2.4 No New Liens. The parties hereto agree that there shall be no Lien, and no Grantor shall have any right to create any Lien, on any asset of such Grantor securing any Secured Obligation of such Grantor if such asset is not also subject to a Lien securing each other Secured Obligation of such Grantor, except that (x) nothing contained in this Section 2.4 shall preclude (i) the First Priority Secured Parties from being granted Adequate Protection Liens regardless of whether any Adequate Protection Liens are granted to the Second Priority Secured Parties or the Third Priority Secured Parties or (ii) the Second Priority Secured Parties or the Third Priority Secured Parties from being granted Adequate Protection Liens in accordance with Section 5.4 and (y) this Section 2.4 shall be inapplicable to any Lien securing obligations under any Secured Agreements and/or Hedge Agreement Obligations and/or Letters of Credit (as defined in the ABL Credit Agreement), and not any other obligations, that is permitted under both the ABL Credit Agreement and the Term Loan Agreement. 3.1 Exclusive Enforcement.

(a) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, whether or not an Insolvency Proceeding has been commenced by or against any Grantor, the First Priority Secured Parties shall have the exclusive right to take and continue (or refrain from taking or continuing) any Enforcement Action with respect to such Common Collateral, without any consultation with or consent of any Second Priority Secured Party or any Third Priority Secured Party with respect to such Common Collateral; *provided* that the Second Priority Secured Parties and the Third Priority Secured Parties with respect to any Common Collateral may exercise credit bidding rights with respect to such Common Collateral (A) to the extent expressly permitted under clause (y) of

Section 5.6(a) and (B) to the extent expressly permitted under Section 5.6(c). (b) Notwithstanding Section 3.1(a), with respect to each Type of Common Collateral, the Second Priority Representative and the Second Priority Secured Parties may enforce any of their rights and exercise any of their remedies with respect to the Common Collateral after a period of 180 days has elapsed since the date on which the Second Priority Representative has delivered to the First Priority Representative written notice of the acceleration or non-payment at maturity of the indebtedness then outstanding under the Second Priority Documents (the "Second Priority Standstill Period"); *provided, however*, that notwithstanding the expiration of the Second Priority Standstill Period or anything to the contrary herein, with respect to each Type of Common Collateral, in no event shall the Second Priority Representative or any other Second Priority Secured Party enforce or exercise any rights or remedies with respect to such Common Collateral if the First Priority Representative or any other First Priority Secured Party shall have commenced, and shall be diligently pursuing (or shall have sought or requested relief from or modification of the automatic stay or any other stay in any Insolvency Proceeding to enable the commencement and pursuit thereof), the enforcement or exercise of any rights or remedies with respect to all or a material portion of such Common Collateral (prompt written notice thereof to be given to the Second Priority Representative by the First Priority Representative). If any stay or other order prohibiting the exercise of remedies with respect to any Type of Common Collateral has been entered in connection with any Insolvency Proceeding or by a court of competent jurisdiction, the Second Priority Standstill Period with respect to such Common Collateral shall be tolled during the pendency of any such stay or other order.

(c) It is understood that Sections 3.1(a) and 3.1(b) do not restrict the following:

(iii) (A) the Second Priority Secured Parties with respect to each Type of Common Collateral shall be entitled to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or

(iv) the Second Priority Secured Parties and the Third Priority Secured Parties with respect to each Type of Common Collateral shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either any bankruptcy, insolvency or similar law or applicable non-bankruptcy law, in each case in accordance with the terms of this Agreement; and

(d) With respect to each Type of Common Collateral, (i) each of the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees, for the benefit of the First Priority Representative and each other First Priority Secured Party, that until the First Priority Obligations Payment Date, they will not take any Enforcement Action with respect to such Common Collateral, except as otherwise permitted under the proviso to the first sentence of Section 3.1(a) or under Section 3.1(b) and (ii) the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees, for the benefit of the Second Priority Representative and each other Second Priority Secured Party, that until the Second Priority Obligations Payment Date, they will not take any Enforcement Action with respect to such Common Collateral;

3.3 Judgment Creditors. In the event that any Second Priority Secured Party or Third Priority Secured Party becomes a judgment lien creditor as a result of its enforcement of its rights as an unsecured creditor in respect of its Second Priority Obligations or Third Priority Obligations, as the case may be (it being understood that any such party may exercise its rights and remedies as an unsecured creditor against the relevant Grantors in accordance with the terms of the Second Priority Documents or Third Priority Documents, as applicable, and applicable law; *provided* that such exercise of rights or remedies is not a violation of this Agreement), such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Priority Liens and the First Priority Obligations and the Second Priority Liens and the Second Priority Obligations, as applicable) to the same extent as all other Second Priority Liens (created pursuant to the Second Priority Documents) or all other Third Priority Liens (created pursuant to the Third Priority Documents), as the case may be, subject to this Agreement.

3.4 Cooperation. With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties agrees that each of them shall take such actions as the First Priority Representative shall reasonably request in connection with an Enforcement Action by any First Priority Secured Party or the exercise by the First Priority Secured Parties of their rights set forth herein.

3.5 No Additional Rights for the Grantors Hereunder. Except as provided in Section 3.6, if any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Grantor shall be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any Secured Party.

3.6 Actions Upon Breach.

(a) With respect to each Type of Common Collateral, if any Second Priority Secured Party or Third Priority Secured Party commences or participates in any action or proceeding against any Grantor in respect of such Common Collateral contrary to this Agreement, such Grantor, with the prior written consent of the First Priority Representative, may interpose as a defense or dilatory plea the making of this Agreement, and any First Priority Secured Party may intervene and interpose such defense or plea in its or their name or in the name of such Grantor.

SECTION 4. *Application of Proceeds of Common Collateral; Dispositions and Releases of Common Collateral; Inspection and Insurance.*

4.1 Application of Proceeds; Turnover Provisions.

(a) All proceeds of ABL Priority Collateral (to the extent such ABL Priority Collateral constitutes Common Collateral) (including any interest earned thereon) resulting from any Enforcement Action, and whether or not pursuant to an Insolvency Proceeding, shall be distributed as follows:

first, to the First Priority Representative with respect to the ABL Priority Collateral to be applied in accordance with Section 6.04 of the ABL Credit Agreement (or the then-extant First Priority Documents with respect to the ABL Priority Collateral) until the First Priority Obligations with respect to the ABL Priority Collateral are paid in full;

second, to the Second Priority Representative with respect to the ABL Priority Collateral to be applied in accordance with Section 6.02 of the Term Loan Agreement (or the then-extant Second Priority Documents with respect to the ABL Priority Collateral) until the Second Priority Obligations with respect to the ABL Priority Collateral are paid in full;

third, to the Third Priority Representative with respect to the ABL Priority Collateral to be applied in accordance with Section 6.02 of the Term Loan Agreement (or the then-extant Third Priority Documents with respect to the ABL Priority Collateral) until the Third Priority Obligations with respect to the ABL Priority Collateral are paid in full; and

finally, to the relevant Grantor, or as a court of competent jurisdiction may direct.

(b) All proceeds of the Term Loan Priority Collateral (to the extent such Term Loan Priority Collateral constitutes Common Collateral) (including any interest earned thereon) resulting from any Enforcement Action, and whether or not pursuant to an Insolvency Proceeding, shall be distributed as follows:

first, to the First Priority Representative with respect to the Term Loan Priority Collateral to be applied in accordance with Section 6.02 of the Term Loan Agreement (or the then-extant First Priority Documents with respect to the Term Loan Priority Collateral) until the First Priority Obligations with respect to the Term Loan Priority Collateral are paid in full;

second, to the Second Priority Representative with respect to the Term Loan Priority Collateral to be applied in accordance with Section 6.04 of the ABL Credit Agreement (or the then-extant Second Priority Documents with respect to the Term Loan Priority Collateral) until the Second Priority Obligations with respect to the Term Loan Priority Collateral are paid in full;

third, to the Third Priority Representative with respect to the Term Loan Priority Collateral to be applied in accordance with Section 6.02 of the Term Loan Agreement (or the then-extant Third Priority Documents with respect to the Term Loan Priority Collateral) until the Third Priority Obligations with respect to the Term Loan Priority Collateral are paid in full; and

finally, to the relevant Grantor, or as a court of competent jurisdiction may direct.

(c) With respect to each Type of Common Collateral, until the occurrence of the First Priority Obligations Payment Date, no Second Priority Secured Party or Third Priority Secured Party may accept any such Common Collateral, including any such Common Collateral constituting proceeds, in satisfaction, in whole or in part, of the Second Priority Secured Obligations or Third Priority Secured Obligations, as the case may be, in violation of Sections 4.1(a) or 4.1(b). Any Common Collateral, including any Common Collateral constituting proceeds, received by a Second Priority Secured Party or Third Priority Secured Party that is not permitted to be received pursuant to the preceding sentence shall be segregated and held in trust and promptly turned over to the First Priority Representative with respect to such Common Collateral to be applied in accordance with Section 4.1(a) or 4.1(b), as the case may be, in the same form as received, with any necessary endorsements, and each Second Priority Secured Party and each Third Priority Secured Party hereby authorizes the First Priority Representative to make any such endorsements as agent for the Second Priority Representative and the Third Priority Representative (which authorization, being coupled with an interest, is irrevocable). Upon the turnover of such Common Collateral as contemplated by the immediately preceding sentence, the Second Priority Obligations or the Third Priority Obligations purported to be satisfied by the payment of such Common Collateral shall be immediately reinstated in full as though such payment had never occurred.

4.2 Releases of Lien.

(a) With respect to each Type of Common Collateral, upon any release, sale or disposition of such Common Collateral that results in the release of the First Priority Lien on such Common Collateral and that is (i) permitted pursuant to the terms of the First Priority Documents and not prohibited under the Second Priority Documents or Third Priority Documents or (ii) effected pursuant to an Enforcement Action, the Second Priority Lien and the Third Priority Lien on such Common Collateral (but not on any proceeds of such Common Collateral not required to be paid to the First Priority Secured Parties) shall be automatically and unconditionally released.

(b) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, the Second Priority Representative and the Third Priority Representative shall promptly execute and deliver such release documents and instruments and shall take such further actions as the First Priority Representative shall reasonably request to evidence any release of the Second Priority Lien and Third Priority Lien described in Section 4.2(a). With respect to each Type of Common Collateral, the Second Priority Representative and the Third Priority Representative hereby appoints the First Priority Representative and any officer or duly authorized person of the First Priority Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power of attorney in the place and stead of the Second Priority Representative and the Third Priority Representative and in the name of the Second Priority Representative, the Third Priority Representative or in the First Priority Representative's own name; *provided* that such power of attorney may only be exercised if the Second Priority Representative or the Third Priority Representative has not executed and delivered such release documents and instruments in a timely manner following a request from the First Priority Representative, and must be exercised in the First Priority Representative's reasonable discretion, solely for the purposes of carrying out the terms of Section 4.2(a), to take any and all appropriate action and to execute and deliver any and all documents and instruments as may be necessary or desirable to accomplish the purposes of Section 4.2(a), including any financing statements, endorsements, assignments, releases or other documents or instruments of transfer (which appointment, being coupled with an interest, is irrevocable).

4.3 Inspection Rights and Insurance.

(a) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, any First Priority Secured Party and its representatives and invitees may, to the extent expressly permitted by the First Priority Documents, inspect, repossess, remove and otherwise deal with such Common Collateral, and, pursuant to an Enforcement Action, the First Priority Representative may advertise and conduct public auctions or private sales of such Common Collateral, in each case without notice (other than any notice required by law) to, the involvement of or interference by any Second Priority Secured Party or Third Priority Secured Party or liability to any Second Priority Secured Party or Third Priority Secured Party.

(b) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, the First Priority Representative will have the sole and exclusive right, subject to the rights of the Grantors under the applicable First Priority Documents, (i) to be named as additional insured and loss payee under any insurance policies maintained from time to time by any Grantor with respect to such Common Collateral (except that, if the applicable insurer permits, the Second Priority Representative and the Third Priority Representative shall have the right to be named as an additional insured so long as its second lien status or third lien status, as the case may be, is identified in a manner reasonably satisfactory to the First Priority Representative); (ii) to adjust or settle any insurance policy or claim covering such Common Collateral in the event of any loss thereunder; and (iii) to approve any award granted in any condemnation or similar proceeding affecting such Common Collateral.

4.4 Option to Purchase ABL Secured Obligations.

(a) Without prejudice to the enforcement of remedies by the ABL Agent (whether in its capacity as First Priority Representative or Second Priority Representative) or the ABL Secured Parties, the ABL Secured Parties agree that at any time following (a) acceleration of the ABL Secured Obligations in accordance with the terms of the ABL Credit Agreement, (b) the commencement of an Enforcement Action by the ABL Secured Parties or (c) the commencement of an Insolvency Proceeding by or against any Grantor (each, an "ABL Purchase Event"), one or more of the New Money Term Loan Secured Parties may request to purchase by way of assignment (and, to the extent

provided in clause (b) below, cash collateralization), and the ABL Secured Parties, severally and not jointly, hereby offer the New Money Term Loan Secured Parties the option to purchase by way of assignment (and, to the extent provided in clause (b) below, cash collateralization) (and shall thereby also assume all commitments and duties of the ABL Secured Parties, other than in respect of Secured Agreements) all, but not less than all, of the aggregate amount of ABL Secured Obligations outstanding at the time of purchase (any such purchase, an "ABL Purchase"; and the persons effecting such purchase, the "ABL Purchasing Parties"); *provided* that (x) at the time of (and as a condition to) any ABL Purchase all commitments pursuant to any then outstanding ABL Credit Agreement shall have terminated, (y) any ABL Purchase shall be effected not later than 30 days following the first date on which an ABL Purchase Event occurs and (z) any ABL Purchase shall not in any way affect any rights of the ABL Secured Parties with respect to indemnification and other obligations of the Grantors under the ABL Loan Documents that are expressly stated to survive the termination of the ABL Documents (the "Surviving ABL Obligations").

(b) Without limiting the obligations of the Grantors to the ABL Secured Parties under the ABL Loan Documents with respect to the Surviving ABL Obligations, on the date of an ABL Purchase, the ABL Purchasing Parties shall (i) pay to the ABL Secured Parties as the purchase price (the "ABL Purchase Price") 100% of the amount of all ABL Secured Obligations (other than Unasserted Contingent Obligations) then outstanding and unpaid (including principal, interest, fees, breakage costs, attorneys' and advisors' fees and expenses (in each case, whether or not invoiced or final)), payable in cash, (ii) furnish cash collateral to the ABL Secured Parties in such amounts as the relevant ABL Secured Parties determine is reasonably necessary to secure such ABL Secured Parties in connection with any ABL Secured Obligations in respect of Secured Agreements, without prejudice to the right of such ABL Secured Parties to terminate any such Secured Agreements at any time, (iii) furnish cash collateral to the ABL Secured Parties in such amounts as the relevant ABL Secured Parties determine is reasonably necessary to secure such ABL Secured Parties in connection with any outstanding Letters of Credit (as defined in the ABL Credit Agreement) (not to exceed 105% of the aggregate undrawn face amount of such letters of credit) and (iv) agree to reimburse the ABL Secured Parties for (x) returned payment items relating to any checks or other payments provisionally credited to the ABL Secured Obligations and/or as to which the ABL Secured Parties have not yet received final payment and, in each case, are reflected in the ABL Purchase Price and (y) to the extent that the cash collateral furnished pursuant to clauses (ii) and/or (iii) is insufficient, all amounts thereafter drawn under any outstanding Letters of Credit or thereafter payable by the ABL Secured Parties (or any of them) in respect of Secured Agreements.

(c) The ABL Purchase Price and cash collateral shall be remitted by wire transfer in immediately available funds to such account of the ABL Agent as it shall designate to the ABL Purchasing Parties. The ABL Agent shall, promptly following its receipt thereof, distribute the amounts received by it in respect of the ABL Purchase Price to the ABL Secured Parties in accordance with their holdings of the applicable ABL Secured Obligations. Interest shall be calculated to but excluding the day on which the ABL Purchase occurs if the amounts so paid by the ABL Purchasing Parties to the account designated by the ABL Agent are received in such account prior to 1:00 p.m., New York City time, and interest shall be calculated to and including such day if the amounts so paid by the ABL Purchasing Parties to the account designated by the ABL Agent are received in such account later than 1:00 p.m., New York City time.

(d) After the date of such ABL Purchase (i) the ABL Agent will promptly provide the New Money Term Loan Agent with written notification of the termination of any Secured Agreements and the cancellation or termination of any Letters of Credit (as defined in the ABL Credit Agreement), in each case, for which the ABL Purchasing Parties have provided cash collateral, and (ii) to the extent any Secured Agreements are terminated or any Letters of Credit are cancelled or terminated without

being drawn, the ABL Agent shall return to the ABL Purchasing Parties such portion of the cash collateral furnished to the ABL Agent as collateral therefor and not applied to the satisfaction of the ABL Secured Obligations to which such cash collateral relates.

(e) The ABL Purchase shall be made without representation or warranty of any kind by the ABL Secured Parties as to the ABL Secured Obligations, the ABL Priority Collateral or otherwise and without recourse to the ABL Secured Parties, except that the ABL Secured Parties shall represent and warrant: (i) the amount of the ABL Secured Obligations being purchased, (ii) that the ABL Secured Parties own the ABL Secured Obligations free and clear of any Liens (other than participation interests not prohibited under the ABL Credit Agreement, in which case the ABL Purchase Price shall be appropriately adjusted so that the ABL Purchasing Parties do not pay amounts in respect of any participation interests that remain in effect) and (iii) that the ABL Secured Parties have the right to assign the ABL Secured Obligations and the assignment is duly authorized.

(f) The ABL Purchase shall be made pursuant to assignment documentation in form and substance reasonably satisfactory to the ABL Agent (with the reasonable and documented cost of such documentation to be paid by the Grantors or, if the Grantors do not make such payment, by the respective purchasers, who shall have the right to obtain reimbursement of same from the Grantors).

(g) The obligations of the ABL Secured Parties to sell their respective ABL Secured Obligations under this Section 4.4(g) are several and not joint and several. To the extent any ABL Secured Party breaches its obligation to sell its ABL Secured Obligations under this Section 4.4(g) (a "Defaulting ABL Secured Party"), nothing in this Section 4.4(g) shall be deemed to require the ABL Agent or any other ABL Secured Party to purchase such Defaulting ABL Secured Party's ABL Secured Obligations for resale to any New Money Term Loan Secured Party, and in all cases the ABL Agent and each ABL Secured Party complying with the terms of this Section 4.4(g) shall not be deemed to be in default of this Agreement or otherwise be deemed liable for any action or inaction of any Defaulting ABL Secured Party; *provided* that nothing in this Section 4.4(g) shall require any ABL Purchasing Party to purchase less than all of the ABL Secured Obligations.

(h) Each Grantor irrevocably consents to any assignment effected to one or more New Money Term Loan Secured Parties pursuant to this Section 4.4 for purposes of all ABL Loan Documents and hereby agrees that no further consent to any such assignment pursuant to this Section from such Grantor shall be required.

4.5 Option to Purchase New Money Term Loan Secured Obligations.

(a) Without prejudice to the enforcement of remedies by the New Money Term Loan Agent (whether in its capacity as First Priority Representative or Second Priority Representative) or the New Money Term Loan Secured Parties, the New Money Term Loan Secured Parties agree that at any time following (a) acceleration of the New Money Term Loan Secured Obligations in accordance with the terms of the Term Loan Agreement, (b) the commencement of an Enforcement Action by the New Money Term Loan Secured Parties or (c) the commencement of an Insolvency Proceeding by or against any Grantor (each, a "New Money Term Loan Purchase Event"), one or more of the ABL Secured Parties may request to purchase by way of assignment, and the New Money Term Loan Secured Parties, severally and not jointly, hereby offer the ABL Secured Parties the option to purchase by way of assignment all, but not less than all, of the aggregate amount of New Money Term Loan Secured Obligations outstanding at the time of purchase (any such purchase, a "New Money Term Loan Purchase"; and the persons effecting such purchase, the "New Money Term Loan Purchasing Parties"); *provided* that (x) at the time of (and as a condition to) any New Money Term Loan Purchase all commitments pursuant to any then outstanding Term Loan Agreement shall have terminated, (y)

any New Money Term Loan Purchase shall be effected not later than 30 days following the first date on which a New Money Term Loan Purchase Event occurs and (z) any New Money Term Loan Purchase shall not in any way affect any rights of the New Money Term Loan Secured Parties with respect to indemnification and other obligations of the Grantors under the Term Loan Documents that are expressly stated to survive the termination of the Term Loan Documents or the repayment of the New Money Term Loans (the “Surviving New Money Term Loan Obligations”).

(b) Without limiting the obligations of the Grantors to the New Money Term Loan Secured Parties under the Term Loan Documents with respect to the Surviving New Money Term Loan Obligations, on the date of an New Money Term Loan Purchase, the New Money Term Loan Purchasing Parties shall (i) pay to the New Money Term Loan Secured Parties as the purchase price (the “New Money Term Loan Purchase Price”) 100% of the amount of all New Money Term Loan Secured Obligations (other than unasserted contingent indemnification obligations) then outstanding and unpaid (including principal, interest, fees, breakage costs, attorneys’ and advisors’ fees and expenses (in each case, whether or not invoiced or final)), payable in cash and (ii) agree to reimburse the New Money Term Loan Secured Parties for returned payment items relating to any checks or other payments provisionally credited to the New Money Term Loan Secured Obligations and/or as to which the New Money Term Loan Secured Parties have not yet received final payment and, in each case, are reflected in the New Money Term Loan Purchase Price.

(c) The New Money Term Loan Purchase Price shall be remitted by wire transfer in immediately available funds to such account of the New Money Term Loan Agent as it shall designate to the New Money Term Loan Purchasing Parties. The New Money Term Loan Agent shall, promptly following its receipt thereof, distribute the amounts received by it in respect of the New Money Term Loan Purchase Price to the New Money Term Loan Secured Parties in accordance with their holdings of the applicable New Money Term Loan Secured Obligations. Interest shall be calculated to but excluding the day on which the ABL Purchase occurs if the amounts so paid by the New Money Term Loan Purchasing Parties to the account designated by the New Money Term Loan Agent are received in such account prior to 1:00 p.m., New York City time, and interest shall be calculated to and including such day if the amounts so paid by the New Money Term Loan Purchasing Parties to the account designated by the New Money Term Loan Agent are received in such account later than 1:00 p.m., New York City time.

(d) The New Money Term Loan Purchase shall be made without representation or warranty of any kind by the New Money Term Loan Secured Parties as to the New Money Term Loan Secured Obligations, the Term Loan Priority Collateral or otherwise and without recourse to the New Money Term Loan Secured Parties, except that the New Money Term Loan Secured Parties shall represent and warrant: (i) the amount of the New Money Term Loan Secured Obligations being purchased, (ii) that the New Money Term Loan Secured Parties own the New Money Term Loan Secured Obligations free and clear of any Liens (other than participation interests not prohibited under the Term Loan Agreement, in which case the New Money Term Loan Purchase Price shall be appropriately adjusted so that the New Money Term Loan Purchasing Parties do not pay amounts in respect of any participation interests that remain in effect) and (iii) that the New Money Term Loan Secured Parties have the right to assign the New Money Term Loan Secured Obligations and the assignment is duly authorized.

(e) The New Money Term Loan Purchase shall be made pursuant to assignment documentation in form and substance reasonably satisfactory to the New Money Term Loan Agent (with the reasonable and documented cost of such documentation to be paid by the Grantors or, if the Grantors do not make such payment, by the respective purchasers, who shall have the right to obtain reimbursement of same from the Grantors).

(f) The obligations of the New Money Term Loan Secured Parties to sell their respective New Money Term Loan Secured Obligations under this Section 4.5(f) are several and not joint and several. To the extent any New Money Term Loan Secured Party breaches its obligation to sell its New Money Term Loan Secured Obligations under this Section 4.5(f) (a “Defaulting New Money Secured Party”), nothing in this Section 4.5(f) shall be deemed to require the New Money Term Loan Agent or any other New Money Term Loan Secured Party to purchase such Defaulting New Money Term Loan Secured Party’s New Money Term Loan Secured Obligations for resale to any ABL Secured Party, and in all cases the New Money Term Loan Agent and each New Money Term Loan Secured Party complying with the terms of this Section 4.5(f) shall not be deemed to be in default of this Agreement or otherwise be deemed liable for any action or inaction of any Defaulting New Money Term Loan Secured Party; *provided* that nothing in this Section 4.5(f) shall require any New Money Term Loan Purchasing Party to purchase less than all of the New Money Term Loan Secured Obligations.

(g) Each Grantor irrevocably consents to any assignment effected to one or more ABL Secured Parties pursuant to this Section 4.5 for purposes of all Term Loan Documents and hereby agrees that no further consent to any such assignment pursuant to this Section from such Grantor shall be required.

4.6 Option to Purchase ABL Secured Obligations and New Money Term Loan Secured Obligations. Within 15 days after the occurrence of both an ABL Purchase Event and a New Money Term Loan Purchase Event, one or more of the Junior Term Loan Secured Parties (the “Junior Secured Purchasing Parties”) shall have the right to purchase all of the ABL Secured Obligations and all of the New Money Term Loan Obligations pursuant to the terms and conditions set forth in Sections 4.4 and 4.5 as if such Junior Secured Purchasing Parties were the New Money Term Loan Purchasing Parties and the ABL Purchasing Parties. In the event of a conflict between the purchase right afforded to the Junior Secured Purchasing Parties pursuant to this Section 4.6 and the purchase right afforded to the ABL Purchasing Parties pursuant to Section 4.4 or the purchase right afforded to the New Money Term Loan Purchasing Parties pursuant to Section 4.5, the purchase right afforded to the Junior Secured Purchasing Parties pursuant to this Section 4.6 shall prevail.

SECTION 5. *Insolvency Proceedings.*

Subject in all respects to Section 5.11(b), which provides for the inapplicability of certain of the following provisions of this Section 5 during the Existing Chapter 11 Cases, and to Section 11.14:

5.1 Filing of Motions. No Secured Party shall, in or in connection with any Insolvency Proceeding, file any pleadings or motions, take any position at any hearing or proceeding of any nature, or otherwise take any action whatsoever, in each case to challenge, contest or otherwise object to the scope, validity, enforceability, perfection or priority of any Liens held by any other Secured Party and no Secured Party shall support any other Person doing any of the foregoing.

5.2 Financing Matters.

(a) If any Grantor becomes subject to any Insolvency Proceeding, and if the First Priority Representative with respect to the ABL Priority Collateral consents (or does not object) to the use of ABL Priority Collateral constituting Common Collateral (for the avoidance of doubt, including but not limited to the use of any such ABL Priority Collateral that is cash collateral) by any Grantor during any Insolvency Proceeding or provides financing to any Grantor under the Bankruptcy Code secured by ABL Priority Collateral or consents (or does not object) to the provision of such financing to any Grantor by any third party (any such financing, whether provided by the First Priority Secured Parties

with respect to the ABL Priority Collateral (or any of them) or any third party, being referred to herein as an “ABL Priority DIP Financing”), then the Second Priority Representative with respect to the ABL Priority Collateral agrees, on behalf of itself and the other Second Priority Secured Parties with respect to the ABL Priority Collateral, and the Third Priority Representative with respect to the ABL Priority Collateral agrees, on behalf of itself and the other Third Priority Secured Parties with respect to the ABL Priority Collateral, that each such Second Priority Secured Party and each such Third Priority Secured Party (a) will be deemed to have consented to, will raise no objection to, and will not support any other Person objecting to, the use of such ABL Priority Collateral or to such ABL Priority DIP Financing, (b) shall only request or accept adequate protection in connection with the use of such ABL Priority Collateral or such ABL Priority DIP Financing as permitted by Section 5.4 below, (c) will subordinate (and will be deemed hereunder to have subordinated) the Second Priority Liens or the Third Priority Liens, as applicable, and any Adequate Protection Liens provided in respect thereof (i) to the Liens on such ABL Priority Collateral securing such ABL Priority DIP Financing on the same terms and conditions as the First Priority Liens on such ABL Priority Collateral are subordinated to such Liens on such ABL Priority Collateral securing such ABL Priority DIP Financing (and such subordination will not alter in any manner the terms of this Agreement), (ii) to any adequate protection with respect to the ABL Priority Collateral provided to the First Priority Secured Parties with respect to the ABL Priority Collateral, including, without limitation, Adequate Protection Liens on the ABL Priority Collateral provided to the First Priority Secured Parties with respect to the ABL Priority Collateral and (iii) to any “carve-out” with respect to the ABL Priority Collateral for professional and United States Trustee fees agreed to by the First Priority Representative with respect to the ABL Priority Collateral or the other First Priority Secured Parties with respect to the ABL Priority Collateral and (d) agrees that any notice of such events found to be adequate by the bankruptcy court shall be adequate notice.

(b) If any Grantor becomes subject to any Insolvency Proceeding, and if the First Priority Representative with respect to the Term Loan Priority Collateral consents (or does not object) to the use of Term Loan Priority Collateral constituting Common Collateral by any Grantor during any Insolvency Proceeding or provides financing to any Grantor under the Bankruptcy Code secured by Term Loan Priority Collateral or consents (or does not object) to the provision of such financing to any Grantor by any third party (any such financing, whether provided by the First Priority Secured Parties with respect to the Term Loan Priority Collateral (or any of them) or any third party, being referred to herein as an “Term Loan Priority DIP Financing”), then the Second Priority Representative with respect to the Term Loan Priority Collateral agrees, on behalf of itself and the other Second Priority Secured Parties with respect to the Term Loan Priority Collateral, and the Third Priority Representative with respect to the Term Loan Priority Collateral agrees, on behalf of itself and the other Third Priority Secured Parties with respect to the Term Loan Priority Collateral, that each such Second Priority Secured Party and each such Third Priority Secured Party (a) will be deemed to have consented to, will raise no objection to, and will not support any other Person objecting to, the use of such Term Loan Priority Collateral or to such Term Loan Priority DIP Financing, (b) shall only request or accept adequate protection in connection with the use of such Term Loan Priority Collateral or such Term Loan Priority DIP Financing as permitted by Section 5.4 below, (c) will subordinate (and will be deemed hereunder to have subordinated) the Second Priority Liens or the Third Priority Liens, as applicable, and any Adequate Protection Liens provided in respect thereof (i) to the Liens on such Term Loan Priority Collateral securing such Term Loan Priority DIP Financing on the same terms and conditions as the First Priority Liens on such Term Loan Priority Collateral are subordinated to such Liens on such Term Loan Priority Collateral securing such Term Loan Priority DIP Financing (and such subordination will not alter in any manner the terms of this Agreement), (ii) to any adequate protection with respect to the Term Loan Priority Collateral provided to the First Priority Secured Parties with respect to the Term Loan Priority Collateral, including, without limitation, Adequate Protection Liens on the Term Loan Priority Collateral provided to the First Priority Secured Parties

with respect to the Term Loan Priority Collateral and (iii) to any “carve-out” with respect to the Term Loan Priority Collateral for professional and United States Trustee fees agreed to by the First Priority Representative with respect to the Term Loan Priority Collateral or the other First Priority Secured Parties with respect to the Term Loan Priority Collateral and (d) agrees that any notice of such events found to be adequate by the bankruptcy court shall be adequate notice.

5.3 Relief From the Automatic Stay. With respect to each Type of Common Collateral, (a) the Second Priority Representative agrees, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative agrees, on behalf of itself and the other Third Priority Secured Parties, that none of them will (i) seek relief from the automatic stay or from any other stay in any Insolvency Proceeding or take any action in violation thereof, or support any other Person seeking such relief or taking such action, in each case in respect of such Common Collateral, without the prior written consent of the First Priority Representative or (ii) object to, contest, or support any other Person objecting to or contesting, any relief from the automatic stay or from any other stay in any Insolvency Proceeding requested by any First Priority Secured Party and (b) the Third Priority Representative agrees, on behalf of itself and the other Third Priority Secured Parties, that none of them will (i) seek relief from the automatic stay or from any other stay in any Insolvency Proceeding or take any action in violation thereof, or support any other Person seeking such relief or taking such action, in each case in respect of such Common Collateral, without the prior written consent of the Second Priority Representative or (ii) object to, contest, or support any other Person objecting to or contesting, any relief from the automatic stay or from any other stay in any Insolvency Proceeding requested by any Second Priority Secured Party.

5.4 Adequate Protection.

(a) With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees that none of them shall object to, contest, or support any other Person objecting to or contesting, (i) any request by the First Priority Representative or any other First Priority Secured Party for adequate protection with respect to such Common Collateral, including, without limitation, in the form of Adequate Protection Liens, superpriority claims, interest, fees, expenses or other amounts or (ii) any objection by the First Priority Representative or any other First Priority Secured Party to any motion, relief, action or proceeding based on a claim of a lack of adequate protection to the First Priority Secured Parties with respect to such Common Collateral or (iii) the payment of interest, fees, expenses or other amounts to the First Priority Representative or any other First Priority Secured Party under section 506(b) or 506(c) of the Bankruptcy Code or otherwise with respect to such Common Collateral. Notwithstanding anything contained in this Agreement, (1) in any Insolvency Proceeding, the Second Priority Representative and the other Second Priority Secured Parties and the Third Priority Representative and the other Third Priority Secured Parties, in each case with respect to each Type of Common Collateral, may seek, support, accept or retain adequate protection (A) only if the First Priority Secured Parties with respect to such Common Collateral are granted adequate protection that includes replacement liens on additional collateral and superpriority claims and such First Priority Secured Parties do not object to the adequate protection being provided to them and (B) solely in the form of (x) an Adequate Protection Lien on additional collateral, subordinated to the First Priority Liens on such Common Collateral and the Liens securing any DIP Financing provided by, or consented to by (including via non-objection), the First Priority Secured Parties with respect to such Common Collateral on the same basis as the other Second Priority Liens on such Common Collateral and Third Priority Liens on such Common Collateral, as applicable, are so subordinated to the First Priority Liens on such Common Collateral under this Agreement and (y) non-monetary adequate protection that is customarily provided in an Insolvency Proceeding, including, without limitation, the provision of information and the ability to monitor such Common Collateral and (2) with respect to each Type of Common Collateral, in the

event any Second Priority Secured Party or any Third Priority Secured Party receives adequate protection in the form of Adequate Protection Liens, then the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, or the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, as the case may be, (i) consents to the First Priority Representative having a senior Adequate Protection Lien on such additional collateral as security for the First Priority Obligations and that any Adequate Protection Liens granted to the Second Priority Secured Parties and the Third Priority Secured Parties, on any additional collateral shall be subordinated to the Liens on such collateral securing the First Priority Obligations and any DIP Financing provided by, or consented to by (including via non-objection), the First Priority Secured Parties with respect to such Common Collateral (and all obligations relating thereto) and any Adequate Protection Liens granted to the First Priority Secured Parties, with such subordination to be on the same terms that the other Second Priority Liens are subordinated to such First Priority Liens under this Agreement or that the other Third Priority Liens are subordinated to such First Priority Liens and the Second Priority Liens under this Agreement, as applicable, and (ii) agrees that, if the bankruptcy court does not grant the First Priority Secured Parties a senior Adequate Protection Lien on such additional collateral, then the Second Priority Secured Parties or Third Priority Secured Parties, as the case may be, shall be deemed to hold and have held their Adequate Protection Lien on such additional collateral for the benefit of the First Priority Secured Parties (and each such Lien so deemed to have been held shall be subject in all respects to the provisions of this Agreement, including without limitation the lien subordination provisions set forth in Section 2.1) and, until the First Priority Obligations Payment Date, any distributions in respect of such additional collateral received by the Second Priority Secured Parties or Third Priority Secured Parties, as applicable, shall be segregated and held in trust and promptly turned over to the First Priority Representative to repay the First Priority Obligations. Upon the turnover of such distributions as contemplated by the immediately preceding sentence, the Second Priority Obligations or the Third Priority Obligations, as applicable, purported to be satisfied by such distributions shall be immediately reinstated in full as though such payment had never occurred.

(b) With respect to each Type of Common Collateral (but without limiting, and subject in all respects to, Section 5.4(a)), the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees that none of them shall object to, contest, or support any other Person objecting to or contesting, (i) any request by the Second Priority Representative or any other Second Priority Secured Party for adequate protection with respect to such Common Collateral, including, without limitation, in the form of Adequate Protection Liens, superpriority claims, interest, fees, expenses or other amounts or (ii) any objection by the Second Priority Representative or any other Second Priority Secured Party to any motion, relief, action or proceeding based on a claim of a lack of adequate protection to the Second Priority Secured Parties with respect to such Common Collateral or (iii) the payment of interest, fees, expenses or other amounts to the Second Priority Representative or any other Second Priority Secured Party under section 506(b) or 506(c) of the Bankruptcy Code or otherwise with respect to such Common Collateral. Notwithstanding anything contained in this Agreement, (1) in any Insolvency Proceeding, the Third Priority Representative and the other Third Priority Secured Parties, with respect to each Type of Common Collateral, may seek, support, accept or retain adequate protection (A) only if the Second Priority Secured Parties with respect to such Common Collateral are granted adequate protection that includes replacement liens on additional collateral and superpriority claims and such Second Priority Secured Parties do not object to the adequate protection being provided to them and (B) solely in the form of (x) an Adequate Protection Lien on additional collateral, subordinated to the Second Priority Liens and Liens securing any DIP Financing provided by, or consented to by (including via non-objection), the Second Priority Secured Parties with respect to such Common Collateral on the same basis as the other Third Priority Liens are so subordinated to the Second Priority Liens under this Agreement and (y) non-monetary adequate protection that is customarily provided in an Insolvency Proceeding, including, without limitation, the provision of information and the ability to monitor such Common Collateral and (2) with respect to

each Type of Common Collateral, in the event any Third Priority Secured Party receives adequate protection in the form of Adequate Protection Liens, then the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, (i) consents to the Second Priority Representative having a senior Adequate Protection Lien on such additional collateral as security for the Second Priority Obligations and that any Adequate Protection Liens granted to the Third Priority Secured Parties on any additional collateral shall be subordinated to the Liens on such collateral securing the Second Priority Obligations and any DIP Financing provided by, or consented to by (including via non-objection), the Second Priority Secured Parties with respect to such Common Collateral (and all obligations relating thereto) and any Adequate Protection Liens granted to the Second Priority Secured Parties, with such subordination to be on the same terms that the other Third Priority Liens are subordinated to such Second Priority Liens under this Agreement and (ii) agrees that, if the bankruptcy court does not grant the Second Priority Secured Parties a senior Adequate Protection Lien on such additional collateral, then the Third Priority Secured Parties shall be deemed to hold and have held their Adequate Protection Lien on such additional collateral for the benefit of the Second Priority Secured Parties (and each such Lien so deemed to have been held shall be subject in all respects to the provisions of this Agreement, including without limitation the lien subordination provisions set forth in Section 2.1) and, until the Second Priority Obligations Payment Date, any distributions in respect of such additional collateral received by the Third Priority Secured Parties shall be segregated and held in trust and promptly turned over to the Second Priority Representative to repay the Second Priority Obligations. Upon the turnover of such distributions as contemplated by the immediately preceding sentence, the Third Priority Obligations purported to be satisfied by such distributions shall be immediately reinstated in full as though such payment had never occurred.

5.5 Avoidance Issues.

(a) With respect to each Type of Common Collateral, if any First Priority Secured Party is required in any Insolvency Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of any Grantor, because such amount was avoided or ordered to be paid or disgorged for any reason, including without limitation because it was found to be a fraudulent or preferential transfer, any amount (a "Recovery"), whether received as proceeds of security, enforcement of any right of set-off or otherwise, then the First Priority Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred, and the First Priority Obligations Payment Date shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Second Priority Secured Parties and the Third Priority Secured Parties with respect to each Type of Common Collateral agree that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation with respect to such Common Collateral made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

(b) With respect to each Type of Common Collateral, if any Grantor receives a Recovery from any Second Priority Secured Party, whether received as proceeds of security, enforcement of any right of set-off or otherwise, then the Second Priority Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred, and the Second Priority Obligations Payment Date shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Third Priority Secured Parties with respect to each Type of Common

Collateral agree that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation with respect to such Common Collateral made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

5.6 Asset Dispositions in an Insolvency Proceeding.

(a) With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees that (i) none of them shall, in an Insolvency Proceeding, oppose any sale or disposition of any such Common Collateral that is supported by the First Priority Secured Parties, and (ii) they will be deemed to have consented under Section 363 of the Bankruptcy Code (and otherwise) to any such sale supported by the First Priority Secured Parties and to have released their Liens in such Common Collateral; *provided* that (x) if the Second Priority Secured Parties (or the Second Priority Representative on their behalf) or the Third Priority Secured Parties (or the Third Priority Representative on their behalf) have consented to such sale or disposition of such assets, the Second Priority Representative or the Second Priority Secured Parties, or the Third Priority Representative or the Third Priority Secured Parties, as the case may be, may assert any objection or opposition that could be asserted by an unsecured creditor in any such Insolvency Proceeding and (y) the Second Priority Representative and the Second Priority Secured Parties or the Third Priority Representative and the Third Priority Secured Parties, as the case may be, shall be entitled to seek and exercise credit bid rights in respect of any such sale or disposition so long as (A) the First Priority Obligations Payment Date shall occur upon consummation of such sale or disposition or (B) in the case of a credit bid described in Section 5.6(c), the conditions set forth Section 5.6(c) are satisfied.

(b) Notwithstanding anything (other than clause (y) of Section 5.6(a)) to the contrary herein, the New Money Term Loan Agent, on behalf of itself and the New Money Term Loan Secured Parties, agrees that, during the pendency of the Existing Chapter 11 Cases, none of them shall be entitled to, nor shall any of them, credit bid or seek to credit bid any claims in respect of New Money Term Loan Secured Obligations (such claims, the "Applicable Claims") in connection with any Specified Sale to the extent that the aggregate amount of Applicable Claims that have been so credit bid would exceed the Available Credit Bid Amount.

(c) Without limiting clause (y) of Section 5.6(a) and to the extent permitted by applicable law, in the case of any Specified Sale that is to be effected during the pendency of the Existing Chapter 11 Cases, and with respect to any Common Collateral that is to be included in any such Specified Sale, the New Money Term Loan Secured Parties may credit bid Applicable Claims, subject to the satisfaction of the following conditions:

(i) The aggregate amount of all Applicable Claims that have been credit bid shall not exceed at any time the Available Credit Bid Amount at such time; and

(ii) Immediately after giving effect to any Specified Sale that includes any such credit bid, immediately before and after giving effect thereto and giving effect to the use of proceeds thereof (x) no default under the ABL Credit Agreement shall have occurred and be continuing and (y) the sum of (1) the aggregate principal amount of all Revolving Loans (as defined in the ABL Credit Agreement) then outstanding plus (2) the aggregate Letter of Credit Obligations (as defined in the ABL Credit Agreement) then outstanding and not cash collateralized shall not exceed the Line Cap (as defined in the ABL Credit Agreement).

5.7 Separate Grants of Security and Separate Classification. Each of the ABL Agent, on behalf of itself and the ABL Secured Parties, the New Money Term Loan Agent, on behalf of itself and the New Money Term Loan Secured Parties, and the Junior Term Loan Agent, on behalf of itself and the Junior Term Loan Secured Parties, acknowledges and agrees that (i) the grant of Liens on the Common Collateral securing the ABL Secured Obligations constitutes a separate and distinct grant of Liens from the grant of Liens on such Common Collateral securing the New Money Term Loan Secured Obligations and from the grant of Liens on such Common Collateral securing the Junior Term Loan Secured Obligations, (ii) because of, among other things, their differing rights in such Common Collateral, each of the ABL Secured Obligations, New Money Term Loan Secured Obligations and Junior Term Loan Secured Obligations is fundamentally different and must be separately classified in any plan of reorganization proposed or confirmed in an Insolvency Proceeding and (iii) it will object to, and not vote in favor of, any plan of reorganization that does not separately classify the ABL Secured Obligations, the New Money Term Loan Secured Obligations and the Junior Term Loan Secured Obligations. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if a court of competent jurisdiction holds that the claims of the First Priority Secured Parties, the claims held by the Second Priority Secured Parties and the claims held by the Third Priority Secured Parties in respect of any Type of Common Collateral constitute only one secured claim (rather than separate classes of first, second and third priority secured claims), then the Second Priority Secured Parties and the Third Priority Secured Parties in respect of such Common Collateral hereby acknowledge and agree that all distributions shall be made as if there were separate classes of first, second and third priority secured claims against the relevant Grantors in respect of such Common Collateral (with the effect being that, to the extent that the aggregate value of such Common Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Secured Parties and the Third Priority Secured Parties), the First Priority Secured Parties with respect to such Common Collateral shall be entitled to receive, in addition to distributions to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of Post-Petition Interest (at the applicable non-default rate) before any distribution is made in respect of the claims held by the Second Priority Secured Parties and the Third Priority Secured Parties with respect to such Common Collateral), with the Second Priority Secured Parties and the Third Priority Secured Parties with respect to such Common Collateral hereby acknowledging and agreeing to turn over to the First Priority Secured Parties with respect to such Common Collateral distributions otherwise received or receivable by them in respect of such Common Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties and/or the Third Priority Secured Parties with respect to such Common Collateral.

5.8 Plans of Reorganization.

(a) With respect to each Type of Common Collateral, if the claims of the First Priority Secured Parties, the claims held by the Second Priority Secured Parties and the claims held by the Third Priority Secured Parties constitute only one secured claim pursuant to any plan of reorganization proposed in an Insolvency Proceeding (rather than separate classes of first, second and third priority secured claims), notwithstanding the objection to, and vote against, such plan by such Secured Parties in accordance with Section 5.7, no Second Priority Secured Party and no Third Priority Secured Party shall support or vote in favor of such plan of reorganization (and each shall vote and shall be deemed to have voted to reject any plan of reorganization) unless such plan (i) pays off, in cash in full, all First Priority Obligations or (ii) is supported by the First Priority Representative. If any such Second Priority Secured Party or Third Priority Secured Party with respect to any Type of Common Collateral votes in favor of any plan or reorganization in violation of this Section 5.8(a), such Second Priority Secured Party or Third Priority Secured Party irrevocably agrees that such vote shall be deemed unauthorized, void and of no force and effect and the First Priority Representative shall be, and shall be deemed, such party's "authorized agent" under Bankruptcy Rules 3018(c) and 9010, and that the First Priority Representative shall be authorized and entitled to withdraw such vote and submit a superseding ballot

on behalf of such Second Priority Secured Party or such Third Priority Secured Party that is consistent herewith.

(b) If, in any Insolvency Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of ABL Secured Obligations, on account of New Money Term Loan Secured Obligations and on account of Junior Term Loan Secured Obligations, then, to the extent the debt obligations distributed on account of the ABL Secured Obligations, on account of the New Money Term Loan Secured Obligations and on account of the Junior Term Loan Secured Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

5.9 Other Matters. With respect to each Type of Common Collateral, to the extent that the Second Priority Representative, any other Second Priority Secured Party, the Third Priority Representative or any other Third Priority Secured Party, has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code with respect to any of such Common Collateral, the Second Priority Representative agrees, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative agrees, on behalf of itself and the other Third Priority Secured Parties, not to assert any of such rights without the prior written consent of the First Priority Representative with respect to such Common Collateral; *provided* that if requested by the First Priority Representative, the Second Priority Representative and/or the Third Priority Representative with respect to such Common Collateral shall timely exercise such rights in the manner requested by such First Priority Representative, including any rights to payments in respect of such rights.

5.10 No Waiver of Rights of First Priority Secured Parties. With respect to each Type of Common Collateral, nothing contained herein shall prohibit or in any way limit the First Priority Representative or any other First Priority Secured Party from objecting in any Insolvency Proceeding or otherwise to any action taken by any Second Priority Secured Party or Third Priority Secured Party other than any action taken by such Second Priority Secured Party or Third Priority Secured Party, as the case may be, that is expressly permitted by this Agreement.

5.11 Effectiveness in Insolvency Proceedings.

(a) This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code, shall be effective before, during and after the commencement of an Insolvency Proceeding, subject, however, to Section 5.11(b) and to Section 11.14. All references in this Agreement to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor in any Insolvency Proceeding, and the rights and obligations hereunder of the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties with respect to each Type of Collateral shall be fully enforceable as between such parties regardless of the pendency of Insolvency Proceedings or any related limitations on the enforcement of this Agreement against any Grantor, subject, however, to Section 5.11(b) and to Section 11.14.

(b) Notwithstanding anything to the contrary herein, Sections 5.2, 5.3, 5.4, 5.7 and 5.8 of this Agreement shall be of no force or effect during the pendency of the Existing Chapter 11 Cases (but, for the avoidance of doubt, such provisions shall be effective subsequent in any subsequent Insolvency Proceeding).

6.1 General.

(a) Each of the ABL Agent, on behalf of itself and the ABL Secured Parties, the New Money Term Loan Agent, on behalf of itself and the New Money Term Loan Secured Parties, the Junior Term Loan Agent, on behalf of itself and the Junior Term Loan Secured Parties, and each Grantor agrees that it shall not at any time execute or deliver any amendment or other modification to any of the First Priority Documents, the Second Priority Documents or the Third Priority Documents in violation of this Agreement.

(b) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, in the event the First Priority Representative enters into any amendment, waiver or consent in respect of any of the First Priority Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First Priority Security Document or changing in any manner the rights of any parties thereunder, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable Second Priority Security Document and to the Comparable Third Priority Security Document without the consent of or action by any Second Priority Secured Party or Third Priority Secured Party (with each First Priority Security Document as so amended, and each Second Priority Security Document as so amended, continuing to be subject to the terms hereof); *provided* that (i) no such amendment, waiver or consent shall have the effect of removing assets subject to the Lien of any Second Priority Security Document or Third Priority Security Document, except to the extent that a release of such Lien is permitted by Section 4.2, (ii) any such amendment, waiver or consent that materially and adversely affects the rights of the Second Priority Secured Parties or the Third Priority Secured Parties and does not affect the First Priority Secured Parties in a like or similar manner shall not apply to the Second Priority Security Documents or the Third Priority Security Documents, as applicable, without the consent of the Second Priority Representative or the Third Priority Representative, as applicable and (iii) notice of such amendment, waiver or consent shall be given to the Second Priority Representative and the Third Priority Representative by the First Priority Representative no later than 30 days after its effectiveness, *provided* that the failure to give such notice shall not affect the effectiveness and validity thereof or cause a default by any Grantor under the Loan Documents.

(c) Each of the Grantors and the Representatives agrees that each of the ABL Credit Agreement and the Term Loan Agreement (and any notes issued pursuant thereto) and each First Priority Security Document, Second Priority Security Document and Third Priority Security Document shall contain the applicable provisions set forth on Annex I hereto, or similar provisions approved by the Representatives, which approval shall not be unreasonably withheld or delayed.

6.2 Restrictions on Refinancings.

(a) The indebtedness under the ABL Credit Agreement may be Refinanced, in whole but not in part, with the same or different lenders or Representatives in a Refinancing, without the consent of the Term Loan Agent or the holders of the Term Loan Secured Obligations; *provided* that (x) the holders of any indebtedness resulting from such Refinancing (or the Representative thereof) shall have become bound in writing to the terms of this Agreement in the manner set forth in Section 10 (and shall have delivered a copy of the Representative Joinder Agreement pursuant to which such holders or such Representative shall have become bound to the terms of this Agreement to each other party to this Agreement in the manner provided for notices set forth in Section 11.7) and (y) no such Refinancing shall have the effect of increasing the principal amount of ABL Secured Obligations then outstanding

or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the ABL Secured Obligations.

(b) The indebtedness in respect of the New Money Term Loans may be Refinanced, in whole or in part, with the same or different lenders or Representatives in a Refinancing, without the consent of (i) the ABL Agent or the ABL Secured Parties or (ii) the Junior Term Loan Agent or the Junior Term Loan Secured Parties; *provided* that (x) the holders of any indebtedness resulting from such Refinancing (or the Representative thereof) shall have become bound in writing to the terms of this Agreement in the manner set forth in Section 10 (and shall have delivered a copy of the Representative Joinder Agreement pursuant to which such holders or such Representative shall have become bound to the terms of this Agreement to each other party to this Agreement in the manner provided for notices set forth in Section 11.7), (y) no such Refinancing prior to the Existing Chapter 11 Cases Emergence Date shall have the effect of increasing the principal amount of New Money Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the New Money Term Loan Secured Obligations and (z) no such Refinancing on or after the Existing Chapter 11 Cases Emergence Date shall have the effect of increasing the principal amount of Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Term Loan Secured Obligations.

(c) The indebtedness in respect of the Junior Term Loans may be Refinanced, in whole or in part, with the same or different lenders or Representatives in a Refinancing, without the consent of (i) the ABL Agent or the ABL Secured Parties or (ii) the New Money Term Loan Agent or the New Money Term Loan Secured Parties; *provided* that (x) the holders of any indebtedness resulting from such Refinancing (or the Representative thereof) shall have become bound in writing to the terms of this Agreement in the manner set forth in Section 10 (and shall have delivered a copy of the Representative Joinder Agreement pursuant to which such holders or such Representative shall have become bound to the terms of this Agreement to each other party to this Agreement in the manner provided for notices set forth in Section 11.7), (y) no such Refinancing prior to the Existing Chapter 11 Cases Emergence Date shall have the effect of increasing the principal amount of Junior Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Junior Term Loan Secured Obligations and (z) no such Refinancing on or after the Existing Chapter 11 Cases Emergence Date shall have the effect of increasing the principal amount of Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Term Loan Secured Obligations.

6.3 Restrictions on Amendments, Supplements and Modifications.

(a) The ABL Loan Documents may be amended, supplemented or otherwise modified in accordance with their terms; *provided, however*, that no such amendment, supplement or modification shall, without the consent of the Term Loan Agent:

(i) have the effect of increasing the principal amount of ABL Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the ABL Secured Obligations,

(ii) have the effect of increasing the "Applicable Margin" or similar component of the interest rate (determined on the basis of yield) applicable to the loans outstanding or permitted to be outstanding under the ABL Credit Agreement (excluding increases resulting from the

application of any pricing grid or from the accrual of interest at the default rate) by more than 250 basis points, or

(iii) have the effect of changing the scheduled date for repayment of the loans outstanding or permitted to be outstanding under the ABL Credit Agreement to an earlier date.

(b) The Term Loan Documents may be amended, supplemented or otherwise modified in accordance with their terms; *provided, however*, that no such amendment, supplement or modification shall, without the consent of the ABL Agent:

(i) (A) prior to the Existing Chapter 11 Cases Emergence Date, have the effect of increasing (x) the principal amount of New Money Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the New Money Term Loan Secured Obligations or (y) the principal amount of Junior Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Junior Term Loan Secured Obligations or (B) on or after the Existing Chapter 11 Cases Emergence Date, have the effect of increasing the principal amount of Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Term Loan Secured Obligations,

(iii) have the effect of changing the final scheduled date for repayment of any loans (or any tranche or class thereof) outstanding or permitted to be outstanding under the applicable Term Loan Agreement to an earlier date.

(c) Notwithstanding anything to the contrary herein, the conversion of the Term Loan Secured Obligations under the Term Loan Agreement referred to in the second WHEREAS clause of this Agreement to Term Loan Secured Obligations under the “Exit Loan Agreement” as contemplated by Section 2.21 of such Term Loan Agreement shall not be an amendment, supplement or modification of the Term Loan Documents or a Refinancing of the Term Loan Secured Obligations for purposes of this Agreement.

SECTION 7. Cooperation with Respect to ABL Priority Collateral.

7.1 Consent to License to Use Intellectual Property. The New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral (and any purchaser, assignee or transferee of assets as provided in Section 7.3) (a) consents (without any representation, warranty or obligation whatsoever) to the grant by any Grantor to the ABL Agent of a non-exclusive, royalty-free license to use during the ABL Priority Collateral Processing and Sale Period any Patents, Patent Licenses, Trademarks, Trademark Licenses or proprietary information of such Grantor that is Term Loan Priority Collateral (or any Patent, Patent License, Trademark, Trademark License or proprietary information acquired by such purchaser, assignee or transferee from any Grantor, as the case may be) and (b) grants, in its capacity as a secured party (or as a purchaser, assignee or transferee, as the case may be), to the ABL Agent a non-exclusive royalty-free license to use during the ABL Priority Collateral Processing and Sale Period, any Patent, Patent License, Trademark, Trademark License or proprietary information that is Term Loan Priority Collateral (or subject to such purchase, assignment or transfer, as

the case may be), in each case in connection with the enforcement of any Lien held by the ABL Agent upon any inventory or other ABL Priority Collateral of any Grantor and to the extent the use of such Patent, Patent License, Trademark, Trademark License or proprietary information is necessary or appropriate, in the good faith opinion of the ABL Agent, to process, ship, produce, store, complete, supply, lease, sell or otherwise dispose of any such inventory in any lawful manner.

7.2 Access to Information.

(a) If the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, takes actual possession of any documentation that is the property of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of the New Money Term Loan Agent), then upon request of the ABL Agent and reasonable advance notice, the New Money Term Loan Agent will permit the ABL Agent or its representative to inspect and copy such documentation if and to the extent the ABL Agent certifies to the New Money Term Loan Agent that:

(i) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of the ABL Agent, to the enforcement of the ABL Agent's Liens upon any ABL Priority Collateral; and

(ii) the ABL Agent and the ABL Secured Parties are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

(b) If the ABL Agent, as First Priority Representative with respect to the ABL Priority Collateral, takes actual possession of any documentation that is the property of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of the ABL Agent), then upon request of the New Money Term Loan Agent and reasonable advance notice, the ABL Agent will permit the New Money Term Loan Agent or its representative to inspect and copy such documentation if and to the extent the New Money Term Loan Agent certifies to the ABL Agent that:

(i) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of the New Money Term Loan Agent, to the enforcement of the New Money Term Loan Agent's Liens upon any Term Loan Priority Collateral; and

(ii) the New Money Term Loan Agent and the New Money Term Loan Secured Parties are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

7.3 Access to Property to Process and Sell Inventory.

(a) (i) If the ABL Agent commences any action or proceeding with respect to any of its rights or remedies (including, but not limited to, any action of foreclosure), enforcement, collection or execution with respect to the ABL Priority Collateral ("ABL Priority Collateral Enforcement Actions") or if the New Money Term Loan Agent commences any action or proceeding with respect to any of its rights or remedies (including, but not limited to, any action of foreclosure), enforcement, collection or execution with respect to the Term Loan Priority Collateral (or a purchaser at a foreclosure sale conducted in foreclosure of a First Priority Lien on any Term Loan Priority Collateral takes actual or constructive possession of the Term Loan Priority Collateral of any Grantor) ("Term Loan Priority

Collateral Enforcement Actions”), then the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, and the First Priority Secured Parties with respect to the Term Loan Priority Collateral (subject to, in the case of any Term Loan Priority Collateral Enforcement Action, a prior written request by the ABL Agent to the New Money Term Loan Agent (the “Term Loan Priority Collateral Enforcement Action Notice”)) shall (x) cooperate with the ABL Agent (and with its officers, employees, representatives and agents) at the cost and expense of the ABL Secured Parties (subject to the Grantors’ reimbursement and indemnity obligations with respect thereto under the Loan Documents) in its efforts to conduct ABL Priority Collateral Enforcement Actions in the ABL Priority Collateral and to finish any work-in-process and process, ship, produce, store, complete, supply, lease, sell or otherwise handle, deal with, assemble or dispose of, in any lawful manner, the ABL Priority Collateral, (y) not hinder or restrict in any respect the ABL Agent from conducting ABL Priority Collateral Enforcement Actions in the ABL Priority Collateral or from finishing any work-in-process or processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the ABL Priority Collateral, and (z) permit the ABL Agent, its employees, agents, advisers and representatives, at the cost and expense of the ABL Secured Parties (subject to the Grantors’ reimbursement and indemnity obligations with respect thereto under the Loan Documents), to enter upon and use the Term Loan Priority Collateral (including, without limitation, equipment, processors, computers and other machinery related to the storage or processing of records, documents or files and intellectual property), for a period commencing on (I) the date of the initial ABL Priority Collateral Enforcement Action or the date of delivery of the Term Loan Priority Collateral Enforcement Action Notice, as the case may be, and (II) ending on the date occurring 180 days thereafter (such period, as the same may be extended with the written consent of the New Money Term Loan Agent as contemplated by the final sentence of this Section 7.3(a)(i), the “ABL Priority Collateral Processing and Sale Period”), for purposes of:

- (A) assembling and storing the ABL Priority Collateral and completing the processing of and turning into finished goods any ABL Priority Collateral consisting of work-in-process;
- (B) selling any or all of the ABL Priority Collateral located in or on such Term Loan Priority Collateral, whether in bulk, in lots or to customers in the ordinary course of business or otherwise;
- (C) removing and transporting any or all of the ABL Priority Collateral located in or on such Term Loan Priority Collateral;
- (D) otherwise processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the ABL Priority Collateral; and/or
- (E) taking reasonable actions to protect, secure, and otherwise enforce the rights or remedies of the ABL Secured Parties and/or the ABL Agent (including with respect to any ABL Priority Collateral Enforcement Actions) in and to the ABL Priority Collateral;

provided, however, that nothing contained in this Agreement shall restrict the rights of the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, from selling, assigning or otherwise transferring any Term Loan Priority Collateral prior to the expiration of such ABL Priority Collateral Processing and Sale Period if the purchaser, assignee or transferee thereof agrees in writing (for the benefit of the ABL Agent, as First Priority Representative with respect to the ABL Priority Collateral, and the ABL Secured Parties) to be bound by the provisions of this Section 7.3 and Section 7.1. If any stay or other order prohibiting the exercise of remedies with respect to the ABL

Priority Collateral has been entered by a court of competent jurisdiction, such ABL Priority Collateral Processing and Sale Period shall be tolled during the pendency of any such stay or other order. The New Money Term Loan Agent, upon request by the ABL Agent, may in its sole discretion extend the ABL Priority Collateral Processing and Sale Period for an additional period of time.

(ii) During the period of actual occupation, use and/or control by the ABL Secured Parties and/or the ABL Agent (or their respective employees, agents, advisers and representatives) of any Term Loan Priority Collateral, the ABL Secured Parties and the ABL Agent shall (i) be responsible for the ordinary course third-party expenses related thereto, including costs with respect to heat, light, electricity, water and real property taxes with respect to that portion of any premises so used or occupied and (ii) be obligated to repair at their expense any physical damage to such Term Loan Priority Collateral resulting from such occupancy, use or control or removal of ABL Priority Collateral, and to leave such Term Loan Priority Collateral in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted. Notwithstanding the foregoing, in no event shall the ABL Secured Parties or the ABL Agent have any liability to the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, or to any other First Priority Secured Party with respect to the Term Loan Priority Collateral pursuant to this Section 7.3(a) as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Term Loan Priority Collateral existing prior to the date of the exercise by the ABL Secured Parties (or the ABL Agent, as the case may be) of their rights under this Section 7.3(a) and the ABL Secured Parties shall have no duty or liability to maintain the Term Loan Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the ABL Secured Parties, or for any diminution in the value of the Term Loan Priority Collateral that results from ordinary wear and tear resulting from the use of the Term Loan Priority Collateral by the ABL Secured Parties in the manner and for the time periods specified under this Section 7.3(a). Without limiting the rights granted in this Section 7.3(a), the ABL Secured Parties and the ABL Agent shall cooperate with the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, and the other First Priority Secured Parties with respect to the Term Loan Priority Collateral in connection with any efforts made by the New Money Term Loan Agent or such First Priority Secured Parties to sell the Term Loan Priority Collateral.

(b) The New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, shall be entitled, as a condition of permitting such access and use, to demand and receive assurances reasonably satisfactory to it that the access or use requested and all activities incidental thereto:

(i) will be permitted, lawful and enforceable under applicable law and will be conducted in accordance with prudent manufacturing practices; and

(ii) will be adequately insured for damage to property and liability to persons, including property and liability insurance for the benefit of the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, and the other First Priority Secured Parties with respect to the Term Loan Priority Collateral, at no cost to the New Money Term Loan Agent or such First Priority Secured Parties.

The New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, (x) shall provide reasonable cooperation to the ABL Agent in connection with the manufacture, production, completion, handling, removal and sale of any ABL Priority Collateral by the ABL Agent as provided above and (y) shall be entitled to receive, from the ABL Agent, fair

compensation and reimbursement for their reasonable costs and expenses incurred in connection with such cooperation, support and assistance to the ABL Agent. Notwithstanding the foregoing sentence, the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, and/or any such purchaser (or its transferee or successor) shall not otherwise be required to manufacture, produce, complete, remove, insure, protect, store, safeguard, sell or deliver any inventory subject to any First Priority Lien held by the ABL Agent or to provide any support, assistance or cooperation to the ABL Agent in respect thereof.

7.4 First Priority Representatives Assurances. The New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, may condition its performance of any obligation set forth in this Section 7 upon its prior receipt (without cost to it) of:

(a) such assurances as it may reasonably request to confirm that the performance of such obligation and all activities of the ABL Agent or its officers, employees and agents in connection therewith or incidental thereto:

(i) will be permitted, lawful and enforceable under applicable law; and

(ii) will not impose upon the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral (or any First Priority Secured Party with respect to such Collateral) any legal duty, legal liability, expense or risk of uninsured loss; and

(b) such indemnity, security and insurance as the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, may reasonably request in connection therewith.

7.5 Grantor Consent. The Borrower and the other Grantors consent to the performance by the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Collateral, of the obligations set forth in this Section 7 and acknowledge and agree that neither the New Money Term Loan Agent, as First Priority Representative with respect to the Term Loan Priority Collateral, nor any other First Priority Secured Party with respect to such Collateral shall ever be accountable or liable (except to the extent resulting from such party's gross negligence or willful misconduct) for any action taken or omitted by the ABL Agent or any ABL Secured Party or its or any of their officers, employees, agents successors or assigns in connection therewith or incidental thereto or in consequence thereof by the ABL Agent or any ABL Secured Party or its or any of their officers, employees, agents, successors or assigns or any other damage to or misuse or loss of any property of the Grantors as a result of any action taken or omitted by the ABL Agent or its officers, employees, agents, successors or assigns.

SECTION 8. *Reliance; Waivers; etc.*

8.1 Reliance. The First Priority Documents, the Second Priority Documents and the Third Priority Documents are deemed to have been executed and delivered, and all extensions of credit thereunder are deemed to have been made or incurred, in reliance upon this Agreement. With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, expressly waives all notice of the acceptance of and reliance on this Agreement by the other Secured Parties.

8.2 No Warranties or Liability. Each of the First Priority Representative, the Second Priority Representative and the Third Priority Representative with respect to each Type of Common Collateral

acknowledge and agree that none of them has made any representation or warranty with respect to the execution, validity, legality, completeness, collectibility or enforceability of any First Priority Document, any Second Priority Document or any Third Priority Document. Except as otherwise provided in this Agreement, each of the First Priority Representative, the Second Priority Representative and the Third Priority Representative with respect to each Type of Common Collateral will be entitled to manage and supervise their respective extensions of credit to any Grantor in accordance with law and their usual practices, modified from time to time as they deem appropriate.

8.3 No Waivers. No right or benefit of any party hereunder shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of such party or any other party hereto or by any noncompliance by any Grantor with the terms and conditions of any of the First Priority Documents, any of the Second Priority Documents or any of the Third Priority Documents.

SECTION 9. Obligations Unconditional.

All rights, agreements and obligations of the First Priority Representative and First Priority Secured Parties, the Second Priority Representative and the Second Priority Secured Parties, and the Third Priority Representative and the Third Priority Secured Parties, in each case with respect to each Type of Common Collateral, and the Grantors hereunder, to the extent applicable, shall remain in full force and effect irrespective of:

- (i) any lack of validity or enforceability of any First Priority Document, Second Priority Document or Third Priority Document;
- (ii) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the First Priority Obligations, Second Priority Obligations or Third Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any Refinancing, replacement, refunding or restatement of any First Priority Document, Second Priority Document or Third Priority Document;
- (iii) any exchange, release, voiding, avoidance or non-perfection of any security interest in any Common Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any Refinancing, replacement, refunding or restatement of all or any portion of the First Priority Obligations, Second Priority Obligations or Third Priority Obligations or any guarantee or guaranty thereof; or
- (iv) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of (a) the First Priority Obligations (other than a defense that the First Priority Obligations have been paid in full), (b) the Second Priority Obligations (other than a defense that the Second Priority Obligations have been paid in full) or (c) the Third Priority Obligations (other than a defense that the Third Priority Obligations have been paid in full) or of any of the First Priority Representative, Second Priority Representative, Third Priority Representative or any Grantor, to the extent applicable, in respect of this Agreement.

SECTION 10. Additional ABL Secured Obligations and Term Loan Secured Obligations; Certain Reclassifications of Term Loan Secured Obligations.

(a) The Borrower may from time to time, subject to any limitations contained in the ABL Loan Documents and the Term Loan Documents in effect at such time, designate additional indebtedness and related obligations that are, or are to be, secured by Liens on any assets of the Grantors that would, if such Liens were granted, constitute Common Collateral as ABL Secured

Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations, by delivering to each Representative party hereto at such time a certificate of a Responsible Officer of the Borrower:

(i) describing the indebtedness and other obligations being designated as ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be) and including a statement of the maximum aggregate outstanding principal amount of such indebtedness as of the date of such certificate;

(ii) in the case of ABL Secured Obligations, confirming that such obligations shall be First Priority Obligations with respect to the ABL Priority Collateral and Second Priority Obligations with respect to the Term Loan Priority Collateral;

(iii) in the case of New Money Term Loan Secured Obligations, confirming that such obligations shall be First Priority Obligations with respect to the Term Loan Priority Collateral and Second Priority Obligations with respect to the ABL Priority Collateral;

(iv) in the case of Junior Term Loan Secured Obligations, confirming that such obligations shall be Third Priority Obligations with respect to the Term Loan Priority Collateral and Third Priority Obligations with respect to the ABL Priority Collateral;

(v) identifying the Person that serves as the Representative with respect to such indebtedness and related obligations;

(vi) certifying that the incurrence of such ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be), the creation of the Liens securing such ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be) and the designation of such indebtedness and related obligations as ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be) hereunder (x) do not violate or result in a default under any provision of any ABL Loan Document or Term Loan Document in effect at such time and (y) would not have the effect of increasing the principal amount of ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as the case may be, then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as applicable; and

(vii) attaching a fully completed Representative Joinder Agreement executed and delivered by the Representative with respect to such ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be).

Upon the delivery of such certificate and the related attachments as provided above, the obligations designated in such notice shall become ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as applicable, for all purposes of this Agreement.

Without limiting the foregoing provisions of this Section 10, the Borrower may from time to time on or after the Existing Chapter 11 Cases Emergence Date, subject to any limitations contained in the ABL Loan Documents and the Term Loan Documents in effect at such time, re-classify existing indebtedness that constitutes Junior Term Loan Secured Obligations as indebtedness that shall thereafter

constitute New Money Term Loan Secured Obligations, by delivering to each Representative party hereto at such time a certificate of a Responsible Officer of the Borrower:

(a) describing the existing Junior Term Loan Secured Obligations being re-classified as New Money Term Loan Secured Obligations and including a statement of the maximum aggregate outstanding principal amount of such indebtedness as of the date of such certificate;

(b) confirming that such resulting obligations shall be First Priority Obligations with respect to the Term Loan Priority Collateral and Second Priority Obligations with respect to the ABL Priority Collateral;

(c) identifying the Person that serves as the Representative with respect to such indebtedness that shall thereafter constitute New Money Term Loan Secured Obligations;

(d) certifying that the resulting New Money Term Loan Secured Obligations, the creation (or existence) of the Liens securing such New Money Term Loan Secured Obligations (including the priority thereof) and the re-classification of such Junior Term Loan Secured Obligations as New Money Term Loan Secured Obligations hereunder (x) do not violate or result in a default under any provision of any ABL Loan Document or Term Loan Document in effect at such time and (y) would not have the effect of increasing the principal amount of Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Term Loan Secured Obligations; and

(e) if the Representative with respect to the resulting New Money Term Loan Secured Obligations is not already a party hereto as a Representative with respect to New Money Term Loan Secured Obligations, attaching a fully completed Representative Joinder Agreement executed and delivered by the Representative with respect to such New Money Term Loan Secured Obligations.

Upon the delivery of such certificate and the related attachments as provided above, the obligations designated in such notice shall become New Money Term Loan Secured Obligations for all purposes of this Agreement.

In the event of any conflict or inconsistency between the provisions of this Section 10 and the provisions of Section 11.3(b), the provisions of this Section 10 shall govern.

SECTION 11. *Miscellaneous.*

11.1 Conflicts. Except as otherwise provided herein, in the event of any conflict between the provisions of this Agreement and the provisions of any First Priority Document, any Second Priority Document or any Third Priority Document, the provisions of this Agreement shall govern.

11.2 Continuing Nature of Provisions. This Agreement shall continue to be effective, and shall not be revocable by any party hereto, until the First Priority Obligations Payment Date and the Second Priority Obligations Payment Date shall have occurred with respect to each Type of Common Collateral. This is a continuing agreement and the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, any Grantor on the faith hereof. For the avoidance of doubt, if any ABL Secured Obligations and any Term Loan Secured Obligations remain outstanding following the consummation of a Reorganization Plan in the Existing Chapter 11 Cases, this Agreement shall remain in effect notwithstanding the consummation of such Reorganization Plan.

11.3 Amendments; Waivers.

(a) No amendment or modification of any of the provisions of this Agreement (other than pursuant to a Representative Joinder Agreement or a Grantor Joinder Agreement) shall be effective unless the same shall be in writing and signed by the First Priority Representative, the Second Priority Representative and the Third Priority Representative and, in the case of amendments or modifications that could reasonably be expected to affect the rights or interests of any Grantor, the Borrower.

(b) It is understood that the ABL Agent and the Term Loan Agent, without the consent of any other Secured Party, may in their discretion determine that a supplemental agreement (which may take the form of an amendment and restatement of this Agreement) is necessary or appropriate to facilitate having additional indebtedness or other obligations (“Additional Debt”) of any of the Grantors become ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as the case may be, under this Agreement, which supplemental agreement shall specify whether such Additional Debt constitutes ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations; *provided* that such Additional Debt is permitted to be incurred by the ABL Credit Agreement and the Term Loan Agreement then extant, and is permitted by said Agreements to be subject to the provisions of this Agreement as ABL Secured Obligations, New Money Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as applicable.

11.4 Information Concerning Financial Condition of the Borrower and the other Grantors. With respect to each Type of Common Collateral, the First Priority Representative, on behalf of itself and the other First Priority Secured Parties, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, hereby agree that each Secured Party assumes responsibility for keeping itself informed of the financial condition of the relevant Grantors and all other circumstances bearing upon the risk of nonpayment of the First Priority Obligations, the Second Priority Obligations or the Second Priority Obligations. With respect to each Type of Common Collateral, the First Priority Representative, on behalf of itself and the other First Priority Secured Parties, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, hereby agree that no party shall have any duty to advise any other party of information known to it regarding such condition or any such circumstances. In the event any Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any information to any other Secured Party, it shall be under no obligation (a) to provide any such information to such other party or any other party on any subsequent occasion, (b) to undertake any investigation not a part of its regular business routine, or (c) to disclose any other information.

11.5 Applicable Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

11.6 Jurisdiction; Consent to Service of Process; Process Agent.

(a) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, IF THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, OF THE COURTS OF THE STATE OF NEW YORK IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY

ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(b) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(c) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.7. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

- (iii) if to Wilmington Trust, to the address set forth in Section 9.02 of the Term Loan Agreement as in effect on the date hereof,
- (iv) if to any other holder of indebtedness or Representative with respect thereto that becomes a party hereto after the date hereof, to the address designated by such holder or such Representative in the Representative Joinder Agreement pursuant to which such holder or Representative shall have become a party hereto, or
- (v) with respect to any party hereto, to such other address as may be designated by such party in a written notice to each other party hereto.

11.8 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and each of the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties and their respective successors and assigns, and nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or

in respect of this Agreement or any Common Collateral or any Type thereof. All references to any Grantor shall include any Grantor as debtor-in-possession and any receiver or trustee for such Grantor in any Insolvency Proceeding. All references to any Grantor that is, as of the Effective Date, a debtor-in-possession in any of the Existing Chapter 11 Cases shall, following the consummation of a Reorganization Plan in the Existing Chapter 11 Cases (if any of the ABL Secured Obligations or Term Loan Secured Obligations remain outstanding following such consummation), include a reference to such Grantor as a reorganized Person.

11.9 Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

11.10 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

11.11 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement by telecopy or electronic image scan transmission (such as a "pdf" file) shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each party hereto.

11.12 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.13 Additional Grantors. The Borrower and each other Grantor on the date of this Agreement will constitute the original Grantors party hereto. The original Grantors will cause each Person that becomes a Grantor after the date hereof to contemporaneously become a party hereto (as a Grantor) by executing and delivering a Grantor Joinder Agreement to each of the ABL Agent and the Term Loan Agent. The parties hereto agree that, notwithstanding any failure to take the actions required by the immediately preceding sentence, each Person that becomes a Grantor at any time (and any security granted by any such Person) will be subject to the provisions hereof as fully as if it constituted a Grantor party hereto and had complied with the requirements of the immediately preceding sentence.

11.14 New DIP Order Governs. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the New DIP Order, the provisions of the New DIP Order shall govern.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.

Eastman Kodak Company
Amended Administrative Guide for the 2011 Performance Cycle
of the Performance Cash Program
under Article 7 (Performance Awards) of the
2005 Omnibus Long-Term Compensation Plan

ARTICLE 1. INTRODUCTION**1.1 Background**

Under Article 7 (Performance Awards) of the 2005 Omnibus Long-Term Compensation Plan (the "Plan"), the Executive Compensation and Development Committee of Kodak's Board of Directors (the "Committee") may, among other things, award the opportunity to earn performance based cash to those Participants as the Committee in its discretion may determine, subject to such terms, conditions and restrictions as it deems appropriate. The Committee's charter permits delegation of its authority to grant certain awards pursuant to the terms contained therein.

1.2 Purpose

This Administrative Guide governs the Committee's grant of Awards under Article 7 of the Plan pursuant to a subprogram that is hereinafter referred to as the "Performance Cash Program," to be effective as of January 1, 2011, by which the Committee will award the opportunity to earn a cash award for the Cycle to eligible Participants described in Article 3. Unless otherwise noted in this Administrative Guide or determined by the Committee, the terms of the Plan shall apply to Awards granted under this Performance Cash Program.

In addition, this Administrative Guide is intended to establish those requirements necessary to ensure that the Cycle's Awards will be treated as performance-based compensation for the purposes of Section 162(m) of the Code. These requirements include establishment of the Cycle's Performance Criteria, performance goals under the Performance Criteria and Performance Formula.

1.3 Administration

The Performance Cash Program shall be administered by the Committee. The Committee is authorized to issue this Administrative Guide and to make changes in this Administrative Guide as it from time to time deems proper. The Committee is authorized to interpret and construe the Performance Cash Program and this Administrative Guide, to prescribe, amend, and rescind rules and regulations relating to each, and to make all other determinations necessary, appropriate or advisable for the administration of the Performance Cash Program, including without limitation any issues

regarding valuation, withholding, exchange rates, and international considerations. If there are any inconsistencies between the terms of this Administrative Guide and the terms of the Plan, the terms of the Plan will control. Any determination by the Committee in carrying out, administering or construing the Performance Cash Program will be final and binding for all purposes and upon all interested persons and their heirs, successors and personal representatives.

ARTICLE 2. DEFINITIONS

Any defined term used in this Administrative Guide, other than those set forth in this Article 2 or defined within another Article of this Administrative Guide, will have the same meaning for purposes of this document as that ascribed to it under the terms of the Plan.

2.1 Approved Reason

“Approved Reason” means, with regard to all Participants other than a Participant who is subject to Section 16 of the Exchange Act or a Covered Employee, a reason for terminating employment which, in the opinion of the Chief Executive Officer, is in the best interests of the Company. With regard to a Participant who is subject to Section 16 of the Exchange Act or who is a Covered Employee, “Approved Reason” means a reason for terminating employment which, in the opinion of the Committee, is in the best interests of the Company.

2.2 Award Payment Date

“Award Payment Date” is the date of payment of an Award, in the form of a cash payment, which shall be as soon as is administratively practicable after the Vesting Date, but in no event later than December 31 following the Vesting Date.

2.3 Performance Cycle

“Cycle” or “Performance Cycle” will consist of two one-year performance periods, the first of which will commence on January 1, 2011 and end on December 31, 2011, and the second of which will commence on January 1, 2012 and end on December 31, 2012.

2.4 Participant Account

“Participant Account” means the account established by the Company for each Participant who is granted an Award under the Performance Cash Program to record and account for the grant of the Award, until such time as the balance in the Account is paid, canceled, forfeited or terminated, as the case may be.

2.5 Performance Criteria

“Performance Criteria” means, with respect to the Performance Cash Program, the criteria that will be used to establish the Performance Goals for the Performance Cycle, as described in Article 6.

2.6 Performance Goals

“Performance Goals” means, with respect to the Performance Cycle of the Performance Cash Program, the goals based upon the Performance Criteria and established by the Committee, as more particularly described in Article 6.

2.7 Participant’s Individual Allocation

“Participant’s Individual Allocation” means, for the Performance Cycle of the Performance Cash Program, the target allocation amount, expressed as a target cash amount in USD(\$).

2.8 Vesting Date

“Vesting Date” shall mean the date that is one (1) year following the end of the two-year Performance Cycle. Thus, the Vesting Date is December 31, 2013.

ARTICLE 3. PARTICIPATION

3.1 In General

The Participants who are eligible to participate in the Performance Cash Program are those executives who, as of February 21, 2011, are either employed by Kodak globally in wage grades 48 and higher, or are senior-level executives employed by Kodak Subsidiaries. A schedule of such Participants is maintained by Kodak’s Global Compensation Organization.

Subject to applicable local laws, regulations and processes, in order to be eligible for and to receive an Award, all eligible Participants must have signed an Executive Employee’s Agreement in a form acceptable to the Chief Human Resources Officer and Senior Vice President, Eastman Kodak Company. Any Participant who fails to sign such an Executive Employee’s Agreement on or prior to Certification will forfeit his or her Individual Allocation.

3.2 New Participants

No person may become eligible to participate in the Performance Cash Program after February 21, 2011, whether as a result of a job change or otherwise.

3.3 Termination of Participation

A Participant's participation in the Performance Cash Program is subject to immediate termination upon the Participant's termination of employment from the Company, whether voluntary or involuntary, during the first year of the Performance Cycle. In the case of the Participant's termination of employment after the first year of the Performance Cycle but prior to the Vesting Date, the Participant will forfeit any and all rights to receive payment on account of an Award for the Cycle, except as specified in Section 8.2 (Death, Disability, Retirement) or Section 8.3 (Layoff, Approved Reason, Divestiture).

ARTICLE 4. FORM OF AWARDS

4.1 Form of Awards

Awards granted under the Performance Cash Program provide Participants with the opportunity to earn a cash award, subject to the terms and conditions contained in this Administrative Guide and the Plan. Each Award granted under the Performance Cash Program shall be expressed as a target cash amount in USD(\$). The target cash amount that is allocated to a Participant is referred to herein and in the Plan as the Participant's Individual Allocation.

ARTICLE 5. AWARD ALLOCATION

5.1 Establishing the Participant's Individual Allocation

The target cash amount allocated to all Participants, with the exception of Covered Employees under 162(m), will be determined by management. The target cash amount allocated to Covered Employees will be determined by the Committee. No change will be made to the target cash amount allocated to a Participant as a result of a promotion or demotion that occurs after the target cash amount is allocated.

ARTICLE 6. ESTABLISHING PERFORMANCE FACTORS

6.1 Performance Criteria

The Committee has selected Cash Generation before Restructuring and Pension/OPEB as the performance measure for purposes of establishing the Performance Goals for each year of the Performance Cycle. The Committee shall have the discretion to revise the Performance Criteria for the second year of the Performance Cycle within the first

90 calendar days of 2012, which is the portion of the award payable to participants who perform services after the first year of the Performance Cycle.

6.2 Performance Goals

The Committee has established the target for the Performance Cycle that will serve as the "Performance Goal" for purposes of assessing the Company's performance during the Performance Cycle. The Committee has also established the minimum amount (the "Minimum Performance Goal") that must be achieved before any amount of an Award will be considered to have been earned for each year of the Performance Cycle. The Committee shall have the discretion to revise the Performance Goal and the Minimum Performance Goal for the second year of the Performance Cycle within the first 90 calendar days of 2012, which is the portion of the award payable to participants who perform services after the first year of the Performance Cycle.

The Committee will cause the Performance Goal and the Minimum Performance Goals to be documented in an Exhibit "A" to this Administrative Guide.

6.3 Performance Formula

The "Performance Formula," which will determine the amount of an Award that will be considered to have been earned by a Participant is as follows:

$$\text{Award Earned} = \text{Participant's Individual Allocation} \times \text{Applicable Performance Percentage}$$

The "Applicable Performance Percentage" will be determined from the weighted performance metrics established for the first year and second year of the Performance Cycle, attached to this Administrative Guide as Exhibit "A". For purposes of the performance metrics, results between the amounts shown will be interpolated to derive an Applicable Performance Percentage. The maximum Applicable Performance Percentage is 150%.

ARTICLE 7. DETERMINATION OF EARNED AWARDS

7.1 Certification

Following the completion of the first year and second year of the Performance Cycle, the Committee shall meet to review and certify in writing whether, and to what extent, the Performance Goal for the Performance Cycle has been achieved for that year. If the Committee certifies that the Minimum Performance Goal has been achieved, it shall also calculate and certify in writing the Applicable Performance Percentage. By applying the Performance Formula, the Committee shall then determine and certify the total allocation that has been earned for the Performance Cycle. The Committee may,

through the use of discretion, increase or reduce the amount that would otherwise be certified by application of the Performance Formula, if, in its sole judgment, such increase or reduction is appropriate.

7.2 Discretion

Notwithstanding any provision contained herein to the contrary, in determining the actual amount of an individual Award to be deemed earned for the Cycle, the CEO may, through the use of discretion, increase or reduce the amount of the Award that would otherwise be earned by application of the Performance Formula, if, in his sole judgment, such increase or reduction is appropriate. In the case of Covered Employees, the Committee may exercise such discretion. Positive discretion will not apply to Participants who are Covered Employees as defined under IRC Section 162(m).

ARTICLE 8. PRECONDITIONS TO RECEIPT OF AN EARNED AWARD

8.1 Continuous Employment until Payment

A Participant must remain continuously employed with the Company (in any wage grade) at all times from the first day of the Cycle through the Vesting Date in order to remain eligible for an Award. If a Participant's employment with the Company ceases during this period for any reason, the Participant will forfeit the entire target cash amount that has been allocated to him or her for the Cycle (including any target cash amount that has been earned but not vested pursuant to Article 9 hereof), except as otherwise set forth herein. The limited exceptions to the requirements of this Section 8.1 are specified in Sections 8.2 and 8.3 below.

8.2 Death, Disability or Retirement before the Vesting Date

In the event a Participant's employment with the Company ceases at any time during the first year of the Performance Cycle (as a result of his or her death, Disability or retirement), the Participant will no longer be eligible for an Award for such Cycle and, consequently, will forfeit any and all rights to receive an Award for such Cycle.

Notwithstanding any provision contained in this Article 8 to the contrary, if the last date of employment is on or after the completion of the first year of the Performance Cycle but prior to the last day of the Performance Cycle, and a Participant terminates employment due to death, Disability or retirement, the Participant shall be eligible to receive 50% of the amount determined under the Performance Formula on the Award Payment Date.

If the last date of employment is on or after the completion of the Performance Cycle but on or prior to the Vesting Date, and a Participant terminates employment due to

death, Disability or retirement, the Participant shall be eligible to receive the amount determined under the Performance Formula on the Award Payment Date.

8.3 Layoff, Approved Reason or Divestiture before the Vesting Date

In the event a Participant's employment with the Company ceases at any time during the first year of the Performance Cycle as a result of layoff, a finding of an Approved Reason or divestiture, the Participant will no longer be eligible for an Award for such Cycle and, consequently, will forfeit any and all rights to receive an Award for such Cycle.

Notwithstanding any provision contained in this Article 8 to the contrary, if after the end of the first year of the Performance Cycle but prior to the Vesting Date, a Participant's employment with the Company ceases as a result of layoff, an Approved Reason or divestiture, and if such Participant had been employed with the Company for the entire first year of the Performance Cycle, such Participant shall be entitled to receive the amount determined under the Performance Formula without proration on the Award Payment Date.

ARTICLE 9. PAYMENT OF AWARDS

9.1 Timing of Award Payments

Awards that have been earned shall be paid on the Award Payment Date by the procedure described in Section 9.2. Participants cannot defer Awards.

9.2 Form of Payment of Awards

All awards for this Cycle shall be paid in the form of cash, subject to the terms, restrictions and conditions of the Plan and those set forth in this Administrative Guide.

9.3 Non-Assignable

No Awards or any other payment under the Performance Cash Program shall be subject in any manner to alienation, sale, transfer (except by will of the laws of descent and distribution), assignment, pledge or encumbrance, nor shall any Award be payable to any one other than the Participant to whom it was granted.

ARTICLE 10. MISCELLANEOUS

10.1 Reorganization

If the Company undergoes a reorganization (as defined in Section 368(a) of the Code) during the period beginning on the date the Committee certifies the amount of the

Award that has been earned by the Participants and ending on the Vesting Date, the Committee may, in its sole and absolute discretion, take whatever action it deems necessary, advisable or appropriate with respect to the Account of each Participant that has earned an Award in order to reflect such transaction, including, but not limited to, adjusting the target cash amount.

10.2 Termination/Amendment

The Committee may amend, suspend or terminate the Performance Cash Program in whole or in part at any time, for any reason, with or without prior notice to the extent permitted by the Plan. In addition, the Committee, or any person to whom the Committee has delegated the requisite authority, may, at any time and from time to time, amend this Administrative Guide in any manner.

10.3 Section 162(m) of the Code

If any provision of this Administrative Guide would cause the Awards granted to a Covered Employee not to constitute "qualified performance-based compensation" under Section 162(m) of the Code, that provision, insofar as it pertains to the Covered Employee, shall be severed from, and shall be deemed not to be a part of, this Administrative Guide, but the other provisions hereof shall remain in full force and effect. Further, if this Administrative Guide fails to contain any provision required under Section 162(m) in order to make the Awards granted hereunder to a Covered Employee be "qualified performance-based compensation," then this Administrative Guide shall be deemed to incorporate such provision, effective as of the date of this Administrative Guide's adoption by the Committee.
