**Item 7.01 Regulation FD Disclosure**

On January 19, 2012, Eastman Kodak Company (the "Company") and its U.S. domestic subsidiaries (together with the Company, the "Debtors") filed voluntary petitions for relief (the "Bankruptcy Filing") under chapter 11 of title 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), case number 12-10202.

On January 31, 2013 the Debtors filed their monthly operating report as of and for the period ending December 31, 2012 (the "Monthly Operating Report") with the Bankruptcy Court. The December Monthly Operating Report is attached as Exhibit 99.1.

The Monthly Operating Report does not reflect the Company's international businesses that were not part of the Bankruptcy Filing. Further, the financial information of the Debtors includes costs for which the Debtors are responsible on behalf of the entire Company. The Monthly Operating Report also includes other items such as transactions with non-debtor entities that are eliminated in the consolidated results, among other things, and excludes normal quarterly adjustments.

The information set forth in this Item 7.01 and the attached Exhibit 99.1 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Securities Exchange Act") or otherwise subject to the liabilities in that section.

**Cautionary Statement Regarding Financial Operating Data**

The Monthly Operating Report is limited in scope, covers limited time periods and has been prepared solely for the purpose of complying with the Bankruptcy Court's monthly reporting requirements, including the Debtors' use of assets and cash position. The Monthly Operating Report was not prepared in accordance with U.S. GAAP, has not been audited or reviewed by independent accountants, is in a format prescribed by applicable bankruptcy laws and is subject to future adjustment and reconciliation.

The Company cautions investors and potential investors not to place undue reliance on the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any of the securities of the Company. Unlike the information required in the Company's quarterly and annual financial statements filed pursuant to the Securities Exchange Act, the Monthly Operating Report contains information that may not be indicative of the Company's financial condition or operating results for the periods that are reflected in the Company's financial statements or in its reports filed pursuant to the Securities Exchange Act, and are not comparable with those filings. There can be no assurance that, from the perspective of an investor or potential investor in the Company's securities, that the Monthly Operating Report is complete. Results set forth in the Monthly Operating Report should not be viewed as indicative of future results.

**Cautionary Statement Regarding Common Stock and Other Securities**

The Company cannot predict what the ultimate value of any of its common stock or other securities may be and it remains too early to determine whether holders of any such securities will receive any distribution in the Debtors' reorganization.

**Notes to the MOR:**

This Monthly Operating Report ("MOR") has been prepared solely for the purpose of complying with the monthly reporting requirements applicable in the bankruptcy cases and is in a format acceptable to the U.S. Trustee. The financial information contained herein is unaudited, limited in scope and as discussed below, is not prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The unaudited combined financial statements have been derived from the books and records of the Debtors. The information furnished in this report includes primarily normal recurring adjustments, but not all the adjustments that would typically be made for the quarterly and annual financial statements to be in accordance with U.S. GAAP. Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that Eastman Kodak Company and its consolidated subsidiaries and affiliates (the "Company") apply in the preparation of its quarterly and annual financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Company and Debtors believe that the financial information may be subject to change, and these changes could be material.

The Debtor combined financial statements presented in MOR-2 and MOR-3 do not include non-debtor subsidiaries and affiliates. As such, intercompany balances related to non-debtor affiliates have not been eliminated. Investment in subsidiary balances are recorded at cost which may not be in accordance with U.S. GAAP. Intercompany transactions between Debtors have been eliminated in the Debtor combined financial statements contained herein. The amounts currently classified as liabilities subject to compromise may be subject to future change, as described below.

On May 10, 2012, the Bankruptcy Court entered an order establishing July 17, 2012 as the bar date for potential creditors to file proofs of claims. The Debtors have received approximately 6,000 proofs of claims, a portion of which assert, in part or in whole, unliquidated amounts. The Debtors are now in the process of reconciling such claims to the amounts listed by the Debtors in their schedule of assets and liabilities. Differences in liability amounts estimated by the Debtors and claims filed by creditors will be investigated and resolved, including through the filing of objections with the Bankruptcy Court, where appropriate. The Debtors may ask the Court to disallow claims that the Debtors believe are duplicative, have been later amended or superseded, are without merit, are overstated or should be disallowed for other reasons. In addition, as a result of this process, the Debtors may identify additional liabilities that will need to be recorded or reclassified to liabilities subject to compromise. In light of the substantial number of claims filed, the claims resolution process may take considerable time to complete. The resolution of such claims could result in material adjustments to the Debtors financial statements. The determination of how liabilities will ultimately be treated cannot be made until the Bankruptcy Court approves a plan of reorganization. Accordingly, the ultimate amount or treatment of such liabilities is not determinable at this time.

The results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations, financial position and cash flows of the Company or Debtors in the future. The Debtors and the Company caution readers not to place undue reliance upon the MOR. There can be no assurance that such information is complete and the MOR may be subject to revision.

**Notes to MOR 4 and MOR 5:**

The Debtors will disclose the ending accounts receivable and accounts payable balances as part of MOR 3. Due to the volume of transactions related to customer and vendor billings and payments, agings of these items will be made available upon request.

**Note to MOR 6:**

The Debtors believe the various motions, filings, and orders that occur with the U.S. Bankruptcy Courts on a regular basis achieve the disclosure requirement of this MOR.
