of September 30, 2025 and December 31, 2024 are denominated in Chinese renminbi, Japanese yen and euros.

The net effect of foreign currency forward contracts in the results of operations is shown in the following table:

(in millions)	Three Months Ended September 30,		Nine Months Ended September 30,	
	2025	2024	2025	2024
Net loss (gain) from derivatives not designated as hedging instruments	\$ 2	\$ (6)	\$ (3)	\$ 4

Kodak had no derivatives designated as hedging instruments for the three and nine months ended September 30, 2025 and 2024.

In the event of a default under any of the Company's credit agreements, or a default under any derivative contract or similar obligation of Kodak, subject to certain minimum thresholds, the derivative counterparties would have the right, although not the obligation, to require immediate settlement of some or all open derivative contracts at their then-current fair value, but with liability positions netted against asset positions with the same counterparty.

Fair Value

Fair values of Kodak's foreign currency forward contracts are determined using observable inputs (Level 2 fair value measurements) and are based on the present value of expected future cash flows (an income approach valuation technique) considering the risks involved and using discount rates appropriate for the duration of the contracts. The gross fair value of foreign currency forward contracts in an asset position are reported in Other current assets and the gross fair value of foreign currency forward contracts in a liability position are reported in Other current liabilities in the Consolidated Statement of Financial Position. The gross fair value of forward contracts in an asset position as of September 30, 2025 and December 31, 2024 was less than \$1 million and \$0 million, respectively. The gross fair value of foreign currency forward contracts in a liability position as of September 30, 2025 and December 31, 2024 was \$1 million and \$3 million, respectively.

Short-term debt (Level 2 fair value measurements) includes the Term Loans at September 30, 2025 for which the fair value is determined by pricing models based on the value of related cash flows discounted at current market interest rates. The fair values of short-term borrowings were \$412 million and \$1 million at September 30, 2025 and December 31, 2024, respectively.

The fair values of long-term debt (Level 2 fair value measurements) are determined by reference to quoted market prices of similar instruments, if available. The fair values of long-term borrowings were \$10 million and \$436 million at September 30, 2025 and December 31, 2024, respectively.

The carrying values of cash and cash equivalents, restricted cash and the current portion of long-term debt approximate their fair values at both September 30, 2025 and December 31, 2024.

Transfers between levels of the fair value hierarchy are recognized based on the actual date of the event or change in circumstances that caused the transfer. There were no transfers between levels of the fair value hierarchy during the three and nine months ended September 30, 2025.

NOTE 19: SUBSEQUENT EVENTS

KRIP Termination:

On October 21, 2025, the annuity obligations with respect to all KRIP annuitants (approximately 27,000 participants and beneficiaries) representing approximately \$1.8 billion of pension obligation was transferred to Metropolitan Tower Life Insurance Company through the purchase of a group annuity contract, the premium for which was funded directly and solely by the assets of KRIP. In addition, on October 1, 2025, KRIP settled approximately \$76 million of pension obligations through lump-sum payments to deferred vested participants and on October 31, 2025, KRIP settled approximately \$157 million of pension obligations through lump-sum payments to active participants. KRIP will transfer the remaining liabilities of approximately \$15 million for missing participants and the appropriate level of assets to the PBGC missing program by the end of November 2025. Accordingly, as of the date of filing of this Form 10-Q, substantially all of the pension obligations under KRIP have been fully settled and the excess pension assets will be distributed to the Company and the Kodak Cash Balance Plan. This distribution is currently expected to take place in December 2025.

Term Loan Credit Agreement Amendment:

On November 4, 2025, the Company and the Subsidiary Guarantors entered into the Third Amendment to the Amended and Restated Credit Agreement (the "November 2025 Term Loan Credit Agreement Amendment") with the Term Loan Lenders and the Term Loan Agent. The November 2025 Term Loan Credit Agreement Amendment (i) modified the maturity date of the Term Loans to be August 15, 2028, (ii) eliminated the mandatory prepayment obligation requiring Kodak to use 50% of the net cash proceeds from certain transactions to prepay Term Loans below \$200 million, (iii) provided the Company the option to prepay the Term Loans after May 15, 2026 with cash proceeds from certain transactions plus a 4% prepayment fee, (iv) removed limitations on restricted payments on the repurchase or redemption of the Series B Preferred Stock subject to certain restrictions and (v) removed the requirement to include reversion proceeds not used to prepay Term Loans in the calculation of Excess Cash Flow as defined in the Amended and Restated Term Loan Credit Agreement.

Letter of Credit Facility Agreement:

On November 4, 2025, the Company and the Subsidiary Guarantors entered into Amendment No. 4 to the Letter of Credit Facility Agreement (the "November 2025 L/C Facility Amendment") with the L/C Lenders and Bank of America, N.A. The November 2025 L/C Facility Amendment (i) modified the maturity date of the facility to be May 17, 2028, the date that is 90 days prior to the maturity date of the Term Loans and (ii) removed limitations on restricted payments on the repurchase or redemption of the Series B Preferred Stock subject to certain restrictions.

EXECUTIVE OVERVIEW

Kodak is a global manufacturer focused on commercial print and advanced materials and chemicals. With 79,000 patents earned over 130 years of research and development ("R&D"), Kodak believes in the power of technology and science to enhance what the world sees and creates. Kodak's innovative, award-winning products, combined with its customer-first approach, make Kodak the partner of choice for commercial printers worldwide. Kodak is committed to environmental stewardship, including industry leadership in developing sustainable solutions for print.

Consolidated revenues in the three and nine months ended September 30, 2025 were \$269 million and \$779 million, respectively, increases of \$8 million (3%) and \$2 million (0%), respectively, when compared to the three and nine months ended September 30, 2024. Currency fluctuations had a favorable impact on revenues in the three and nine months ended September 30, 2025 compared to the three and nine months ended September 30, 2024 (\$4 million and \$6 million, respectively).

Print revenues in the three and nine months ended September 30, 2025 were \$177 million and \$520 million, respectively, decreases of \$5 million (3%) compared to the prior year quarter and \$30 million (5%) compared to the prior year-to-date period. Print revenues accounted for 66% and 67% of Kodak's total revenues for the three and nine months ended September 30, 2025, respectively. Advanced Materials and Chemicals revenues in the three and nine months ended September 30, 2025 were \$82 million and \$231 million, respectively, increases of \$11 million (15%) compared to the prior year quarter and \$28 million (14%) compared to the prior year-to-date period.

Economic Environment and Other Global Events:

Kodak's products are sold and serviced in numerous countries across the globe with more than half of sales generated outside the U.S. Current global economic conditions remain highly volatile due to the uncertain and unpredictable macroeconomic environment, heightened levels of inflation, the war in Ukraine, the conflicts involving Israel, changes in trade policies, including tariffs or other trade restrictions or the threat of such actions, and other global events which impacted Kodak's operations. Kodak is experiencing revenue declines and increased manufacturing costs for certain businesses due to lower volumes and increases in labor, material and distribution costs, as well as supply chain disruptions and shortages in materials and labor.

The U.S. government imposed new tariffs on a range of imported goods, including aluminum, steel and certain raw materials and component parts used in Kodak's manufacturing and supply chain. The tariffs imposed have resulted in increased manufacturing costs which the Company has been able to largely mitigate through pricing actions, supplier negotiations and other cost savings measures. As a result of these actions, the tariffs that have been enacted or expanded by the U.S. did not have a material adverse effect on Kodak's operations, financial condition or cash flows for the nine months ended September 30, 2025.

Kodak is actively monitoring the tariff developments and continuing to analyze the potential impacts on its businesses, cost structure and supply chain. The Company is pursuing options to substantially mitigate the impact of the increased tariffs or any future tariffs,

including seeking certain exemptions, offsetting cost increases through further pricing actions and additional cost savings measures, securing alternative sources of materials or products, and evaluating potential manufacturing footprint changes.

There is substantial uncertainty about the duration of existing tariffs or pauses in tariffs, tariff levels and whether additional tariffs or other retaliatory actions may be imposed, modified or suspended. Countries subject to such tariffs have imposed or may in the future impose reciprocal or retaliatory tariffs and other trade measures. These actions and the related rising political tensions could negatively impact global macroeconomic conditions and the stability of global financial markets. The ultimate impact of any tariffs is uncertain and will depend on various factors, including whether the tariffs are maintained and/or implemented, the duration of the tariffs, any exceptions or exemptions that are or may become available and the timing of their implementation, amount and scope, all of which could have a material adverse effect on Kodak's business, financial condition and results of operations.

Kodak has implemented various pricing actions and customer-focused initiatives to mitigate the impact of increased manufacturing costs, primarily within its Print and Advanced Materials and Chemicals segments. Largely beginning in the latter part of the second quarter of 2021, in order to mitigate the impact of higher aluminum, energy and packaging costs within Prepress Solutions, the Print segment implemented pricing actions on purchases of plates that continue to be periodically reviewed and adjusted accordingly. In addition, the Advanced Materials and Chemicals segment implemented various pricing actions primarily within its Industrial Films and Chemicals and Motion Picture businesses.

The Print segment is experiencing a slowdown in customer demand for plates that negatively impacted volume due to current global economic conditions and the impact of pricing actions. In addition to the pricing actions and customer initiatives described above, Kodak has implemented supply chain and workforce optimization, productivity improvements and other cost savings activities. The combined actions have largely mitigated the impact of lower volumes and increased manufacturing costs. However, the potential worsening of economic conditions, continued decreases in volume and increases in manufacturing and other costs without further price increases, productivity improvements or other cost saving measures, could unfavorably impact this segment's operating results.

The Advanced Materials and Chemicals segment has experienced labor shortages in certain manufacturing areas. Increased demand for consumer film products along with manufacturing equipment limitations and labor shortages have contributed to increased backorders. During 2024, the Advanced Materials and Chemicals segment reduced the amount of backorders compared to levels seen in prior years. This was driven by increased headcount and capital investments in equipment upgrades and new equipment that increased capacity and streamlined processes. Increased demand for film products may continue to place stress on manufacturing equipment and the labor force without further investment or additional hiring in specific areas.

Kodak has implemented numerous measures to mitigate the challenges associated with supply chain disruptions and shortages in materials, including increasing safety stock on certain materials, increasing lead-times, providing suppliers with longer forecasts of future demand and certifying additional sources or substitute materials where possible. These measures have enabled Kodak to largely meet current demand.

Following the cessation of U.S. plate manufacturing operations by Kodak's key competitors, Kodak has faced increasing competition in the U.S. from low-priced plates imported from China and Japan. On September 28, 2023, Kodak filed petitions with the U.S. Department of Commerce ("Commerce Department") and the U.S. International Trade Commission ("ITC") requesting relief from unfairly traded imports of plates from China and Japan in the form of the imposition of anti-dumping and/or countervailing duties on such imported plates. After making an affirmative preliminary determination on November 15, 2023, on October 22, 2024, the ITC made a final determination that a U.S. industry is materially injured by reason of imports of aluminum lithographic printing plates from China and Japan that the Commerce Department has determined are sold at less than fair value and subsidized by the government of China. The Commerce Department conducted investigations to determine dumping and subsidy margins against imports of plates manufactured in China and Japan. The Commerce Department announced preliminary findings in its countervailing duty investigation on imports of plates manufactured in China on February 27, 2024 and announced preliminary findings in its anti-dumping duty investigations on imports of plates manufactured in China and Japan on April 26, 2024, which were amended with respect to plates from China on May 28, 2024. The Commerce Department announced final findings in its anti-dumping duty investigations on imports of plates manufactured in China and Japan and its countervailing duty investigation on imports of plates manufactured in China on September 23, 2024. As a result of the determinations by the ITC and Commerce Department, duties are now being imposed on U.S. imports of plates as follows: (i) anti-dumping duties of 115.84% on such plates manufactured in China by Fuji and 317.43% on such plates manufactured in China by other entities (in each case, imposed on plates imported on or after May 1, 2024), (ii) countervailing duties of 35.66% on practically all such plates manufactured in China (imposed on plates imported on or after March 1, 2024), and (iii) anti-dumping duties of 91.83% on practically all such plates manufactured in Japan (imposed on plates imported on or after May 1, 2024). There can be no assurance that the duties imposed on imported plates will provide Kodak effective relief and will not be reduced or impaired by any appeal or other challenge.

Kodak is monitoring the events surrounding the conflicts involving Israel and the impact on the operations of its Israel subsidiary. A leased warehouse in Israel was destroyed in 2023; however, none of Kodak's employees were injured. While the potential impact of future developments related to this conflict is difficult to predict at this time, Kodak has been able to adapt its operations to avoid material disruption to its business. The direct operations of Kodak's Israel subsidiary were less than 1% of total consolidated revenue and assets in 2025.

Kodak also continues to monitor the events surrounding the war in Ukraine and the various sanctions imposed in response to the war. Kodak believes it is in compliance with all sanctions. Kodak has experienced worldwide supply constraints for aluminum and increased energy and transportation costs due in part to the war in Ukraine. The extent to which the war in Ukraine will continue to impact the global economy and Kodak's business and operations remains uncertain.

The war in Ukraine and the international response have disrupted Kodak's ability to operate its Russian subsidiary in the ordinary course, affecting its ability to pay vendors and employees, receive amounts owed from customers in Russia and deliver product. Kodak is in the process of an orderly winding down of its Russian subsidiary and has ceased its direct Russian operations. The direct operations of Kodak's Russian subsidiary did not have a material impact on the Company's financial statements (less than 1% of total consolidated revenues and assets for 2024, 2023 and 2022), and there were no material impacts to the consolidated results of operations for the nine months ended September 30, 2025 from the wind-down activities.

The ongoing changes in global economic conditions and the impact of other global events on Kodak's operations and financial performance remains uncertain and will depend on several factors such as the slowdown in customer demand, the ability to offset higher labor, material and distribution costs through pricing actions, duration of supply chain disruptions and the ability to secure raw materials and components.

Kodak's strategy:

Segments within the print industry and the film industry face competition from digital substitution. Kodak's strategy is to:

- Focus product investment in core competency areas of print and advanced materials, leveraging Kodak's proprietary technologies to deliver technologically advanced products in the product goods packaging, graphic communications, and functional printing markets;
- Generate profitable revenues through a focus on customers across Kodak's Print segment, while increasing market share in specific markets;
- Promote the use of film and expand the applications of Kodak's film and chemicals to best utilize the existing infrastructure; and
- Continue to invest in automation and streamline processes to drive cost reductions and operating efficiencies.

A discussion of opportunities and challenges related to Kodak's strategy follows:

- Print's digital plate products include traditional digital plates and KODAK SONORA Process Free Plates. SONORA Process Free Plates allow Kodak customers to skip the plate processing step prior to mounting plates on a printing press. This improvement in the printing process saves time and costs for customers. Also, SONORA Process Free Plates reduce the environmental impact of the printing process because they eliminate the use of chemicals (including solvents), water and power that is otherwise required to process a traditional plate. The segment's digital plate products are experiencing challenges from higher prices and availability of raw materials, digital substitution and competitive pricing pressures. Kodak seeks to mitigate the impact of increases in manufacturing costs through a combination of pricing actions, improved production efficiency and cost reduction initiatives. In addition, Kodak seeks to offset the impact of short-term and long-term market dynamics on pricing and volume pressures through innovations in Kodak product lines, including investing in digital print technologies.
- In Print's digital printing businesses, the PROSPER Inkjet Systems product offerings are expected to grow and continue to build profitability. Kodak launched the PROSPER 7000 Turbo Press in June 2022. The PROSPER 7000 Turbo Press enables commercial, publishing and newspaper printers to compete more effectively with offset and to shift more long run jobs from conventional printing processes to inkjet. Kodak completed the placement of the first PROSPER 7000 Turbo Press in the third quarter of 2023. Investment in the next generation technology, ULTRASTREAM, is focused on the ability to place ULTRASTREAM writing systems in Kodak branded presses and in various original equipment manufacturers in applications ranging from commercial print to packaging. The first flexible packaging printing system utilizing Kodak's ULTRASTREAM

inkjet technology was placed during the second quarter of 2022. In addition, Kodak officially launched the KODAK PROSPER ULTRA 520 Digital Press utilizing Kodak's ULTRASTREAM inkjet technology, which offers offset print quality in a smaller footprint. Kodak completed the placement of the first KODAK PROSPER ULTRA 520 Digital Press in the fourth quarter of 2023.

- Advanced Materials and Chemicals is using Kodak's deep expertise in chemistry and strengths in deposition and coating processes that come from decades of experience in film manufacturing to work on new initiatives:
 - EV/Energy Storage Battery Material Manufacturing - Coating of substrates is a critical aspect of manufacturing materials for batteries and Kodak plans to capitalize on its expertise in coating technology to develop opportunities in this area. Kodak utilizes its pilot coating facility to conduct development of coated electrodes for a variety of battery, fuel cell, and solar film companies as well as low volume manufacturing of electrodes. On July 13, 2022, Kodak invested \$25 million to acquire a minority preferred equity interest in Wildcat Discovery Technologies, Inc. ("Wildcat"), a private technology company that uses proprietary methods to research and develop new battery materials, including an EV battery. During the second quarter of 2025, Kodak recorded an impairment charge of \$17 million to its Wildcat investment due to strategic options and alternatives being contemplated by Wildcat due to the current economic environment at that time. With respect to an observable transaction for a similar investment that occurred in October 2025, Kodak recorded an additional impairment charge of \$4 million related to its investment in Wildcat during the third quarter of 2025. Wildcat continues to explore and assess various options and alternatives which may further impact the value of Kodak's investment or dilute Kodak's ownership in Wildcat. Kodak also entered into an agreement to provide coating and engineering services in collaboration with Wildcat to develop and scale film coating technologies. Wildcat has granted Kodak certain rights to negotiate a production or licensing arrangement with Wildcat when and if Wildcat's technology reaches commercial readiness. Kodak has utilized an existing production coating facility to manufacture coated substrates for EV cell assembly. Kodak is evaluating expansion or enhancement of this facility to serve a wider variety of production level customers.
 - Reagent Manufacturing - Kodak plans to capitalize on its existing chemical manufacturing expertise, including current production of unregulated Key Starting Materials for pharmaceutical products, to implement an expansion into manufacturing Diagnostic Test Reagent solutions. Kodak has completed construction of a Current Good Manufacturing Practice ("cGMP") lab and manufacturing facility at EBP and is now certified to manufacture reagents for healthcare applications.
 - Light-Blocking Technology - A proprietary technology initially developed for electrophotographic toners is being leveraged to commercialize a carbon-less fabric coating designed to offer superior light management, from complete blackout to selective light filtering, and coating compatibility with an unmatched range of fabrics and also to manage ultraviolet and/or infrared light in addition to visible light. Kodak has installed a production-scale machine to coat fabrics in EBP, located in Rochester, NY and continues to explore strategic alternatives in order to commercialize this technology.
 - Transparent Antennas - Kodak plans to leverage its proprietary copper micro-wire technologies and high-resolution printing expertise to contract-manufacture custom transparent antennas for automotive, commercial construction, and other applications requiring excellent radio frequency ("RF") and optical performance. The integration of antennas is growing worldwide due to the rapid expansion of 5G and an overall increase in RF communications, and the ubiquity of glass surfaces makes transparent antennas attractive for multiple end-use markets. Kodak is evaluating this unique printing technology and expertise for transparent heaters to be used in biomedical analytical devices and telecom applications such as satellite dishes.
 - The Company remains interested in working with governmental agencies to leverage its assets and technology to on-shore manufacturing of pharmaceutical and other healthcare materials.
- Film and related component manufacturing operations and Kodak Research Laboratories utilize capacity at Eastman Business Park, which helps cost absorption for both Kodak operations and tenants at Eastman Business Park.
- Kodak plans to capitalize on its intellectual property through new business or licensing opportunities in 3D printing materials, smart material applications, and printed electronics markets.

Gross Profit
Current Quarter

Gross profit for the three months ended September 30, 2025 improved \$23 million compared with the same period in 2024, primarily due to improved pricing in Print (\$7 million) and Advanced Materials and Chemicals (\$5 million), inventory reserve adjustment in Electrophotographic Printing Solutions ("EPS") recorded in the prior year period (\$4 million), lower aluminum costs (\$3 million), higher volume in Advanced Materials and Chemicals (\$2 million), Print (\$1 million) and Brand (\$1 million), net change in employee benefit reserves (\$2 million) and favorable foreign currency fluctuations (\$1 million). These favorable impacts were partially offset by higher manufacturing costs in Print (\$3 million). See segment discussions for additional details.

Year-to-Date

Gross profit for the nine months ended September 30, 2025 improved \$13 million compared with the same period in 2024, primarily due to improved pricing in Advanced Materials and Chemicals (\$17 million) and Print (\$15 million), inventory reserve adjustment in

EPS recorded in the prior year period (\$4 million), higher volume in Brand (\$3 million), net change in employee benefit reserves (\$1 million) and favorable foreign currency fluctuations (\$1 million). These favorable impacts were partially offset by higher aluminum costs (\$9 million), higher manufacturing costs in Print (\$10 million) and Advanced Materials and Chemicals (\$3 million), and a decline in Print volume (\$5 million) and Advanced Materials and Chemicals (\$1 million).

Selling, General and Administrative Expenses

Current Quarter

Consolidated selling and general administrative expenses ("SG&A") decreased \$3 million in the three months ended September 30, 2025 compared to the prior year period due to a decline in selling and administrative costs (\$2 million) related to lower costs associated with litigation matters as compared to the prior year.

Year-to-Date

Consolidated SG&A decreased \$9 million in the nine months ended September 30, 2025 compared to the prior year period due to a decline in selling and administrative costs (\$6 million) related to lower spending on organizational structure changes compared to the prior year period, along with a decline in consulting and project costs (\$1 million) primarily related to an insurance reimbursement received in the second quarter of 2025 and a decline in equity compensation costs (\$1 million).

Research and Development Costs

Consolidated R&D expenses in the three and nine months ended September 30, 2025 remained relatively flat as compared to the prior year periods.

Pension Income Excluding Service Cost Component

Pension income excluding service cost component in the three and nine months ended September 30, 2025 decreased \$26 million and \$70 million, respectively, compared to the prior year periods due to lower expected return on assets for the Kodak Retirement Income Plan ("KRIP") as a result of the change in investment strategy in 2024. ⁽³⁾ As reported in the Consolidated Statement of Operations.

Kodak decreased employee benefit reserves by approximately \$1 million in the three months ended September 30, 2025 due to a decrease in workers' compensation reserves driven by changes in discount rates. The decrease in reserves in the three months ended September 30, 2025 impacted gross profit by approximately \$1 million. There was no change to employee benefit reserves in the nine months ended September 30, 2025.

Kodak increased employee benefit reserves by approximately \$2 million and \$1 million in the three and nine months ended September 30, 2024, respectively. The increase in employee benefits reserves in the three months ended September 30, 2024 was primarily due to an increase in workers' compensation reserves driven by changes in discount rates. The increase in reserves in the three months ended September 30, 2024 impacted gross profit and selling, general and administrative expenses ("SG&A") by approximately \$1 million each. The increase in reserves in the nine months ended September 30, 2024 did not have a significant impact on gross profit, R&D or SG&A.

RESTRUCTURING COSTS AND OTHER

Kodak recorded charges of \$1 million and \$12 million for the three and nine months ended September 30, 2025, respectively, in Restructuring costs and other in the Consolidated Statement of Operations.

Kodak made cash payments related to restructuring of approximately \$2 million and \$7 million during the three and nine months ended September 30, 2025, respectively.

The restructuring actions implemented in the first nine months of 2025 are expected to generate future annual cash savings of approximately \$17 million, which are expected to reduce future annual SG&A expenses, Cost of revenues and R&D costs by \$6 million, \$7 million and \$4 million, respectively. The majority of the annual savings are expected to be in effect by the end of 2025 as the actions are completed.

LIQUIDITY AND CAPITAL RESOURCES

Management's Assessment of Liquidity

Kodak ended the quarter with a cash balance of \$168 million, a decrease of \$33 million from December 31, 2024, primarily driven by the decline in cash in the first quarter of 2025 of \$43 million.

The financing transactions entered into during 2023, cash proceeds related to brand licensing arrangements in 2024 and 2023 and savings relating to rationalization, cost reductions and operational efficiencies provided additional liquidity to the Company to fund on-going operations and to invest in growth opportunities in Kodak's businesses of print and advanced materials and chemicals and for corporate infrastructure investments expected to contribute to improvements in cash flow.

Available liquidity includes existing cash balances. The amount of available liquidity is subject to fluctuations and includes cash balances held by various entities worldwide. At September 30, 2025 and December 31, 2024, approximately \$74 million and \$118 million, respectively, of cash and cash equivalents were held within the U.S. and approximately \$94 million and \$83 million, respectively, of cash and cash equivalents were held outside the U.S. Cash balances held outside the U.S. are generally required to support local country operations and may have high tax costs or other limitations that delay the ability to repatriate, and therefore may not be readily available for transfer to other jurisdictions. Kodak utilizes cash balances outside the U.S. to fund needs in the U.S. through the use of intercompany loans.

As of September 30, 2025 and December 31, 2024, outstanding intercompany loans to the U.S. were \$508 million and \$483 million, respectively, which included short-term intercompany loans from Kodak's international finance center of \$234 million and \$208 million, respectively. In China, where approximately \$30 million and \$29 million of cash and cash equivalents was held as of September 30, 2025 and December 31, 2024, respectively, there are limitations related to net asset balances that may impact the ability to make cash available to other jurisdictions in the world. Under the terms of the Amended and Restated Term Loan Credit Agreement, the Company is permitted to invest up to \$60 million (or \$75 million after the Deleveraging Milestone Date) in Restricted Subsidiaries that are not Loan Parties and in joint ventures or Unrestricted Subsidiaries that are not party to the Amended and Restated Term Loan Credit Agreement.

The Company's Hong Kong subsidiary has an intercompany loan from one of the Company's Chinese subsidiaries with a maturity date of November 16, 2026, the proceeds of which were in turn loaned to the Company. The terms of the intercompany loan require the Company to make efforts to repay the outstanding loan balance prior to maturity. The outstanding amount of the intercompany loan as of September 30, 2025 was \$68 million. The Company is evaluating repayment alternatives for the current loan agreement which would allow Kodak and its subsidiaries to perform their obligations to each other while minimizing the impact on U.S. liquidity taking into account requirements imposed by Chinese regulators. Any amounts repaid to the Chinese subsidiary may not be able to be loaned, repatriated or otherwise moved back to the U.S., in which case the Company's U.S. liquidity would be reduced.

On May 21, 2025, the Company entered into an ATM Equity Offering Sales Agreement (the "Sales Agreement") with BofA Securities, Inc. ("BofA"), pursuant to which the Company may offer and sell up to \$100 million of shares of the Company's common stock (the "shares"), from time to time, in "at-the-market" offerings through BofA, as sales agent or as principal. During the third quarter of 2025, the Company sold 200,000 shares pursuant to the Sales Agreement for net proceeds of approximately \$1 million. The Company intends to use the net proceeds from the sale of the shares for general corporate purposes.

On November 4, 2025, the Company and the Subsidiary Guarantors entered into the Third Amendment to the Amended and Restated Credit Agreement (the "November 2025 Term Loan Credit Agreement Amendment") with the Term Loan Lenders and the Term Loan Agent. The November 2025 Term Loan Credit Agreement Amendment (i) modified the maturity date of the Term Loans to

be August 15, 2028, (ii) eliminated the mandatory prepayment obligation requiring Kodak to use 50% of the net cash proceeds from certain transactions to prepay Term Loans below \$200 million, (iii) provided the Company the option to prepay the Term Loans after May 15, 2026 with cash proceeds from certain transactions plus a 4% prepayment fee, (iv) removed limitations on restricted payments on the repurchase or redemption of the Series B Preferred Stock subject to certain restrictions and (v) removed the requirement to include reversion proceeds not used to prepay Term Loans in the calculation of Excess Cash Flow as defined in the Amended and Restated Term Loan Credit Agreement.

On November 4, 2025, the Company and the Subsidiary Guarantors entered into Amendment No. 4 to the Letter of Credit Facility Agreement (the "November 2025 L/C Facility Amendment") with the L/C Lenders and Bank of America, N.A. The November 2025 L/C Facility Amendment (i) modified the maturity date of the facility to be May 17, 2028, the date that is 90 days prior to the maturity date of the Term Loans and (ii) removed limitations on restricted payments on the repurchase or redemption of the Series B Preferred Stock subject to certain restrictions.

Kodak has not extended or refinanced the existing Series B Preferred Stock past the current mandatory redemption date of May 28, 2026. The carrying value of the Series B Preferred Stock as of September 30, 2025 was \$99 million.

The Company will receive sufficient proceeds from the reversion of cash from KRIP in December 2025 to adequately fund the Company's debt obligations required to be paid from such proceeds or otherwise maturing within twelve months as of the filing of this Form 10-Q. See further discussion below.

Additionally, Kodak's cash flows continue to be negatively impacted by volume declines, higher manufacturing costs and increased labor, material and distribution costs, supply chain disruptions and shortages in materials and labor. The impacts from price increases, continued cost reduction actions and supply chain-related cost improvements continue to positively impact Kodak's operations.

In order to provide flexibility to respond as necessary to changes in the business and economic environment and to maintain sufficient U.S. liquidity, Kodak may accelerate the restructuring of Kodak's cost structure, reduce or slow spend on capital expenditures and other investments, increase prices and implement working capital improvement initiatives.

Kodak's plans to return to sustainable positive cash flow include generating profitable revenues through continued pricing actions and customer-focused initiatives, implementing effective working capital utilization, reducing operating expenses, continuing to simplify the organizational structure, investing in IT systems to drive operational efficiencies, effectively managing world-wide cash through intercompany loans, distributions or other mechanisms, generating cash from selling and leasing underutilized assets or through new licensing opportunities and implementing ways to reduce cash collateral needs. In addition, proceeds received from the settlement of the KRIP, after required debt prepayments, as further discussed below, and proceeds from the sale of common stock under the at-the-market equity offering program would be available for use for strategic growth or general corporate purposes.

The economic uncertainties surrounding the current inflationary environment and other global events represent additional elements of complexity in Kodak's plans to return to sustainable positive cash flow. The Company cannot predict the duration and scope of such events, including the impact of rising costs of labor, commodity and distribution costs and increased product costs from tariffs, the war in Ukraine and the conflicts involving Israel, and other factors such as the ability to continue to secure raw materials and components, the ability to increase prices to offset rising product costs or how quickly and to what extent normal economic and operating conditions can resume.

Kodak Retirement Income Plan

On January 21, 2025, the Board of Directors of Kodak approved the termination of KRIP effective March 31, 2025, at which time all benefits under KRIP were frozen. In addition, the Board of Directors approved a defined benefit retirement plan (the "Kodak Cash Balance Plan") as a replacement for KRIP which became effective on March 1, 2025 for new hires and April 1, 2025 for current employees. The benefits under the Kodak Cash Balance Plan are substantially the same as those under the cash balance feature of KRIP.

On October 21, 2025, the annuity obligations with respect to all KRIP annuitants (approximately 27,000 participants and beneficiaries) representing approximately \$1.8 billion of pension obligation was transferred to Metropolitan Tower Life Insurance Company through the purchase of a group annuity contract, the premium for which was funded directly and solely by the assets of KRIP. In addition, on October 1, 2025, KRIP settled approximately \$76 million of pension obligations through lump-sum payments to deferred vested participants and on October 31, 2025, KRIP settled approximately \$157 million of pension obligations through lump-sum payments to active participants. KRIP will transfer the remaining liabilities of approximately \$15 million for missing participants

and the appropriate level of assets to the Pension Benefit Guaranty Corporation ("PBGC") missing program by the end of November 2025. Upon completing the transfer of these remaining liabilities to the PBGC, all pension obligations under KRIP will be fully settled and the excess pension assets will be distributed to the Company and the Kodak Cash Balance Plan.

After KRIP's liabilities and applicable regulatory requirements have been fully satisfied, KRIP's surplus assets will revert to Kodak as the settlor of KRIP subject to an excise tax. KRIP will distribute surplus assets to Kodak in December 2025 ("the Reversion Date"). Based on current assumptions, Kodak estimates KRIP would have surplus assets of approximately \$1 billion as of the Reversion Date. The actual amount of surplus assets will be affected by the return on KRIP's assets prior to the Reversion Date, the amounts realized from Hedge Fund Assets in the course of their redemption, the amounts realized from distributions from KRIP private equity investments and the value of Hedge Fund Assets or private equity investments held in the KRIP portfolio at the time of reversion.

In order to reduce the amount of the surplus assets subject to excise tax and to reduce the rate of the excise tax from 50% to 20%, Kodak expects that it would direct the transfer of or otherwise contribute 25% of the surplus assets (which may include all or a significant portion of remaining non-cash assets) to the Kodak Cash Balance Plan (the "Replacement Plan"). After the capitalization of the Replacement Plan and the payment of the 20% excise tax on the remaining surplus, Kodak projects it will receive proceeds from KRIP having a value of approximately \$600 million, consisting of cash of approximately \$450 million and the remaining amount in non-cash assets, primarily hedge funds, which are in the process of redemption. Kodak believes no material amount of income tax would be owed on this amount due to available tax attributes. In addition to the proceeds received by Kodak from KRIP, the Replacement Plan is projected to have assets having a value of approximately \$250 million which would allow Kodak to provide valuable benefits to its current employee base for the foreseeable future without additional cash cost to Kodak.

Under the terms of the November 2025 Term Loan Credit Agreement Amendment, Kodak is obligated to use 100% of the net cash proceeds of any reversion from KRIP ("Reversion Proceeds") to prepay Term Loans outstanding under the Amended and Restated Term Loan Credit Agreement until the amount of the Term Loans is reduced to \$200 million plus a 1% prepayment fee.

Kodak is required under the terms of the November 2025 Term Loan Credit Agreement Amendment, to pay down the Term Loan balance using \$300 million of the expected \$450 million of cash proceeds received from the KRIP reversion in December 2025. The cash proceeds from redemption of hedge funds is expected to occur over several quarters and the Company has the option to prepay the Term Loans after May 15, 2026 using Reversion Proceeds plus a 4% prepayment fee. Assuming no other prepayments are made in the interim and Kodak uses the Reversion Proceeds to prepay only the minimum amount required under the Amended and Restated Term Loan Credit Agreement, the outstanding Term Loan balance at December 31, 2025 is estimated to be approximately \$200 million and will mature August 15, 2028. Based on all of the foregoing projections and after the projected mandatory prepayments of Term Loans, receipt of cash from the redemption of hedge funds and receipt of other assets, Kodak projects that it would ultimately receive cash or other assets from the KRIP surplus having a value of approximately \$290 million over the next three years. Kodak expects to use excess cash proceeds received from the KRIP reversion to redeem the Series B Preferred Stock in full on or prior to its maturity date of May 28, 2026 if it has not otherwise been refinanced or the shares of Series B Preferred Stock have not been converted prior to such date.

Letter of Credit Facility Agreement

Approximately \$24 million and \$27 million of letters of credit were issued under the Amended and Restated L/C Facility Agreement as of September 30, 2025 and December 31, 2024, respectively. The letters of credit under the Amended and Restated L/C Facility Agreement are collateralized by cash collateral (the "L/C Cash Collateral"). The L/C Cash Collateral was \$25 million and \$29 million at September 30, 2025, and December 31, 2024, respectively, which was classified as Restricted Cash.

Net decrease in cash, cash equivalents and restricted cash	\$ (30)	\$ (55)	\$ 25

Operating Activities

Net cash from operating activities for the nine months ended September 30, 2025 increased \$2 million compared with the corresponding period in 2024 primarily due to a decrease in trade receivables of \$52 million primarily driven by \$40 million of cash proceeds related to brand licensing received in the first quarter of 2024. This was offset by a decrease in liabilities excluding borrowings and trade payables driven by Kodak's election to pay the cash interest payment on the Term Loan entirely in PIK and a decrease in miscellaneous receivables and inventory.

Investing Activities

Net cash used in investing activities for the nine months ended September 30, 2025 was relatively flat compared to the corresponding period in 2024 due to a decrease in proceeds from the sale of assets offset by a decrease in additions to properties.

Financing Activities

Net cash used in financing activities for the nine months ended September 30, 2025 decreased \$18 million compared to the corresponding period in 2024 primarily driven by the \$17 million Amended and Restated Term Loan prepayment in the prior year period.

Other Collateral Requirements

The NYS WCB requires security deposits related to self-insured workers' compensation obligations, which security deposits are recalculated annually. Due to changes in 2019 to the manner in which the required security deposit is determined, the Company has been required to post additional collateral over the last several years. At December 31, 2022, the Company posted \$75 million of collateral, representing 107% of the Company's undiscounted actuarial workers' compensation obligations. Effective May 1, 2023, the Company added New York to its existing workers compensation liability insurance policy and is no longer self-insured for future claims. As a result, the NYS WCB confirmed the Company will no longer be obligated to post any additional collateral. On July 1, 2025, the Company submitted a current actuarial report to the NYS WCB and requested a review of the collateral requirements. The NYS WCB confirmed no change in the collateral was required at this time.

Based on the legacy nature of the Company's workers' compensation obligations, the undiscounted actuarial obligation has been declining and the Company expects this trend to continue. While it may not be indicative of the rate of future declines, the undiscounted actuarial liability declined by an average of \$5 million per year between 2014 and 2024. Accordingly, subject to the possibility of other changes to the calculation of required security deposits by the NYS WCB, the Company expects the amount of the

required security deposits to decline over time and the gradual return of the security deposits that have been made or the capital used to support such security deposits.

In the third quarter of 2023, the Company deposited \$68 million directly with the NYS WCB and cancelled the corresponding letter of credit supporting the associated liability. As of September 30, 2025, the Company had \$45 million of surety bonds and \$30 million deposited directly with the NYS WCB supporting the associated liability. The surety bonds are collateralized with \$30 million of cash and the Company could be required to provide up to \$15 million of cash or letters of credit to the issuers of certain surety bonds in the future to fully collateralize the bonds.

Other Uses of Cash Related to Financing Transactions

The holders of the Term Loans are entitled to quarterly cash interest payments at a rate of 7.5% per annum and holders of the Series B Preferred Stock are entitled to cumulative dividends payable quarterly in cash at a rate of 4.0% per annum. The May 2025 Term Loan Credit Agreement Amendment provides the Company the option to pay the Cash Interest Payment entirely in PIK for the next six quarterly interest payments. The Company elected to pay the Cash Interest Payment for the second and third quarters of 2025 entirely in PIK. In addition, until the second quarter of 2025, all dividends owed on the Series B Preferred Stock were declared and paid when due. No quarterly cash dividend was declared in the second and third quarters of 2025.

Series C Preferred Stock Exchange

On August 8, 2025, the Company issued 15,103,163 shares of common stock in exchange for all outstanding shares of Series C Preferred Stock, including accrued and unpaid dividends thereon, pursuant to a Series C Preferred Stock Exchange Agreement entered into with the Investor on August 8, 2025. Following the completion of the exchange, the Company had no outstanding shares of Series C Preferred Stock and the Company's obligations with respect to the Series C Preferred Stock were fully discharged.

Defined Benefit Pension and Postretirement Plans

Kodak made net contributions (funded plans) or paid benefits (unfunded plans) totaling approximately \$11 million to its non-U.S. defined benefit pension and postretirement benefit plans in the first nine months of 2025. For the balance of 2025, the forecasted contribution (funded plans) and benefit payment (unfunded plans) requirements for its pension and postretirement plans are approximately \$3 million.

Capital Expenditures

Cash flows from investing activities included \$28 million of capital expenditures for the nine months ended September 30, 2025. Kodak expects approximately \$30 million to \$40 million of total capital expenditures for fiscal year 2025.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

Preparation of the Company's Consolidated Financial Statements in conformity with accounting principles generally accepted in the United States (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses. The accounting policies most critical to the preparation of the consolidated financial statements and that require the most difficult, subjective or complex judgments are described in Management's Discussion and Analysis of Financial Condition and Results of Operations included in the 2024 Form 10-K. There have been no material changes in the Company's critical accounting policies or estimates since December 31, 2024.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

As noted in the 2024 Form 10-K, Kodak operates and conducts business in many foreign countries and as a result is exposed to fluctuations between the U.S. dollar and other currencies. Volatility in the global financial markets could increase the volatility of foreign currency exchange rates which would, in turn, impact sales and net income. For a discussion of the Company's exposure to market risk and how market risk is mitigated, refer to Part I, Item 1A "Risk Factors" and Part II, Item 7A, "Quantitative and Qualitative Disclosures About Market Risk", contained in the 2024 Form 10-K.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Kodak maintains disclosure controls and procedures that are designed to ensure that information required to be disclosed in Kodak's reports filed or submitted under the Securities Exchange Act of 1934 (the "Exchange Act") is recorded, processed, summarized and

reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to management, including Kodak's Executive Chairman and Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. Kodak's management, with the participation of Kodak's Executive Chairman and Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of Kodak's disclosure controls and procedures as of the end of the period covered by this Quarterly Report on Form 10-Q and have concluded that, as of the end of the period covered by this Quarterly Report on Form 10-Q, Kodak's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) were effective.

Changes in Internal Control Over Financial Reporting

Kodak is in the process of a multi-year project to modernize and enhance the Company's global information technology systems, to improve and standardize business and financial processes and to increase the efficiency and effectiveness of financial planning and reporting. As the phased implementation occurs, it may result in changes to processes and procedures which may result in changes to internal controls over financial reporting. As such changes occur, Kodak evaluates whether they materially affect the Company's internal controls over financial reporting.

There have been no changes identified in Kodak's internal control over financial reporting that occurred during the most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, Kodak's internal control over financial reporting.

Part II. OTHER INFORMATION

Item 1. Legal Proceedings

See Note 7, "Commitments and Contingencies" in the Notes to the Financial Statements included in Part I, Item 1, "Financial Statements" for information regarding certain legal proceedings in which Kodak is involved.

Item 1A. Risk Factors

Upon receipt of all requested funds, the Administrative

Agent will make each such Loan available to the Borrower by promptly wiring the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request (the “**Loan Account**”).

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Loan to be made by such Lender on the occasion of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then such Lender and the Borrower jointly and severally agree to pay to the Administrative Agent forthwith on written demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of any Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the Interest Rate payable in cash in accordance with Section 2.08.

Section 2.05.Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the aggregate principal amount of all Loans outstanding on the Termination Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the respective Lenders and each respective Lender’s share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section 2.05 shall be prima facie evidence of the existence and amounts of the obligations recorded therein; *provided* that (x) the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay its Loans in accordance with the terms of this Agreement and (y) in the event of any conflict between the accounts maintained by the Administrative Agent pursuant to Section 2.05(c) and any Lender’s records pursuant to Section 2.05(b), the accounts maintained by the Administrative Agent pursuant to Section 2.05(c) shall govern and control.

(e) Any Lender may request that Loans made by it to the Borrower be evidenced by a promissory note. In such event, the Borrower shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) substantially in the form attached hereto as Exhibit I. Thereafter, unless otherwise agreed by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.06.Prepayment of Loans.

(a) Voluntary. The Borrower may, upon prior written notice from the Borrower to the Administrative Agent, at any time or from time to time, voluntarily prepay Loans in whole or in part, together with any applicable Prepayment Premium. Prepayments of Loans pursuant to this Section 2.06(a) shall be applied as directed by the Borrower; *provided, that prior to May 15, 2026, the Borrower shall not make any voluntary prepayments pursuant to this Section 2.06(a) with Net Proceeds received in connection with any Asset Sale, Recovery Event or other transaction resulting in proceeds in respect of Target Non-Core Assets described in item 1 of Schedule 1.01(B).*

(b) Mandatory.

(ii) Subject to clauses (v) and (viii) below, not later than the fifth Business Day following receipt by the Borrower or any Subsidiary of any Net Proceeds in connection with any Recovery Event (other than any Recovery Event relating to the Target Non-Core Assets), the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans in accordance with Section 2.06(b)(ix); *provided* that no prepayment pursuant to this clause (ii) shall be required if the Net Proceeds received in connection with any such Recovery Event are less than \$5,000,000 individually and \$10,000,000 in the aggregate of all such Recovery Events in any fiscal year.

(iii) Not later than the fifth Business Day following receipt of Net Proceeds by the Borrower or any Subsidiary from the issuance or incurrence of Indebtedness (other than any cash proceeds from the issuance of Indebtedness permitted pursuant to Section 6.01), the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans in accordance with Section 2.06(b)(ix).

(iv) Subject to clause (v) below, not later than the fifth Business Day following (A) receipt of Net Proceeds by the Borrower or any Subsidiary of any Extraordinary Receipts (other than any Extraordinary Receipts relating to the Target Non-Core Assets), the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans in accordance with Section 2.06(b)(ix); *provided* that no prepayment pursuant to this clause (iv) shall be required if the Net Proceeds received in connection with any such Extraordinary Receipts are less than \$5,000,000 individually and \$10,000,000 in the aggregate of all such Extraordinary Receipts in any fiscal year, and (B) the date on which any cash that is restricted on the balance sheet of the Borrower is no longer restricted as a result of the incurrence of any Replacement ABL Facility pursuant to Section 6.01(a)(ii)(B), including upon any issuance of letters of credit under such Replacement ABL Facility, or otherwise, except to the extent such cash promptly becomes restricted in favor of the State of New York as cash collateral for statutory obligations.

(v) Not later than five (5) Business Days following receipt by the Borrower or any Subsidiary of any Net Proceeds in connection with any Asset Sale, Recovery Event or other transaction resulting in proceeds in respect of Target Non-Core Assets:

(1) if the aggregate principal amount of outstanding Loans is greater than \$200,000,000, the Borrower shall apply (i) 100% of such Net Proceeds to prepay outstanding Loans in accordance with Section 2.06(b)(ix) until the balance of the Loans is equal to \$200,000,000, at which point clause (2) below will apply to any remaining Net Proceeds plus (ii) a prepayment premium equal to one percent (1.0%) of the principal amount of the Loans so prepaid; and

~~(2) if the aggregate principal amount of outstanding Loans is less than or equal to \$200,000,000, but greater than \$100,000,000, the Borrower shall apply (i) 50% of the Net Proceeds received with respect thereto to prepay outstanding Loans in accordance with Section 2.06(b)(ix) until the balance of the Loans is equal to \$100,000,000 at which point clause (3) below will apply to any remaining Net Proceeds plus (ii) a prepayment premium equal to (x) with respect to any prepayment pursuant to this Section 2.06(b)(v)(2) prior to the fourth anniversary of the First Amendment Effective Date, one percent (1.0%) or (y) with respect to any prepayment pursuant to this Section 2.06(b)(v)(2) on or after the fourth anniversary of the First Amendment Effective Date, zero percent (0%); in each case, of the principal amount of the Loans so repaid; provided that, concurrently with making the mandatory prepayment described in this Section 2.06(b)(v)(2), the Borrower shall have the option to apply the remaining 50% of the Net Proceeds not so required to be applied to mandatory prepayment pursuant to this Section 2.06(b)(v)(2) to voluntarily prepay the~~

~~outstanding Loans at a prepayment premium equal to (x) with respect to any prepayment pursuant to this Section 2.06(b)(v)(2) prior to the fourth anniversary of the First Amendment Effective Date, one percent (1.0%) or (y) with respect to any prepayment pursuant to this Section 2.06(b)(v)(2) on or after the fourth anniversary of the First Amendment Effective Date, zero percent (0%), in each case, of the principal amount of the Loans so repaid; and~~

(2) ~~(3)~~—if the aggregate principal amount of outstanding Loans is less than or equal to ~~\$100,000,000~~ 200,000,000, the Borrower may retain such Net Proceeds and shall not be required to make any mandatory prepayment ~~pursuant to this Section 2.06(b)(v); provided that~~ with such Net Proceeds ~~shall be included in the calculation of Excess Cash Flow.~~

(vi) Upon the occurrence of a Change in Control, each Lender shall have the right to require the Borrower to prepay such Lender's Loans at a price in cash equal to the aggregate principal amount of the Loans outstanding, plus the Prepayment Premium that would have been payable if the Borrower had voluntarily prepaid such Loans on the date of such prepayment. The Borrower shall deliver to the Administrative Agent written notice of the occurrence of any Change in Control (each such notice, a "**Change in Control Notice**"), in each case, within two Business Days thereof. Each Lender that intends to exercise its right to require the Borrower to prepay such Lender's Loans pursuant to this Section 2.06(b)(vi) shall provide written notice thereof to the Administrative Agent no later than 5:00 p.m., within ten Business Days of the receipt of any Change in Control Notice delivered pursuant to the foregoing clause (b) (such date, the "**Change in Control Election Date**"). For the avoidance of doubt, any Lender that fails to timely notify the Administrative Agent in accordance with the preceding sentence shall be deemed to have irrevocably waived the right described in this Section 2.06(b)(vi). The Borrower shall make any prepayment pursuant to this Section 2.06(b)(vi) within three Business Days of the Change in Control Election Date. The foregoing shall not limit the Borrower's right to make a voluntary prepayment in accordance with Section 2.06(a) in connection with such Change in Control.

(vii) For each fiscal year of the Borrower (commencing with the fiscal year ending on December 31, 2021), not later than the tenth Business Day following the date of the most recent Financial Statements delivered or required to be delivered pursuant to Section 5.01(a) (for any such fiscal year, the "**ECF Prepayment Date**"), the Borrower shall prepay outstanding Loans in an aggregate principal amount equal to (x) 100% of Excess Cash Flow for such fiscal year *minus* (y) except for the Refinancing Transactions (as defined in the First Amendment), optional prepayments of Loans under Section 2.06(a) during such fiscal year (the "**ECF Prepayment**"); *provided* that no prepayment shall be required pursuant to this Section 2.06(b)(vii) to the extent that after giving effect to such prepayment U.S. Liquidity would be less than (x) prior to the Borrower Deleveraging Milestone Date, \$60,000,000 or (y) on or after the Borrower Deleveraging Milestone Date, \$85,000,000, in each case at the time of making such prepayment; *provided* that (A) the Borrower shall make the maximum portion of such ECF Prepayment when due to the extent such payment shall not cause the Borrower to violate the foregoing clause and (B) the Borrower shall make additional portions of such ECF Prepayment within five (5) Business Days from delivery of financial statements pursuant to Section 5.01(a) or Section 5.01(b) thereafter to the extent that making such payment shall not cause the Borrower to violate the foregoing clause.

(viii) Notwithstanding the foregoing, the Borrower shall not be required to apply any Net Proceeds that are the subject of clauses (i) or (ii) above to prepay the Loans to the extent reinvested by the Borrower or any of its Restricted Subsidiaries in assets of a kind then used or usable in the business of the Borrower and its Restricted Subsidiaries within 12 months of receipt of such Net Proceeds (or, if the Borrower or any Restricted Subsidiary has contractually committed within 12 months following receipt of such Net Proceeds to reinvest such Net Proceeds, within 18 months from the date of the receipt of such Net Proceeds); *provided* that (a) no Event of Default shall have occurred and shall be continuing at the time of the earlier of the (x) application of such proceeds and (y) entry into the contractual commitment to apply such Net Proceeds; and (b) any such Net Proceeds not actually reinvested in accordance with the foregoing shall be promptly applied by the Borrower to prepay the Loans; *provided further* that (A) such Net Proceeds

may not be reinvested in cash or Cash Equivalents, accounts receivable, stock inventory, marketable securities, prepaid liabilities or other current assets (other than in connection with an acquisition of a line of business or operating entity engaged in a Related Business) (it being understood that the Borrower and its Restricted Subsidiaries may hold such Net Proceeds in cash, Cash Equivalents or marketable securities pending reinvestment during the time periods described above, so long as the Borrower shall provide, concurrently with the delivery of the financial statements pursuant to Section 5.01(a) or Section 5.01(b), a written notice of such Net Proceeds, identifying in reasonable detail such Net Proceeds in the form of cash, Cash Equivalents or marketable securities, as applicable), (B) notwithstanding anything to the contrary herein, the aggregate amount of Net Proceeds of Asset Sales and Recovery Events that may be reinvested pursuant to this clause (viii) shall not exceed \$20,000,000 in any fiscal year (unless the aggregate principal amount of outstanding Senior Secured Indebtedness is less than \$300,000,000 at the time of making such reinvestment, in which case the limitation set forth in this clause (B) shall not apply) and (C) the Net Proceeds of any Target Non-Core Assets that are required to be used to prepay Loans pursuant to Section 2.06(b)(v) may not be reinvested without the prior written consent of the Required Lenders.

(ix) Prepayments of outstanding Loans pursuant to this Section 2.06(b) shall be applied in such manner as the Borrower may specify.

(c) Prepayment Premium. In the event that, prior to the fourth anniversary of the First Effective Date, the Borrower prepays all or any portion of the then outstanding Loans pursuant to Section 2.06(a), Section 2.06(b)(iii) or Section 2.06(b)(vi) (such date of prepayment a “**Calculation Date**”), such prepayment shall include a premium (the “**Prepayment Premium**”), to be paid to the Administrative Agent for the benefit of the Lenders, equal to, (i) in the case of any prepayment made prior to the second anniversary of the First Amendment Effective Date, the present value at such Calculation Date of (x) all required remaining scheduled interest payments due on such Loans (determined by excluding any interest that would accrue with respect to any portion of the principal amount of such Loans representing any payment of PIK Interest prior to such Calculation Date) being repaid through the second anniversary of the First Amendment Effective Date (excluding accrued and unpaid interest to, but excluding, the Calculation Date) (provided that any interest that would otherwise have accrued from the period commencing after the Interest Payment Date occurring immediately prior to the second anniversary of the First Amendment Effective Date and ending on and including the second anniversary of the First Amendment Effective Date shall be deemed for purposes of this definition to be a required remaining scheduled interest payment that would have otherwise been due on the second anniversary of the First Amendment Effective Date) based upon the Interest Rate plus (y) the Prepayment Premium that would be payable if such Loans were voluntarily prepaid on the second anniversary of the First Amendment Effective Date, computed using a discount rate equal to the Treasury Rate as of the Calculation Date plus 50 basis points, (ii) in the case of any prepayment made on or after the second anniversary of the First Amendment Effective Date but prior to the third anniversary of the First Amendment Effective Date, the principal amount of the Loans so prepaid (determined by excluding any principal amount of such Loans representing any payment of PIK Interest prior to such Calculation Date) multiplied by six percent (6.0%), (iii) in the case of any prepayment made on or after the third anniversary of the First Amendment Effective Date but prior to the fourth anniversary of the First Amendment Effective Date, the principal amount of the Loans so prepaid (determined by excluding any principal amount of such Loans representing any payment of PIK Interest prior to such Calculation Date) multiplied by four percent (4.0%) and (iv) zero percent (0.0%) thereafter; *provided however*, that notwithstanding anything herein to the contrary in this clause (c), the foregoing Prepayment Premium shall not be applicable to any such prepayment made by the Borrower on or prior to the fourth anniversary of the Closing Date up to an aggregate principal amount not to exceed \$150,000,000 (the “**Specified Prepayment**”), so long as (i) any such Specified Prepayment made prior to the fourth anniversary of the First Amendment Effective Date shall be accompanied by a prepayment premium equal to one~~four~~ percent (~~4.0~~%) of the principal amount of the Loans so prepaid, and (ii) such Specified Prepayment is not made with any proceeds received directly or indirectly from any individual transaction or series of related transactions related to any incurrence of Indebtedness (it being understood and agreed that the foregoing clause (ii) shall not restrict any mandatory prepayment made pursuant to Section 2.06(b)(iv)(B)).

(d) The Borrower shall notify the Administrative Agent in writing of any prepayment under Section 2.06(a) or (b), not later than 11:00 a.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), one Business Day prior to the date of prepayment. Subject to Section 2.06(e), such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be

prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing under Section 2.06(a) shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$3,000,000. Prepayments under Section 2.06(a) and 2.06(b) shall be accompanied by accrued interest to the extent required by Section 2.08.

(e) Each prepayment shall be applied to the applicable Loans of the applicable Lenders in accordance with their respective Applicable Percentages.

(f) Any prepayment of Loans hereunder to be made with the proceeds from the incurrence of any Indebtedness or the closing of another transaction may state that such prepayment is conditioned on the effectiveness of other debt facilities or instruments or the closing of such other transaction, and no Default or Event of Default shall occur if such prepayment is not made because such condition is not satisfied.

(g) Notwithstanding any other provisions of this Section 2.06, (A) with respect to the Net Proceeds described in 2.06(b)(i) or (b)(ii), to the extent that applicable law would effectively (1) prohibit the repatriation to the United States of America of any Net Proceeds received by any Subsidiary that is not a Domestic Subsidiary or (2) impose material adverse tax consequences on the Borrower and its Subsidiaries if such Net Proceeds were so repatriated (taking into account any foreign tax credit or benefit actually realized in connection with any such repatriation), as determined by the Borrower in good faith, then, in each case, the Borrower and its Subsidiaries shall not be required to prepay such amounts as required under Section 2.06(b)(i) or (b)(ii) until such prohibition or material adverse tax consequence no longer exists, provided that the Borrower and its Subsidiaries shall take commercially reasonable actions to permit repatriation of the proceeds subject to such prepayments in order to effect such prepayments without violating law or incurring material adverse tax consequences, and (B) with respect only to any ECF Prepayment described in Section 2.06(b)(vii), to the extent that applicable law would effectively prohibit the repatriation to the United States of America of any proceeds received by any Subsidiary that is not a Domestic Subsidiary or result in material adverse tax consequences on the Borrower and its Subsidiaries if such proceeds were so repatriated, as determined by the Borrower in good faith, the Borrower and its Subsidiaries shall not be required to prepay such amounts as required under Section 2.06(b)(vii) until such prohibition or material adverse tax consequence no longer exists, provided that the Borrower and its Subsidiaries shall take commercially reasonable actions to permit repatriation of the proceeds subject to such prepayments in order to effect such prepayments without violating law or incurring material adverse tax consequences.

Section 2.07.Fees.

(a) The Borrower shall pay to the Administrative Agent, for its own account, the fees and other charges earned, due and payable in the amounts and at the times set forth in the Agency Fee Letter. All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for the respective accounts of the Administrative Agent and other Lenders as provided herein. Once due, all fees shall be fully earned and shall not be refundable under any circumstances.

(b) The Borrower shall pay to the Administrative Agent, for the account of each Lender, the fees and other charges earned, due and payable in the amounts and at the times set forth in the Fee Letter. All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for the respective accounts of the Lenders as provided herein. Once due, all fees shall be fully earned and shall not be refundable under any circumstances.

(c) The Borrower shall pay to the Administrative Agent, for the account of each Lender, the fees and other charges earned, due and payable in the amounts and at the times set forth in the First Amendment Fee Letter. All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for the respective accounts of the Lenders as provided herein. Once due, all fees shall be fully earned and shall not be refundable under any circumstances.

Section 2.08.Interest.

(a) The aggregate principal amount of the Loans outstanding from time to time shall bear interest at a rate per annum equal to 12.50% (the “**Interest Rate**”). The Borrower shall, by delivering a Cash/PIK Election Notice to the Administrative Agent no later than 11:00 a.m. five (5) Business Days prior to the Interest Payment Date, elect whether interest payments for such Interest Payment Date shall be paid in cash (the “**Cash Option**”) or paid partially in cash and paid partially in kind and capitalized (the “**Cash/PIK Option**”); *provided* that if the Borrower fails to deliver a Cash/PIK Election Notice within the time frame set forth above, the Borrower shall be deemed to have elected the Cash/PIK Option for the applicable Interest Payment Date. If the Borrower elects the Cash Option for any interest period, the Borrower shall pay all interest payments payable on such Interest Payment Date in cash on such Interest Payment Date. If the Borrower elects (or is deemed to have elected) the Cash/PIK Option for any interest period, the Borrower shall pay on the applicable Interest Payment Date (x) interest at a rate per annum equal to 7.50% in cash, and (y) interest at a rate per annum equal to 5.00% in kind (the “**PIK Interest**”), which PIK Interest shall be automatically capitalized on the applicable Interest Payment Date by adding such amount to the outstanding principal amount of such Loan. For the avoidance of doubt, following such increase in the principal amount of the outstanding Loans upon a payment of the PIK Interest on such Interest Payment Date, the Loans shall bear interest on such increased principal amount from and after the date of such Interest Payment Date, and all references herein or in any other Loan Document to the principal amount of the Loans shall include all interest accrued and capitalized as a result of any payment of the PIK Interest except as otherwise specified. Notwithstanding the foregoing, for the six (6) Interest Payment Dates following the Second Amendment Effective Date (such period, the “**Second Amendment PIK Period**”), the Borrower shall have the option to make up to the entire amount of such interest payments via PIK Interest.

(b) Notwithstanding the foregoing, upon the occurrence and during the continuation of a Specified Event of Default, any overdue amounts shall bear interest, after as well as before judgment, payable in cash, at a rate per annum equal to two percent (2.0%) plus the Interest Rate (the “**Default Rate**”); *provided* that the Default Rate shall apply to all such outstanding amounts (whether stated at maturity, by acceleration or otherwise) automatically and without any action by any Person upon the occurrence and during the continuance of any Event of Default arising under Section 7.01(h) or (i).

(c) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; *provided* that (i) interest accrued pursuant to paragraph (b) of this Section 2.08 shall be payable on demand and (ii) in the event of any repayment or prepayment of any Loan of any Lender, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(d) All interest hereunder shall be computed on the basis of a year of 360 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.09. *Increased Costs.*

(a) If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender;
- (ii) impose on any Lender any other condition (other than Taxes) affecting this Agreement or any Loans made by such Lender; or
- (iii) subject any Credit Party to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or the Administrative Agent, as the case may be, such

additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered. A Lender may only submit a request for compensation in connection with the Changes in Law described in clauses (a) and (b) of this Section 2.11 if such Lender imposes such increased costs on borrowers similarly situated to the Borrower under syndicated credit facilities comparable to the Loans.

(c) A certificate of a Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.11(b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to this Section 2.11 shall not constitute a waiver of such Lender's or the Administrative Agent's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section 2.11 for any increased costs or reductions incurred more than 120 days prior to the date that such Lender or the Administrative Agent notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 120-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.10. *Taxes.*

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.10), the amounts received with respect to this agreement equal the sum which would have been received had no such deduction or withholding been made.

(b) In addition, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify each Credit Party, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Credit Party or required to be withheld or deducted from a payment to such Credit Party and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already

indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so) and (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(e) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.10, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.10 (f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(i) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F1 to the effect that such Non-U.S. Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed originals of IRS Form W8BEN or W-8BEN-E; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.10 (including by the payment of additional amounts pursuant to this Section 2.10), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net

after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Without prejudice to the survival of any other agreement contained herein, the agreements and obligations contained in this Section 2.10 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(i) Nothing contained in this Section 2.10 shall require the Administrative Agent or any Lender to make available any of its tax returns (or any other information that it deems, in its sole discretion, to be confidential or proprietary).

(j) For purposes of this Section 2.10, the term "Applicable Law" includes FATCA.

Section 2.11. *Payments Generally; Pro Rata Treatment; Sharing of Setoffs.*

(a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or of amounts payable under Sections 2.09 or 2.10, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m.), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the account of the Administrative Agent as may be specified in writing from time to time by the Administrative Agent as its funding office by written notice to the Borrower and the Lenders, except that payments pursuant to Sections 2.09, 2.10 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents or as otherwise expressly provided herein shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Amounts prepaid or repaid on account of the Loans may not be reborrowed. All payments under each Loan Document shall be made in Dollars and in immediately available funds.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder in respect of Obligations, then such funds shall be applied in the order and manner set forth in Section 7.03.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; *provided* that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower any rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received prior written notice from the Borrower prior to the date on which any payment by the Borrower is due to the Administrative Agent for the account of any of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of such Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Sections 2.04(a), 2.10(d), 2.11(d) or 9.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its reasonable discretion.

(f) Notwithstanding the foregoing or anything to the contrary herein, any prepayments of the Loans may be made on a non-pro rata basis among any Lender affiliated with KLIM and shall be made to such Lenders as directed by KLIM to the Administrative Agent in writing.

Section 2.12. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.09, or if the Borrower is required to pay any additional amount or indemnification payment to any Lender, the Administrative Agent, or any Governmental Authority for the account of any Lender pursuant to Section 2.10, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.09 or Section 2.10, as the case may be, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment promptly following written demand (including documentation reasonably supporting such request) from such Lender.

(b) If any Lender (a) shall have become a Defaulting Lender or (b) requests compensation under Section 2.09, or if the Borrower is required to pay any additional amount or indemnification payment to any Lender, the Administrative Agent, or to any Governmental Authority for the account of any Lender pursuant to Section 2.10, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (i) the Borrower shall have received the prior written consent of the Administrative Agent to the extent required under Section 9.04(b)(iii), for such assignment, which consent shall not be unreasonably withheld or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.09 or payments required to be made pursuant to Section 2.10, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this Section 2.12(b) may be effected pursuant to an Assignment and Acceptance executed solely by the Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective.

Section 2.13. *Extensions of Loans.*

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders whose Loans have a like maturity date, in each case on a pro rata basis (based on the Aggregate Outstandings with a like maturity date) and on the same terms to each such Lender, the Borrower is hereby permitted with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender’s Loans, and otherwise modify the terms of such Loans pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or modifying the amortization schedule in respect of such Lender’s Loans) (each, an “**Extension**,” and each group of Loans in each case as so extended, as well as the original Loans in each case not so extended, being a “**tranche**”; any Extended Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted), so long as the following terms are satisfied or waived in accordance with Section 9.02:

(i) except as to amortization payments, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums and final maturity (which shall be set forth in the relevant Extension Offer), the Loans of any Lender that agrees to extend such Loans pursuant to an Extension Offer (an “**Extended Loan**”), shall be Loans with the same terms as the original Loans; *provided* that the Extended Loan may provide for other covenants and terms that apply to any period after the latest maturity date then in effect with respect to the Loans (and may add a financial maintenance covenant prior to the latest maturity date then in effect with respect to the Loans if such financial maintenance covenant is applicable to both the Loans and the Extended Loan); and *provided further* that at no time shall there be Loans hereunder (including Extended Loans and any original Loans) which have more than three different maturity dates;

(ii) if the aggregate principal amount of Loans in respect of those Lenders who shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Loan offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders, as the case may be, have accepted such Extension Offer; and

(iii) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.13, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.06 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment; *provided* that the Borrower may at its election specify as a condition to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower’s sole discretion and may be waived by the Borrower) of Loans be tendered. The Lenders hereby consent to the transactions contemplated by this Section 2.13 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 2.06 and 2.10) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.13.

(c) No consents shall be required to effectuate any Extension, other than (i) the consent of each Lender agreeing to such Extension with respect to its Loans (or a portion thereof) and (ii) the consent of the Administrative Agent (as set forth in clause (a) above). All Extended Loans and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary or advisable in order to establish new tranches in respect of Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches, in each case on terms consistent with this Section 2.15. All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders.

(d) In connection with any Extension Offer, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior written notice thereof, and shall agree to such procedures (including those regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.13.

Section 2.14.[Reserved].

Section 2.15.*Defaulting Lenders.* Anything contained herein to the contrary notwithstanding, in the event that (i) any Lender shall become a Defaulting Lender and (ii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five Business Days after the Borrower's request that it cure such default, the Borrower shall have the right (but not the obligation) to repay such Defaulting Lender in an amount equal to the principal of, and all accrued interest on, all outstanding Loans owing to such Lender, together with all other amounts due and payable (other than any prepayment premium) to such Lender under the Loan Documents.

ARTICLE III REPRESENTATIONS AND WARRANTIES

Until the Commitments have expired or been terminated and the principal of and interest on each Loan, all fees and other Obligations (other than contingent indemnification obligations not then due and owing) payable hereunder shall have been paid in full, the Borrower represents and warrants to the Lenders as of the First Amendment Effective Date:

Section 3.01.*Organization; Powers.* (a) Each of the Borrower and the Restricted Subsidiaries is duly organized, validly existing and in good standing (as applicable) under the laws of the jurisdiction of its organization, except as to any Restricted Subsidiary other than the Borrower where such failure to be so organized, existing or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (b) (i) each Restricted Subsidiary has all requisite power and authority to carry on its business as now conducted, except to the extent that the failure to have any such power would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect and (ii) the Borrower has all requisite power and authority to carry on its business as now conducted in all material respects and (c) except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

Section 3.02.*Authorization; Enforceability.* The Refinancing Transactions to be entered into by each Loan Party are within such Loan Party's corporate, limited liability or partnership powers, as applicable, and have been duly authorized by all necessary corporate, limited liability or partnership action, as applicable, and, if required, equityholder action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of each such Loan Party (as the case may be), enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03.*Governmental Approvals; No Conflicts.* The Refinancing Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority with competent jurisdiction over the Borrower or any Restricted Subsidiary, except (i) such as have been obtained or made and are in full force and effect, (ii) any consent or approval of, registration or filings necessary to perfect Liens created under the Loan Documents (or release existing Liens) and (iii) immaterial consents, approvals, registrations or filings, (b) will not violate any Applicable Law or regulation or the charter, by-laws or other organizational documents of the Borrower or any of the Restricted Subsidiaries or any order of any Governmental Authority applicable to the Borrower or any Restricted Subsidiary, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any of the Restricted Subsidiaries or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of the Restricted

Subsidiaries, except with respect to any default, conflict, breach or contravention or payment, to the extent that such violation, conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of the Restricted Subsidiaries, except Liens created under the Loan Documents and Liens permitted under the Loan Documents.

Section 3.04.*Financial Condition; No Material Adverse Effect.*

(a) As of the First Amendment Effective Date, neither the Borrower nor any of its Restricted Subsidiaries has any material Guarantees, contingent liabilities and liabilities for taxes, or any long term leases or unusual forward or long term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in the most recent financial statements delivered pursuant to Section 5.01(a) or (b).

(b) Since December 31, 2022, there has been no change, development or event that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect.

Section 3.05.*Properties.*

(a) Except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, each of the Borrower and its Restricted Subsidiaries has good title to, or valid leasehold interests in or rights to use, all its real and personal property (excluding, for the avoidance of doubt, Intellectual Property, which is the subject of Section 3.05(b)(i)) material to its business taken as a whole, except for Liens permitted by Section 6.02 or other Liens reasonably acceptable to the Required Lenders.

(b) Except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, (i) each of the Borrower and its Subsidiaries exclusively owns, or is validly licensed under written and enforceable licenses, or otherwise has a right to use, all Intellectual Property used or held for use in connection with its business as currently conducted and proposed to be conducted, and (ii) Borrower's and its Subsidiaries' conduct of their respective businesses does not infringe, misappropriate or violate any Intellectual Property rights of any other Person.

Section 3.06.*Litigation and Environmental Matters.*

(a) Except as described on Schedule 3.06, there are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority pending and unstayed against or, to the knowledge of the Borrower, threatened against or relating to the Borrower or any of the Subsidiaries (i) that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Refinancing Transactions.

(b) Except for matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of its Restricted Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) is or has become subject to, or to the knowledge of the Borrower is threatened with, any Environmental Liability or (iii) has received written notice of any claim with respect to any Environmental Liability or written notice of violation with respect to any Environmental Law.

Section 3.07.*Compliance with Laws and Agreements.* Each of the Borrower and its Restricted Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 3.08.*Investment Company Status.* Neither the Borrower nor any of its Restricted Subsidiaries is (or is required to be) an "investment company" as defined in the Investment Company Act of 1940.

Section 3.09.*Taxes*. Each of the Borrower and its Restricted Subsidiaries has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) any Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Restricted Subsidiary, as applicable, has set aside on its books adequate reserves in accordance with GAAP or (b) in each case, to the extent that the failure to do so would not reasonably be expected to result in a Material Adverse Effect.

Section 3.10.*Employee Benefit Plans*. Except as could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect: (a) each of the Borrower, each Restricted Subsidiary and each of their respective ERISA Affiliates (and in the case of a Pension Plan or a Multiemployer Plan, each of their respective ERISA Affiliates) are in compliance with all applicable provisions and requirements of ERISA and the Code and other federal and state laws and the regulations and published interpretations thereunder with respect to each Plan and Pension Plan and have performed all their obligations under each Plan and Pension Plan; (b) no ERISA Event or Foreign Plan Event has occurred or is reasonably expected to occur; (c) each Plan or Pension Plan which is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the IRS covering such plan's most recently completed fiveyear remedial amendment cycle in accordance with Revenue Procedure 2007-44, I.R.B. 2007-28, indicating that such Plan or Pension Plan is so qualified and the trust related thereto has been determined by the Internal Revenue Service to be exempt from federal income tax under Section 501(a) of the Code or an application for such a determination is currently pending before the Internal Revenue Service and, to the knowledge of Borrower, nothing has occurred subsequent to the issuance of the most recent determination letter which would cause such Plan or Pension Plan to lose its qualified status; (d) no liability to the PBGC (other than required premium payments), any Plan or Pension Plan or any trust established under Title IV of ERISA has been or is expected to be incurred by the Borrower, any Restricted Subsidiary or any of their ERISA Affiliates; (e) no ERISA Event has occurred and neither the Borrower, a Restricted Subsidiary nor any ERISA Affiliate is aware of any fact, event or circumstance that could reasonably be expected to constitute or result in an ERISA Event; (f) each of the Borrower's and the Restricted Subsidiaries' ERISA Affiliates have complied with the requirements of Section 515 of ERISA with respect to each Multiemployer Plan and are not in "default" (as defined in Section 4219(c)(5) of ERISA) with respect to payments to a Multiemployer Plan; (g) all amounts required by applicable law with respect to, or by the terms of, any retiree welfare benefit arrangement maintained by the Borrower, any Restricted Subsidiary or any ERISA Affiliate or to which the Borrower, any Restricted Subsidiary or any ERISA Affiliate has an obligation to contribute have been accrued in accordance with ASC Topic 715-60; (h) as of the most recent valuation date for each Multiemployer Plan for which the actuarial report is available, neither the Borrower, any Restricted Subsidiary, nor any of their respective ERISA Affiliates has any potential liability for a complete withdrawal from such Multiemployer Plan (within the meaning of Section 4203 of ERISA), when aggregated with such potential liability for a complete withdrawal from all Multiemployer Plans, based on information available pursuant to Section 4221(e) of ERISA; (i) there has been no Prohibited Transaction or violation of the fiduciary responsibility rules with respect to any Plan or Pension Plan that has resulted or could reasonably be expected to result in a Material Adverse Effect; (j) neither the Borrower, any Restricted Subsidiary nor any ERISA Affiliate maintains or contributes to, or has any unsatisfied obligation to contribute to, or liability under, any active or terminated Pension Plan other than (i) on the First Amendment Effective Date, those listed on Schedule 3.10 hereto and (ii) thereafter, Pension Plans not otherwise prohibited by this Agreement; (k) the present value of all accumulated benefit obligations under each Pension Plan, did not, as of the close of its most recent plan year, exceed the fair market value of the assets of such Pension Plan allocable to such accrued benefits (determined in both cases using the applicable assumptions under Section 430 of the Code and the Treasury Regulations promulgated thereunder) and (l) the present value of all accumulated benefit obligations of all underfunded Pension Plans did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of all such underfunded Pension Plans (determined in both cases using the applicable assumptions under Section 430 of the Code and the Treasury Regulations promulgated thereunder).

Section 3.11.*Disclosure*. None of the reports, financial statements, certificates or other written information (other than projections, pro forma financial information, estimates, budgets, other forward-looking information and information of a general economic or industry nature) furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (giving effect to all supplements thereto and other public filings with the U.S. Securities and Exchange Commission) in connection with the Loan Documents contains, taken as a whole, any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, with respect to

projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions by the Borrower believed to be reasonable at the time such projected financial information was furnished, it being understood that such projections are not to be viewed as facts or as a guarantee of performance or achievement of any particular results and that actual results may vary from projected results (many of which factors are beyond the control of the Borrower and its Subsidiaries and their respective officers, representatives and advisors) and that such variances may be material and that no assurance can be given that the projected results will be realized.

Section 3.12. *Subsidiaries*. Schedule 3.12 sets forth the name of, and the ownership interest of the Borrower (or the Subsidiary of the Borrower that is the direct parent of such other Subsidiary of the Borrower) in, each Subsidiary of the Borrower, in each case as of the First Amendment Effective Date.

As of the First Amendment Effective Date and except as set forth on Schedule 3.14, there are no strikes, lockouts or slowdowns against the Borrower or any Restricted Subsidiary pending or, to the knowledge of the Borrower, threatened. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (a) the Borrower and its Restricted Subsidiaries are in compliance with the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with hours worked by or payments made to employees or any similar matters (including but not limited to the appropriate classification of employees as exempt or non-exempt), (b) the Borrower and its Restricted Subsidiaries have properly classified all individuals engaged as contractors as such under all applicable Federal, state, local or foreign law, (c) the Borrower and its Restricted Subsidiaries are in compliance with the Worker Adjustment and Retraining Notification Act and all other state, local or foreign laws relating to plant closings or mass layoffs and (d) all payments due from the Borrower or any Restricted Subsidiary, or for which any claim may be made against the Borrower or any Restricted Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the Borrower or such Subsidiary. Neither the Borrower nor any Subsidiary is subject to any claims arising out of any employment matter, whether pending as of the First Amendment Effective Date or to its knowledge threatened, which would, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect. Except as does not, or would not reasonably be expected to, have a Material Adverse Effect, the consummation of the Refinancing Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Restricted Subsidiary is bound.

Section 3.15. *Security Documents*.

(a) The Security Agreement creates in favor of the Administrative Agent, for the benefit of the Secured Parties referred to therein, a legal, valid, continuing and enforceable security interest in the Collateral (as defined in the Security Agreement) in accordance with and subject to the terms thereof, the enforceability of which is subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law, and the Pledged Collateral (as defined in the Security Agreement), (together with stock powers or other appropriate instruments of transfer executed in blank form), have been delivered to the Administrative Agent. The financing statements, releases and other filings set forth on Schedule 3.15(a) are in appropriate form and have been or will be filed on the Closing Date or First Amendment Effective Date, as applicable, in the offices reasonably acceptable to the Administrative Agent and the Required Lenders. Upon such filings (and payment of applicable fees) and/or the obtaining of "control," the Administrative Agent will have a perfected Lien on, and security interest in, to and under all right, title and interest of the grantors thereunder in all such Collateral (as defined in the Security Agreement) to the extent that it may be perfected by filing, recording or registering a financing statement or analogous document (including the proceeds of such Collateral subject to the limitations relating to such proceeds in the UCC) or by obtaining control, under the UCC (in effect on the date this representation is made) in each case prior and superior in right to any other Person (other than, in the case of (i) the LC Priority Collateral, the LC Agent, as applicable, subject

to the Intercreditor Agreement and (ii) Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law).

(b) When the Security Agreement (or a short form thereof) is filed in the United States Patent and Trademark Office and the United States Copyright Office and when financing statements, releases and other filings set forth on Schedule 3.15(b) in appropriate form are filed (which filings shall occur on or prior to the Closing Date or First Amendment Effective Date, as applicable) in the offices reasonably acceptable to the Administrative Agent and the Required Lenders, (and the applicable fees are paid), the Security Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the applicable Loan Parties in the Intellectual Property constituting Collateral in accordance with and subject to the terms thereof to the extent a security interest may be perfected by filing, recording or registering a security agreement, financing statement or analogous document in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, in each case prior and superior in right to any other Person (other than Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law) (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a Lien on patents, patent applications, registered trademarks, trademark applications and copyrights (whether or not registered) acquired by the Loan Parties after the Closing Date). Notwithstanding the foregoing nothing in this Agreement shall require any Loan Party to make any filings or take any other actions to record or perfect the Administrative Agent's Lien on and security interest in any Intellectual Property outside the United States other than any applicable filings or actions taken with respect to any Foreign Subsidiary formed in any Material Foreign Jurisdiction in accordance with Section 5.17(b) or to reimburse Agent or any Lender for the same with respect to jurisdictions other than Canada and the United Kingdom.

Section 3.16. *Federal Reserve Regulations.*

(a) No Loan Party is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock.

(b) No part of the proceeds of any Loan will be used to buy or carry Margin Stock or to extend credit to others for the purpose of buying or carrying Margin Stock in violation of the Regulations of the Board, including Regulation U or X.

Section 3.17. *Anti-Terrorism Laws.*

(a) Neither the advance of the Loans to the Borrower nor the use of the proceeds of any thereof will violate (x) the Trading With the Enemy Act (50 U.S.C. Section 1 et seq., as amended) (the "**Trading With the Enemy Act**") or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) (the "**Foreign Assets Control Regulations**") or any enabling legislation or executive order relating thereto (which for the avoidance of doubt shall include, but shall not be limited to (i) Executive Order 13224 of September 21, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) (the "**Executive Order**") and (ii) the USA PATRIOT Act) or (y) economic or financial sanctions administered or enforced by the United Kingdom, European Union or United Nations (collectively, together with (x), "**Sanctions**"). Furthermore, neither the Borrower nor any Subsidiary (x) is a "blocked person" as described in the Executive Order, the Trading With the Enemy Act or the Foreign Assets Control Regulations or (y) knowingly engages in any dealings or transactions, or be otherwise associated, with any such "blocked person" or in any manner violative of any Sanctions.

(b) Each Loan Party is in compliance, in all material respects, with the USA PATRIOT Act and other Applicable Laws related to money laundering or terrorist financing ("**Anti-Money Laundering Laws**"), Applicable Laws related to export controls or customs or import controls ("**Ex-Im Laws**"), and United States Foreign Corrupt Practices Act of 1977, as amended, or UK Bribery Act 2010 or any other applicable laws related to bribery or corruption ("**Anti-Corruption Laws**"). No part of the proceeds of the Loans will be knowingly used by the Borrower, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of Anti-Corruption Laws.

Section 3.18. *Senior Indebtedness*. The Obligations are secured by a Lien in favor of the Administrative Agent for the benefit of the Secured Parties that shall rank at least senior in priority of payment to all Subordinated Indebtedness and all senior unsecured Indebtedness of Borrower and each of its Restricted Subsidiaries and constitute “Senior Term Loan Obligations” and “First Priority Obligations” with respect to the Term Priority Collateral (each as defined under the Intercreditor Agreement) under the Intercreditor Agreement and “Senior Indebtedness”, “Designated Senior Indebtedness”, “Guarantor Senior Indebtedness” or any comparable term for all Indebtedness that is subordinated in right of payment to the Obligations (if applicable).

Section 3.19. *Solvency*.

(a) On the First Amendment Effective Date, after giving effect to the consummation of the Refinancing Transactions, the Borrower and its Subsidiaries, on a consolidated basis, are Solvent.

(b) [Reserved.]

Section 3.20. *No Default*. After giving effect to the consummation of the Refinancing Transactions, neither the Borrower nor any Restricted Subsidiary will be in default under any indenture, agreement or other instrument binding upon the Borrower or any of the Restricted Subsidiaries or its assets, except with respect to any default to the extent that such default would not reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

(b) Each notice delivered under this Section 5.02 shall be accompanied by a statement of a Financial Officer or other executive officer of the Borrower setting forth the details of the event or development requiring such notice and any action taken or proposed to be taken with respect thereto.

Section 5.04.*Existence; Conduct of Business.* The Borrower will, and will cause each of the Restricted Subsidiaries (other than Immaterial Subsidiaries) to, do or cause to be done all things necessary to preserve, renew and keep in full force and effect its (i) legal existence and (ii) rights, licenses, permits, privileges, franchises and Intellectual Property rights used in the normal conduct of its business, taken as a whole; except, in the case of (i) (other than with respect to the Borrower) or (ii), (x) to the extent (1) that failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or (2) pursuant to any merger, consolidation, liquidation or dissolution or Disposition permitted under Section 6.03 or Section 6.05, or (y) neither the Borrower nor any Restricted Subsidiary shall be required to preserve, renew or keep in full force and effect any Intellectual Property rights if the Borrower or such Restricted Subsidiary determines in its reasonable business judgment that the preservation, renewal or keeping in full force and effect thereof is no longer desirable in the conduct of the business of the Borrower or such Restricted Subsidiary, taken as a whole.

Section 5.05.*Payment of Taxes.* The Borrower will, and will cause each of the Restricted Subsidiaries to, pay all Taxes imposed upon it or any of its properties or assets or in respect of any of its income, businesses or franchises, before any penalty or fine accrues thereon; *provided*, that no such Tax need be paid if (i) the failure to pay would not be reasonably expected to have a Material Adverse Effect or (ii) it is being contested in good faith by appropriate proceedings and as to which adequate reserve or other appropriate provision, as shall be required in conformity with GAAP shall have been made therefor.

Section 5.06.*Maintenance of Properties.* Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, the Borrower will, and will cause each of the Restricted Subsidiaries to, keep and maintain all tangible property material to the conduct of the business of the Borrower and the Restricted Subsidiaries, taken as a whole, in good working order and condition, ordinary wear and tear, casualty and condemnation excepted; *provided* that the foregoing shall not prohibit any transactions permitted under Section 6.05.

The Loan Parties shall require all property, casualty and liability insurance policies to be endorsed, which endorsement shall be reasonably satisfactory in form and substance to the Administrative Agent, to name the Administrative Agent for the benefit of the Secured Parties, as additional insured or loss payee, as appropriate; *provided* that the Borrower shall only be required to use its commercially reasonable efforts to obtain any notification endorsement. In the event of the Borrower's or any other Loan Party's failure to obtain or maintain the insurance required by this paragraph, without waiving any Event of Default occasioned thereby, the Administrative Agent shall have the right following thirty (30) days prior notice to the Borrower to obtain the required coverage and invoice the Borrower for the premium payments therefor.

(b) The Borrower and the other Loan Parties acknowledge and agree that all income, payments and proceeds of a physical damage property insurance claim payable to them will be received by the Borrower and the other Loan Parties as agent hereunder for the benefit of the Lenders and, from and after the Cash Control Implementation Date, deposited in an account subject to an Account Control Agreement in favor of the Administrative Agent in accordance with the Security Agreement and the Intercreditor Agreement. Unless an Event of Default has occurred and is continuing, the Administrative Agent shall cause any insurance proceeds for which it is loss payee for the benefit of the Secured Parties to be made available to the Borrower as promptly as practicable after receipt thereof by the Administrative Agent for application as required or otherwise permitted by the Loan Documents.

Section 5.08. *Books and Records; Inspection and Audit Rights.* The Borrower will keep proper financial records in accordance with GAAP in all material respects. The Borrower will, and will cause each of the Restricted Subsidiaries to, permit any representatives designated by the Administrative Agent in consultation with the Borrower, upon reasonable prior notice, no more than once in any period of twelve (12) consecutive months commencing on or after the Closing Date (or on an unlimited basis during the continuance of an Event of Default), to visit and inspect its properties, to examine and make extracts from such records, and to discuss its affairs, finances and condition with its officers and independent accountants, all during normal business hours at times mutually agreed by the Borrower and the Administrative Agent and in a commercially reasonable manner; *provided* that in no event shall the requirements set forth in this Section 5.08 require the Borrower or any of its Restricted Subsidiaries to provide any such information which (i) constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or their respective representatives or contractors) is prohibited by Applicable Law or contractual confidentiality obligation owed to a third party or (iii) in the reasonable determination of the Borrower, is subject to attorney client or similar privilege or constitutes attorney work-product; *provided, further* that the Borrower shall be given the opportunity to be present at any meetings with its independent accountants. Notwithstanding anything to the contrary contained herein or in any other Loan Document, no Loan Party shall be required to provide the Administrative Agent, any Lender or any of their advisors or consultants with access to, or details concerning, any facility, document or information to the extent that such provision would, in such Loan Party's reasonable judgment, result in a violation of Applicable Law or regulation, including International Traffic in Arms Regulations.

Section 5.09. *Compliance with Laws and Contractual Obligations.* The Borrower will, and will cause each of the Restricted Subsidiaries to, comply with all Contractual Obligations and all laws, rules, regulations and orders of any Governmental Authority applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 5.10. *Additional Subsidiaries.* If (x) any additional Domestic Subsidiary is formed or acquired after the Closing Date or if a Domestic Subsidiary that was an Excluded Subsidiary no longer meets the applicable criteria to remain an Excluded Subsidiary, or (y) if any additional Foreign Subsidiary that is not an Immaterial Foreign Subsidiary is formed or acquired after the Closing Date or any Foreign Subsidiary ceases to be an Immaterial Foreign Subsidiary, the Borrower will promptly notify the Administrative Agent and the Lenders thereof and (a) the Borrower will cause any such Subsidiary that is a Domestic Subsidiary (other than an Excluded Subsidiary) (i) to become a party to the Security Agreement in the manner provided therein and within thirty (30) days (or such longer period as the Required Lenders may consent to in their reasonable discretion) after such Subsidiary is formed or acquired or no longer qualifies as an Excluded Subsidiary, (ii) promptly to take such actions to create, grant, establish, preserve and perfect the Liens on such Subsidiary's assets to the extent required under the Security Documents or as the Administrative Agent or the Required Lenders shall reasonably request in accordance with the Loan Documents and (iii) to deliver, if requested by the Administrative Agent a written opinion of counsel (which counsel shall be reasonably satisfactory to the Administrative Agent) to the Borrower or such Subsidiary, as applicable, with respect to the matters described in clauses (i) and (ii) hereof, in each case in form and substance reasonably satisfactory to the Administrative Agent and (b) if any Equity Interests of any such Subsidiary are owned directly by or on behalf of the Borrower or any Guarantor, the Borrower will cause such Equity Interests to be pledged pursuant to the Security Agreement within thirty (30) days for a Domestic Subsidiary and within sixty (60) days for a Foreign Subsidiary (or, in each case, such longer period as the Required Lenders may consent to in their reasonable discretion) after such Subsidiary is formed or acquired (provided that in no event shall more than sixty percent (60%) of the total outstanding voting Equity Interests in any such Subsidiary that is a Material First-Tier Foreign Subsidiary be required to be so pledged; provided further, that no Foreign Subsidiary will be subject to local pledge perfection if in the applicable foreign jurisdiction such Foreign Subsidiary would have to consult a works council, or other similar entity, in order to perfect the pledge and any pledge of the Equity Interests of a Foreign Subsidiary may be subject to applicable limitations under the law of the jurisdictions of such Foreign Subsidiary's organization); *provided further*, that notwithstanding anything to the contrary herein, (1) the Administrative Agent may agree at the request of the Borrower to exclude additional Foreign Subsidiaries from the pledge requirement if the burden of providing such pledge to the Borrower outweighs the expected benefit of the pledge to the Lenders and (2) any Foreign Subsidiary formed in any Material Foreign Jurisdiction shall be subject to the requirements set forth in Section 5.17(b).

Section 5.11. *Further Assurances.* Subject to the limitations set forth in the Loan Documents, the Borrower will, and will cause each other Loan Party to, at the expense of the Loan Parties, promptly execute any and

all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, Intellectual Property filings, termination statements, fixture filings and other documents), which may be required under any Applicable Law, or which the Administrative Agent or the Required Lenders may reasonably request, to grant, preserve, protect or perfect the Liens created or intended to be created by the Security Documents or the validity or priority of any such Lien; *provided* that, other than with respect to the Pledged Equity (as defined in the Security Agreement), nothing in this Agreement or any other Loan Document shall require any Loan Party to make any filings or take any other actions to record or perfect security interest outside the United States (or reimburse the Administrative Agent or any Lender for the same).

Section 5.12. *Cash Management.*

(b) The Borrower will not, nor will it permit any Restricted Subsidiary to, enter into any consensual encumbrance or restriction on the ability of any Restricted Subsidiary of the Borrower to (i) make Restricted Payments in respect of any capital stock of such Restricted Subsidiary held by, or pay any Indebtedness owed to, the Borrower or any other Restricted Subsidiary of the Borrower, (ii) make loans or advances to, or other Investments in, the Borrower or any other Restricted Subsidiary of the Borrower or (iii) transfer any of its assets to the Borrower or any other Restricted Subsidiary of the Borrower, except for (a) customary restrictions and conditions contained in agreements relating to the sale of assets pending such sale, provided such restrictions and conditions apply only to the assets that are to be sold and such sale is permitted hereunder, (b) restrictions set forth in the document governing the Supplemental Letter of Credit Facility or any Replacement ABL Facility and in the documents governing other existing Indebtedness as set forth on Schedule 6.10, (c) restrictions contained in any Permitted Receivables Document with respect to any Special Purpose Receivables Subsidiary, (d) restrictions by reason of customary provisions restricting assignments, subletting or other transfers contained in leases, licenses and similar agreements entered into in the ordinary course of business (provided that such restrictions are limited to the property or assets secured by such Liens or the property or assets subject to such leases, licenses or similar agreements, as the case may be) and (e)

customary restrictions in agreements representing Indebtedness permitted to be incurred hereunder of a Subsidiary of the Borrower that is not a Loan Party.

Section 6.11. *Amendment of Material Documents*. The Borrower will not, nor will it permit any Restricted Subsidiary to amend, modify or waive any of (a) the provisions of its certificate of incorporation, by-laws or other organizational documents in a manner materially adverse to the Lenders, except to the extent provided by Section 6.03, (b) the terms of the document governing any Replacement ABL Facility or the Supplemental Letter of Credit Loan Documents; *provided* that with respect to any such Indebtedness, the Borrower and the Restricted Subsidiaries shall have the right to amend, modify or waive terms to the extent not prohibited by the Intercreditor Agreement, (c) the terms of any Subordinated Indebtedness, or (d) any other Indebtedness for borrowed money to the extent constituting Material Indebtedness, or (e) any preferred stock; *provided* that with respect to any such Material Indebtedness or any preferred stock, the Borrower and the Restricted Subsidiaries shall have the right to amend, modify or waive terms if such amendment, modification or waiver is not materially adverse to the Lenders (it being understood and agreed that any amendment, modification or waiver to Material Indebtedness or preferred stock that was, when incurred, required to satisfy the Required Conditions hereunder that results in the maturity date, any scheduled amortization payments, mandatory redemptions or sinking fund obligations or mandatory prepayments (including cash flow sweeps) on or prior to the date that is 91 days after the Maturity Date (other than, in the case of Indebtedness, customary offers to purchase upon a change of control, asset sale or event of loss, customary acceleration rights after an event of default and payments required to prevent any such Indebtedness from being treated as an “applicable high yield discount obligation” with the meaning of Section 163(i) of the Code, or any successor provision thereto or, in the case of preferred stock, redemption rights in connection with a fundamental change and similar provisions) shall be deemed materially adverse to the Lenders).

Section 6.13. *Consolidated Capital Expenditures*. The Borrower will not, nor will it permit any Restricted Subsidiary to, make any Capital Expenditures, except (i) Capital Expenditures of the Borrower and its Restricted Subsidiaries not exceeding \$30,000,000 in the aggregate in any fiscal year and (ii) Capital Expenditures relating to the pharmaceuticals business, light blocking, battery coating and printed electronics businesses, the advanced materials and chemicals business and digital film and printing businesses; *provided* that (a) any such amount referred to in clause (i) above, if not so expended in the fiscal year for which it is permitted, may be carried over for expenditure in the next immediately succeeding fiscal year and (b) Capital Expenditures made pursuant to this Section 6.13 during any fiscal year shall be deemed made, first, in respect of amounts permitted for such fiscal year as provided above and, second, in respect of amounts carried over from the prior fiscal year pursuant to clause (i) above.

Section 6.14. *International Trade Controls*. The Borrower will not, nor will it permit any Restricted Subsidiary to:

ARTICLE VII

(g) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (after the giving of notice and/or the lapse of any applicable grace period) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity in each case beyond the grace period, if any, provided therein; *provided* that this clause (g) shall not apply to (i) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness or (ii) any Indebtedness by and among the Borrower and/or one or more of its direct or indirectly wholly-owned Subsidiaries; *provided further* that, for the avoidance of doubt, the conversion by any holder of convertible Indebtedness into Equity Interests of the Borrower shall not constitute an Event of Default under this clause (g);

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any Material Subsidiary or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Material Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(k) except for any judgments set forth on Schedule 7.01(k), one or more judgments for the payment of money of a liability or debt in an aggregate amount in excess of (x) prior to the Borrower Deleveraging Milestone Date, \$20,000,000 or (y) on or after the Borrower Deleveraging Milestone Date, \$25,000,000 (or, in each case, its equivalent) in excess of amounts covered by insurance shall be rendered against the Borrower, any Restricted Subsidiary (excluding Subsidiaries which would be permitted, at all times while the applicable judgment remains outstanding, to be designated as Immaterial Subsidiaries or Immaterial Foreign Subsidiaries, without regard for if such designation has been made) or any combination thereof, and the same shall remain undischarged for a period of sixty (60) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any Restricted Subsidiary to enforce any such judgment;

(l) (i) an ERISA Event and/or a Foreign Plan Event shall have occurred; (ii) a trustee shall be appointed by a United States district court to administer any Pension Plan; (iii) the PBGC shall institute proceedings to terminate any Pension Plan; or (iv) the Borrower, any Restricted Subsidiary or any of their respective ERISA Affiliates shall have been notified by the sponsor of a Multiemployer Plan that it has incurred or will be assessed Withdrawal Liability to such Multiemployer Plan and such entity does not have reasonable grounds for contesting such Withdrawal Liability or is not contesting such Withdrawal Liability in a timely and appropriate manner; and in each case in clauses (i) through (iv) above, such event or condition, together with all other such events or conditions, if any, could, in the sole judgment of the Required Lenders, reasonably be expected to result in a Material Adverse Effect;

(m) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, with the priority required by the applicable Security Document, except as expressly permitted hereunder or thereunder; or any Loan Party contests in any manner the validity or enforceability of any provision of any Loan Document or any Lien granted under any Security Document; or any Loan Party denies that it has any or further liability or obligation under any Loan Document, or purports to revoke, terminate or rescind any provision of any Loan Document or any Lien granted under any Loan Document, except, in each case, (i) in accordance with the terms of the Loan Documents (ii) to the extent that any absence of perfection or priority results from the failure of the Administrative Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents or to file Uniform Commercial Code continuation statements and (iii) with respect to any Lien purported to be created on Collateral consisting of real estate that ceases to be a valid and perfected Lien on any material portion of such Collateral, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage;

(n) any Loan Document shall not be in full force and effect (other than in accordance with its terms); or

(o) the subordination provisions set forth in any Subordinated Indebtedness that is Material Indebtedness shall, in whole or in material part, cease to be, or shall be asserted by any Loan Party not to be, effective or legally valid, binding and enforceable against the holders of such Subordinated Indebtedness.

Section 7.02. *Remedies Upon Event of Default.* If any Event of Default occurs and is continuing, the Administrative Agent may, or, at the request of the Required Lenders shall, take any or all of the following actions:

(a) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due

and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Loan Parties; and

(b) whether or not the maturity of the Obligations shall have been accelerated pursuant hereto, may (and at the direction of the Required Lenders, shall) proceed to protect, enforce and exercise all rights and remedies of the Credit Parties under this Agreement, any of the other Loan Documents or Applicable Law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in this Agreement and the other Loan Documents or any instrument pursuant to which the Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of the Credit Parties.

(c) No remedy herein is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or any other provision of Applicable Law.

Section 7.03 *Application of Funds*. After the exercise of remedies provided for in Section 7.02 (or after the Loans have automatically become immediately due and payable), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent reimbursable under the Loan Documents and amounts payable under Article II) payable to the Administrative Agent, in its capacity as such;

Second, to payment of that portion of the Obligations constituting indemnities, expenses, and other amounts (other than principal, interest and fees) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, and fees, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to payment of all other Obligations (including the cash collateralization of unliquidated indemnification obligations) to the Credit Parties, their Affiliates and the Related Parties of the foregoing; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Loan Parties or as otherwise required by Applicable Law or the Intercreditor Agreement.

Notwithstanding anything to the contrary in this Agreement, it is understood and agreed that if the Loans are accelerated or otherwise become due prior to the Maturity Date, including without limitation as a result of any Event of Default set forth in Section 7.01(a), (b), (h) or (i) (including the acceleration of claims by operation of law), the Prepayment Premium that would have been payable if the Loans were optionally prepaid pursuant to Section 2.06(a) on such date of acceleration will also automatically be due and payable and shall constitute part of the Obligations with respect to the Loans, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's lost profits as a result thereof. Any such Prepayment Premium payable shall be presumed to be the liquidated damages sustained by each Lender as the result of the early prepayment and each of the Loan Parties agrees that it is reasonable under the circumstances currently existing. EACH OF THE LOAN PARTIES EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING AMOUNTS IN CONNECTION WITH ANY SUCH ACCELERATION, ANY RESCISSION OF SUCH ACCELERATION OR THE COMMENCEMENT OF ANY PROCEEDING UNDER THE BANKRUPTCY CODE OR A SIMILAR DEBTOR RELIEF LAWS. Each of the Loan Parties expressly agrees (to the fullest extent it may lawfully do so) that: (A) the

Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay such Prepayment Premium; and (D) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph. Each of the Loan Parties expressly acknowledges that its agreement to pay such Prepayment Premium to Lenders as herein described is a material inducement to Lenders to enter into this Agreement.

ARTICLE VIII THE AGENT

Section 8.01. *Appointment and Administration by Administrative Agent.* Each Lender hereby irrevocably designates Alter Domus (US) LLC as Administrative Agent under this Agreement and the other Loan Documents. The general administration of the Loan Documents shall be by the Administrative Agent. The Lenders each hereby (a) irrevocably authorizes the Administrative Agent (i) to enter into the Loan Documents to which it is a party, and (ii) at its discretion, to take or refrain from taking such actions as agent on its behalf and to exercise or refrain from exercising such powers under the Loan Documents as are delegated by the terms hereof or thereof, as appropriate, together with all powers reasonably incidental thereto, and (b) agrees and consents to all of the provisions of the Security Documents and the Intercreditor Agreement. All Collateral shall be held or administered by the Administrative Agent (or its duly-appointed agent) for its own benefit and for the ratable benefit of the other Credit Parties in their capacity as such and no Credit Party (other than the Administrative Agent) shall be required to execute any Security Documents as a party thereto. The Administrative Agent shall have no duties or responsibilities except as set forth in this Agreement and the other Loan Documents, nor shall it have any fiduciary relationship with any other Credit Party, and no implied covenants, responsibilities, duties, obligations, or liabilities shall be read into the Loan Documents or otherwise exist against the Administrative Agent.

Section 8.02. *Reserved.*

Section 8.03. *Agreement of Applicable Lenders.* Upon any occasion requiring or permitting an approval, consent, waiver, election or other action on the part of the Lenders, action shall be taken by the Administrative Agent, for and on behalf or for the benefit of all Credit Parties upon the direction of the requisite percentage of Lenders, and any such action shall be binding on all Credit Parties. No amendment, modification, consent, or waiver shall be effective except in accordance with the provisions of Section 9.02.

Section 8.04. *Liability of Agent.*

(a) The Administrative Agent, when acting on behalf of the Credit Parties, may execute any of its respective duties under this Agreement by or through any of its officers, agents and employees, and neither the Administrative Agent nor its respective directors, officers, agents or employees shall be liable for any action taken or omitted to be taken in good faith, or be responsible for the consequences of any oversight or error of judgment, or for any loss, except to the extent of any liability imposed by law by reason of Administrative Agent's own gross negligence or willful misconduct, in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment. Neither Administrative Agent nor its respective directors, officers, agents and employees shall in any event be liable for any action taken or omitted to be taken by it pursuant to instructions received by it from the requisite percentage of Lenders, or in reliance upon the advice of counsel selected by it; provided that, no action taken or not taken in accordance with the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances) shall be deemed to constitute gross negligence or willful misconduct of the Administrative Agent, including, without limitation Section 9.03. Without limiting the foregoing, no Agent or any of its respective directors, officers, employees, or agents shall be: (i) responsible for the due execution, validity, genuineness, effectiveness, sufficiency, or enforceability of, or for any recital, statement, warranty or representation in, this Agreement, any other Loan Document or any related agreement, document or order; (ii) required to ascertain or to make any inquiry concerning the performance or observance by any Loan Party of any of the terms, conditions, covenants, or agreements of this Agreement or any of the Loan Documents; (iii) responsible for the state or condition of any properties of the Loan Parties or any other obligor hereunder constituting Collateral for the Obligations or any information contained in the books or records of the Loan Parties; (iv) responsible for the validity, enforceability, collectability, effectiveness

or genuineness of this Agreement or any other Loan Document or any other certificate, document or instrument furnished in connection therewith; or (v) responsible for the validity, priority or perfection of any Lien securing or purporting to secure the Obligations or for the value or sufficiency of any of the Collateral.

(b) The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document by or through its agents or attorneys-in- fact, and shall be entitled to the advice of counsel concerning all matters pertaining to its rights and duties hereunder or under the other Loan Documents. The exculpatory provisions of this Article VIII shall apply to any agent or attorney in fact and the Related Parties of each agent or attorney-in- fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in- fact selected by it with reasonable care.

(c) The Agent or any of its respective directors, officers, employees, or agents shall not have any responsibility to any Loan Party on account of the failure or delay in performance or breach by any other Credit Party (other than by Administrative Agent in its capacity as a Lender) of any of its respective obligations under this Agreement or any of the other Loan Documents or in connection herewith or therewith.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any notice, consent, certificate, affidavit, or other document or writing believed by them in good faith to be genuine and correct and to have been signed, sent or made by the proper person or persons, and upon the advice and statements of legal counsel (including, without, limitation, counsel to the Loan Parties), independent accountants and other experts selected by any Loan Party or any Credit Party. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the requisite percentage of the Lenders as it deems appropriate or they shall first be indemnified to its satisfaction by the other Credit Parties against any and all liability and expense which may be incurred by them by reason of the taking or failing to take any such action.

Section 8.05.*Notice of Default.* The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has actual knowledge of the same or has received written notice from a Lender or Loan Party referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent obtains such actual knowledge or receives such written notice, the Administrative Agent shall give prompt notice thereof to each of the Lenders. Upon and during the occurrence of an Event of Default, the Administrative Agent shall (subject to the provisions of Section 9.02) take such action with respect to such Event of Default as shall be reasonably directed by the Required Lenders. Unless and until the Administrative Agent shall have received such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Event of Default as it shall deem advisable in the best interest of the Credit Parties. In no event shall the Administrative Agent be required to comply with any such directions to the extent that the Administrative Agent believes that its compliance with such directions would be unlawful.

Section 8.06.*Credit Decisions.* Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on the financial statements prepared by the Loan Parties and such other documents and information as it has deemed appropriate, made its own credit analysis and investigation into the business, assets, operations, property, and financial and other condition of the Loan Parties and has made its own decision to enter into this Agreement and the other Loan Documents. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in determining whether or not conditions precedent to closing any Loan hereunder have been satisfied and in taking or not taking any action under this Agreement and the other Loan Documents.

Section 8.07.*Reserved.*

Section 8.08.*Rights of Agent.* It is understood and agreed that the Administrative Agent shall have the same rights and powers hereunder (including the right to give such instructions) as the other Lenders and may exercise such rights and powers, as well as its rights and powers under other agreements and instruments to which it is or may be party, and engage in other transactions with the Loan Parties, as though it was not the Administrative Agent. Administrative Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of

commercial or investment banking, trust, advisory or other business with the Loan Parties and their Affiliates as if it were not the Administrative Agent hereunder.

Section 8.09. *Notice of Transfer.* The Administrative Agent may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Acceptance shall have become effective as set forth in Section 9.04.

Section 8.10. *Successor Agent.* Administrative Agent may (and shall at the direction of Required Lenders) resign at any time by giving thirty (30) days' prior written notice thereof to the Lenders and the Borrower. Upon any such resignation of the Administrative Agent, the Required Lenders shall have the right to appoint a successor Administrative Agent, which, so long as there is no Event of Default continuing, shall be reasonably satisfactory to the Borrower (whose consent in any event shall not be unreasonably withheld or delayed). If no successor Administrative Agent shall have been so appointed by the Required Lenders and/or none shall have accepted such appointment within thirty (30) days' after the retiring Agent's giving of notice of resignation, the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, so long as there is no Event of Default continuing, shall be reasonably satisfactory to the Borrower (whose consent shall not in any event be unreasonably withheld or delayed). If no successor Administrative Agent has been appointed by the date that is thirty (30) days following a retiring Administrative Agent's notice of its resignation, then the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent until such time as a successor Administrative Agent has been appointed. Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent and the retiring Administrative Agent shall (to the extent not already discharged as provided above) be discharged from its duties and obligations under this Agreement.

After any retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article VIII and Section 9.03 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement.

Section 8.11. *Relation Among the Lenders.* The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or authorized to act for, any other Lender.

Section 8.12. *Reports and Financial Statements.* By signing this Agreement, each Lender:

- (1) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after they become available, copies of all financial statements required to be delivered by the Borrower hereunder (including those described in Sections 5.01(a) through (d) hereof) and all examinations and appraisals of the Collateral received by the Administrative Agent (collectively, the "**Reports**");
- (2) expressly agrees and acknowledges that the Administrative Agent (i) makes no representation or warranty as to the accuracy of the Reports, and (ii) shall not be liable for any information contained in any Report;
- (3) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;
- (4) agrees to keep all Reports and other Information confidential in accordance with Section 9.12; and
- (5) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Administrative Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any Borrowings that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the

indemnifying Lender's purchase of, a Loan or Loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Administrative Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 8.13. *Agency for Perfection.* Each Lender hereby appoints each other Lender as agent for the purpose of perfecting Liens for the benefit of the Administrative Agent and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other Applicable Law of the United States of America can be perfected only by possession or control. Should any Lender (other than Administrative Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor, shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

Section 8.14. *Collateral and Guaranty Matters.*

(a) The Lenders irrevocably authorize the Administrative Agent to and the Administrative Agent shall,

(i) release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations not then due and owing), (ii) that is sold or otherwise Disposed or to be sold or Disposed of (in each case, other than to the Borrower or any Loan Party) as part of or in connection with any sale or Disposition permitted under the Loan Documents or (iii) if approved, authorized or ratified in writing in accordance with Section 9.02;

(ii) release any Loan Party from its obligations under the Loan Documents if such Person (i) ceases to be a Subsidiary or (ii) becomes an Excluded Subsidiary, in each case, as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur with respect to an entity that becomes an Excluded Subsidiary if such Loan Party continues to be a guarantor in respect of any Replacement ABL Facility unless and until each guarantor is (or is being simultaneously) released from its guarantee with respect to such Replacement ABL Facility;

(iii) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e) or 6.02(g) or clause (g), (i), (j) or (k) of the definition of Permitted Encumbrances;

(iv) release any Lien on any property granted to or held by the Administrative Agent under any Loan Document on any assets that are excluded from the Collateral; and

(v) enter into or amend an intercreditor agreement with the collateral agent or other representatives of the holders of Indebtedness that is permitted to be secured by a Lien on the Collateral.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority, as applicable, to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Loan Documents pursuant to this Section 8.14. In each case as specified in this Section 8.14, the Administrative Agent will, at the Loan Parties' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Loan Party from its obligations under the Loan Documents, in each case in accordance with the terms of the Loan Documents and this Section 8.14.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Administrative Agent shall (without notice to, or vote or consent of, any Lender, or any affiliate of any Lender that is

a party to any Hedging Agreement) take such actions as shall be reasonably requested by the Borrower as necessary or desirable to release, or document the release, by the Administrative Agent, of the security interest in any Collateral being sold, disposed of or transferred in a transaction permitted by the Loan Documents, in each case to a person other than the Borrower and its Subsidiaries, and to release any guarantee obligations under any Loan Documents of any person being sold, disposed of or transferred to a person other than the Borrower or its Subsidiaries, or no longer required to provide a guaranty hereunder to the extent necessary to permit consummation of such sales or dispositions of assets in accordance with the Loan Documents.

Section 8.15. *Erroneous Payments.*

(a) Each Lender hereby agrees that (i) if the Administrative Agent notifies such Lender in writing that the Administrative Agent has determined in its sole but reasonable discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Lender (whether or not known to such Lender) (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, an “**Erroneous Payment**”) and demands the return of such Erroneous Payment (or a portion thereof), such Lender shall promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the third Business Day after the Administrative Agent demands the return of such Erroneous Payment (or a portion thereof) to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect and (ii) to the extent permitted by applicable law, such Lender shall not assert any right or claim to the Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payments received, including, without limitation, waiver of any defense based on “discharge for value” or any similar theory or doctrine. A notice of the Administrative Agent to any Lender under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender hereby further agrees that if it receives a payment from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent, (y) that was not preceded or accompanied by notice of payment, or (z) that such Lender otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each case, if an error has been made each such Lender is deemed to have knowledge of such error, and to the extent permitted by applicable law, such Lender shall not assert any right or claim to the Erroneous Payment, and hereby waives, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payments received, including without limitation waiver of any defense based on “discharge for value” or any similar theory or doctrine. Each Lender agrees that, in each such case, it shall promptly (and, in all events, within two (2) Business Days of its knowledge (or deemed knowledge) of such error) notify the Administrative Agent of such occurrence and, upon written demand from the Administrative Agent, it shall promptly, but in all events no later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the third Business Day after the Administrative Agent demands the return of such Erroneous Payment (or a portion thereof) to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Loan Party hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Erroneous Payment (or portion thereof) for any reason (and without limiting the Administrative Agent’s rights and remedies under this Section 8.15), the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(d) In addition to any rights and remedies of the Administrative Agent provided by law, Administrative Agent shall have the right, without prior notice to any Lender, such notice being expressly waived by such Lender to the extent permitted by applicable law, with respect to any Erroneous Payment for which a written demand has been made in accordance with this Section 8.15 and which has not been returned to the Administrative Agent within the time period required hereunder, to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final but excluding trust accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Administrative Agent or any of its Affiliate, branch or agency thereof to or for the credit or the account of such Lender. Administrative Agent agrees promptly to notify the Lender after any such setoff and application made by Administrative Agent; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

(e) Each party's obligations under this Section 8.15 shall survive the resignation or replacement of the Administrative Agent, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

- (iii) if to a Lender, to it at its mail or e-mail address (or telecopy number) set forth in its Administrative Questionnaire.

Any email notice to the Administrative Agent shall be in “pdf” format. Any party hereto may change its address, email address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an email address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return email or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient; and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) *The Platform*. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE”. THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “**Agent Parties**”) have any liability to any Loan Party, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Loan Parties’ or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross

negligence or willful misconduct of such Agent Party (or its Related Parties); *provided, however*, that in no event shall Agent Party have any liability to any Loan Party, any Lender or any other Person, nor shall any Loan Party have any liability to Agent Party, any Lender or any other Person, for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages); *provided further* that this clause (c) shall not limit the indemnity obligations of the Borrower or any Subsidiary to the extent otherwise set forth in Section 9.03.

Section 9.02. *Waivers; Amendments.*

(a) No failure or delay by the Administrative Agent, or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, Administrative Agent and the Required Lenders, or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent that is a party thereto and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders (other than an amendment or modification (x) to correct, amend, cure any ambiguity, inconsistency, defect or correct any typographical error or other manifest error in this Agreement or any other Loan Document, (y) to comply with Applicable Law or advice of local counsel in respect of a Security Document or (z) to cause a Security Document to be consistent with this Agreement and the other Loan Documents, which may be amended or modified by the agreement of the Borrower and the Administrative Agent); *provided* that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender,

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender whose principal amount of its Loan or rate of interest or fees payable would be reduced (it being understood and agreed that waivers of any Defaults, Events of Defaults or additional interest payable during the continuation of an Event of Default shall not be deemed to be a reduction in the rate of interest or any fees payable hereunder),

(iii) postpone the scheduled date of payment of the principal amount of any Loan under Section 2.05 or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender whose payment would be so postponed, reduced, waived or excused or each Lender with Commitments for which the scheduled date of expiration would be postponed, as applicable,

(iv) amend or modify Section 2.11(b), 2.11(c) or 7.03, without the written consent of each Lender,

(v) amend or modify any of the provisions of this Section 9.02 or reduce the percentage set forth in (x) the definition of "Required Lenders" or (y) any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vi) release all or substantially all of the Guarantors from their Guarantees under the Security Agreement, or limit the liability of all or substantially all of the Guarantors in respect of their Guarantees under the Security Agreement, in each case without the written consent of each Lender,

(vii) release all or substantially all of the Collateral from the Liens of the Security Documents (except with respect to sales or transfers of, and other transactions relating to, Collateral permitted pursuant to the Loan Documents as of the Closing Date), without the written consent of each Lender; or

(viii) subordinate the Liens on the Collateral securing the Obligations to any other Indebtedness (other than in connection with a Replacement ABL Facility approved by the Required Lenders) or (y) subordinate the Obligations in right of payment to any other Indebtedness, in each case, without the written consent of each Lender.

provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent without the prior written consent of the Administrative Agent, as the case may be. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.02 and any consent by any Lender pursuant to this Section 9.02 shall bind any successor or assignee of such Lender.

(c) If any Lender refuses to consent to any amendment or modification to or waiver of any Loan Document requested by the Borrower that requires the consent of all Lenders or all affected Lenders in accordance with this Section 9.02, and such amendment, modification or waiver is consented to by the Required Lenders (a “**Non-Consenting Lender**”), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts).

Section 9.03. *Expenses; Indemnity; Damage Waiver.*

(a) The Borrower agrees to pay (i) all reasonable and documented out-of-pocket expenses (including the reasonable fees and documented expenses of other advisors and professionals engaged by the Administrative Agent or the Initial Lenders in consultation with the Borrower) incurred by the Administrative Agent or the Initial Lenders and their respective Affiliates, and in the case of legal fees and expenses, limited to the reasonable fees, charges and disbursements of one primary counsel designated by the Administrative Agent (and appropriate local and/or special counsel for each relevant jurisdiction and/or specialized area of law, but limited to one local and/or special counsel in each such jurisdiction or specialized area of law) for the Administrative Agent and the one primary counsel for the Initial Lenders (and appropriate local and/or special counsel for each relevant jurisdiction and/or specialized area of law, but limited to one local and/or special counsel in each such jurisdiction or specialized area of law (absent any actual or perceived conflict of interest in which case the Administrative Agent and Lenders who are similarly situated may engage and be reimbursed for one additional primary counsel and one additional local and/or special counsel in each relevant jurisdiction or specialized area of law for group members who are similarly situated)), in connection with the syndication and distribution (including, without limitation, via the internet or through an electronic system) of the credit facilities provided for herein, the preparation, execution, delivery and administration of the Loan Documents, the Refinancing Transactions, the amendments to the Existing Term Loan Facility, or related to any transactions and financings of the Borrower contemplated or otherwise permitted by this Agreement (including without limitation, any intercreditor matters, side letters and governance rights), and any amendments, supplements, modifications or waivers of the provisions thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all documented out-of-pocket expenses incurred by Administrative Agent or any Lender and their respective Affiliates, including the fees, charges and disbursements of any counsel or other professional consultants for the Administrative Agent or any Lender, in connection with the enforcement, collection or protection of their rights in connection with the Loan Documents, including their rights under this Section 9.03, or in connection with the Loans made hereunder, including all such out-of-pocket expenses (including the fees, charges and disbursements of any counsel or other professional consultants for Administrative Agent or any Lender) incurred

during any workout, restructuring or negotiations in respect of such Loans; *provided* that the Borrower shall not be required to reimburse any fees or expenses, including legal fees, incurred by the Administrative Agent or the Lenders in connection with the joinder of any Foreign Subsidiary organized outside of Canada or the United Kingdom as a Loan Party in accordance with Section 5.17 or any action taken in connection therewith.

(b) The Borrower agrees to indemnify the Administrative Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless (on an aftertax basis) from, any and all losses, claims, causes of action, damages, liabilities, settlement payments, costs and related expenses, including the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of:

(i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Refinancing Transactions or any other transactions contemplated hereby or thereby,

(ii) any Loan or the use of the proceeds therefrom,

(iii) any actual or alleged presence or release of or exposure to Hazardous Materials on or from any property currently or formerly owned, leased or operated by the Borrower or any Subsidiary (including any predecessor for whom the Borrower or any such Subsidiary bears liability contractually or by operation of law), or any Environmental Liability, or

(iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto;

provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (A) are determined by a court of competent jurisdiction by final non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee (or its affiliates, officers, directors, employees, advisors and agents), (B) relate to Hazardous Materials that are first placed at any property owned by the Borrower or any Subsidiary after such property is transferred to any Indemnitee or its successors and assigns by foreclosure, deed in lieu of foreclosure or similar transfer or (C) arise from a dispute solely among Indemnitees not involving any act or omission on the part of the Borrower or its Subsidiaries or Affiliates, other than any losses, claims, damages, liabilities or costs incurred by or asserted against the Administrative Agent acting in its capacity as such under this Agreement or any Loan Document; *provided further* that the Indemnitees shall be entitled to reimbursement for no more than one counsel representing the Administrative Agent and its respective Related Parties and one counsel representing the Lenders and their respective Related Parties (and, in each case, appropriate local counsel and special counsel in each applicable local jurisdictions and/or for each specialized area of law, but limited to one local counsel in each such jurisdiction and one special counsel in each such area of law and solely in the case of a conflict of interest, one additional primary counsel and one additional counsel in each relevant jurisdiction and/or specialized area of law to the affected Indemnitees who are similarly situated).

(c) Each Lender shall indemnify and hold harmless the Administrative Agent and its Related Parties (to the extent not infeasibly and timely indemnified by or on behalf of the Borrower and without limiting the obligation of the Borrower to do so), based on and to the extent of such Lender’s pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), from and against any and all losses, claims, damages, liabilities and related expenses (including reasonable and documented or invoiced out-of-pocket fees and expenses of counsel for the Administrative Agent and its Related Parties, taken as a whole (and appropriate local and/or special counsel for each relevant jurisdiction and/or specialized area of law, but limited to one local and/or special counsel in each such jurisdiction or specialized area of law), of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against Administrative Agent or any of its Related Parties in any way relating to or arising out of or in connection with this Agreement or any other Loan Document or any action taken or omitted to be taken by the Administrative Agent or any of its Related Parties. Without limiting the foregoing, each Lender shall promptly following written demand therefor, pay or reimburse the Administrative Agent based on and to

For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the outstanding Loans and unused Commitments at such time (or if such indemnity payment is sought after the date on which the Loans have been paid in full and the Commitments are terminated in accordance with such Lender's pro rata share immediately prior to the date on which the Loans are paid in full and the Commitments are terminated).

(d) To the extent permitted by Applicable Law, no party to this Agreement shall assert, and each party to this Agreement hereby waives, any claim against any other party to this Agreement, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Refinancing Transactions, any Loan or the use of the proceeds thereof; *provided* that this clause (d) shall not limit the indemnity obligations of the Borrower or any Subsidiary to the extent otherwise set forth in Section 9.03(a) through (c).

(b) *Assignments by Lenders.* Subject to clause (vii) of this Section 9.04(b), any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) *Minimum Amounts:*

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 9.04, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent, shall not be less than \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) *Proportionate Amounts*. Each partial assignment by a Lender shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to such Lender's Loan;

(iii) *Required Consents*. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section 9.04 and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (i) a Specified Event of Default has occurred and is continuing at the time of such assignment or (ii) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund of such Lender; *provided* that the Borrower shall be deemed to have consented to any such assignment (other than to a Disqualified Institution) if it shall not have responded to a consent request with respect thereto within ten (10) Business Days of written receipt thereof; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments except if such assignment is to a Person that is a Lender, an Affiliate of such Lender or an Approved Fund of such Lender.

(iv) *Assignment and Acceptance*. The parties to each assignment (other than assignments by a Lender to its Affiliate or an Approved Fund of such Lender or pursuant to Section 2.12 or 9.04(f)) shall execute and deliver to the Administrative Agent an *Assignment and Acceptance*, together with a processing and recordation fee of \$3,500, *provided, however*, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent (i) an Administrative Questionnaire and (ii) all documentation and other information reasonably determined by the Administrative Agent to be required by applicable regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

(v) *Assignments to Borrower*. Notwithstanding anything to the contrary contained in this Section 9.04 or any other provision of this Agreement, so long as no Default or Event of Default has occurred and is continuing or would result therefrom, each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Loans, owing to it to Borrower or any of its Subsidiaries on a non-*pro rata* basis, subject to the following limitations:

(A) To effectuate such repurchase the Borrower or such Subsidiary of the Borrower must effectuate such repurchase (for all or any portion of the Loans) pursuant to one or more modified Dutch auctions (each, an "**Auction**"), *provided* that, (x) notice of the Auction shall be made to Administrative Agent (for distribution to the Lenders) and (y) the Auction shall be conducted pursuant to reasonable and customary procedures as the Auction Manager may establish which are consistent with this Section 9.04(b)(v) and the Auction procedures set forth on Exhibit L and are otherwise reasonably acceptable to Borrower, the Auction Manager, and Administrative Agent;

(B) With respect to all repurchases made by Borrower or such Subsidiary of the Borrower pursuant to this Section 9.04(b)(v), (x) Borrower shall deliver to the Auction Manager a certificate of a Responsible Officer stating that (1) no Default or Event of Default has occurred and is continuing or would result from such repurchase and (2) as of the launch date of the related Auction and the effective date of any Affiliate Assignment Agreement, the Borrower is not in possession of any material non-public information regarding Borrower or its Subsidiaries, or their assets, that has not previously been disclosed to the Auction Manager, Administrative Agent and any Lenders (taken into account all public information available about Borrower and its Subsidiaries) and (y) the assigning Lender, Borrower and any Subsidiary of the Borrower making such repurchase shall execute and deliver to the Auction Manager an Affiliate Assignment Agreement; and

(C) Following repurchase pursuant to this Section 9.04(b)(v), the Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by Borrower (or its Subsidiaries, as applicable)), for all purposes of this Agreement and all other Loan Documents, including, but not limited to (x) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (y) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (z) the determination of Required Lenders, or for any similar or related purpose, including calculation of Excess Cash Flow, under this Agreement or any other Loan Document. In connection with any Loans repurchased and cancelled pursuant to this Section 9.04(b)(v), Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation.

(vi) *Assignment with regards to Defaulting Lenders.* In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(vii) *Control by KLIM.* Unless a Specified Event of Default has occurred and is continuing, KLIM or funds controlled by KLIM shall retain beneficial ownership of and full voting rights with respect to at least a majority of the outstanding principal amount of all Loans and Commitments in respect thereof at all times.

Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the "know your customer" documentation requested by the Administrative Agent (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 9.04(b) and any written consent to such assignment required by Section 9.04(b), the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Assignment unless it has been recorded in the Register as provided in this paragraph.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section 9.04, from and after the date of such recordation in the Register, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest

assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.11, 2.12, 2.13 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Promptly following request, the Borrower (at its expense) shall execute and deliver a promissory note to the assignee Lender (provided that such assignee Lender shall use its commercially reasonable efforts to cause the assignor Lender to deliver to the Borrower any promissory notes delivered to it by the Borrower hereunder). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(d).

(c) *Register*. The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Loan Parties, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Loan Party and any Lender at any reasonable time and from time to time upon reasonable prior written notice.

(d) *Participations*. Any Lender may at any time, without the consent of, or notice to, the Loan Parties or the Administrative Agent, sell participations to any Person (other than a natural person, the Loan Parties or any of the Loan Parties' Affiliates or Subsidiaries or to any Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (x) such Lender's obligations under this Agreement shall remain unchanged, (y) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (z) the Loan Parties, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, supplement, modification or waiver of any provision of the Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, supplement, modification or waiver described in the first proviso to Section 9.02(b) that requires the consent of each Lender or each affected Lender. Subject to Section 9.04(e), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.09, and 2.10 (subject to the requirements and limitations of such Sections, including the requirements under Section 2.13(f) (it being understood that the documentation required under Section 2.10(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.11(c) as though it were a Lender.

(e) *Limitations upon Participant Rights*. A Participant shall not be entitled to receive any greater payment under Section 2.09 or 2.10 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent, which shall not be unreasonably withheld or delayed, and except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Non-U.S. Lender if it were a Lender shall not be entitled to the benefits of Section 2.10 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.10(f) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register in the United States on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form

under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) *Certain Pledges.* Any Lender may at any time grant, pledge, hypothecate or assign a security interest in all or any portion of its rights under this Agreement (including under its promissory note, if any) to secure obligations of such Lender, including any grant, pledge, hypothecation or assignment to secure obligations to a Federal Reserve Bank or other central bank, and none of the restrictions or conditions set forth in this Section 9.04 related to any grant, pledge, hypothecation or assignment shall apply to any such grant, pledge, hypothecation or assignment of a security interest; *provided* that no such grant, pledge, hypothecation or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such grantee, pledgee, hypothecatee or assignee for such Lender as a party hereto.

(g) *Electronic Execution of Assignments.* The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) The Administrative Agent may conclusively rely on the list of Disqualified Institutions provided by the Borrower (or any supplement thereto) for all purposes of this Agreement and the other Loan Documents, executing and delivering any Assignment and Acceptance, making any recording in the Register in respect of such Assignment and Acceptance or otherwise, and shall have no liability of any kind to any Loan Party or any Affiliate thereof, any Lender or any other Person if such list of Disqualified Institutions (or any supplement thereto) is incorrect or if any Person is incorrectly identified in such list of Disqualified Institutions (or any supplement thereto) as a Person to whom no assignment is to be made. Notwithstanding anything to the contrary contained in this Agreement, (a) the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to a Disqualified Institution and (b) the Borrower and the Lenders acknowledge and agree that the Administrative Agent shall have no responsibility or obligation to determine whether any Lender or potential Lender is a Disqualified Institution and that the Administrative Agent shall have no liability with respect to any assignment or participation made to a Disqualified Institution.

(i) Notwithstanding any provision to the contrary, any Lender may assign to one or more special purpose funding vehicles that are not Disqualified Institutions (each, an “SPV”) all or any portion of its funded Loans (without the corresponding Commitment), without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such Lender and such SPV, and may grant any such SPV the option, in such SPV’s sole discretion, to provide the Borrower all or any part of any Loans that such Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement (subject to the requirements and limitations to which the Lender would subject under this Agreement) but no obligations; *provided* that the Lender shall make all determinations on behalf of the SPV with respect to any matters requiring the consent or approval of the SPV hereunder and the Agent and the Borrower shall be entitled to rely on such determination by the Lender, without further inquiry and notwithstanding any communication to the contrary by the SPV; *provided further* an SPV shall not be entitled to receive any greater payment under Section 2.09 or 2.10 than the applicable granting Lender would have been entitled to receive absent such grant, without the consent of the Borrower (such consent not to be unreasonably withheld or delayed). The Lender making such assignment shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Agent and Borrower may deliver notices to the Lender making such assignment (as agent for the SPV) and not separately to the SPV.

Section 9.05.*Survival.* All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to

this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid (other than any contingent indemnification obligations not then due and payable) and so long as the Commitments have not expired or terminated. The provisions of Sections 2.11, 2.12, 2.13 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

Section 9.06. *Counterparts; Integration; Effectiveness.* This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07. *Severability.* Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.08. *Right of Setoff.* If one or more Events of Default shall have occurred and be continuing, each Lender shall have the right, in addition to and not in limitation of any right which any such Lender may have under Applicable Law or otherwise, to set off and apply any and all deposits (general or special, time or demand, provisional or final), at any time held and other obligations at any time owing by such Lender or its Affiliates to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement and the other Loan Documents held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmatured. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. No Credit Party will, or will permit its Participant to, exercise its rights under this Section 9.08 without the consent of the Administrative Agent or the Required Lenders. ANY AND ALL RIGHTS TO REQUIRE THE ADMINISTRATIVE AGENT TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES ANY OF THE OBLIGATIONS PRIOR TO THE EXERCISE OF THE SETOFF RIGHTS UNDER THIS SECTION ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

Section 9.09. *GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS.*

(a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK (EXCEPT FOR THE CONFLICT OF LAWS RULES THEREOF, BUT INCLUDING GENERAL OBLIGATIONS LAW SECTIONS 5-1401 AND 5-1402).

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property to the exclusive jurisdiction of the Supreme Court of the State of New York and of the United States District Court of the Southern District of New York, in each case sitting in New York County, and any appellate court from any thereof (and, to the extent necessary to enforce the Administrative Agent's or the Lenders' rights under the Loan Documents, courts where Collateral may be located or deemed to be located and any appellate court thereof), in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment relating

to any Loan Document, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.10. *WAIVER OF JURY TRIAL*. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE REFINANCING TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11. *Headings*. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12. *Confidentiality*. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below) except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors, and funding sources on a "need to know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and shall agree to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by Applicable Law or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to a written agreement containing provisions substantially the same as those of this Section 9.12, to any assignee of or Participant in, or any prospective assignee of or Participant in (other than, in each case, any Disqualified Institution), any of its rights or obligations under this Agreement, (g) with the prior written consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 9.12 or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower. For the avoidance of doubt, the obligations of any Lender under this Section 9.12 shall not be abrogated by such Lender's assignment of all of its Loans under this Agreement. For the purposes of this Section 9.12, "**Information**" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 9.13. *Interest Rate Limitation.* Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under Applicable Law (collectively, the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with Applicable Law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.14. *Patriot Act.* Each Lender and the Administrative Agent hereby notifies the Borrower and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the other Loan Parties, which information includes the name and address of the Borrower and the other Loan Parties and other information that will allow such Lender to identify the Borrower and the other Loan Parties in accordance with the USA PATRIOT Act.

Section 9.15. *Additional Waivers.*

(a) The Obligations are the joint and several obligations of each Loan Party. To the fullest extent permitted by Applicable Law, the obligations of each Loan Party hereunder shall not be affected by (i) the failure of the Administrative Agent or any Lender to assert any claim or demand or to enforce or exercise any right or remedy against any other Loan Party under the provisions of this Agreement, any other Loan Document or otherwise, (ii) any rescission, waiver, amendment or modification of, or any release of any Loan Party from, any of the terms or provisions of, this Agreement or any other Loan Document, (other than as expressly contemplated by such waiver, amendment or modification), (iii) the failure to perfect any security interest in, or the release of, any of the Collateral or other security held by or on behalf of the Administrative Agent or any Lender or (iv) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any other Loan Party or its assets or any resulting release or discharge of any obligation of any other Loan Party under any Loan Documents.

(b) The obligations of each Loan Party to pay the Obligations in full hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of all Obligations and termination of the Commitments), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Loan Party hereunder shall not be discharged or impaired or otherwise affected by the failure of Administrative Agent or any Lender to assert any claim or demand or to enforce any remedy under this Agreement, any other Loan Document or any other agreement, by any waiver or modification of any provision of any thereof (other than to the extent such waiver or modification so expressly waives or modifies such obligations or remedies), any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the payment in full in cash of all Obligations (other than contingent indemnification obligations not then due and payable) and termination of the Commitments).

(c) To the fullest extent permitted by Applicable Law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash of all the Obligations (other than contingent indemnification obligations not then due and payable) and termination of the Commitments. The Administrative Agent and the Lenders may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that all the Obligations have been paid in full in cash (other than contingent indemnification obligations not then due and payable) and the Commitments terminated. Pursuant to Applicable Law, each Loan Party waives any defense arising out of any such

election even though such election operates, pursuant to Applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

(d) Each Loan Party (except for the Borrower) is a direct or indirect subsidiary of the Borrower, and each Loan Party acknowledges that (x) together with the other Loan Parties, it makes up a related organization of various entities constituting a single economic and business enterprise such that the Loan Parties share a common identity of interests and any benefit received by any one Loan Party benefits the other Loan Parties, and

(e) it will derive substantial benefit from the making of the Loans by the Lenders. Each Loan Party hereby agrees to keep each other Loan Party fully apprised at all times as to the status of its business, affairs, finances, and financial condition, and its ability to perform its Obligations under the Loan Documents and in particular as to any adverse developments with respect thereto. Each Loan Party hereby agrees to undertake to keep itself apprised at all times as to the status of the business, affairs, finances, and financial condition of each other Loan Party, and of the ability of each other Loan Party to perform its Obligations under the Loan Documents, and in particular as to any adverse developments with respect to any thereof. Each Loan Party hereby agrees, in light of the foregoing mutual covenants to inform each other, and to keep themselves and each other informed as to such matters, that the none of the Administrative Agent or any Lender shall have any duty to inform any Loan Party of any information pertaining to the business, affairs, finances, or financial condition of any other Loan Party, or pertaining to the ability of any other Loan Party to perform its Obligations under the Loan Documents, even if such information is adverse, and even if such information might influence the decision of one or more of the Loan Parties to continue to be jointly and severally liable for, or to provide Collateral for, Obligations of one or more of the other Loan Parties. To the fullest extent permitted by Applicable Law, each Loan Party hereby expressly waives any duty of the Administrative Agent or any Lender to inform any Loan Party of any such information.

2. Amendments to LC Credit Agreement. On and as of the date hereof, subject to the terms and conditions set forth herein:

The Existing LC Credit Agreement (but, for the avoidance of doubt, not the Schedules or Exhibits attached thereto) is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the underlined text (indicated textually in the same manner as the following example: double underlined text) as set forth in the pages of the LC Credit Agreement attached as Exhibit A hereto.

3. Representations and Warranties. Each Loan Party represents and warrants with and to Agent,

Issuing Bank and Lender as follows, which representations and warranties shall survive the execution and delivery hereof:

3.2 This Amendment No. 4 has been duly authorized, executed and delivered by all necessary corporate or limited liability company action, as applicable, on the part of each Loan Party and, upon the notification by Agent to Borrower and Lender of the Amendment No. 4 Effective Date, is in full force and effect as of the date hereof, as the case may be, and the agreements and obligations of each Loan Party, as the case may be, contained herein constitute legal, valid and binding obligations of each Loan Party, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

4. Conditions Precedent to Effectiveness of Amendment No. 4. This Amendment No. 4 shall be effective upon the date on which each of the following conditions is satisfied (or waived by Agent in writing) in the reasonable determination of Agent (such date, the "Amendment No. 4 Effective Date"):

4.1 Agent shall have received executed counterparts of this Amendment No. 4 from each Loan Party and the Lender; and

SECTION 1.02. Computation of Time Periods. In this Agreement in the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including” and the words “to” and “until” each mean “to but excluding”.

SECTION 1.03. Accounting Terms. All accounting terms not specifically defined herein shall be construed in accordance with generally accepted accounting principles in the United States of America (“GAAP”). If at any time any change in GAAP or the application thereof would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Company or the Required Lenders shall so request, the Agent, the Lenders and the Company shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP or the application thereof (subject to the approval of the Required Lenders); provided, that, until so amended, (a) such ratio or requirement shall continue to be computed in accordance with GAAP or the application thereof prior to such change therein and (b) the Borrower shall provide to the Agent financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP or the application thereof. SECTION 1.04. Reserved.

SECTION 1.05. Letter of Credit Amount. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Available Amount of such Letter of Credit in effect at such time; provided, that, with respect to any Letter of Credit that, by its terms or the terms of any LC Related Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.06. Currency Equivalents Generally. Any amount specified in this Agreement (other than in Article II) or in any other Loan Document to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars to the extent necessary to give effect to the intent of this Agreement, such equivalent amount thereof in the applicable currency to be determined by the Agent at such time on the basis of the exchange rate for the purchase of such currency with Dollars as quoted by the Agent.

SECTION 1.07. Pro Forma Calculations. Notwithstanding anything to the contrary herein, to the extent that compliance with any test or covenant hereunder may be determined on a Pro Forma Basis, the determination or calculation of such test (and the related defined terms used therein) shall be calculated as follows:

(a) Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable Measurement Period and (ii) subsequent to such Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions had occurred on the first day of the applicable Measurement Period. If since the beginning of any applicable Measurement Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Measurement Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then the applicable test or covenant shall be calculated to give pro forma effect thereto in accordance with this Section 1.07.

(b) Whenever pro forma effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Financial Officer of the Borrower and include, for the avoidance of doubt, the amount of cost savings, operating expense reductions, other operating improvements and synergies actually realized as of the date of such pro forma calculation (calculated on a pro forma basis as though such cost savings, operating expense reductions, other operating improvements and synergies had been realized on the first day of such period as if such cost savings, operating expense reductions, other operating improvements and synergies were realized during the entirety of such period) relating to such Specified Transaction, net of the amount of actual benefits realized during such period from such actions.

(c) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Measurement Period and (ii) subsequent to the end of the applicable Measurement Period and prior to or simultaneously with the event for which the calculation of any such test or covenant (and the related defined terms used therein) is made, then such test or covenant (and the related defined terms used therein), shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the first day of the applicable Measurement Period.

SECTION 1.08. Divisions. Any reference herein to a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company or other type of entity under Delaware law, or an allocation of assets to a series of a limited liability company or other type of entity under Delaware law (or the unwinding of such a division or allocation) as if it were a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company or other type of entity under Delaware law shall constitute a separate Person hereunder.

ARTICLE II

Issuing Bank agrees, on the terms and conditions hereinafter set forth, and in reliance upon the agreements of the other Lenders set forth in this Agreement, to issue or continue standby Letters of Credit for the account of the Company and its Subsidiaries from time to time on any Business Day during the period from the Closing Date until thirty (30) days before the Termination Date in an aggregate Available Amount not to exceed (i) for all Letters of Credit at any time the lesser of (A) the Letter of Credit Facility or (B) the Letter of Credit Availability at such time, (ii) for all Letters of Credit issued by Issuing Bank at any time such Issuing Bank's Letter of Credit Commitment at such time, and (iii) for each such Letter of Credit an amount equal to the Unused Commitments of the Lenders at such time. No Letter of Credit shall have an expiration date (including all rights of the Company or the beneficiary to require renewal) later than five (5) Business Days before the Termination Date. Within the limits referred to above, the Company may from time to time request the Issuance of Letters of Credit under this Section 2.01. Notwithstanding anything to the contrary contained herein, only standby Letters of Credit shall be issued hereunder, unless otherwise expressly hereafter agreed by Issuing Bank. On and after the Restatement Date, each Existing Letter of Credit shall be deemed to be a Letter of Credit issued hereunder for all purposes of this Agreement and the other Loan Documents and for all purposes hereof will be deemed to have been issued on the Restatement Date.

SECTION 2.02. Issuance of Letters of Credit.

(a) Each Letter of Credit shall be issued upon notice, given not later than 11:00 a.m. (New York City time) on the fifth Business Day prior to the date of the proposed Issuance of such Letter of Credit (or on such shorter notice as Issuing Bank may agree), by the Company to Issuing Bank, and such Issuing Bank shall give the Agent, prompt notice thereof. Each such notice by the Company of Issuance of a Letter of Credit (a "Notice of Issuance") shall be by telephone, confirmed promptly in writing, or by telecopier (or any other electronic means agreed to by the Agent), specifying therein (A) the requested date of such Issuance (which shall be a Business Day), (B) the Available Amount of such Letter of Credit, (C) expiration date of such Letter of Credit (which shall not be later than five (5) Business Days before the Termination Date), (D) the name and address of the beneficiary of such Letter of Credit, (E) the form of such Letter of Credit, and that such Letter of Credit shall be issued pursuant to

such application and agreement for letter of credit as such Issuing Bank and the Company shall agree for use in connection with such requested Letter of Credit (a "Letter of Credit Agreement") and (F) such other matters as Issuing Bank may require. In the case of a request for an amendment of any outstanding Letter of Credit, such Notice of Issuance shall specify in form and detail reasonably satisfactory to Issuing Bank, (A) the Letter of Credit to be amended, (B) the proposed date of amendment thereof (which shall be a Business Day), (C) the nature of the proposed amendment and (D) such other matters as Issuing Bank may require. Additionally, the Company shall furnish to the Issuing Bank and the Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, as Issuing Bank or the Agent may require. If the requested form of such Letter of Credit is acceptable to Issuing Bank in its reasonable discretion (it being understood that any such form shall have only explicit documentary conditions to draw and shall not include discretionary conditions), Issuing Bank will, upon fulfillment of the applicable conditions set forth in Section 3.02, make such Letter of Credit available to the Company at its office referred to in Section 9.02 or as otherwise agreed with the Company in connection with such Issuance. In the event and to the extent that the provisions of any Letter of Credit Agreement shall conflict with this Agreement, the provisions of this Agreement shall govern.

(b) Issuing Bank shall not be under any obligation to issue any Letter of Credit if: (i) any order, judgment or decree of any Governmental Authority shall by its terms purport to enjoin or restrain Issuing Bank from issuing the Letter of Credit, or any law applicable to Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over Issuing Bank shall prohibit, or request that Issuing Bank refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which Issuing Bank in good faith deems material to it; (B) except as otherwise agreed by the Agent and Issuing Bank, the Letter of Credit is in an initial stated amount less than \$100,000, in the case of a commercial Letter of Credit, or \$100,000, in the case of a standby Letter of Credit; (iii) the Letter of Credit is to be denominated in a currency other than Dollars; (iv) any Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Company or such Lender to eliminate such Issuing Bank's actual or potential fronting exposure (after giving effect to Section 2.19(f)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other Letter of Credit Obligations as to which Issuing Bank has actual or potential fronting exposure, as it may elect in its sole discretion; (v) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or (vi) if after giving effect to the issuance of such Letter of Credit, the Available Amount of all then outstanding Letters of Credit would exceed the lesser of the Letter of Credit Availability or the Letter of Credit Facility.

(c) Issuing Bank shall not amend or continue any Letter of Credit if Issuing Bank would not be permitted at such time to issue the Letter of Credit in its amended or continued form under the terms hereof.

(d) Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and Issuing Bank shall have all of the benefits and immunities (i) provided to the Agent in Article VIII with respect to any acts taken or omissions suffered by Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in Article VIII included Issuing Bank with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such Issuing Bank.

(e) If the Borrower so requests in an applicable Notice of Issuance, the Issuing Bank may, in its discretion, agree to issue a Letter of Credit that has automatic extension provisions (each an “Auto-Extension Letter of Credit”); provided, that, any such Auto-Extension Letter of Credit must permit the Issuing Bank to prevent any such extension at least once in each twelve month period commencing with the date of issuance of such Letter of Credit by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Issuing Bank, the Borrower shall not be required to make a specific request to the Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the Issuing Bank to permit the extension of such Letter of Credit at any time to a date not later than the expiration date of such Letter of Credit; provided, however, that the Issuing Bank shall not permit any such extension if (i) the Issuing Bank has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof or (ii) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date (A) from the Agent that the Required Lenders have elected not to permit such extension or (B) from the Agent, any Lender or any Loan Party that one or more of the applicable conditions specified in Section 3.02 is not then satisfied, and in each case directing the Issuing Bank not to permit such extension.

(f) Issuing Bank shall not have any obligation to issue any Letter of Credit hereunder if the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last extension thereof (without giving effect to any auto-extension features).

(g) Issuing Bank shall not have any obligation to issue any Letter of Credit hereunder if the expiry date of such requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension thereof (without giving effect to any auto-extension features).

(h) Letter of Credit Reports. Upon Agent’s request, Issuing Bank shall furnish (A) to the Agent (with a copy to the Company) on the first Business Day of each month a written report summarizing Issuance and expiration dates of Letters of Credit issued by such Issuing Bank during the preceding month and drawings during such month under all Letters of Credit and (B) to the Agent (with a copy to the Company) on the first Business Day of each calendar quarter a written report setting forth the average daily aggregate Available Amount during the preceding calendar quarter of all Letters of Credit issued by Issuing Bank.

(i) Applicability of ISP and UCP. Unless otherwise expressly agreed by Issuing Bank and the Company when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(j) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Company shall be obligated to reimburse Issuing Bank hereunder for any and all drawings under such Letter of Credit and all other Letter of Credit Obligations related thereto. The Company hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Company, and that the Company’s business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.03 Reimbursement; Additional LC Facility Cash Collateral; Release of LC Facility Cash Collateral.

(a) If Issuing Bank makes a payment under a Letter of Credit, the Borrower shall pay to the Issuing Bank the amount paid by Issuing Bank on or before the Business Day after the Business Day on which such Letter of Credit Disbursement is made, together with any taxes, reasonable fees, charges or other reasonable costs or expenses incurred by the Issuing Bank in connection with such payment. In the event that Issuing Bank does not receive such payment, Issuing Bank shall apply (and, without prejudice to its obligations hereunder, the Borrower hereby authorizes and directs the Issuing Bank to apply) funds in the LC Cash Collateral Account to reimburse the Issuing Bank for all of the amounts paid by Issuing Bank in respect of a Letter of Credit. Upon the drawing of any Letter of Credit, to the extent funds are on deposit in the LC Cash Collateral Account, such funds shall be applied to reimburse the Issuing Bank to the extent permitted by applicable law. If no such funds are available from the LC Cash Collateral Account, including by operation of any stay or other injunction prohibiting or limiting the Issuing Bank from applying such funds, interest shall be payable on any and all amounts remaining unpaid by the Borrower under this Section from the date such amounts become payable until payment in full at the applicable interest rate as provided in Section 2.08. If no such funds are available from the LC Cash Collateral Account, each such payment shall be made to the Issuing Bank at its address for notices specified herein in Dollars and in immediately available funds.

(b) If at any time the Issuing Bank determines that any funds held in the LC Cash Collateral Account are subject to any Lien, right or claim of any Person other than the Issuing Bank, Agent and the Lenders, and other than any subordinate Lien that is subject to an intercreditor agreement between Agent and the holder of such Lien on terms and conditions satisfactory to Agent, or any claim that is junior in priority subject to an intercreditor agreement between Agent and the holder of such claim on terms and conditions satisfactory to Agent, or that the total amount of such funds is less than the amount equal to one hundred four percent (104%) of the aggregate amount of the Letter of Credit Obligations, then the Borrower will, within one (1) Business Day of demand by the Agent, pay to the Agent, as additional funds to be deposited and held in the LC Cash Collateral Account, such amount that is required so that the amount of the LC Cash Collateral that the Agent determines to be free and clear of any such Lien, right or claim is equal to one hundred four percent (104%) of the aggregate amount of the Letter of Credit Obligations.

(c) The Company may request from time to time that Agent release amounts available in the LC Cash Collateral Account; provided, that, (i) Agent shall have received a release notice in the form annexed hereto as Exhibit F signed by a Responsible Officer of the Company, (ii) on the date of, and after giving effect to, any such release of such amounts, which shall not be sooner than three (3) Business Days after receipt by Agent of such release notice, (A) no Default or Event of Default shall exist or have occurred and be continuing, and (B) the aggregate amounts in the LC Cash Collateral Account shall be not less than one hundred four percent (104%) of the aggregate amount of the then outstanding Letter of Credit Obligations.

SECTION 2.04. Participations. By the Issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing or decreasing the amount thereof) and without any further action on the part of Issuing Bank or the Lenders, Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Ratable Share of the Available Amount of such Letter of Credit. The Company hereby agrees to each such participation. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Agent, for the account of Issuing Bank, such Lender's Ratable Share of each drawing made under a Letter of Credit funded by Issuing Bank and not reimbursed by the Company on the date funded, or of any reimbursement payment required to be refunded to the Company for any reason, which amount will be advanced, regardless of the satisfaction of the conditions set forth in Section 3.02. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance

whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Promptly after receipt thereof, the Agent shall transfer such funds to such Issuing Bank. Each Lender agrees to fund its Ratable Share of an outstanding Letter of Credit Obligations on (i) the Business Day on which demand therefor is made by such Issuing Bank, provided, that, notice of such demand is given not later than 11:00 a.m. (New York City time) on such Business Day, or (ii) the first Business Day next succeeding such demand if notice of such demand is given after such time. If and to the extent that any Lender shall not have so made the amount of such Letter of Credit Obligations available to the Agent, such Lender agrees to pay to the Agent forthwith on demand such amount together with interest thereon, for each day from the date of demand by any such Issuing Bank until the date such amount is paid to the Agent, at the Federal Funds Rate for its account or the account of such Issuing Bank, as applicable. Each Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Lender's Ratable Share of the Available Amount of such Letter of Credit at each time such Lender's Commitment is amended pursuant to an assignment in accordance with Section 9.08 or otherwise pursuant to this Agreement.

SECTION 2.05 Fees.

(a) Commitment Fee. The Borrower agrees to pay to the Agent for the account of each applicable Lender a commitment fee on the aggregate amount of such Lender's Unused Commitment) from the Restatement Date until the Termination Date calculated by multiplying such Lender's Unused Commitment by the Applicable Percentage in effect from time to time, payable in arrears monthly on the first day of each calendar month and on the Termination Date; provided, however, that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(b) Letter of Credit Fees.

(i) The Borrower shall pay to the Agent for the account of each applicable Lender (other than a Defaulting Lender) a commission on such Lender's Ratable Share of the average daily aggregate Available Amount of all Letters of Credit issued and outstanding from time to time at a rate per annum equal to the Letter of Credit Fee Rate in effect from time to time during such calendar quarter, payable in arrears monthly on the first day of each calendar month, and on the Termination Date; provided, that, the Letter of Credit Fee Rate shall be deemed to be 200 basis points above the Letter of Credit Fee Rate in effect if the Borrower is required to pay default interest pursuant to Section 2.08(b).

(ii) The Borrower shall pay to Issuing Bank, for its own account, a fronting fee of 0.25% of the face amount of all Letters of Credit issued by Issuing Bank and outstanding from time to time, payable in arrears monthly on the first day of each calendar month and on the Termination Date and such other customary commissions, issuance fees, transfer fees and other customary fees and charges in connection with the Issuance or administration of each Letter of Credit as the Borrower and Issuing Bank shall agree.

(c) Additional Fees. Borrower shall pay to Agent, for the account of the Lenders which execute this Agreement, the fees provided for in the Fee Letter, dated of even date herewith, between Agent and Borrower, which fees shall be fully earned and payable on the Restatement Date and shall be nonrefundable in all circumstances.

SECTION 2.06 Termination or Reduction of the Commitments.

(a) Optional. The Borrower shall have the right at any time and without penalty, upon at least three (3) Business Days' notice to the Agent, to terminate in whole or permanently reduce in part the Unused Commitments; provided, that, each partial reduction (i) shall be in an aggregate amount of \$5,000,000 and an integral multiple of \$1,000,000 in excess thereof, (ii) shall be made ratably among the Lenders in accordance with their Commitments, and (iii) after giving effect to any such reduction, the Letter of Credit Obligations shall not exceed the aggregate amount of the Commitments as so reduced.

(b) Mandatory.

(i) On or prior to the Facility Reduction Date, Agent shall have received the originals of one or more Letters of Credit from the beneficiaries thereof, together with written instructions from such beneficiaries to cancel and terminate such Letters of Credit and confirming that no draw has been made, and with such other terms as Issuing Bank may require, so that after giving effect to such cancellation and termination the Stated Amount of the remaining Letters of Credit do not exceed the Letter of Credit Facility as reduced on the Facility Reduction Date.

(ii) Unless previously terminated, the Commitments and the Letter of Credit Commitment shall automatically terminate on the Maturity Date.

SECTION 2.07 Letter of Credit Drawings. The obligations of the Company hereunder and under any Letter of Credit Agreement and any other agreement or instrument relating to any Letter of Credit shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement, such Letter of Credit Agreement and such other agreement or instrument under all circumstances, including, without limitation, the following circumstances (it being understood that any such payment by the Company is without prejudice to, and does not constitute a waiver of, any rights the Company might have or might acquire as a result of the payment by any Lender of any draft or the reimbursement by the Company thereof, including, without limitation, pursuant to Section 9.14):

(a) any lack of validity or enforceability of this Agreement or any Note, or of any Letter of Credit Agreement, any Letter of Credit or any other agreement or instrument relating thereto (such Letter of Credit Agreement, Letter of Credit and related instruments or instruments being, collectively, the "LC Related Documents");

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the obligations of Borrower in respect of any LC Related Document or any other amendment or waiver of or any consent to departure from all or any of the LC Related Documents;

(c) the existence of any claim, set-off, defense or other right that Borrower may have at any time against any beneficiary or any transferee of a Letter of Credit (or any Persons for which any such beneficiary or any such transferee may be acting), any Issuing Bank, the Agent, any Lender or any other Person, whether in connection with the transactions contemplated by the LC Related Documents or any unrelated transaction;

(d) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(e) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit;

(f) any exchange, release or non-perfection of any Collateral or other collateral, or any release or amendment or waiver of or consent to departure from any guarantee, for all or any of the obligations of the Borrower in respect of the LC Related Documents; or

(g) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including, without limitation, any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Company or a guarantor.

SECTION 2.08. Interest on Letter of Credit Obligations.

(a) Scheduled Interest. Borrower shall pay interest on the unpaid amount of the Letter of Credit Obligations to Agent for the account of Issuing Bank (or each Lender as the case may be) from the date such Letter of Credit Obligation becomes payable until such amount shall be paid in full, at the Base Rate in effect from time to time plus the Applicable Margin in effect from time to time, payable in arrears monthly on the first day of each calendar month or earlier upon demand and in any event on the Termination Date.

(b) Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 6.01(a), the Agent may, and upon the request of the Required Lenders shall, require and notify the Borrower to pay interest (“Default Interest”) on (i) the unpaid amount of the Letter of Credit Obligations owing to Issuing Bank (or each Lender as the case may be), payable on demand at a rate per annum equal at all times to two percent (2%) per annum above the rate per annum required to be paid under Section 2.08(a) above provided, that, following acceleration of the Letter of Credit Obligations pursuant to Section 6.01, Default Interest shall accrue and be immediately payable hereunder whether or not previously required by the Agent.

SECTION 2.09. Maximum Interest Rates. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If the Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the applicable Obligations or, if it exceeds such unpaid principal, refunded to the Borrower, as applicable. In determining whether the interest contracted for, charged, or received by the Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 2.10. Reserved.

SECTION 2.11. Increased Costs.

(a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or making, funding or maintaining Letter of Credit Obligations or of agreeing to issue or of issuing or maintaining or participating in Letters of Credit (excluding for purposes of this Section 2.11 any such increased costs resulting from (x) Taxes (which for purposes of this exclusion shall include withholding taxes that are excluded from Taxes pursuant to Sections 2.14(a) and (e)) or Other Taxes (as to which Section 2.14 shall govern) and (y) changes in the basis of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state

under the laws of which such Lender is organized or has its Applicable Lending Office or any political subdivision thereof), then the Borrower shall from time to time, upon written demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost; provided, however, that before making any such demand, each Lender agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost and would not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate as to the amount of such increased cost, submitted to the Borrower and the Agent by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

Notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a "change in law", regardless of the date enacted, adopted or issued.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law) affects or would affect the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital or liquidity is increased by or based upon the existence of such Lender's commitment to lend or to issue or participate in Letters of Credit hereunder and other commitments of such type or the issuance or maintenance of or participation in the Letters of Credit (or similar contingent obligations), then, upon demand by such Lender (with a copy of such demand to the Agent), the Borrower shall pay to the Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender or such corporation in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital or liquidity to be allocable to the existence of such Lender's commitment to lend or to issue or participate in Letters of Credit hereunder or to the issuance or maintenance of or participation in any Letters of Credit. A certificate as to such amounts submitted to the Borrower and the Agent by such Lender shall be conclusive and binding for all purposes, absent manifest error.

(c) A Lender will only be entitled to such compensation if such Lender provides a certificate to the Agent and the Company setting forth in reasonable detail (i) the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and (ii) stating that the claim for additional amounts referred to therein is generally consistent with such Lender's treatment of similarly situated customers of such Lender whose transactions with such Lender are similarly affected by the change in circumstances giving rise to such payment. Such certificate, when delivered to the Company, shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.11(c) shall not constitute a waiver of such Lender's right to demand such compensation; provided, that, Borrower shall not be required to compensate a Lender or the Agent pursuant to this Section 2.11(c) for any increased costs or reductions incurred more than one hundred twenty (120) days prior to the date that such Lender or the Agent notifies the Company of the change in law giving rise to such increased costs or reductions and of such Lender's or the Agent's intention to claim compensation therefor; provided, further, that, if the change in law giving rise to such increased costs or reductions is retroactive, then the one hundred twenty (120) day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.12. Reserved.

SECTION 2.13. Payments and Computations.

(a) The Borrower shall make each payment hereunder without condition or deduction for any right of counterclaim, defense, recoupment or set-off, not later than 11:00 a.m. (New York City time) on the day when due in Dollars to the Agent at the Agent's Account in same day funds. The Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal, interest, fees or commissions ratably (other than amounts payable pursuant to Section 2.04, 2.11, 2.14 or 9.04(c)) to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.08(c), from and after the effective date specified in such Assignment and Acceptance, the Agent shall make all payments hereunder and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) Borrower hereby authorizes each Lender, if and to the extent payment owed to such Lender is not made when due hereunder or under the Note held by such Lender, to charge from time to time against any or all of Borrower's accounts with such Lender any amount so due.

(c) All computations of interest and of fees and Letter of Credit commissions shall be made by the Agent on the basis of a year of three hundred sixty (360) days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or fees or commissions are payable. Each determination by the Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest, fee or commission, as the case may be.

(e) Unless the Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that Borrower will not make such payment in full, the Agent may assume that Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrower shall not have so made such payment in full to the Agent, each Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent, at the Federal Funds Rate.

(f) Subject to Section 2.03 and 6.04, if the Agent receives funds for application to the Obligations of the Borrower under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify, or the Borrower does not direct, the manner in which, such funds are to be applied, the Agent may, but shall not be obligated to, elect to distribute such funds ratably to the outstanding Obligations, (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of unreimbursed amounts drawn under Letters of Credit then due

hereunder, ratably among the parties entitled thereto in accordance with the amounts of such Letter of Credit obligations then due to such parties.

(g) Except to the extent a time of payment of, or period within which payment is required in respect of, any amount payable hereunder or under any of the other Loan Documents is specified in any Loan Document, all amounts payable hereunder or under any of the other Loan Documents shall be due and payable, in arrears, on the first day of each month at any time that Obligations or Commitments are outstanding. Borrower hereby authorizes Agent, from time to time without prior notice to Borrower, to charge all interest, fees, costs, expenses and other amounts payable hereunder or under any of the other Loan Documents when due and payable to the loan account, provided, that, interest and fees. Any interest, fees, costs, expenses, or other amounts payable hereunder or under any other Loan Document that are charged to a loan account shall thereupon constitute Obligations hereunder and shall initially accrue interest at the rate provided for herein. Agent shall have the right at any time and from time to time to deduct all amounts at any time charged to the loan account from the LC Cash Collateral Account for payment thereof.

SECTION 2.14. Taxes.

(a) Any and all payments by any Loan Party to or for the account of any Lender, any Arranger or the Agent hereunder or under the Notes shall be made, in accordance with Section 2.13 or the applicable provisions of such other documents, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, remittances, charges or withholdings, and all liabilities with respect thereto, excluding, in the case of each Lender, Arranger and the Agent (i) taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction under the laws of which such Lender, Arranger or the Agent (as the case may be) is organized or in which its principal executive office is located, or any political subdivision thereof and, in the case of each Lender, taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction of such Lender's Applicable Lending Office or any political subdivision thereof, (ii) any amounts required to be withheld under FATCA that would not have been imposed but for the failure of the Agent, Arranger or Lender, as applicable, to satisfy the applicable requirements of FATCA, and (iii) any amounts that are required to be withheld as a result of a Lender's failure to comply with the requirements of paragraph (e) or (j) of this Section (all such non-excluded taxes, levies, imposts, deductions, remittances, charges, withholdings and liabilities in respect of payments hereunder or under the Notes being hereinafter referred to as "Taxes"). If any Loan Party shall be required by law to deduct, remit or withhold any Taxes from or in respect of any sum payable hereunder or under any Note to any Lender, any Arranger or the Agent, (i) the sum payable to such Loan Party shall be increased as may be necessary so that after making all required deductions, remittances or withholdings (including deductions applicable to additional sums payable under this Section 2.14), such Lender, Arranger or the Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall pay the full amount deducted, remitted or withheld to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Loan Party shall pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made by such Loan Party hereunder or under any other Loan Documents or from the execution, delivery or registration of, performing under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "Other Taxes").

(c) The Loan Parties shall indemnify Issuing Bank, each Lender, Arranger and the Agent for and hold it harmless against the full amount of Taxes or Other Taxes (including, without

limitation, taxes of any kind imposed or asserted by any jurisdiction on amounts payable under this Section 2.14) imposed on or paid or remitted by Issuing Bank, such Lender, Arranger or the Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within thirty (30) days from the date Issuing Bank, such Lender, Arranger or the Agent (as the case may be) makes written demand therefor with appropriate supporting documentation.

(d) Within thirty (30) days after the date of any payment of taxes, the appropriate Loan Party shall furnish to the Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent. In the case of any payment hereunder or under the Notes or any other documents to be delivered hereunder by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Agent, at such address, an opinion of counsel reasonably acceptable to the Agent stating that such payment is exempt from Taxes. For purposes of this subsection (d) and subsection (e), the terms “United States” and “United States person” shall have the meanings specified in Section 7701 of the Code.

(e) Each Lender organized under the laws of a jurisdiction outside the United States, on or prior to the date of its execution and delivery of this Agreement on or prior to the designation of any different Applicable Lending Office and on the date of the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each other Lender, and from time to time thereafter as reasonably requested in writing by the Company (but only so long as such Lender remains lawfully able to do so), shall provide each of the Agent and the Company with two original Internal Revenue Service Forms W-8BEN, W-8BEN-E or W-8ECI or (in the case of a Lender that has certified in writing to the Agent that it is not (i) a “bank” as defined in Section 881(c)(3)(A) of the Code, (ii) a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of any Loan Party or (iii) a CFC related to any Loan Party (within the meaning of Section 864(d)(4) of the Code)), Internal Revenue Service Form W-8BEN or W-8BEN-E, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or any other Loan Document or, in the case of a Lender that has certified that it is not a “bank” as described above, certifying that such Lender is a foreign corporation, partnership, estate or trust. If the form provided by a Lender at the time such Lender first becomes a party to this Agreement indicates a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such form; provided, however, that, if at the date of the Assignment and Acceptance pursuant to which a Lender assignee becomes a party to this Agreement, the Lender assignor was entitled to payments under subsection (a) in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the Closing Date by Internal Revenue Service Form W-8BEN, W-8BEN-E or W-8ECI or the related certificate described above, that the Lender reasonably considers to be confidential, the Lender shall give notice thereof to the Company and shall not be obligated to include in such form or document such confidential information, except directly to a Governmental Authority or other Person subject to a reasonable confidentiality agreement. In addition, upon the written request of the Company, any other certification, identification, information, documentation or other reporting requirement shall be delivered

if (i) delivery thereof is required by a change in the law, regulation, administrative practice or any applicable tax treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding; (ii) the Agent or Lender, as the case may be, is legally entitled to make delivery of such item; and (iii) delivery of such item will not result in material additional costs unless Borrower shall have agreed in writing to indemnify Lender or the Agent for such costs.

(f) For any period with respect to which a Lender has failed to provide the Company with the appropriate form, certificate or other document described in Section 2.14(e) (other than if such failure is due to a change in law, or in the interpretation or application thereof, occurring subsequent to the date on which a form, certificate or other document originally was required to be provided, or if such form, certificate or other document otherwise is not required under subsection (e) above), such Lender shall not be entitled to indemnification under Section 2.14(a) or (c) with respect to Taxes imposed by the United States of America by reason of such failure; provided, however, that should a Lender become subject to Taxes because of its failure to deliver a form, certificate or other document required hereunder, the Loan Parties, at such Lender's expense, shall take such steps as the Lender shall reasonably request to assist the Lender to recover such Taxes.

(g) Any Lender claiming any additional amounts payable pursuant to this Section 2.14 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Applicable Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

(h) If any Lender determines, in its sole discretion, that it has actually and finally realized, by reason of a refund, deduction or credit of any Taxes paid or reimbursed by a Loan Party pursuant to subsection (a) or (c) above in respect of payments under this Agreement or the other Loan Documents, a current monetary benefit that it would otherwise not have obtained, and that would result in the total payments under this Section 2.14 exceeding the amount needed to make such Lender whole, such Lender shall pay to the applicable Loan Party, with reasonable promptness following the date on which it actually realizes such benefit, an amount equal to the lesser of the amount of such benefit or the amount of such excess, in each case net of all out-of-pocket expenses in securing such refund, deduction or credit; provided, that, the Borrower, upon the request of the Agent or such Lender, agrees to repay the amount paid over to any Loan Party to the Agent or such Lender in the event the Agent or such Lender is required to repay such amount to such Governmental Authority.

(i) If any Loan Party determines in good faith that a reasonable basis exists for contesting the applicability of any Tax or Other Tax, the Agent, the relevant Arranger or the relevant Lender shall cooperate with such Loan Party, upon the request and at the expense of such Loan Party, in challenging such Tax or Other Tax. Nothing in this Section 2.14(i) shall require the Agent, any Arranger or any Lender to disclose the contents of its tax returns or other confidential information to any Person.

(j) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the applicable Loan Party and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the applicable Loan Party or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the applicable Loan Party or the Agent as may be necessary for the applicable Loan Party and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely

for purposes of this clause (j), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. For purposes of determining withholding taxes imposed under FATCA, from and after the Closing Date, the Loan Parties and the Agent shall treat (and the Lenders hereby authorize the Agent to treat) this Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

SECTION 2.15. Sharing of Payments, Etc. Without expanding the rights of any Lender under this Agreement and, except as otherwise expressly provided in Section 6.04, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Letter of Credit Obligations owing to it in excess of its ratable share (according to the proportion of (i) the amount of such Letter of Credit Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Letter of Credit Obligations due and payable at such time to all Lenders hereunder) of payments on account of the Letter of Credit Obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in the Letter of Credit Obligations owing to them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such Lender's ratable share (according to the proportion of (i) the purchase price paid to such Lender to (ii) the aggregate purchase price paid to all Lenders) of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.15 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Loan Parties in the amount of such participation.

SECTION 2.16. Evidence of Debt.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of Borrower to such Lender resulting from the Letter of Credit Obligations owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder in respect of Letter of Credit Obligations. Borrower agrees that upon notice by any Lender to Borrower (with a copy of such notice to the Agent) to the effect that a Note is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Letter of Credit Obligations owing to, or to be made by, such Lender, Borrower shall promptly execute and deliver to such Lender a Note, as applicable, properly completed, payable to the order of such Lender in an amount up to the Commitment of such Lender.

(b) The Register maintained by the Agent pursuant to Section 9.08(e) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of the Letter of Credit Obligations, (ii) the terms of each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from Borrower to each Lender hereunder and (iv) the amount of any sum received by the Agent from each Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by the Agent in the Register pursuant to subsection (b) above, and by each Lender in its account or accounts pursuant to subsection (a) above, shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from

Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement, absent manifest error; provided, however, that the failure of the Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of Borrower under this Agreement with respect to Letter of Credit Obligations made and not repaid.

SECTION 2.17. Use of Proceeds. On and after the Closing Date, the proceeds of the Letters of Credit shall be used to finance ongoing working capital needs and general corporate purposes of the Borrower.

SECTION 2.18. Reserved.

SECTION 2.19. Defaulting Lenders.

(a) Reserved.

(b) In the event that, at any time, (i) any Lender shall be a Defaulting Lender, (ii) such Defaulting Lender shall owe a Defaulted Amount to the Agent, the Issuing Bank or other applicable Lenders and (iii) Borrower shall make any payment hereunder or under any other Loan Document to the Agent for the account of such Defaulting Lender, then the Agent may, on its behalf or on behalf of such other Lenders and to the fullest extent permitted by applicable law, apply at such time the amount so paid by Borrower to or for the account of such Defaulting Lender to the payment of each such Defaulted Amount to the extent required to pay such Defaulted Amount. In the event that the Agent shall so apply any such amount to the payment of any such Defaulted Amount on any date, the amount so applied by the Agent shall constitute for all purposes of this Agreement and the other Loan Documents payment, to such extent, of such Defaulted Amount on such date. Any such amount so applied by the Agent shall be retained by the Agent or distributed by the Agent to such other Lenders, ratably in accordance with the respective portions of such Defaulted Amounts payable at such time to the Agent and such other Lenders and, if the amount of such payment made by Borrower shall at such time be insufficient to pay all Defaulted Amounts owing at such time to the Agent and the other Lenders, in the following order of priority:

(i) *first*, to the Agent for any Defaulted Amount then owing to the Agent in its capacity as Agent; and

(ii) *second*, to the Issuing Bank for any Defaulted Amounts then owing to it, in its capacity as such, ratably in accordance with such respective Defaulted Amounts then owing to the Issuing Bank; and

(iii) *third*, to any other Lenders for any Defaulted Amounts then owing to such other Lenders, ratably in accordance with such respective Defaulted Amounts then owing to such other Lenders.

Any portion of such amount paid by Borrower for the account of such Defaulting Lender remaining, after giving effect to the amount applied by the Agent pursuant to this subsection (b), shall be applied by the Agent as specified in subsection (c) of this Section 2.19.

(c) In the event that, at any time, (i) any Lender shall be a Defaulting Lender, (ii) such Defaulting Lender shall not owe a Defaulted Amount and (iii) Borrower, the Agent or any other Lender shall be required to pay or distribute any amount hereunder or under any other Loan Document to or for the account of such Defaulting Lender, then Borrower or such other Lender shall pay such

amount to the Agent to be held by the Agent, to the fullest extent permitted by applicable law, in escrow or the Agent shall, to the fullest extent permitted by applicable law, hold in escrow such amount otherwise held by it. Any funds held by the Agent in escrow under this subsection (c) shall be deposited by the Agent in an account with the Agent, in the name and under the control of the Agent, but subject to the provisions of this subsection (c). The terms applicable to such account, including the rate of interest payable with respect to the credit balance of such account from time to time, shall be the Agent's standard terms applicable to escrow accounts maintained with it. Any interest credited to such account from time to time shall be held by the Agent in escrow under, and applied by the Agent from time to time in accordance with the provisions of, this subsection (c). The Agent shall, to the fullest extent permitted by applicable law, apply all funds so held in escrow from time to time to the extent necessary to make any amounts required to be made by such Defaulting Lender and to pay any amount payable by such Defaulting Lender hereunder and under the other Loan Documents to the Agent or any other Lender, as and when such amounts are required to be made or paid and, if the amount so held in escrow shall at any time be insufficient to make and pay all such amounts required to be made or paid at such time, in the following order of priority:

(i) *first*, to the Agent for any amount then due and payable by such Defaulting Lender to the Agent hereunder in its capacity as Agent;

(ii) *second*, to the Issuing Bank for any amounts then due and payable to it hereunder, in such capacity, by such Defaulting Lender, ratably in accordance with such respective amounts then due and payable to the Issuing Bank;

(iii) *third*, to any other Lenders for any amount then due and payable by such Defaulting Lender to such other Lenders hereunder, ratably in accordance with such respective amounts then due and payable to such other Lenders; and

(iv) *fourth*, to the Company, as applicable for any amounts then required to be made by such Defaulting Lender pursuant to a Commitment of such Defaulting Lender.

In the event that any Lender that is a Defaulting Lender shall, at any time, cease to be a Defaulting Lender, any funds held by the Agent in escrow at such time with respect to such Lender shall be distributed by the Agent to such Lender and applied by such Lender to the Obligations owing to such Lender at such time under this Agreement and the other Loan Documents ratably in accordance with the respective amounts of such Obligations outstanding at such time.

(d) The rights and remedies against a Defaulting Lender under this Section 2.19 are in addition to other rights and remedies that Borrower may have against such Defaulting Lender with respect to any Defaulted Amount.

(e) Anything contained herein to the contrary notwithstanding, in the event that (i) any Lender shall become a Defaulting Lender and (ii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five (5) Business Days after the Company's request that it cure such default, the Company shall have the right (but not the obligation) to repay such Defaulting Lender in an amount equal to the principal of, and all accrued interest on, all outstanding participations owing to such Lender, together with all other amounts due and payable to such Lender under the Loan Documents, and such Lender's Commitment hereunder shall be terminated immediately thereafter.

(f) If any Lender becomes, and during the period it remains, a Defaulting Lender or a Potential Defaulting Lender, for purposes of computing the amount of the obligation of each

Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.03, the “Ratable Share” of each Non-Defaulting Lender under the Letter of Credit Facility shall be computed without giving effect to the Commitment of that Defaulting Lender; provided, that: (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit shall not exceed the positive difference, if any, of (1) the applicable Commitment of that Non-Defaulting Lender minus (2) the aggregate Ratable Share of the Letter of Credit Obligations of that Lender.

(g) Issuing Bank, may, by notice to the Company and such Defaulting Lender or Potential Defaulting Lender through the Agent, require the Borrower to Cash Collateralize the obligations of Borrower to Issuing Bank in respect of such Letter of Credit in amount at least equal to the aggregate amount of the unallocated obligations (contingent or otherwise) of such Defaulting Lender or such Potential Defaulting Lender in respect thereof, or to make other arrangements satisfactory to the Agent, and to the Issuing Bank, in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender or Potential Defaulting Lender.

(f) Other than with respect to the matters set forth on Schedule 6.01(f) (but solely to the extent that neither the Borrower nor any of its Material Subsidiaries (excluding Subsidiaries which would be permitted, at all times while the applicable judgment remains outstanding, to be designated as Immaterial Subsidiaries, without regard for if such designation has been made) has any obligation with respect to judgments relating to items listed on Schedule 6.01(f), judgments or orders for the payment of money in excess of \$25,000,000 (or its US Dollar equivalent) in the aggregate shall be rendered against the Company or any of its Subsidiaries and either (i) enforcement proceedings shall have been

Letter of Credit Obligations, all such interest and all such amounts shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by Borrower and each other Loan Party.

SECTION 6.02. Actions in Respect of the Letters of Credit upon Default. SECTION 6.03. [Reserved].

SECTION 6.04. Application of Funds.

(a) Payments made by Borrower and other Loan Parties hereunder shall be applied (i) first, as specifically required hereby; (ii) second, to Obligations then due and owing; (iii) third, to other Obligations specified by Borrower; and (iv) fourth, as determined by Agent in its discretion.

(b) Notwithstanding anything to the contrary set forth in any Loan Document, during the occurrence and continuance of an Event of Default, any amounts received by the Agent on account of the Obligations, whether received from or on account of any Loan Party, or in respect of any Collateral, setoff or otherwise, shall be applied by the Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Agent and amounts payable under Article II) payable to the Agent in its capacity as such;

Second, to payment of all amounts owing to Agent in respect of Letter of Credit Obligations and participations that a Defaulting Lender has failed to settle or fund;

Third, to payment of that portion of the Obligations constituting fees, indemnities and other amounts payable to the Issuing Bank (including fees, charges and disbursements of counsel to the Issuing Bank payable under the Loan Documents and amounts payable under Article II);

Fourth, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest, Letter of Credit fees and commitment fees) payable to the Lenders (including fees, charges and disbursements of counsel to the respective Lenders payable under the Loan Documents and amounts payable under Article II (in each case, other than fees, indemnities and other amounts) ratably among them in proportion to the respective amounts described in this clause Fourth payable to them;

Fifth, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit fees, unreimbursed amounts under Letters of Credit and other Obligations arising under the Loan

Documents, ratably among the Lenders in proportion to the respective amounts described in this clause Fifth payable to them;

Sixth, to the Agent for the account of the Issuing Bank, to Cash Collateralize that portion of Letter of Credit Obligations comprising the aggregate undrawn amount of Letters of Credit;

Ninth, to payment of all other Obligations ratably among the Lenders and the Issuing Bank in proportion to the respective amounts described in this clause Ninth held by them;

Tenth, to payment of the Bank Product Obligations ratably among the Bank Product Providers in proportion to the respective amounts described in this clause Tenth held by them, and

Last, the balance, if any, after all of the Obligations have been paid in full in cash, to the Borrower or as otherwise required by law.

Subject to Section 6.02, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to Section 6.04(a) or clause Sixth above, shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Amounts shall be applied to payment of each category of Obligations only after full payment of amounts payable from time to time under all preceding categories. If amounts are insufficient to satisfy a category, they shall be paid ratably among outstanding Obligations in the category. The Agent shall have no obligation to calculate the amount of any Bank Product Obligation and may request a reasonably detailed calculation thereof from a Bank Product Provider. If the provider fails to deliver the calculation within five (5) days following request, the Agent may assume the amount is zero. Each holder of Obligations under a Bank Product Agreement not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Agent pursuant to the terms of Article VIII hereof for itself and its Affiliates as if a “Lender” party hereto. The allocations set forth in this Section are solely to determine the rights and priorities among Secured Parties, and may be changed by agreement of the affected Secured Parties, without the consent of any Loan Party. This Section is not for the benefit of or enforceable by any Loan Party, and each Loan Party irrevocably waives the right to direct the application of any payments or Collateral proceeds subject to this Section.

ARTICLE VII GUARANTY

SECTION 7.01 Guaranty; Limitation of Liability.

(a) Borrower and each Subsidiary Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all Obligations of each other Loan Party and each other Subsidiary of the Company now or hereafter existing under or in respect of the Loan Documents or any Bank Product Agreement (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise, exclusive of Excluded Swap Obligations (such obligations being the “Guaranteed Obligations”), and agrees to pay any and all expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by the

Agent or any other Lender in enforcing any rights under this Guaranty or any other Loan Document. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any other Loan Party or Subsidiary of the Company, as applicable, to the Agent or any Lender under or in respect of the Loan Documents or any Bank Product Agreement but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party or Subsidiary, as the case may be.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Agent and each other Lender, hereby confirms that it is the intention of all such Persons that this Guaranty and the obligations of each Subsidiary Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Voidable Transfer Act, Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the obligations of such Guarantor hereunder. To effectuate the foregoing intention, the Agent, the Lenders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(c) Each Subsidiary Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to the Agent or any Lender under this Guaranty or any guaranty supplement of the Guaranteed Obligations, such Subsidiary Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Subsidiary Guarantor and each other guarantor so as to maximize the aggregate amount paid to the Agent and the Lenders under or in respect of the Loan Documents.

SECTION 7.02. Guaranty Absolute. Each Guarantor guarantees that the applicable Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agent or any Lender with respect thereto. The obligations of each Guarantor under or in respect of this Guaranty are independent of the applicable Guaranteed Obligations or any other obligations of any other Loan Party under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought against Borrower or any other Loan Party or whether Borrower or any other Loan Party is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the applicable Guaranteed Obligations or any other obligations of any other Loan Party under or in respect of the Loan Documents, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the applicable Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the applicable Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the applicable Guaranteed Obligations or any manner of sale or other Disposition of any Collateral or any other collateral for all or any of the applicable Guaranteed Obligations or any other obligations of any Loan Party under the Loan Documents or any other assets of any Loan Party or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(f) any failure of the Agent or any Lender to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to the Agent or such Lender (each Guarantor waiving any duty on the part of the Agent and the Lenders to disclose such information);

(g) the failure of any other Person to execute or deliver this Agreement, any Guaranty Supplement or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the applicable Guaranteed Obligations; or

(h) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agent or any Lender that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the applicable Guaranteed Obligations is rescinded or must otherwise be returned by the Agent or any Lender or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise, all as though such payment had not been made.

SECTION 7.03. Waivers and Acknowledgments.

(a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the applicable Guaranteed Obligations and this Guaranty and any requirement that the Agent or any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all applicable Guaranteed Obligations whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by the Agent or any Lender that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Loan Parties, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of such Guarantor hereunder.

(d) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of the Agent or any Lender to disclose to such Guarantor any matter, fact or thing relating to the

business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of its Subsidiaries now or hereafter known by the Agent or such Lender.

(e) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in Section 7.02 and this Section 7.03 are knowingly made in contemplation of such benefits.

SECTION 7.04. Subrogation. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against Borrower, any other Loan Party or any other insider guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under or in respect of this Guaranty or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agent or any Lender against Borrower, any other Loan Party or any other guarantor of some or all of the Guaranteed Obligations or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from Borrower, any other Loan Party or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, all Letters of Credit shall have expired or been terminated and the Commitments shall have expired or been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in cash of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty, (b) the Termination Date and (c) the latest date of expiration or termination of all Letters of Credit, such amount shall be received and held in trust for the benefit of the Agent and the Lenders, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the applicable Guaranteed Obligations and all other amounts payable under this Guaranty by such Guarantor, whether matured or unmatured, in accordance with the terms of the Loan Documents, or to be held as Collateral for any applicable Guaranteed Obligations or other amounts payable under this Guaranty by such Guarantor thereafter arising. If (i) any Guarantor shall make payment to the Agent or any Lender of all or any part of the applicable Guaranteed Obligations, (ii) all of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty by such Guarantor shall have been paid in full in cash, (iii) the Termination Date shall have occurred and (iv), all Letters of Credit shall have expired or been terminated, the Agent and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the applicable Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

SECTION 7.05. Guaranty Supplements. Upon the execution and delivery by any Person of a guaranty supplement in substantially the form of Exhibit D hereto (each, a "Guaranty Supplement"), (a) such Person shall be referred to as an "Additional Guarantor" and shall become and be a Guarantor hereunder, and each reference in this Guaranty to a "Guarantor" shall also mean and be a reference to such Additional Guarantor, and (b) each reference herein to "this Guaranty," "hereunder," "hereof" or words of like import referring to this Guaranty, and each reference in any other Loan Document to the "Guaranty," "thereunder," "thereof" or words of like import referring to this Guaranty, shall mean and be a reference to this Guaranty as supplemented by such Guaranty Supplement.

SECTION 7.06. Subordination. Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the

“Subordinated Obligations”) to the applicable Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 7.06:

(a) Prohibited Payments, Etc. Except during the continuance of an Event of Default, each Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of Default, however, unless the Required Lenders otherwise agree, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations.

(b) Prior Payment of Guaranteed Obligations. In any proceeding under any Bankruptcy Law relating to any other Loan Party, each Guarantor agrees that the Lenders shall be entitled to receive payment in full in cash of all applicable Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Bankruptcy Law, whether or not constituting an allowed claim in such proceeding (“Post-Petition Interest”)) before such Guarantor receives payment of any Subordinated Obligations.

(c) Turn-Over. After the occurrence and during the continuance of any Event of Default, each Guarantor shall, if the Agent (with the consent or at the direction of the Required Lenders) so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Agent and the Lenders and deliver such payments to the Agent on account of the applicable Guaranteed Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(d) Agent Authorization. After the occurrence and during the continuance of any Event of Default, the Agent is authorized and empowered (but without any obligation to do so), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the applicable Guaranteed Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such obligations to the Agent for application to the applicable Guaranteed Obligations (including any and all Post-Petition Interest).

SECTION 7.07. Continuing Guaranty; Assignments. This Guaranty is a continuing guaranty and shall (a) except as provided in the next succeeding sentence, remain in full force and effect until the latest of (i) the payment in full in cash of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty, (ii) the Termination Date and (iii) the latest date of expiration or termination of all Letters of Credit, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agent and the Lenders and their successors, permitted transferees and permitted assigns. Upon the sale of a Guarantor or any or all of the assets of any Guarantor to the extent permitted in accordance with the terms of the Loan Documents or upon such Guarantor otherwise ceasing to be a Subsidiary of the Company organized under the laws of a state of the United States of America without violation of the terms of this Agreement, such Guarantor (and its Subsidiaries) or such assets shall be automatically released from this Guaranty or any Guaranty Supplement, and all pledges and security interests of the equity of such Guarantor or any Subsidiary of such Guarantor and all other pledges and security interests in the assets of such Guarantor and any of its Subsidiaries shall be released as provided in Section 9.16. Without limiting the generality of clause (c) above, the Agent or any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Letter of Credit Obligations owing to it and any Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each

case as and to the extent provided in Section 9.08. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

SECTION 7.08. Qualified ECPs. Each Loan Party that is a Qualified ECP when its guaranty of or grant of Lien as security for a Swap Obligation becomes effective hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP's obligations and undertakings under this Section 7.08 voidable under any applicable fraudulent transfer or conveyance act). The obligations and undertakings of each Qualified ECP under this Section shall remain in full force and effect until full payment of all Guaranteed Obligations. Each Loan Party intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support or other agreement" for the benefit of, each Loan Party for all purposes of the Commodity Exchange Act.

ARTICLE VIII
THE AGENT

SECTION 8.01. Authorization and Action.

(a) Pursuant to Section 8.07, each Lender hereby irrevocably appoints Bank of America to act on its behalf as the Agent hereunder and under the other Loan Documents, including the Term Loan Intercreditor Agreement, and authorizes the Agent to enter into this Agreement and the other Loan Documents to which it is a party, including the Term Loan Intercreditor Agreement, to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

(b) Each of the Lenders hereby agrees that the Agent in its various capacities under the Term Loan Intercreditor Agreement may take such actions on its behalf as is contemplated by the terms of the Term Loan Intercreditor Agreement. Each Lender hereunder (i) consents to any subordination of Liens provided for in the Term Loan Intercreditor Agreement, (ii) agrees that it will be bound by and will take no actions contrary to the provisions of the Term Loan Intercreditor Agreement, (iii) authorizes and instructs the Agent to enter into the Term Loan Intercreditor Agreement as Agent and on behalf of such Lender and (iv) agrees that the Agent may take such actions on behalf of such Lender as is contemplated by the terms of the Term Loan Intercreditor Agreement.

(c) [reserved].

(d) The provisions of this Article are solely for the benefit of the Agent, the Issuing Bank, and the Lenders, and neither Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions.

SECTION 8.02. Agent Individually.

(a) The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any of their

Subsidiaries or other Affiliate thereof as if such Person were not the Agent hereunder and without any duty to account therefor to the Lenders.

(b) Each Lender understands that the Person serving as Agent, acting in its individual capacity, and its Affiliates (collectively, the “Agent’s Group”) are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 8.02 as “Activities”) and may engage in the Activities with or on behalf of one or more of the Loan Parties or their respective Affiliates. Furthermore, the Agent’s Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Loan Parties and their Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Borrower, another Loan Party or their respective Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of one or more of the Loan Parties or their Affiliates. Each Lender understands and agrees that in engaging in the Activities, the Agent’s Group may receive or otherwise obtain information concerning the Loan Parties or their Affiliates (including information concerning the ability of the Loan Parties to perform their respective Obligations hereunder and under the other Loan Documents) which information may not be available to any of the Lenders that are not members of the Agent’s Group. None of the Agent nor any member of the Agent’s Group shall have any duty to disclose to any Lender or use on behalf of the Lenders, and shall not be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Loan Party or any Affiliate of any Loan Party) or to account for any revenue or profits obtained in connection with the Activities, except that the Agent shall deliver or otherwise make available to each Lender such documents as are expressly required by any Loan Document to be transmitted by the Agent to the Lenders.

(c) Each Lender further understands that there may be situations where members of the Agent’s Group or their respective customers (including the Loan Parties and their Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more of the Lenders (including the interests of the Lenders hereunder and under the other Loan Documents). Each Lender agrees that no member of the Agent’s Group is or shall be required to restrict its activities as a result of the Person serving as Agent being a member of the Agent’s Group, and that each member of the Agent’s Group may undertake any Activities without further consultation with or notification to any Lender. None of (i) this Agreement nor any other Loan Document, (ii) the receipt by the Agent’s Group of information (including Borrower Information) concerning the Loan Parties or their Affiliates (including information concerning the ability of the Loan Parties to perform their respective Obligations hereunder and under the other Loan Documents) nor (iii) any other matter shall give rise to any fiduciary, equitable or contractual duties (including, without limitation, any duty of trust or confidence) owing by the Agent or any member of the Agent’s Group to any Lender including any such duty that would prevent or restrict the Agent’s Group from acting on behalf of customers (including the Loan Parties or their Affiliates) or for its own account.

SECTION 8.03. Duties of Agent; Exculpatory Provisions.

(a) The Agent’s duties hereunder and under the other Loan Documents are solely ministerial and administrative in nature and the Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (i) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (ii) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly

contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided, that, the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent or any of its Affiliates to liability or that is contrary to any Loan Document or applicable law and (iii) the Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Agent or any of its Affiliates in any capacity.

(b) The Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.01 or 9.03) or (ii) in the absence of its own gross negligence or willful misconduct. The Agent shall be deemed not to have knowledge of any Default or the event or events that give or may give rise to any Default unless and until the Company or any Lender shall have given notice to the Agent describing such Default and such event or events.

(c) Neither the Agent nor any member of the Agent's Group shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, representation or other information made or supplied in or in connection with this Agreement, any other Loan Document or the information presented to the other Lenders by the Company, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith or the adequacy, accuracy and/or completeness of the information contained therein, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the perfection or priority of any Lien or security interest created or purported to be created by the Collateral Documents or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to the Agent.

(d) Nothing in this Agreement or any other Loan Document shall require the Agent or any of its Related Parties to carry out any "know your customer" or other checks in relation to any Person on behalf of any Lender and each Lender confirms to the Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or any of its Related Parties.

SECTION 8.04. Reliance by Agent. The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless an officer of the Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from such Lender prior to the issuance of such Letter of Credit, and in the case of a participation, such Lender shall not have made available to the Agent such Lender's ratable portion of such participation. The Agent may consult with legal counsel (who may be counsel for the Company or any other Loan Party), independent accountants and other experts selected by

it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05 Indemnification.

(a) Each Lender severally agrees to indemnify the Agent (to the extent not promptly reimbursed by the Company) from and against such Lender's Ratable Share of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Agent in any way relating to or arising out of this Agreement or any action taken or omitted by the Agent under this Agreement (collectively, the "Indemnified Costs"), provided, that, no Lender shall be liable for any portion of the Indemnified Costs resulting from the Agent's gross negligence or willful misconduct as found in a non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its ratable share of any reasonable out-of-pocket expenses (including reasonable counsel fees) incurred by the Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, to the extent that the Agent is not promptly reimbursed for such expenses by the Company. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 8.05 applies whether any such investigation, litigation or proceeding is brought by the Agent, any Lender or a third party.

(b) Each Lender severally agrees to indemnify the Issuing Bank (to the extent not promptly reimbursed by the Company) from and against such Lender's Ratable Share of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against any such Issuing Bank in any way relating to or arising out of the LC Related Documents or any action taken or omitted by such Issuing Bank hereunder or in connection herewith; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Issuing Bank's gross negligence or willful misconduct as found in a non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse any such Issuing Bank promptly upon demand for its Ratable Share of any costs and expenses (including, without limitation, fees and expenses of counsel) payable by the Company under Section 9.04, to the extent that such Issuing Bank is not promptly reimbursed for such costs and expenses by the Company.

(c) The failure of any Lender to reimburse the Agent or any Issuing Bank promptly upon demand for its ratable share of any amount required to be paid by the Lenders to the Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse the Agent or any Issuing Bank for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Agent or any Issuing Bank for such other Lender's ratable share of such amount. Without prejudice to the survival of any other agreement of any Lender hereunder, the agreement and obligations of each Lender contained in this Section 8.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the Notes. Each of the Agent and Issuing Bank agrees to return to the Lenders their respective ratable shares of any amounts paid under this Section 8.05 that are subsequently reimbursed by the Company.

SECTION 8.06 Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more co-agents or sub-agents appointed by the Agent. The Agent and any such co-agent or sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective

Related Parties. Each such co-agent and sub-agent and the Related Parties of the Agent and each such co-agent and sub-agent (including their respective Affiliates in connection with the syndication of the Letter of Credit Facility) shall be entitled to the benefits of all provisions of this Article VIII and Article IX (as though such co-agents and sub-agents were the “Agent” under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.07. Resignation of Agent.

(a) The Agent may at any time give notice of its resignation to the Lenders and the Company. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Company, to appoint a successor, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank with an office in New York, New York. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation (such thirty (30) day period, the “Lender Appointment Period”), then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above. In addition and without any obligation on the part of the retiring Agent to appoint, on behalf of the Lenders, a successor Agent, the retiring Agent may at any time upon or after the end of the Lender Appointment Period notify the Company and the Lenders that no qualifying Person has accepted appointment as successor Agent and the effective date of such retiring Agent’s resignation. Upon the resignation effective date established in such notice and regardless of whether a successor Agent has been appointed and accepted such appointment, the retiring Agent’s resignation shall nonetheless become effective and (i) the retiring Agent shall be discharged from its duties and obligations as Agent hereunder and under the other Loan Documents and (ii) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor’s appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties as Agent of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations as Agent hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Company to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the retiring Agent’s resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

(b) Any resignation pursuant to this Section by a Person acting as Agent shall, unless such Person shall notify the Company and the Lenders otherwise, also act to relieve such Person and its Affiliates of any obligation to issue new, or extend existing, Letters of Credit where such issuance or extension is to occur on or after the effective date of such resignation. Upon the acceptance of a successor’s appointment as Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank, (ii) the retiring Issuing Bank shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents arising on or after the effective date of such successor’s appointment, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangement satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

SECTION 8.08. Non-Reliance on Agent and Other Lenders.

(a) Each Lender confirms to the Agent, each other Lender and each of their respective Related Parties that it (i) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Agent, any other Lender or any of their respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement, (y) providing the extensions of credit hereunder and under the other Loan Documents and (z) in taking or not taking actions hereunder and thereunder, (ii) is financially able to bear such risks and (iii) has determined that entering into this Agreement and making extensions of credit hereunder and under the other Loan Documents is suitable and appropriate for it.

(b) Each Lender acknowledges that (i) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Loan Documents, (ii) that it has, independently and without reliance upon the Agent, any other Lender or any of their respective Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement based on such documents and information, as it has deemed appropriate and (iii) it will, independently and without reliance upon the Agent, any other Lender or any of their respective Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Loan Documents based on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

(A) the financial condition, status and capitalization of the Company and each other Loan Party;

(B) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Loan Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document;

(C) determining compliance or non-compliance with any condition hereunder to the making of the issuance of a Letter of Credit and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition;

(D) the adequacy, accuracy and/or completeness of any information delivered by the Agent, any other Lender or by any of their respective Related Parties under or in connection with this Agreement or any other Loan Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document.

SECTION 8.09. No Other Duties, etc. Anything herein to the contrary notwithstanding, none of the Persons acting as, Arranger or bookrunner or syndication agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as a Lender hereunder.

SECTION 8.10. Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Bankruptcy Law or any other judicial proceeding relative to any Loan Party, the Agent (irrespective of whether the Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Agent hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, interim receiver, monitor, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Agent and, if the Agent shall consent to the making of such payments directly to the Lenders and Issuing Bank, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent hereunder.

Nothing contained herein shall be deemed to authorize the Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition or proposal affecting the Obligations or the rights of any Lender or Issuing Bank to authorize the Agent to vote in respect of the claim of any Lender or Issuing Bank or in any such proceeding.

SECTION 8.11. Intercreditor Arrangements. Each of the Lenders hereby authorizes and directs the Agent to enter into one or more Intercreditor Agreements (subject to Section 8.01, other than the Term Loan Intercreditor Agreement) on behalf of such Lender, with the consent of Required Lenders. Each of the Lenders hereby agrees that the Agent in its various capacities thereunder may take such actions on its behalf as is contemplated by the terms of any such Intercreditor Agreements. With respect to any such Intercreditor Agreement executed and delivered by the Agent in accordance with this Agreement, each Lender hereunder (a) consents to any subordination of Liens provided for in such Intercreditor Agreement, (b) agrees that it will be bound by and will take no actions contrary to the provisions of such Intercreditor Agreement, (c) authorizes and instructs the Agent to enter into such Intercreditor Agreement as Agent and on behalf of such Lender and (d) agrees that the Agent may take such actions on behalf of such Lender as is contemplated by the terms of such Intercreditor Agreement.

SECTION 8.12. [Reserved].

SECTION 8.13. Bank Product Obligations.

(a) Each Bank Product Provider shall be deemed a third party beneficiary of the provisions of the Loan Documents for purposes of any reference in a Loan Document to the parties for whom the Agent is acting. The Agent hereby agrees to act as agent for such Bank Product Providers and, as a result of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed the Agent as its agent and to have accepted the benefits of the Loan Documents; provided, that, the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and guarantees granted to the Agent and the right to share in proceeds of the Collateral as more fully set forth in the Loan Documents. In connection with any such distribution of payments or proceeds of Collateral, the Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to the Agent as to the amounts that are due and owing to it and such written certification is

received by the Agent a reasonable period of time prior to the making of such distribution. The Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the relevant Bank Product Provider. In the absence of an updated certification, the Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to the Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Any Loan Party or any of its Subsidiaries may obtain Bank Products from any Bank Product Provider, although no Loan Party or any of its Subsidiaries is required to do so. Each Loan Party acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Bank Product Provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the Bank Product Provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such Bank Product Provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

(b) [Reserved].

(c) Each Bank Product Provider, by delivery of a notice to Agent of a Bank Product, agrees to be bound by the Loan Documents, including Sections 6.04, 8.13 and 9.02(d). Each Bank Product Provider, shall severally, shall indemnify and hold harmless Agent or any of its Related Parties, to the extent not reimbursed by Loan Parties, against all claims that may be incurred by or asserted against Agent or any of its Related Parties in connection with such provider's Bank Product Obligations.

(d) No Bank Product Provider that obtains the benefits of Section 6.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Bank Product Obligations.

SECTION 8.14. Parallel Debt and Dutch Security Rights. For the purpose of ensuring and preserving the validity and continuity of the security rights to be granted pursuant to Security Documents that are governed by the laws of The Netherlands (including, but not limited to, a Dutch notarial deed of pledge relating to shares in the share capital of Eastman Kodak Holdings B.V.), the parties hereto agree as follows:

(a) The Borrower hereby irrevocably and unconditionally undertakes to pay to Agent, as creditor in its own right and acting on its own behalf, and not as agent or representative of any other person, amounts equal to and in the currency of the amounts payable by the Borrower to the Lenders in respect of the Obligations of the Borrower (other than under the Parallel Debt (as defined hereafter)) from time to time as and when such amounts fall due for payment (the "Parallel Debt").

(b) Each of the parties hereto acknowledges that:

(i) the Parallel Debt represents Agent's own separate and independent claim to receive payment of the Parallel Debt from the Borrower; and

(ii) the Parallel Debt constitutes an undertaking, obligation and liability of the Borrower to Agent which is transferable, separate and independent from, and without prejudice to, the Obligations of the Borrower,

(iii) it being understood that the amounts owed by the Borrower to the Agent under this Agreement shall at any time never exceed the aggregate of the amounts owed by the Borrower to the Lenders under the Obligations of the Borrower at any such time.

(c) The Parallel Debt will become due and payable as and to the extent one or more of the Obligations of the Borrower becomes due and payable, without any further notice being required.

(d) To the extent Agent irrevocably received any amount in payment of the Parallel Debt (the "Received Amount"), the Obligations of the Borrower shall be reduced by an aggregate amount equal to the Received Amount as if the Received Amount was received as a payment of such Obligations."

SECTION 8.15 Certain Matters Relating to German Law. In relation to the German Security Agreements, the following additional provisions shall apply:

(a) The Agent, with respect to the part of the Collateral secured pursuant to the German Security Agreements or any other Collateral created under German law ("German Collateral"), shall:

(i) hold, administer and realize such German Collateral that is transferred or assigned by way of security (*Sicherungseigentum/Sicherungsabtretung*) or otherwise granted to it and is creating or evidencing a non-accessory security right (*nicht akzessorische Sicherheit*) in its own name as trustee (*Treuhänder*) for the benefit of the Secured Parties; and

(ii) hold, administer, and realize any such German Collateral that is pledged (*verpfändet*) or otherwise transferred to the Agent and is creating or evidencing an accessory security right (*akzessorische Sicherheit*) as agent.

(b) With respect to the German Collateral, each Secured Party hereby authorizes and grants a power of attorney (*Vollmacht*) to the Agent (whether or not by or through employees or agents) to:

(i) accept as its representative (*Stellvertreter*) any pledge or other creation of any accessory security right granted in favor of such Secured Party in connection with the German Security Agreements and to agree to and execute on its behalf as its representative (*Stellvertreter*) any amendments and/or alterations to any German Security Agreements or any other agreement related to such German Collateral which creates a pledge or any other accessory security right (*akzessorische Sicherheit*) including the release or confirmation of release of such security;

(ii) execute on behalf of itself and the Secured Parties where relevant and without the need for any further referral to, or authority from, the Secured Parties or any other person all necessary releases of any such German Collateral secured under the German Security Agreements or any other agreement related to such German Collateral;

(iii) realize such Collateral in accordance with the German Security Agreements or any other agreement securing such German Collateral;

(iv) make, receive all declarations and statements and undertake all other necessary actions and measures which are necessary or desirable in connection with such German Collateral or the German Security Agreements or any other agreement securing the German Collateral;

(v) take such action on its behalf as may from time to time be authorized under or in accordance with the German Security Agreements; and

(vi) to exercise such rights, remedies, powers and discretions as are specifically delegated to or conferred upon the Secured Parties under the German Security Agreements together with such powers and discretions as are reasonably incidental thereto.

(c) Each of the Secured Parties agrees that, if the courts of Germany do not recognize or give effect to the trust expressed to be created by this Agreement or any Collateral Document, the relationship of the Secured Parties to the Agent shall be construed as one of principal and agent but, to the extent permissible under the laws of Germany, all the other provisions of this Agreement shall have full force and effect between the parties hereto.

(d) Each Secured Party hereby ratifies and approves all acts and declarations previously done by the Agent on such person's behalf (including for the avoidance of doubt the declarations made by the Agent as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of each Secured Party as future pledgee or otherwise).

(e) For the purpose of performing its rights and obligations as Agent and to make use of any authorization granted under the German Security Agreements, each Secured Party hereby authorizes the Agent to act as its agent (*Stellvertreter*), and releases the Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*). The Agent has the power to grant sub-power of attorney, including the release from the restrictions of section 181 of the German Civil Code.

SECTION 8.16. German Parallel Debt.

(a) The Borrower hereby irrevocably and unconditionally undertakes (and to the extent necessary undertakes in advance) to pay to the Agent amounts equal to any amounts owing from time to time by the Borrower to any Secured Party under this Agreement and any other Loan Document pursuant to any Obligations as and when those amounts are due under any Loan Document (such payment undertakings under this Section 8.16 and the obligations and liabilities resulting therefrom being the "Parallel Debt").

(b) The Agent shall have its own independent right to demand payment of the Parallel Debt by the Borrower. The Borrower and the Agent acknowledge that the obligations of the Borrower under this Section 8.16 are several, separate and independent (*selbständiges Schuldanerkenntnis*) from, and shall not in any way limit or affect, the corresponding obligations of the Borrower to any Secured Party under this Agreement or any other Loan Document (the "Corresponding Debt") nor shall the amounts for which the Borrower is liable under this Section 8.16 be limited or affected in any way by its Corresponding Debt provided that:

(i) the Parallel Debt shall be decreased to the extent that the Corresponding Debt has been irrevocably paid or discharged (other than, in each case, contingent obligations);

(ii)the Corresponding Debt shall be decreased to the extent that the Parallel Debt has been irrevocably paid or discharged;

(iii)the amount of the Parallel Debt shall at all times be equal to the amount of the Corresponding Debt; and

(iv)for the avoidance of doubt, the Parallel Debt will become due and payable at the same time when the Corresponding Debt becomes due and payable.

(c) The security granted under any German Security Agreement with respect to the Parallel Debt is granted to the Agent in its capacity as sole creditor of the Parallel Debt.

(d) Without limiting or affecting the Agent's rights against the Borrower (whether under this Agreement or any other Loan Document), the Borrower acknowledges that:

(i)Nothing in this Agreement shall impose any obligation on the Agent to advance any sum to the Borrower or otherwise under any Loan Document; and

(ii)for the purpose of any vote taken under any Loan Document, the Agent shall not be regarded as having any participation or commitment other than those which it has in its capacity as a Lender.

(e) The parties to this Agreement acknowledge and confirm that the provisions contained in this Agreement shall not be interpreted so as to increase the maximum total amount of the Obligations.

(f) The Parallel Debt shall remain effective in case a third person should assume or be entitled, partially or in whole, to any rights of any of the Lenders under any of the other Loan Documents, be it by virtue of assignment, novation or otherwise.

(g) All monies received or recovered by the Agent pursuant to this Agreement and all amounts received or recovered by the Agent from or by the enforcement of any security granted to secure the Parallel Debt shall be applied in accordance with this Agreement.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01 Amendments, Waivers. No amendment or waiver of any provision of this Agreement or any of the other Loan Documents, nor consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that

(a) no amendment, waiver or consent shall, unless in writing and signed by all the Lenders, do any of the following:

(i)change the percentage of the Commitments or of the aggregate unpaid principal amount of the Letter of Credit Obligations, or the number of Lenders, that shall be required for the Lenders or any of them to take any action hereunder,

(ii) release all or substantially all of the Collateral in any transaction or series of related transactions,

(iii) release one or more Guarantors (or otherwise limit such Guarantors' liability with respect to the Obligations owing to the Agent, and the Lenders under the Guaranties) if such release or limitation is in respect of all or substantially all of the value of the Guaranties, taken as a whole, to the Lenders,

(iv) amend this Section 9.01 or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder,

(v) change Section 2.06(a) in a manner that would alter the pro rata reduction or termination of Commitments required thereby,

(vi) [reserved],

(vii) amend, modify or change the provisions of Section 6.04 (including to change the order of application of any reduction in the Commitments or any prepayment of Letter of Credit Obligations from the application thereof), or without the written consent of each Lender; or

(viii) except as expressly permitted herein or in any other Loan Document, subordinate the Obligations hereunder or the Liens granted hereunder or under the other Loan Documents, to any other Debt or Lien, as the case may be,

(b) no amendment, waiver or consent shall, unless in writing and signed by each Lender affected thereby, do any of the following:

(i) increase the Commitment of such Lender,

(ii) reduce or forgive the amount of, or interest on, the Letter of Credit Obligations or any fees or other amounts payable hereunder,

(iii) postpone any date fixed for any payment of any amount in respect of, or interest on, the Letter of Credit Obligations or any fees or other amounts payable hereunder, or

(iv) [reserved],

provided, further, that (x) no amendment, waiver or consent shall, unless in writing and signed by the Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Agent under this Agreement or any Note and (y) no amendment, waiver or consent shall, unless in writing and signed by the Issuing Bank in addition to the Lenders required above to take such action, adversely affect the rights or obligations of the Issuing Bank in its capacity as such under this Agreement, provided, however, notwithstanding clauses (ii) and (iii) of clause (a) above, no consent or waiver or other approval of any Lender shall be required for any release of a Guaranty or Guaranty Supplement as provided in Section 7.07 or any release of Collateral as provided in Section 9.16 or in any Collateral Document.

Notwithstanding the foregoing, if the Agent and the Borrower shall have jointly identified any ambiguity, inconsistency, defect, typographical error or manifest error in this Agreement or any other Loan Document, then the Agent and the Borrower shall be permitted to amend such provision without any further action or consent of any other party.

SECTION 9.02. Notices, Etc.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Borrower, the Agent, or any Issuing Bank, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 9.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent, provided, that, the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Agent that it is incapable of receiving notices under such Article by electronic communication. The Agent or Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided, that, approval of such procedures may be limited to particular notices or communications.

(c) Electronic Communications. Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided, that, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE LOAN PARTY MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE LOAN PARTY MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF

MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE LOAN PARTY MATERIALS OR THE PLATFORM. In no event shall the Agent, any Arranger or any of their respective Related Parties (collectively, the “Agent Parties”) have any liability to the Borrower, any Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Agent’s or the Arranger’s transmission of Loan Party Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender, any Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(e) Change of Address, Etc. Each of the Borrower, the Agent and Issuing Bank may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Agent and the Issuing Bank. In addition, each Lender agrees to notify the Agent from time to time to ensure that the Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Loan Party Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or their securities for purposes of United States Federal or state securities laws.

(f) Reliance by Agent, Issuing Bank and Lenders. The Agent, the Issuing Bank and the Lenders shall be entitled to rely and act upon any notices (including telephonic Notices of Issuance) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Agent, Issuing Bank, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of Borrower. All telephonic notices to and other telephonic communications with the Agent may be recorded by the Agent, and each of the parties hereto hereby consents to such recording.

SECTION 9.03. No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Agent in accordance with Section 6.01

for the benefit of all the Lenders and the Issuing Bank; provided, however, that the foregoing shall not prohibit (a) the Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (b) Issuing Bank from exercising the rights and remedies that inure to its benefit (solely in its capacity as an Issuing Bank, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 9.06 (subject to the terms of Section 2.15), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Bankruptcy Law; and provided, further, that if at any time there is no Person acting as Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Agent pursuant to Article VI and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.15, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

SECTION 9.04. Costs and Expenses.

(a) The Company agrees to pay on demand all reasonable out of pocket costs and expenses of the Agent and Issuing Bank in connection with the preparation, execution, delivery, administration, modification and amendment of this Agreement, the Notes and the other documents to be delivered hereunder, including, without limitation, (A) all due diligence, syndication (including printing, distribution and bank meetings), transportation, computer, duplication, appraisal, consultant, and audit expenses, (B) the reasonable fees and expenses of counsel for Agent and Issuing Bank with respect thereto, (C) fees and expenses incurred in connection with the creation, perfection or protection of the liens under the Loan Documents (including all reasonable search, filing and recording fees) and (D) costs associated with insurance reviews, Collateral audits, field exams, collateral valuations and collateral reviews to the extent provided herein, provided, however, the Company shall not be required to pay fees or expenses of more than one counsel in any jurisdiction where the Collateral is located, with respect to advising Agent and Issuing Bank as to its rights and responsibilities, or the perfection, protection or preservation of rights or interests, under the Loan Documents, with respect to negotiations with any Loan Party or with other creditors of any Loan Party or any of its Subsidiaries arising out of any Default or any events or circumstances that may give rise to a Default and with respect to presenting claims in or otherwise participating in or monitoring any bankruptcy, insolvency or other similar proceeding involving creditors' rights generally and any proceeding ancillary thereto. The Company further agrees to pay on demand all costs and expenses of the Agent, Issuing Bank and each Lender, if any (including, without limitation, reasonable counsel fees and expenses), in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of the Loan Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally, including, without limitation, reasonable fees and expenses of counsel for the Agent, Issuing Bank and each Lender in connection with the enforcement of rights under this Agreement and the other Loan Documents.

(b) The Company agrees to indemnify and hold harmless the Agent, each Arranger, Issuing Bank and each Lender and each of their Related Parties (each, an "Indemnified Party") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of outside counsel) incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (i) the Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Letters of Credit (which, for the avoidance of doubt, does not include any Taxes or Other Taxes which shall be governed by Section 2.14) or (ii) the actual or alleged presence of Hazardous Materials on any property of the

Company or any of its Subsidiaries or any Environmental Action relating in any way to the Company or any of its Subsidiaries, except to the extent such claim, damage, loss, liability or expense resulted from such Indemnified Party's gross negligence or willful misconduct as found in a non-appealable judgment by a court of competent jurisdiction. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 9.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, equityholders or creditors or an Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. The Company and each Indemnified Party agrees not to assert any claim for special, indirect, consequential or punitive damages against the Company, the Agent, any Lender, any of their Affiliates, or any of their respective directors, officers, employees, attorneys and agents, on any theory of liability, arising out of or otherwise relating to the Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Letters of Credit.

(c) Without prejudice to the survival of any other agreement of any Loan Party hereunder or under any other Loan Document, the agreements and obligations of the Borrower contained in Sections 2.11, 2.14 and 9.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the Notes.

(d) No Indemnified Party referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnified Party through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnified Party as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) All amounts due under this Section shall be payable not later than ten (10) Business Days after demand therefor.

(f) The agreements in this Section shall survive the resignation of the Agent, Issuing Bank, the replacement of any Lender, the termination of the aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 9.05. Payments Set Aside. To the extent that any payment by or on behalf of Borrower is made to the Agent, any Issuing Bank or any Lender, or the Agent, any Issuing Bank or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Agent, Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Bankruptcy Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and Issuing Bank severally agrees to pay to the Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the Issuing Bank under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

SECTION 9.06. Right of Set-off. Upon (i) the occurrence and during the continuance of any Event of Default and (ii) the making of the request or the granting of the consent specified by Section

6.01 to authorize the Agent to declare the Letter of Credit Obligations due and payable pursuant to the provisions of Section 6.01, the Agent, Issuing Bank, and each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Agent, Issuing Bank, or such Lender or such Affiliate to or for the credit or the account of Borrower against any and all of the obligations of Borrower now or hereafter existing under this Agreement and any Note held by the Agent, Issuing Bank, or such Lender, whether or not such Lender shall have made any demand under this Agreement or such Note and although such obligations may be unmatured, provided, however, that no such right shall exist against any deposit designated as being for the benefit of any Governmental Authority, provided, further, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Agent for further application in accordance with the provisions of Section 2.19 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower after any such set-off and application, provided, that, the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender, the Agent, Issuing Bank, and each such Affiliate under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that the Agent, the Issuing Bank, the Lenders or such Affiliates may have.

SECTION 9.07. Binding Effect. This Agreement shall become effective as of the Restatement Date and thereafter shall be binding upon and inure to the benefit of the Borrower, the Agent, and each Lender and their respective successors and assigns, except that Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of all of the Lenders.

SECTION 9.08. Assignments and Participations.

(a) Each Lender may, with the consent of the Agent (not to be unreasonably withheld or delayed) in the case of an assignment to a Person who is not an Affiliate of such Lender and, if demanded by the Company so long as no Event of Default shall have occurred and be continuing and only with respect to any Affected Lender, upon at least five (5) Business Days' notice to such Lender and the Agent, shall, assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment or Commitments, its participations in Letters of Credit, if any, and the Note or Notes held by it); provided, however, that (i) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement with respect to one or more Facilities, (ii) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender, or an assignment of all of a Lender's rights and obligations under this Agreement, the amount of the Commitment of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than \$1,000,000 or an integral multiple of \$1,000,000 in excess thereof, in each case, unless the Company and the Agent otherwise agree, (iii) each such assignment shall be to an Eligible Assignee, (iv) each such assignment made as a result of a demand by the Company pursuant to this Section 9.08(a) shall be arranged by the Company after consultation with the Agent and shall be either an assignment of all of the rights and obligations of the assigning Lender under this Agreement or an assignment of a portion of such rights and obligations made concurrently with another such assignment or other such assignments that together cover all of the rights and obligations of the assigning Lender under this Agreement, (v) no Lender shall be obligated to make any such assignment as a result of a demand by the Company pursuant to this Section 9.08(a) unless and until such Lender shall have received one or more payments from either the Borrower or one or more

Eligible Assignees in an aggregate amount at least equal to the aggregate outstanding amount owing to such Lender, together with accrued interest thereon to the date of payment of such principal amount and all other amounts payable to such Lender under this Agreement, and (vi) the parties to each such assignment shall execute and deliver to the Agent, for its acceptance and recording in the Register, an Assignment and Acceptance (and the assignee, if it is not a Lender, shall deliver to the Agent an Administrative Questionnaire), together with any Note subject to such assignment and a processing and recordation fee of \$3,500 payable by the parties to each such assignment; provided, however, that (x) only one such fee shall be payable in connection with simultaneous assignments to or by two or more Approved Funds with respect to a Lender and (y) in the case of each assignment made as a result of a demand by the Company, such recordation fee shall be payable by the Company except that no such recordation fee shall be payable in the case of an assignment made at the request of the Company to an Eligible Assignee that is an existing Lender. Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (y) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Sections 2.11, 2.14 and 9.04 to the extent any claim thereunder relates to an event arising prior to such assignment) and be released from its obligations (other than its obligations under Section 9.06 to the extent any claim thereunder relates to an event arising prior to such assignment) under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(b) By executing and delivering an Assignment and Acceptance, the Lender assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 5.01(h) and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement and the other Loan Documents as are delegated to the Agent by the terms hereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(c) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee representing that it is an Eligible Assignee, together with any Note or Notes subject to such assignment, the Agent shall, if such Assignment and Acceptance has been completed and

is in substantially the form of Exhibit A hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Company

(d) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Agent, the applicable pro rata share of Letter of Credit Obligations previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all participations in Letters of Credit in accordance with its Ratable Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(e) The Agent shall maintain at its address referred to in Section 9.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount of the Letter of Credit Obligations owing to, each Lender from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agent and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(f) Each Lender may sell participations to one or more banks or other entities (other than the Company or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment, the Letter of Credit Obligations owing to it and any Note or Notes held by it); provided, however, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitment to the Borrower hereunder) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, provided, however, that any agreement between a Lender and such participant may provide that the Lender will not, without the consent of participant, agree to any such amendment, waiver or consent which would reduce the amount owing to such participant, including any fees or other amounts payable hereunder, in each case to the extent subject to such participation, or postpone any date fixed for any payment of principal of, or interest on, the Letter of Credit Obligations or any fees or other amounts payable hereunder, in each case to the extent subject to such participation.

(g) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.08, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; provided, that, prior to any such disclosure, the assignee or participant or

proposed assignee or participant shall agree to preserve the confidentiality of Borrower Information relating to the Borrower received by it from such Lender.

(h) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; provided, that, no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

(i) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register in the United States on which it enters the name and address of each participant and the principal amounts and stated interest of each participant's interest in the Loans, Commitments or other obligations under this Agreement (the "Participant Register"); provided, that, no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest in any Commitments, Letter of Credit Obligations, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that the Loans are in registered form under Treas. Reg. § 5f.103-1(c). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as owner of such participation for all purposes of this Agreement.

(j) The Agent may conclusively rely on the list of Disqualified Institutions provided by the Borrower (or any supplement thereto) for all purposes of this Agreement and the other Loan Documents, including in approving or declining to approve a Person as an Eligible Assignee, executing and delivering any Assignment and Acceptance, making any recording in the Register in respect of such Assignment and Acceptance or otherwise, and shall have no liability of any kind to any Loan Party or any Affiliate thereof, any Lender or any other Person if such list of Disqualified Institutions (or any supplement thereto) is incorrect or if any Person is incorrectly identified in such list of Disqualified Institutions (or any supplement thereto) as a Person to whom no assignment is to be made.

SECTION 9.09. Confidentiality. Neither the Agent nor any Lender may disclose to any Person any confidential, proprietary or non-public information of any Loan Party furnished to the Agent or the Lenders by any Loan Party, including, without limitation (1) earnings and other financial information and forecasts, budgets, projections, plans, (including, without limitation, any confirmations of publicly disclosed advice regarding any material matter); (2) mergers, acquisitions, tender offers, joint ventures or changes in assets; (3) new products or discoveries or developments regarding any Loan Party's customers or suppliers; (4) changes in control or in management; (5) changes in auditors or auditor notifications to the Loan Party; (6) securities redemptions, splits, repurchase plans, changes in dividends, changes in rights of holders or sales of additional securities; and (7) negative news relating to such matters as physical damage to properties from significant events, loss of significant contractual relationship, material litigation, defaults under contracts or securities, bankruptcy or receivership (such information being referred to collectively herein as the "Borrower Information"), except that each of the Agent, and each of the Lenders may disclose Borrower Information (i) to its Affiliates and to its and its Affiliates' managers, administrators, partners, employees, trustees, officers, directors, agents, advisors and other representatives solely for purposes of this Agreement, any Notes and the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of Borrower Information and instructed to keep such Borrower Information confidential on terms substantially no less restrictive than those provided herein), (ii) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulating authority, such as the National Association of Insurance Commissioners), provided, to the extent permitted by law and practicable under the circumstances, the Agent or such Lender shall provide the Company with prompt

notice of such requested disclosure so that the Company may seek a protective order prior to the time when the Agent or such Lender is required to make such disclosure, (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, provided, to the extent permitted by law and practicable under the circumstances, the Agent or such Lender shall provide the Company with prompt notice of such requested disclosure so that the Company may seek a protective order prior to the time when the Agent or such Lender is required to make such disclosure, (iv) subject to this Section 9.09, to any other Lender to this Agreement which has requested such information, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) subject to an agreement containing provisions no less restrictive than those of this Section 9.09, to any assignee or participant or prospective assignee or participant or any pledge referred to in Section 9.08(h), (vii) to the extent such Borrower Information (A) is or becomes generally available to the public on a non-confidential basis other than as a result of a breach of this Section 9.09 by the Agent or such Lender, or (B) is or becomes legally available to the Agent or such Lender on a nonconfidential basis from a source other than a Loan Party, provided, that, the source of such information was not known by the Agent or such Lender to be bound by a confidentiality agreement with or other contractual, legal or fiduciary obligations of confidentiality to a Loan Party or any other party with respect to such information, (viii) with the consent of the Company, (ix) to any party hereto and (x) subject to the Agent's or the applicable Lender's receipt of an agreement containing provisions no less restrictive than those of this Section, to any actual or prospective party (or its managers, administrators, trustees, partners, directors, officers, employees, agents, advisors and other representatives) to any swap, derivative or other transaction under which payments are to be made by reference to the Company and its Obligations, this Agreement or payments hereunder. Any Person required to maintain the confidentiality of Borrower Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Borrower Information as such Person would accord to its own confidential information.

SECTION 9.10. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or in .pdf (or similar electronic format) shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.11. Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Agent, and each Lender, regardless of any investigation made by the Agent or any Lender or on their behalf and notwithstanding that the Agent, or any Lender may have had notice or knowledge of any Default at the time of any Issuance of a Letter of Credit, and shall continue in full force and effect as long as any Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

SECTION 9.12. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.12, if and to the extent that the enforceability of any provisions in

this Agreement relating to Defaulting Lenders shall be limited by Bankruptcy Laws, as determined in good faith by the Agent or the Issuing Bank, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 9.13 Jurisdiction.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE AGENT, ANY LENDER OR ANY ISSUING BANK MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTIES OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT

NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.14. No Liability of the Issuing Bank. Each Lender and each Loan Party agree that, in paying any drawing under a Letter of Credit, Issuing Bank shall not have any responsibility to obtain any document, other than any sight draft, certificates and documents expressly required by the Letter of Credit, or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. Each Loan Party assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither an Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrower shall have a claim against Issuing Bank, and Issuing Bank shall be liable to the Borrower, to the extent of any direct, but not consequential, damages suffered by the Company that the Company proves were caused by such Issuing Bank's willful misconduct or gross negligence as found in a final non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary and Issuing Bank shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; provided, that, nothing herein shall be deemed to excuse Issuing Bank if it acts with gross negligence or willful misconduct in accepting such documents as found in a final non-appealable judgment by a court of competent jurisdiction.

SECTION 9.15. PATRIOT Act Notice. Each Lender, and the Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Agent, as applicable, to identify such Loan Party in accordance with the PATRIOT Act. Each Loan Party shall provide such information and take such actions as are reasonably requested by the Agent or any Lenders in order to assist the Agent and the Lenders in maintaining compliance with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

SECTION 9.16. Release of Collateral; Termination of Loan Documents.

(a) (i) Upon the sale, lease, transfer or other Disposition of any item of Collateral of any Loan Party in accordance with the terms of the Loan Documents, including, without limitation, as a result of the sale, in accordance with the terms of the Loan Documents, of the Loan Party that owns such Collateral, (ii) upon a Subsidiary being designated an Immaterial Subsidiary or an Excluded Subsidiary, in accordance with the Loan Documents, (iii) at any time a Loan Party's guarantee of the obligations under the Loan Documents ceases as provided in Section 7.07, the security interests granted by the Loan

Documents with respect to such items of Collateral and/or Loan Party shall immediately terminate and automatically be released (so long as in the case of Dispositions by any Loan Party pursuant to the terms of the Loan Documents (other than Dispositions of Collateral not comprising TMM Assets) and in respect of clauses (ii) and (iii) above, Agent has received a written certification by Borrower that such Disposition or other transaction, as applicable is permitted under the terms of the Loan Documents (and Agent shall be entitled to rely conclusively upon such certification without further inquiry)), and the Agent will, at the Company's expense, execute and deliver to such Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents.

(b) Upon the latest of (i) the payment in full in cash of all Obligations under the Loan Documents, (ii) the termination in full of the Commitments and the Letter of Credit Commitment and (iii) the latest date of expiration or termination of all Letters of Credit (or receipt by the Agent of an irrevocable notice from Issuing Bank that it will not seek to enforce any rights that it has or may have in accordance with Section 2.03 against the Agent or the Lenders), (x) except as otherwise specifically stated in this Agreement or the other Loan Documents, this Agreement and the other Loan Documents shall terminate and be of no further force or effect, (y) the Agent shall release or cause the release of all Collateral from the Liens of the Loan Documents and the Guarantors of all Obligations under each Guaranty, and will, at the Company's expense, execute and deliver such documents as the Company may reasonably request to evidence the release of Collateral from the assignment and security interest granted under the Collateral Documents and the obligations of the Guarantors and (z) each Lender that has requested and received a Note shall return such Note to the Company marked "cancelled" or "paid in full"; provided, however, that the Lenders' obligations under Section 9.09 shall continue until the earlier of (x) the date that is three (3) years after the termination of this Agreement and (y) the date that is three (3) months after the latest date that is the subject of the Projections delivered in accordance with Section 5.01(h)(viii), and the Lender's obligations under this Section 9.16 shall survive until satisfied.

SECTION 9.17. Judgment Currency.

(a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in Dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase Dollars with such other currency at the exchange rate on the Business Day preceding that on which final judgment is given.

(b) The obligation of each Loan Party in respect of any sum due from it in any currency (the "Primary Currency") to any Lender or the Agent hereunder shall, notwithstanding any judgment in any other currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Agent (as the case may be), of any sum adjudged to be so due in such other currency, such Lender or the Agent (as the case may be) may in accordance with normal banking procedures purchase the applicable Primary Currency with such other currency; if the amount of the applicable Primary Currency so purchased is less than such sum due to such Lender or the Agent (as the case may be) in the applicable Primary Currency, each Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Agent (as the case may be) against such loss, and if the amount of the applicable Primary Currency so purchased exceeds such sum due to any Lender or the Agent (as the case may be) in the applicable Primary Currency, such Lender or the Agent (as the case may be) agrees to remit to such Loan Party such excess.

SECTION 9.18. No Fiduciary Duty. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its

Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agent, the Arranger, the Issuing Bank and the Lenders are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Agent, the Arranger, the Issuing Bank and the Lenders, on the other hand, (B) each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Loan Parties are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agent, the Arranger, the Issuing Bank and the Lender each are and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, have not been, are not, and will not be acting as an advisor, agent or fiduciary for the Loan Parties or any of their respective Affiliates, or any other Person and (B) neither the Agent, the Arranger, the Issuing Bank nor the Lenders have any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agent, the Arranger, the Issuing Bank and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Agent, the Arranger nor the Lenders have any obligation to disclose any of such interests to the Loan Parties or their respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Agent, the Arranger, the Issuing Bank and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.19. Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act or similar foreign laws.

SECTION 9.20. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the parties, each party hereto (including each Secured Party) acknowledges that any liability arising under a Loan Document of any Secured Party that is an Affected Financial Institution, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority, and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising under any Loan Documents which may be payable to it by any Secured Party that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under any Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.21. Reaffirmation; Amendment and Restatement; No Novation.

(a) Each Loan Party acknowledges, confirms and agrees that (i) it is indebted to Agent and Lenders under the Existing Credit Agreement, including principal and all interest accrued and accruing thereon (to the extent applicable), and all fees, costs, expenses and other charges relating thereto, all of which are unconditionally owing by Loan Parties, without offset, defense or counterclaim of any kind, nature or description whatsoever, (ii) Agent has had and shall on and after the date hereof continue to have, for itself and the benefit of the other Secured Parties, a security interest in and lien upon the Collateral heretofore granted to Agent (or its predecessors in whatever capacity) pursuant to the Loan Documents to secure the Obligations, (iii) the liens and security interests of Agent in the Collateral shall be deemed to be continuously granted and perfected from the earliest date of the granting and perfection of such liens and security interests to Agent, and (iv) the Existing Credit Agreement and each of the other Loan Documents remain in full force and effect and are hereby ratified and confirmed.

(b) On and after the Restatement Date, the terms and conditions of the Existing Credit Agreement are amended as set forth in, and restated in their entirety and superseded by, this Agreement. Nothing in this Agreement shall be deemed to be a novation of any of the Obligations as defined in the Existing Credit Agreement or in any way impair or otherwise affect the rights or obligations of the parties thereunder (including with respect to Existing Letters of Credit and representations and warranties made thereunder) except as such rights or obligations are amended or modified hereby. Notwithstanding any provision of this Agreement or any other Loan Document or instrument executed in connection herewith, the execution and delivery of this Agreement and the incurrence of Obligations hereunder shall be in substitution for, but not in payment of, the Obligations owed by the Loan Parties under the Existing Credit Agreement. The Existing Credit Agreement as amended and restated hereby as of the Restatement Date shall be deemed to be a continuing agreement among the parties, and all documents, instruments and agreements delivered pursuant to or in connection with the Existing Credit Agreement not amended and restated in connection with the entry of the parties into this Agreement shall remain in full force and effect, each in accordance with its terms, as of the date of delivery or such other date as contemplated by such document, instrument or agreement to the same extent as if the modifications to the Existing Credit Agreement contained herein were set forth in an amendment to the Existing Credit Agreement in a customary form, unless such document, instrument or agreement has otherwise been terminated or has expired in accordance with or pursuant to the terms of this Agreement, the Existing Credit Agreement or such document, instrument or agreement or as otherwise agreed by the required parties hereto or thereto. From and after the Restatement Date, each reference to the "Agreement", "Credit Agreement" or other reference originally applicable to the Existing Credit Agreement contained in any Loan Document shall be a reference to this Agreement, as amended, supplemented, restated or otherwise modified from time to time.

SECTION 9.22. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a

Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
